GUEST STARS

DEDICATION

WE, the senior class of 1937, dedicate this twenty-seventh edition of the Zenith to the *Doctors*, *Merchants*, and *Organizations* of Chagrin Falls, who by their hearty support and sympathetic understanding, have aided the school activities program during the past years.

We thank them sincerely for their support and by this act do we try to assure them of our continued loyalty and appreciation to this high standard of public service established and maintained through their sacrifice and devotion.

Chagrin Falls presents number twentyseven of a new series of programs beginning early in September and lasting until early in June, featuring a tour of the Educational Activities at Chagrin Falls High School.

THEME SONG

APPRECIATION

A T this time I wish to take the opportunity to thank everyone who helped us to produce this program, especially Mr. Gurney, Miss Nunvar, and Mr. Sands, for without them there could have been no program featured this year. The splendid cooperation which was given to us is well appreciated, and we thank you.

The Editor.

ZENITH STAFF

LADIES and Gentlemen: Before we become too far advanced on our program, let me introduce to you the featured artists.

The one who will probably interest you the most is the person who put in your picture. You may thank Tom Cathan. The one who will make you laugh is Peg Hileman. Ruth Niece was responsible for the financial state of affairs; she was assisted by Paul Foster. Our able little artist was Mary Cathan; and who took notes of all the important events but Elizabeth Arthur. Edward Hammon, living up to his reputation in that field, had charge of the athletics. Marjorie Black helped here and there, worked hard, and made the progress more rapid. The four typists whose work was so accurate are: Elizabeth Carson, Eleanore Mackey, Jean Davidson, and Genevieve Siebert. Our ever patient guiding hand is Mr. Gurney, and "yours truly" is Jane Behlen.

The Editor.

FEATURED OFFICERS

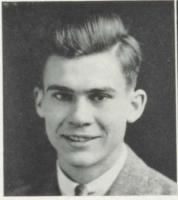

RUTH NIECE Secretary

Our "perpetual president," Don, did not let his offices take all of his time. In athletics, in dramatics, and in his classes he worked hard; his reputation is wellearned. Ruth is a quiet, capable person upon whom everyone depends. As a result of this characteristic she was chosen, among other honors, to be the business manager of the Zenith.

"Fuzz" was one of the outstanding athletes of our class, not only on the football field, but also on the basketball floor. This probably had something to do with the fact that he is one of the most popular boys of the class.

The bass-voiced humorist of the class is also one of the popular boys. He made an excellent reputation on the athletic field and floor. Also in plays George proved himself to be very adaptable.

Edward Hammon Vice-President

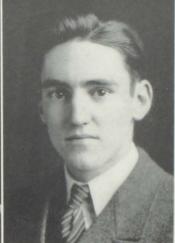

George Rowe Treasurer

FEATURED ARTISTS

ELIZABETH CARSON

Elizabeth likes sports and represents the athletic type in our class. She was a valuable member of G.A.A. and a very useful typist on the Zenith staff.

ROBERT BURKHARDT

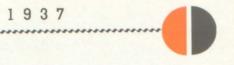

Robert was formerly a member of Chardon High School and entered C.F.H.S. for his senior year only. Quiet and studious, and having a pleasant disposition "Bob" soon made himself many friends.

JEAN DAVIDSON

Because of her skill in typing, Jean was chosen to be one of the typists on the Zenith staff. She also likes athletics and is a favorite among her classmates.

ZENITH, 1937

MARJORIE BLACK

Marjorie has not only flying feet but also a flying brain as was always indicated by her grades. In addition to being one of our most popular girls, she was active in the plays and other activities about school.

HARVEY ROSENGREEN

John was always "on the spot" when we needed him. He was earnestly striving to absorb all he could, and he is always dependable.

JANE BEHLEN

It would be impossible in this short space to tell of Jane's many participations in the school's activities. She was a leader in all the dramatic productions, and as a final tribute to her ambitious spirit she was chosen editor of the Zenith.

HUBERT MARTY

Our versatile six-foot-four "Monk" was one of the looked-up-to boys of our class in more ways than one. Not only was he busy in athletic participation, but also in dramatic productions.

FRANCES KIMMEL

Frances is another steadygoing member of the class, and she deserves much praise for her ability in athletics. She followed the commercial course.

