Joreword

THE year of 1941-42 has been one of rapid change in the way of living for all Americans.

Since the declaration of war on December 8, 1941, Americans are learning that their most cherished possessions are not material things—but the mind and spirit.

Long ago Daniel Webster said: "If we work upon marble, it will perish; if we build temples, they will crumble to dust; but if we work on immortal souls, if we imbue them with just principles of action, the fear of wrong, the love of right, we engrave upon those tablets something which no time can obliterate, and which will brighten and heighten through all eternity".

It is my privilege to express the appreciation of the school administration to the "Zenith" staff of 1942, for their efforts in the preparation and publication of this year book. Many activities and interests of Chagrin Falls schools are portrayed in this volume. To all who read this book, we extend our sincere greetings.

Lewis Sands

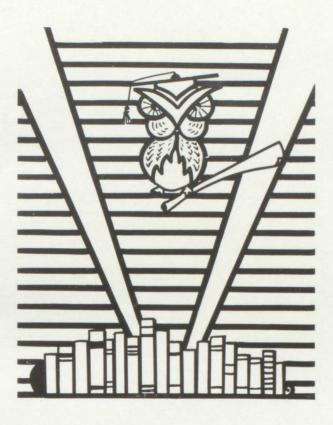

Victory

THE chaos of the world, presented in the form of war, has placed Victory in the mind and upon the lips of every individual. Victory will give us courage to reach the zenith of our ideals; it is the hope to which men now cling.

# Dedication

WE, the class of nineteen hundred and forty-two, do hereby dedicate this, the thirty-second edition of the "Zenith," to Miss Martha Wickham, our friend and adviser whose helpfulness and understanding added greatly to the joy of our high school career.

Faculty

First we'll take the faculty; We know they did their part. And later on in life, I know, We'll thank them for this start.

They taught us how to study And just how to make the grade. So, when your praise is given, To them it should be made.

Seniors

Each senior boy, each senior girl Will leave Chagrin this year. A smiling face, a loyal heart Will cover up each tear.

It won't be easy to forget Those years we've had together. Let's hope we'll continue to be The friends we've been, forever.

# JAMES KRAUSHAAR, President

Jim was one of the best-liked fellows in our class. Besides his popularity, he was very active, not only as president of the senior class and Hi-Y, but in varsity basketball and football. Jim's sincerity, good sense of humor, and friendly manner will long be remembered.

#### REVA ANN HUGGETT, Treasurer

Full of vitality and charm is the best way to describe "Wee Ann". She was very active in many organizations, holding an officer's position in almost all of them. Whenever the "gang" wanted a party they always knew that "Wee Ann" was the one who could have a grand one packed with real fun. Here's to the class of '42's Elsa Maxwell.

# WILLIAM LARKWORTHY

Brunette, wavy hair topped his head, a grin lighted his face at the least provocation. This smile and his membership in the "Crab's Club" proclaimed him an all-right fellow. Aviation was undisputedly Ace's top interest. His host of friends included all; he was a merry companion and belonged to many school organizations.

# MARGARET MANLEY, Secretary

Margaret was evidently the most popular girl in the Senior class. Her "super" personality was the envy of many, and the downfall of more. "Buck" was more than active in G. A. A. and G. R., being Secretary of the former and President of the latter. The draft has Margaret a little worried, but then the war won't last forever.

#### CHARLES PETERSON, Vice Pres.

Chuck's ear-to-ear grin kept him in a pleasing mood, which attracted many friends. His scholastic ability did not dull his sense of humor as might be expected. He had parts in the senior and junior plays and the operetta.

# JEAN ALICE CARZOO

Aside from leading the male hearts astray and entering into social events, "Jaci" found time for many extra-curricular activities. Not only did she do a splendid job as editor-in-chief of the Zenith, but she has always had the ability to hold high scholastic standards.

13

#### JACK KIMPEL

"Bob Hope of the senior class" was "Hank's" official title. He had the longest string of nick-names of anyone in our esteemed class. Jack occupied the last seat in most of his classrooms, but only because he liked solitude. There was nothing missing from his personality save that his vocabulary was as limited as "retreads".