PAUL FOSTER

This handsome, blond member of the senior class was active in dramatics, the glee club, and Hi-Y. He was assistant business manager on the Zenith staff.

ELEANORE MACKEY

Eleanore entered the class as a sophomore. In those three years she earned for herself the reputation of an earnest, studious, levelheaded girl. Her spirit of cooperation must be admired by all.

RICHARD CLARK

"Dick" is the scientific member of our class. He held the position of assistant in the laboratory, and many students can thank him for pulling them through a "tough spot." He was a member of the Hi-Y club, the glee club, and proved himself a good actor in the school's principal productions.

JENNIE NOBLE

Jennie, of the noble family of Nobles, was one of the quieter members (sometimes). She also took her work seriously, and that kept her too busy to be seen very many places about school, but she was always ready and willing.

GENEVIEVE SIEBERT

Genevieve is famous around C.F.H.S. for her infectious laugh and high good humor. Her important work as program chairman of G.R. kept her busy. Besides this, she belonged to the glee club, participated in dramatics, and was a typist on the Zenith staff.

MILTON STOLPH

"Bud" is another person who excelled on the field and floor. He was also a member of the Hi-Y.

MARGARET HILEMAN

Would our class be complete without our "soft-voiced" Peggy? Never. This tall, blond, quiet wizard was in the cabinet of more than one club, and there is nothing to make a person doubt that she was one of the most popular girls in school activities.

ZENITH, 1937

NELLIE CHRISTENSON

Her conscientious spirit made Nellie a reliable member of the senior class. Ever dependable, she could always be counted on to help in troublesome matters.

TOM CATHAN

Who in C.F.H.S. is not familiar with the ever cheerful countenance of Tom? His happy-go-lucky spirit keeps him as much as possible in the great out-doors but somehow he always skinned through his studies. He was editor of photography on the Zenith staff.

ELIZABETH ARTHUR

Always quiet and unassuming, Elizabeth is well-liked by all who know her. She was ring chairman of the Girl Reserves and was editor of the calendar on the Zenith staff. Besides these important activities, Elizabeth usually made the honor roll.

MARTHA HERRICK

Many people in the class have red hair, but none have hair so bright red as she. Just as bright as her hair, however, is her personality; and, she is one of those dependable persons who make our clubs successful.

RALPH GORE

Ralph enjoys athletics, and in his senior year went out for track and football. He was a member of the Hi-Y club.

MARY CATHAN

For vim, vigor, and vitality we give you Mary Cathan. She was a member of the glee club and Girl Reserves. Her ability as an actress will long be remembered in C.F.H.S.

ZENITH, 1937

JANET HEENE

Janet is our vivacious song bird. Not only is her singing worth praise, but also her sunny disposition makes many a class laugh with her.

RICHARD DAVIS

"Dick" came to us in his junior year from Hudson, Michigan. He enjoys athletics, reading, and arguing. He was invaluable as stage manager and electrician "behind the scenes."

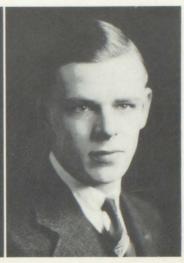

Helen is one of the vivacious, good-humored girls of the senior class. She is a member of Girl Reserves and the glee club.

DERWOOD CHAMBERLIN

"Silence is golden" is probably the motto which Derwood holds most dear. However this is not a social drawback to him, for he was a member of the Hi-Y and also of the glee club.

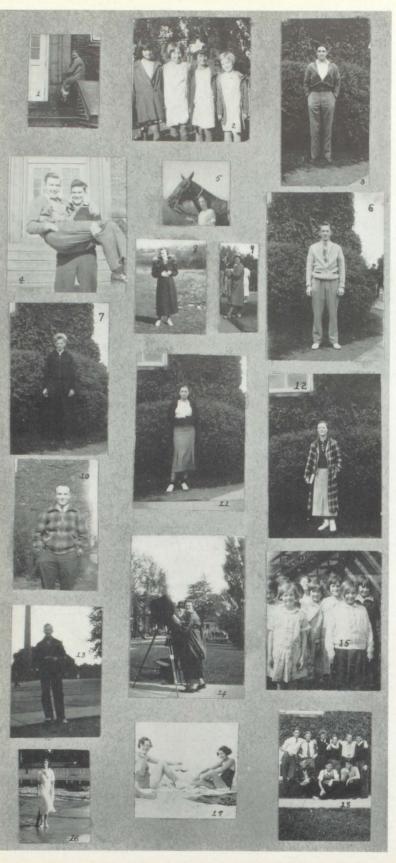

CHARLES FRANK

Charles is interested in industrial arts. His skill in this field is recognized by all. He was a member of Hi-Y.

DEVANE SMITH

DeVane's football spirit will not be forgotten very soon, and he was equally as good on the basketball floor.

JUNIOR CLASS

THE juniors have been guided by many different teachers throughout their eleven years. Each teacher has helped us in our problems and added something to our knowledge.

We have not always had the group which we have now, but most of us started out in the first grade together. As we have gone on through the grades, many have left us, and some have come to take their places.

We are well represented in every school activity, and everyone of us tries to add something to the good name of our school.

Next year we hope to successfully fill the vacancy left by the class of '37.

SOPHOMORE CLASS HISTORY

THE curtain rose for the class of '39 in 1927. Ten acts have passed so far and all is well. Many of the star performers in the drama called "School Life" are sophomores. Especially in athletics is the class represented. The scholastic standing is a high

one, and many find difficulty in keeping up with it.

Each act of "School Life" has a different director, who is a help to the pupils and to the class as a whole. This year these directors guided us into the depths of Latin, home economics, English, and manual training. We also started some new subjects: namely geometry, typing, history, drawing, general business, commercial law, public speaking, and others. The number of sophomores has always been large, usually varying between sixty and eighty. Mr. Poole and Miss Haynam were chosen to be the "directors" this year.

The year as a whole has been one of the biggest for the class, and we hope and expect each succeeding year to be a bigger suc-

cess!

NINTH GRADE CLASS HISTORY

THE class of '40 started on the long and difficult road to education under the expert guidance of Miss Pugsley and Mrs. Maiden. Since then, new pals have come and others have gone, but memories of old ones remain. Our aim as first graders was to be sixth graders, highest and most powerful of all the grades. When we graduated into the seventh grade, it was like starting all over again with our new aim to be seniors.

We are well on our way toward our goal, and already we have proved our worth on the gridiron and basketball floor. Our athletes will be unconquerable, our musicians incomparable, our students unsurpassable. We sincerely believe our class will be one that Chagrin Falls High School can well be proud of.

Sixth Row: Mr. Kendall, Yarhaus, Cover, Bagley, R. Shelton, Miss Haynam. Fifth Row: Anderson, Johnson, Allshouse, Kolm, Lumme, Chambers, Burnett. Fourth Row: Sayles, Ryall, Koogler, Banks, Fast, Rentz, Langstaff. Third Row: Yunkes, Russell, Carson, Wallace, Gordon, Solether, Linder. Second Row: Parraco, Kivisto, E. EIGHTH GRADE CLASS HISTORY

N OW that we have reached our eighth year, we find that we are well organized. We have participated in some activities such as orchestra, G.A.A., Echo, and junior high basketball.

Classmates have come and gone during this enlightening year. All of us are constantly making new friends. This year we welcomed to our class Betty Van Horn, and Janet Irons. We were also sorry to have Wyman Bennett, Josephine Browder, and Virginia Rufner leave us.

The boys think they have learned the knack of getting the ball in the basket, and they really enjoy basketball.

So I guess we'll chalk this down for another successful year at "Dear ol' Chagrin."

SEVENTH GRADE CLASS HISTORY

IN 1929 a group of children were kissed and sent for the first time to school. During the six years that followed they grew out of certain things and into others. So when the year 1936 rolled in, that same group, with a few exceptions, entered the high school building as pupils. At last we were in Junior High! And so, the class of "Hi" progresses.