#### MARGARETTA BOTTOMY

"Bott's" undisputed vocal abilities gave her a lead in two operettas. Her inexhaustible energy kept her constantly on the go. Margaretta was inclined to be singular in manner and personality; however, she was held in high esteem by both faculty and student.

#### EVAN HENSLEY

"Sonny" was the most versatile boy in our class. He was well known on the football field, basketball floor and track team. He kept in character in the Senior play and operetta, so Penn. U., here he comes!

#### HELEN MAIDEN

Helen's ability to say the right thing at the wrong time won her the title of "little Miss Sarcasm". Her exotic eyes gave her an air of mystery, which, plus her flawless complexion, made her one of the most striking girls in our class.

#### BILL BENAWIT

Bill was a newcomer to Chagrin this year, coming to us from Shaw High. He immediately made a place for himself, joining Hi-Y, Boys' Glee, and taking a part in the Senior Play. The way he played gangster-like roles will long be remembered by the audience.

#### BEVERLY SUTER

One little package of charm who really caught the fellow from Mount Vernon was "Bev". Even though she was the midget of our class she was always full of fun, and ready for anything.

# ALLYN CLASS

One of the smallest boys in the class, "Al" carried a full-sized schedule, being treasurer of Hi-Y, a member of Boys' Glee and a participant in four operettas. Everyone liked Al's company, but as he spent most of his time in Solon we saw little of him this year.

#### LOUISE DAVIS

Louise's sparkling eyes tripped more than one boy's heart, and her smile was fetching. Always ready to give a hand made "David" popular in all the organizations in which she took active part—G. R., G. A. A. and Girls' Glee.

#### JOHN KENNING

John was one of those strong, silent men. In commercial law or physics it's a wonder he wasn't buried. Basketball was his most outstanding sport. This spring he changed his curriculum from brunettes to blonds.

#### ANITA BEATTIE

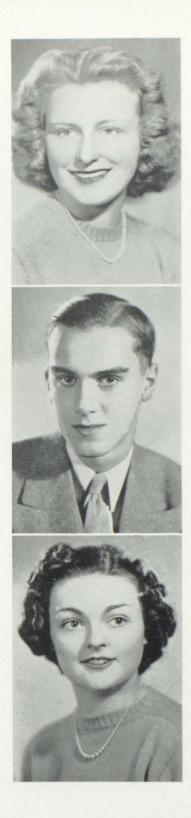

Behind scenes as well as on the stage, Anita was a prominent person. Her beautiful smile and blond hair helped her to become one of the most stunning senior girls. Her winning ways gave her a place in the social whirl. "Nita's" artistic ability was always in great demand.

#### ROBERT MERCER

Bob, our mathematics and science genius, pulled the class through many a tough spot, when no one else knew the answer. He was one of the few fellows who was always present when we needed someone to help decorate the gym for our dances. Bob has proved himself a great asset to the Glee Club and Hi-Y.

#### ELSIENOR HOPKINS

"Hoppy" entered our class in junior high and has certainly proved herself a most worthy member. She has been on G. R. cabinet, served as a class officer and aided Girls' Glee. Hoppy's clever wit and sunny disposition made and kept her many friends.

#### ROBERT CROTTY

Bob waited until his senior year to make a name for himself in athletics, playing on the varsity in more than one sport. His smile reminded many a young lady of that Hollywood heart-throb, Mickey Rooney. Bob's smooth dancing made him a favorite on the dance-floor.

# JEAN SELLECK

As president of G. A. A., Jean filled a hard position very well. On the basketball floor she proved herself indispensable to the seniors. Jean took an academic course and also took a certain blond's heart. In Girls' Glee and Girl Reserves she was always one to cooperate. A part was given her in both the Senior Play and the operetta.

#### WILLIAM ANDERSON

Bill was a newcomer to our class this year from Mount Vernon, Ohio. He not only made friends easily but made a prominent place on the varsity basketball team. Bill and "Bev" really did the social life in fine style.