Eighth Row: Miss Burdick, T. Davis, Forsythe, Eloff, Mr. Kearney. Seventh Row: Crotty, Draz, Lanzer, Tottle, R. Smith, Siebert, McDermott. Sixth Row: Briel, Mercer, Kraushaar, Hissett, Hensley, Ernyie, Mohler, Kohn, Ettinger. Fifth Row: Kimpel, Venchiarutti, Croll, Davis, Bennett, Rake, Burgess, Burrows. CLASS OF '37 HOLDS REUNION

AFFAIR A GREAT SUCCESS

N Thursday, June 3, 1947, the class of 1937 held a reunion in the form of a picnic at the school-grounds. The affair was a huge success as all of the members returned to renew old friendships. The class as a whole has met with wondrous good fortune in the affairs of the world.

Among the first to arrive was Mr. Donald Wrentmore, the senior president of the class, who is now the head floor-walker in the Brewster and Church Co. He was accompanied by Mr. Geo. F. Rowe, who through hard work has attained the position of chief pilot on the Chagrin Falls-Willoughby Main Airline.

Another member to arrive early was Dr. D. J. Behlen, veterinary at the Cuyahoga County Cat and Dog Hospital. Soon after came Richard Clark, now a barker with Barnum and Bailey's Circus, and DeVane Smith, the famous six day bike racer who took third place this year.

The last one to arrive (as usual) was Milton (Bud) Stolph, chief of the local fire department. Ten minutes before Mr. Stolph arrived came Edward "Fuzz" Hammon, manager of the Chagrin Falls Beauty Emporium.

Thomas—"Bring 'Em Back Alive' Cathan, head of Chagrin Falls Public Zoo, entertained the gathering with a vivid account of his past (?) experiences. This was followed by a musical number from Janet Heene, who is now vocalist with Richard Davis and his Hillbillies.

Mary Cathan runs a quick lunch and hot-dog stand on Route 422. She furnished the food for the picnic.

Now for news of the members not as yet mentioned:

Ralph Gore owns the gasoline station near Miss Cathan's place of business.

Paul Foster, successor to "Smitty the Cop," helps the children across the street from Miss Herrick's and Miss Niece's kindergarten on Bell Street.

Professor R. Burkhardt of Western Reserve University has just published his third book "The Weird Ways of Women." His first customer was Derwood Chamberlin, crooner employed by station SOS in Chardon. Another radio star is Genevieve Siebert, who is "getting rich quick" with her famous giggle.

Hubert Marty is one of the best little jockeys at Bainbridge. He took first place in the peanut scramble at the picnic. Harvey Rosengreen, who took a correspondence course, and is a detective employed by Elizabeth Arthur's We Gettem Detective Agency, won second place.

Jennie Noble and Helen Davis, who had their "fling" on Broadway, are now married and both brought their kiddies to the picnic. These kiddies had a wonderful time pelting Charles Frank's

SENIOR CLASS HISTORY

TWELVE years ago the class of 1937 started out on its pursuit of knowledge under the direction of Miss Pugsley and Mrs. Bailey. Our members have excelled as students, and also as athletes, actors, and as leaders of various clubs through the years.

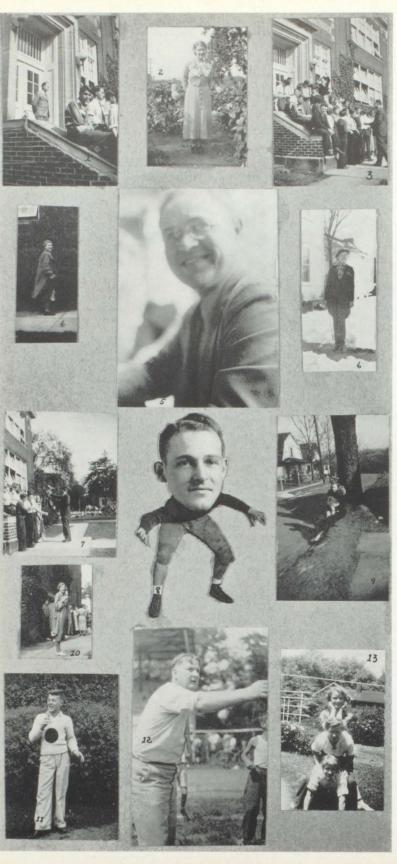

Our debut in dramatics came when as sophomores several of our members played in the operetta. The junior play "Huckleberry Finn" proved our dramatic ability, and the senior play "Digging Up the Dirt" was very successful.

Many of the members have played on the football and basketball teams, and others have been members of the track teams.

Quite a number of the boys entered the Boys' Glee Club and the Hi-Y Club, while the girls entered the Girls' Glee Club and the Girl Reserves.

The members of the class of 1937 will leave behind them memories of athletic, dramatic, and scholastic progress; they will leave behind them also many friendships and will carry forever fond recollections of associations with their classmates and teachers.

ECHO STAFF

THIS year's Echo has been enriched by the addition of our most capable advisor, Miss Burdick, who came to us from Rhode Island. She has given to the members of the staff invaluable aid concerning the methods of obtaining a larger audience for our journalistic efforts.

Miss Neff acted in the capacity of assistant to Miss Burdick until Miss Burdick became acquainted with the Echo staff and its work.

A new plan has been propounded and accepted by our staff, whereby an editor will take over the reins at the mid-year and continue as editor for the first semester of the following school year.

E ARLY in the year the officers were chosen. During the year the Girls' Glee Club sang several times including "Sunny Acres," a P.-T.A. meeting, and May Concert.

In the spring the Girls' Glee Club combined with the Boys' Glee Club to present the operetta, "The Spanish Grandee."

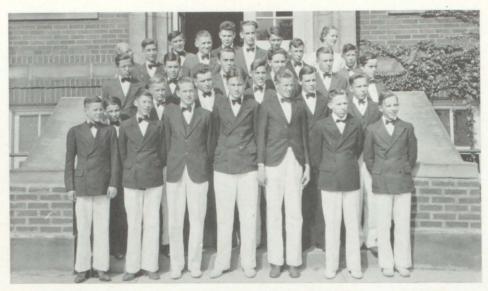

The club ended the season by singing at Commencement.

BOYS' GLEE CLUB

W HEN the Boys' Glee Club met during the first week of school, they elected their officers.

We regret very much the fact that we lost many good members last year. However we believe that the new members entered this year amply compensated for the loss.

The Boys' and Girls' Glee Clubs collaborated in producing several interesting musical programs, as well as in staging the colorful operetta, *Spanish Grandee*.

HI-Y

THE Hi-Y enjoyed a most eventful year under the skillful guidance of our congenial "Pop" (Mr. Kearney) who is our faculty advisor.

The new members received their customary initiation in the gym, and the old members believe that it was a very impressive eremony.

On January 11 the new officers took over the duties of the club. The retiring officers were: Donald Wrentmore, Edward Hammon, Richard Clark, and Hubert Marty.

Due to the inventive proclivity of our committees, the Hi-Y Sweetheart Banquet proved to be a great success.

GIRLS' ATHLETIC ASSOCIATION

THE G.A.A. met early in the school term to elect new officers. At this meeting a system of points was established whereby the girls could get seals when they had earned the required number of points by being an active member in volley ball, basketball, track, and other minor sports.

Miss Landrum was our new faculty instructor. We owe her much for her help and advice during her first year as a G.A.A. advisor.

The girls of the G.A.A. feel that they have established a club which every girl can actively participate in if she is interested in athletics.

OPERETTA

"THE SPANISH GRANDEE," a farce in two acts, under the direction of Mrs. Fouts, was presented by the Glee Clubs and

Orchestra March eighteenth and nineteenth.

The story takes place in a small republic of Porto Del Oro, a country never before heard of, nor since. The Spanish Grandee, Don Alberto, has declared a holiday; and the people are to celebrate a happy, gay fiesta. The plot unfolds when Robert Carlson, a local representative of The Consolidated Fruit Company, is elected to fight the bull. By using strategy Robert overcomes the bull, and after many other exciting events the operetta closes, and everyone is happy.

The operetta was a huge success, and much credit is due to Mr. Baker, who directed the dialogue, and to Miss Landrum, who

directed the dances. The cast is as follows:

THE SENIOR PLAY

ON December 9, 1936, the Senior Class presented a three-act

comedy entitled "Digging Up The Dirt."

The story takes place on a dude ranch in the Southwest where Anvar College is located. Kenneth Andrews and William Loomis, students of Anvar College, are helping the Professor Halleck find a long lost treasure. Difficulties arise when the professor receives a telegram stating that an old friend of his, with a party of boys and girls, will arrive shortly. One of these friends is Ken's fiancee. Bill strikes upon the splendid idea of being Indians. The truth soon leaks out. In spite of the many misunderstandings and embarrassing predicaments, the story ends happily.