# MILDRED KIVISTO

One of the few senior girls who could warble notes with the sopranos in Girls' Glee was "Millie". She always did a splendid job on anything asked of her and was a blessing to G. R., G. A. A., and the "Zenith" Staff. Although quiet and reserved, Millie won many a close friend both in and out of school.

#### LOREN WHITE

Blond curly hair, blue eyes, and a nice smile add up to just one person —"Bud" White. One smile from "Bud" and any girl's head would swim. However, only one girl made his head swim. He was our track star and played both varsity basketball and football.

#### ALICE BURGESS

"Pee Wee's" petiteness was the envy of many girls. Her good taste for clothes was excelled only by her sweet smile. Active in G. R. and having a part in this year's operetta sent "Pee Wee" to the top. One seat in that model "A" was always reserved for her.

#### ROBERT SMITH

The camera man is on the job. Yes, that's Bob all right; and a fine job he did on the "Zenith" Staff. Although Bob was a rather reserved and quiet sort of person he was well liked. To every football game his "can't be beat" model "A" Ford would bump along with a rather over-crowded rumble seat.

#### JUNE WRIGHT

June's striking beauty, personality, and aptness on the dance floor gained her much popularity. Her clear, bell-like voice and her acting ability placed her in two operettas and in the senior play. G. R. and G. A. A. were just two more of the things that kept June a busy girl.

# GLENN SNIDER

"Frog's" ability in athletics was known to everyone. He was elected captain of the football team but ran into tough luck, when he broke his leg. Although Glenn had a brain, few knew it, for he never overtaxed it. He was liked by all.

# MARCIA KING

According to the popularity contest, Marcia was the prettiest girl in the senior class; and further proof of this fact is found in her ability to have a date for every social event. Her scholastic ability enabled her to proceed through her studies with seemingly little effort.

#### ALFRED GREENE

There was nothing that made "Al" more likable than his "million dollar" smile. He left us for a year, but all of us welcomed him back as a real asset to our class. In Hi-Y, the senior play, and in sports "Al" took an active part.

#### ARLINE FOWLER

Arline was the only member of the senior class who was a cheerleader; her lusty cheering led many a team to victory. She was well liked by the boys both in and out of school. This popularity kept her on the go most of the time.

#### ELIZABETH STONEMAN

A girl that was always lots of fun in a rather quiet way—Betty. She made more than one party a success by playing the hit tunes for us on the piano. During her high school years Betty has endeared herself to all who knew her. She was a true thespian as proved by the Senior Play.

#### FRANK ETTINGER

Frank's vibrant personality was his main asset in making social connections. His track ability was well known in Chagrin as well as in surrounding communities. Frank was one of Mr. Rice's favorite pupils as he usually knew most of the answers.

# MARY BAGLEY

Mary was an all-round good sport. Her bubbling laughter and genial humor belied her participation in every prank. Mary took part in many extra-curricular activities including G. R., G. A. A., Girls' Glee, and Biology Club.

# GLORIA KELLY

Although Gloria wasn't with us in her junior year, her silent, shy ways captured the hearts of all. Her easygoing manner won over the "happygo-lucky" traits of a certain senior fellow.

# WILLIAM MARTIN

The fellow that could always tell you a good yarn, of course, is none other than Bill. He won his letter three consecutive years in football, being one of the three in our class to have this honor. Bill also found time for Hi-Y.

#### MARY TINGE

Upon entering Chagrin this year, Mary readily made a great manyfriends. Her understanding and friendly manner were but two of her endearing traits. Mary's participation in dramatics will be remembered as outstanding.

# PATRICIA WHITE

When looking down the rows of the classroom, Pat's striking blonde hair always caught your eye. Her taste in clothes was extremely complimentary to her pale complexion.

#### HERBERT KOLM

"Abe" was interested in athletics and played on the varsity in baseball in his junior and senior years. He was happy-go-lucky and inclined to forsake his studies at times. Abe took a commercial course.

#### VIVIAN RICKER

Although "Viv" seemed to spend most of her time with alumni of other schools, she found time to do many things around old C. F. H. S. She was active in nearly every extra-curricular activity offered to her participation.

# MARGARET FEIHL

"Sunny" would have been an appropriate nickname for Margie. Her specialty was a little green coupe known as "Agnes". As cashier in the cafeteria she acquired a reputation for "short change". Her sunny disposition assured her a merry reply.

#### FLOYD RAKE

"Spike's" engaging grin made everyone respond with a smile. He was a favorite among the student body and faculty. When not entertaining one of the fairer sex, Spike could be found leading our team to victory in football, basketball, or baseball.

#### MARY ROSIER

Quiet, with a friendly smile for her classmates, was the impression which Mary affected. Any task allotted to her would be done conscientiously and dependably. She was a good student and a member of Honor Society.

#### DOROTHY VENCHIARUTTI

Dot seldom spoke excessively, but she stood at the head of all foreign language classes. Her abundant blonde hair was the envy of all the girls who were brunettes.

#### ROY WARBURTON

Roy invaded our class and also the heart of a certain cheerleader in his junior year. In football and basketball he gave outstanding performances. The Boys' Glee and Athletic Association were benefited through his membership.

#### ANITA SHELTON

Anita's ability to read any selection clearly and humorously kept her in demand in not a few classes. She was noted for her enjoyment and good sportsmanship in the realm of athletics. A cheery word of greeting was bestowed upon all who chanced to meet her.

#### MARY ROOD

Her good humor and her quiet way were only two of Mary's fine points. There is no doubt that her cheerful attitude will be greatly missed. Mary was a member of G. A. A., G. R., and Girls' Glee. She has proved to be a very loyal helper at all times.

#### FRANCIS MARTI

If anyone wanted to crack a joke Francis could always be depended upon to laugh. Although he often had to take the brunt of someone's sense of humor, Francis took it as a good sport. He worked hard as a manager of the football team and many times could be seen running with the water bucket.

# MILDRED WILSON

"Millie" was one of the quieter members of our class, but she could always be counted on to do her part. Her cheerfulness toward everyone was a help to all. She excelled in the commercial department and aided many of the less skilled typists along the path to success.

#### MARGARET RICHARDSON

Margaret's heart was on the high seas, and so it was no wonder that she sometimes had that far-away look in her eyes. Her parts in the public speaking plays really showed what a genuine stage personality she had.

#### ROBERT GAINES

Bob became a member of our class in his senior year and immediately participated in Hi-Y and Boys' Glee. His droll sense of humor and pleasing personality made him a well-liked member of the class.

#### DORIS NAYMIK

Doris was the quiet, unassuming member of our class. She was always willing to help out and could be called upon at any time. Only those who knew Doris well understood her quick wit. Her subtle remarks were humorous, and underneath she had a jolly personality.

# MAXINE LAMBERT

Very little was seen of "Max" outside of school hours as she spent most of her time with out of town "Romeos". She could, however, be seen occasionally behind the soda fountain in the Standard Drug Store. She had a pleasing personality and although she never overburdened herself with books, she made passing grades.

#### ELEANOR SMITH

Whenever there was any typing to be done a call went out for Eleanor. As a second soprano she lent her time and energy to Girls' Glee. In athletics Eleanor was a capable player and could always be depended upon.

History

IN the fall of 1930, the senior class of 1942 began its glorious voyage through the sea of knowledge under the guidance of Mrs. Maiden and Miss Pugsley.

Through our event-studded career in high school, we have had a galaxy of stars in athletics, music, and dramatics; and we have had the lion's share in leadership and scholarship. Members of our class have been in varsity sports for four years, and we have had representatives on two championship teams. Our musical abilities have been displayed in the casts of three operettas; and our class plays, "Young April" and "Oh Promise Me", readily showed our ability along the dramatic lines.

As we bid adieu to old C. F. H. S., we hope that we have left many records and ideals for the future classes to follow.