C. F. A. A

THE A. A. Board consists of Mr. Sands, Mr. Gurney, Mr. Baker, and two students elected by popular vote. Edward Hammon and Don Wrentmore were chosen by the student body to fill these positions. The purpose of the board is to pay the athletic bills and award all athletic letters. A great deal has been accomplished this year, and many thanks should be given to the board for its great work.

FOOTBALL SQUAD

The substitutes, as you know, are the ones who take all the hard knocks; but only with their help did Chagrin turn out a fine team this year. Substitutes have to be ready to enter the game at any time, so they keep in trim by practicing just as hard as the rest of the fellows.

FOOTBALL

HAMMON

"Fuzz" was one of the best backfield men we had. He did all of the punting and was a good pass receiver. His defense was superb. He was elected honorary captain.

CLEMENS

Pete played tackle for the first time and really played a bang-up game. Next year's team will find him useful.

ELOFF

Andy is a red-headed siren of the gridiron. Not many men came around his end without having plenty of trouble.

Ass'T COACH RICE

He helps Coach Gurney in every way possible and is up at the field every night working with the boys so as to improve their play. A large share of the team's success is also attributed to him.

STOLPH

Bud is a senior who played his last for Chagrin and did a fine job of it. His first year on the team proved him to be a good ground gainer.

HILEMAN

Wally played fullback. He is a good ground gainer and has a fine fighting spirit.

GORE

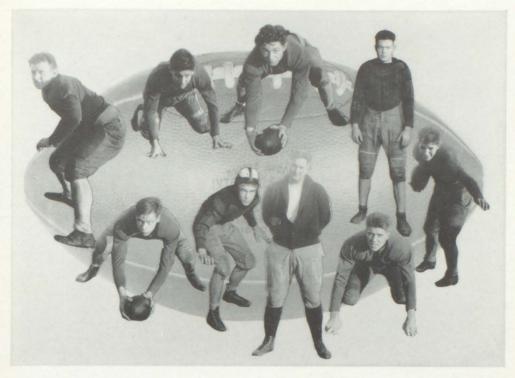

Dinky played end and tackle, and was a handy man. It was his first year on the team, but he made many good tackles.

ROSENGREEN, MGR.

J. Harvey had a lot of responsibility but filled his job capably. He was as fine a manager as Chagrin has had.

TEAM

FISHER

Monty started the season at full-back but was shifted back to his old position at center. He will be a big help to the team next year because of his fine tackling and his fighting spirit.

SHRIVER

Edwin played end and guard, and did well at both positions. He is a good tackler.

GIFFORD

Melvy is the largest man on the team. That he used his weight to the best advantage is shown by his hard tackling. He will be a great help to next year's team.

ROWE

George did a fine job of snapping the ball back to the backfield. He was injured in a practice game and could not play for the rest of the season. He will be missed greatly next year.

DAVIS

Dick is a good tackler and is always getting the opposing team's goat. His work at end was outstanding.

ALLSHOUSE

Bob was our red-headed demon of the backfield. He was a good passer and also a good runner.

BENBOW

Johnny has two more years to play; he is not so big, but nevertheless he is all football player. He played half-back this season and did a fine job of it. His many gains through the line were outstanding.

SMITH

This was Smitty's first year on the team, and he played guard. He broke up many of the enemies' thrusts at the line. He was plenty scrappy.

COACH GURNEY

He is the man under whose guiding hand the team worked. The credit to this year's success must be in part attributed to him. When his team loses or pulls a boner, he is the one who gets blamed, and he takes it with a smile.

Chagrin 0-Mentor 0

The opening game was a test for both teams and was played

on the home field.

Chagrin had the ball in Mentor's territory throughout most of the first three quarters; but Mentor, a much heavier team after blocking a punt, fought its way down to the Chagrin four-yard line, where it was stopped by Chagrin's defense.

Chagrin 12—Chester 12

Chagrin out-played its rivals in all quarters but the third. Chester started a passing attack and pushed across two touchdowns to tie the score. Chagrin scored in the first and second periods of the game.