Look ahead. The immediate furture looks very dark indeed, but out on the horizon light is breaking through. If the next twelve years prove as successful as the last, our future will be very bright.

Prophecy

I F you chance to read the front page of the Chagrin Falls Exponent, on a certain day in June, in the year 1952, you will probably read the following account of the class of '42. (The Exponent gave us big headlines as Jaci Carzoo is now editor with Bill Martin as her ace social reporter.) Here is his account of the 10th anniversary of our class.

Yesterday the class of '42 held a spectacular picnic at Euclid Beach Amusement Park. Free pink and green tickets were distributed to all alumni.

The first excitement of the day was the arrival of the great opera singer, Madame Margaretta Bottomy. Madame Bottomy arrived in her super gasless, tireless car, and almost had a serious accident. The parking attendant was so busy watching the glamorous coiffure model, Elsienor Hopkins, get out of her car that he forgot to direct the chauffeur, Mr. John Henry Kimpel. Mr. Kimpel saved the day by his quick thinking and expert handling of the limousine.

Evan Hensley arrived in the Mask and Wig Show Bus. He tried for four years to be in the chorus, but at last gave it up for a lifetime job at driving the company on its tours. Evan always was one for taking long rides. The second bit of excitement happened when that dare-devil parachutist, June Wright, jumped out of an amphibian plane piloted by the war ace, Bill Larkworthy, and landed on the top of the merry-goround. Everyone was so perturbed that no one could figure out what to do, until the oldest son of Mr. Peterson, little Genius, made the very intelligent suggestion of getting a ladder. Mr. Peterson is now owner of the Tidy Didies Laundry Company, and Betty Stoneman is his indispensable secretary.

At the swimming pool were four other members of the class of '42. Loren White, the great track star, is still keeping in training by running around the pool jumping over the sun-bathers. The most famous of these is Helen Maiden, who won the National Sun-Bathing Contest. Jean Selleck, now a permanent fixture as lifeguard at the Chagrin Falls Pool, spent the whole afternoon trying to persuade that famous aquacadess, Margaret Manley, that the water wasn't deep enough for her to try her famous swan dive. (Margaret is now doing nicely in St. Luke's.)

Coming out of the Tunnel of Love were Alice Burgess and Bob Smith. Bob is now chief photographer for the Exponent, and he swears he was only developing some pictures in there.

Close behind them followed Francis Marti with his imagination. Francis is not only a flatfoot on the Chagrin Falls police force, but he is learning "How to be a Detective in Ten Easy Lessons" from that super sleuth, Dot Venchiarutti. Dot is now a G-Woman so we all know that her ability to keep things to herself has served her in good stead.

A great crowd gathered around the fortune teller, Vivian Ricker, who now holds hands for a business. She got her early training telling those big stories in school.

At the dance hall a sojourn was held by "hot-foot" Anderson. Featured with his band are Bob Mercer, who now plays his famous boogie woogie for a living, Jim Kraushaar, the only jew's harp player in captivity, and the well-known vocalist, Wee Bevi Suter.

Quite a crowd gathered around the edge of the floor to watch the Blonde Belles, those renowned dancers. The most famous of these is Arline Fowler. These girls were giving a benefit dance for Doris Naymik's School of Nursing.

When the dancing began, Wee Ann Huggett and John Kenning, those famous jitterbugs, really cut the rug and showed everyone several new steps. Bob Crotty was dancing too. Bob is touring the United States with his Muscle Building Troop; he can now pull an armored car with one hand tied behind him.

Also dancing were Marcia King and Alfred Greene, noted Hollywood celebrities, who are now making "Thin Man" pictures as the ideal couple. (Continued on next page.) At the edge of the dance floor sit that happily married couple, Gloria Kelly and Spike Rake. Gloria is still knitting, but her needles are smaller now. Spike is lightweight champion of Cuyahoga County, and that dynamo of ambition, Bob Gaines, is his fight promoter.

Sitting beside Gloria is the famous designer, Anita Beattie. Her latest creation has been a muscle filled suit for tall, dark (or light), skinny boys.