Chagrin 1—Aurora 0

Aurora, having made a mistake in its schedule, forfeited the game to Chagrin.

Chagrin 12-Brecksville 0

The game was played during a drizzling rain on our opponent's gridiron. "Red" Allshouse skirted the end twice for touchdowns in the second and third periods. Brecksville didn't once threaten the Chagrin goal line.

Chagrin 13-Hudson 6

This game was played part of the time in the rain. Hudson drew first blood by completing two long passes. Chagrin came back in the next quarter to score a touchdown and the extra point. At the half the score was Chagrin 7, Hudson 6. Chagrin again crossed the Hudson goal line in the third period. Hudson threatened twice in the closing minutes, but Chagrin held and the game came to an end.

Chagrin 6—Independence 0

This game was played in a downpour of rain. The ball was placed in scoring position by Chagrin in the closing minutes of the second quarter on a pass from Allshouse to Hammon, who ran sixty yards before being tackled. A line plunge then gave us the touchdown. Independence threatened only in the second period.

Chagrin 0—Orange 20

This game is always a hard fought battle. This season neither team had lost a game so far. Orange started the scoring in the first quarter after Chagrin had fumbled. Orange also scored in closing minutes of the second period. At the half, the score was Orange 14, Chagrin 0. In the third quarter, Chagrin had possession of the ball most of the time. Chagrin started a passing attack that carried them to the five-yard line. They were then penalized back to the twenty-five yard line. They again started forward but were stopped on the one-foot line. Orange scored in the final period, and the game ended with a score of 20 to 0.

Chagrin 25-North Royalton 6

This game, which was the last game of the season, was played at home. At the end of the first half the score was Chagrin 13, North Royalton 0. In the third quarter, Hoffman of Royalton broke loose for a fifty-yard run to score the only touchdown for the opposing team. Chagrin scored twice in the last quarter, and the game ended with a score of Chagrin 25, North Royalton 6.

BASKETBALL TEAM

Bud Stolph Good point getter—fine fighting spirit—second highest scorer on team—fine defensive player.

Don Wrentmore
Uncanny accuracy in dropping
the ball through the meshes
from long distances—fine defensive guard—elected honorary captain.

Hubert Marty Elongated center—first year on varsity—very good in taking the ball off the backboard.

Johnny Benbow Very good defensive player broke up many of opponents offensive attacks—will be of great use to next year's team. Fuzz Hammon Good defensive and offensive player—led team in scoring very much at home on the basketball court.

Julian Carey
Played a steady game of basketball—dependable as an offensive threat.

Paul Foster, Mgr. Had the grief of bossing other managers—it was a thankless job, but he took it with a shrug and went ahead with his work.

COACH GURNEY
Turned out a team this year
with a percentage of .500. He
is the guiding hand which the
boys follow. He deserves much
credit for his team's play this
season.

ZENITH, 1937

Second Row: Sawyer, Clemens, Mgr. Ettinger, Rowe, Coach Gurney, Kolm, Jones, Smith, Mgr. Langstaff. First Row: Law, Sprague, Eloff, Helberg, Hileman, Fast, Shutts, Mgr. Stroud.

"B" TEAM

CHAMPION of the county league of "B" teams. Even though it was the first year on the floor for many of the players, the team was not handicapped. Most of these players are to be counted on for next year's team.

HUDSON

This, the opening game of the season, was played on the home court. The team showed a fine fighting spirit although it bowed to Hudson with a score of 32-20.

BRECKSVILLE

This game was played away from home and was the first county game. Hammon scorched the meshes for eighteen points while the guards were very good on defense. Score 34-24.

SOLON

This was the second county game for Chagrin on its own floor. Hammon and Stolph led the scoring with fourteen and thirteen points respectively. As can be seen by the score, the guards were outstanding in their defensive work. Score 43-12.

INDEPENDENCE

Chagrin took its first county defeat of the season at the hands of its bitter rivals. It was a low-scoring game with Chagrin on the tail end of a 17-14 score.

ALUMNI

Paced by "Fuzz" Hammon's ten points, Chagrin's cagers repulsed the Alumni quint 28-14. Stolph was close on Hammon's heels with seven points.

N. ROYALTON

This was a free scoring game with Wrentmore and Stolph leading the parade with 10 and 9 points respectively. J. Benbow did his job well at his guard post. Final score was 31-23.

ORANGE

This game was played on our rival's floor. Orange started well and never relinquished its lead. Chagrin lost this game, to the tune of an 18-13 score.

SOLON

Chagrin, after a slow start, came into the lead at the half. "Fuzz" Hammon counted twenty-one points, which helped Chagrin win its fifth county game, the final score being 41-27.

INDEPENDENCE

Chagrin took its third county defeat of the season by again losing to Independence. Chagrin showed a fine fighting spirit up until the final gun but was unable to overcome the lead acquired by its foes. Final score was 32-24.

N. ROYALTON

Chagrin got off to a poor start and was unable to overcome the lead piled up by Royalton in the first quarter. Carey, with five points, led the scoring for Chagrin Falls. Final score was Chagrin 16—Royalton 18.

ORANGE

The last game of the season for Chagrin didn't turn out so well. Chagrin led in the first half but fell down the last half under an avalanche of baskets by Orange. Wrentmore, with five points, led Chagrin. Final score was Chagrin 15—Orange 22.

CALENDAR

Dear Diary:

I am about to begin my last and, I hope, my most successful year in high school; and I am going to honor you by recording on your leaves the important happenings of the year.

Sept. 8—School opened. Miss Landrum was introduced to us in assembly.

Sept. 9—Each of the glee clubs met and elected new officers.

Sept. 14—The G. A. A. gathered for the first meeting and elected officers.

Sept. 16—First Hi-Y meeting was held, and new members were voted in.

Sept. 17—The G. R.'s went on a picnic hike to Squaw Rock, and the advisors hurried back to attend the first P.-T.A. meeting of the year.

Sept. 18—After the pep meeting, the team held Mentor to a scoreless tie. The seniors elected class officers. Oh, yes, several of the G. R. girls attended open house at the Y. W. C.

Sept. 22—School was dismissed at noon so that we could "take in" the American Legion parade in Cleveland.

Sept. 24—The seniors met and organized the Zenith staff. In the afternoon the football team tied the score with Chester.

Sept. 25—A teachers' meeting in Brecksville prevented us from going to school. Three cheers for teachers' meetings!

Sept. 28.—The Hi-Y had initiation. There was talk of paddles and wet clothes.

Oct. 1—G. R. recognition services were held.

Oct. 2—We enjoyed an interesting talk by Mr. Ball.
The football game with
Aurora was forfeited in
our favor. The G. R.'s
had a spaghetti supper.

Oct. 5—The Hi-Y held its recognition services.

Oct. 8—The members of the G. R. Cabinet held their first meeting.

Oct. 9—Maybe it was Mr. George Kendall's interesting lecture in assembly—anyway, we won the Brecksville game.

Oct. 15—The new cabinet was introduced to the G. R. members. Mr. Sands and Miss Nunvar selected the cast for the senior play.

Oct. 16—Mr. Burnett gave a most interesting lecture on Australia. Hudson motored over and was beaten. The seniors put their heads together and selected the class ring.

Oct. 21—G. R. Cabinet meeting. Report cards were presented and some of our parents were disappointed.

Oct. 22—In spite of the rain we won the game with Independence.

Oct. 23—The teachers had to go to school for a day— N. E. O. T. A.

Oct. 27—The new G. R. members were initiated. Mr. Sands called an assembly in Room 10 to discuss the carnival, October 30.

Oct. 30—We had several "pep talks" in assembly, but Orange defeated us 20-0; nevertheless we had a good time at the carnival.

Nov. 2—The Hi-Y boys started their Round Table meetings.

"Bud" S. and "Fuzz" H., thinking to play a trick on Tom C., when he was taking gym, chalked a picture of a donkey on his jacket. When Tom came out holding the jacket, Bud asked indiffer-ently, "What's the matter?" "Nothing," Tom replied, "only I want to know which

one of you wined your face on my jacket."

Pete C., fearing his canoe would sink, turned to his two companions and asked them if they could pray.

"No," was the answer. "Well," said Pete, "can you sing a hymn?"

Again the reply was, "No." In desperation Pete turned to one and said, "We've got to do something religious. Here, use my hat and take up a collection!"