About this time everybody was hungry, so that famous chef, Roy Warburton, who learned his trade preparing breakfasts with the help of Mary Bagley, who has now graduated to chief waitress at Bagley's Restaurant, helped serve the food. Mary Rosier, now playing the role of Ma Perkins on the radio, said grace. Patty White and Maxine Lambert, national Coca-Cola girls, brought samples for everyone to enjoy.

Mildred Kivisto and Margie Feihl, both loyal members of the "Wives of The American Legion," took up a collection for this worthy organization.

Mildred Wilson, who has made millions on her little booklet, "How to Lose Pounds and Keep Healthy," stood up and said that exercise helped.

The word exercise brought everyone's mind to roller skating. Of course the first one on the rink was the World's Champion Figure Skater, Mary Rood. Louise Davis, who now plays on a women's professional basketball team, wiped the chocolate ice cream off small Dicky's mouth and attempted to teach him to roller skate.

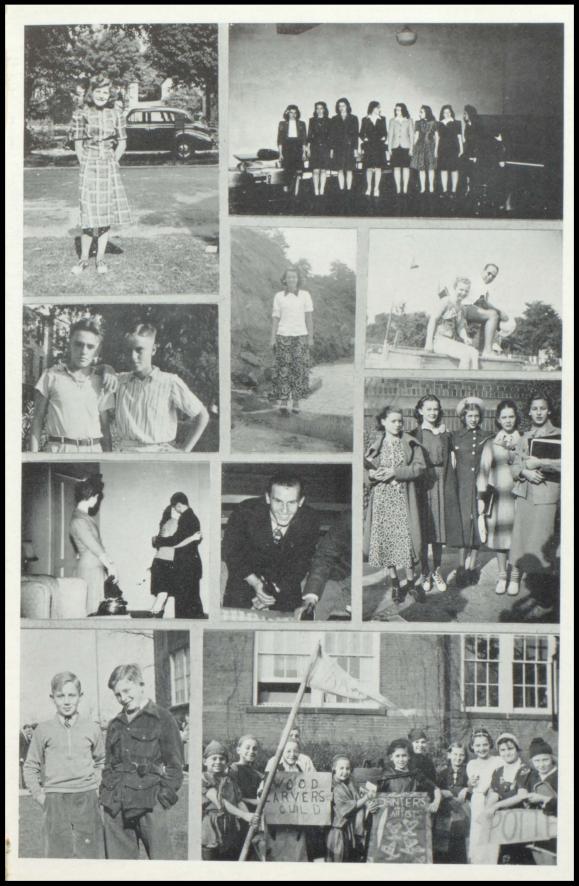

At last 5:30 rolled around. This was the time set for the drawing of the prizes. That well-known tobacco auctioneer, Frank Ettinger, called off the numbers. One of the things contributed for this drawing was a date with a beautiful blonde, donated by Bill Benawit's "Are You Lonesome? We'll Fix You Up With a Date" Bureau. He didn't actually tell who the blonde would be, but since Mary Tinge is one of his most popular girls, use your imagination.

Allyn Class, manager of the Cleveland Indians, donated a season pass to all the Indians' Home Games.

Eleanor Smith donated ten of her famous "Pies that Make You Drool." Anita Shelton won a Big Ben clock, but we doubt whether it will be of much use to her as she usually never looks at one.

Only one member of the class couldn't make the outing today. Margaret Richardson is now in South America, where the fleet is in.

At the end of the day, just before the gathering broke up, everyone sang the Star Spangled Banner in honor of our dear homeroom teacher, Mr. Jones. Mr. Jones and Mr. Rice were both unable to attend. Mr. Jones is now running the Jones School of Commerce of Chagrin Falls, and Mr. Rice is writing an American epic of the railroads.

Students

Think way back, both young and old When you were in your 'teens. Lessons hard, and teachers cross You had to use your —— "beans".

So, lift your hats, and give a toast To every lad and lass, when He has reached the age in life To be called an underclassman.

Juniors

 $T^{\rm HE}$  class of nineteen hundred forty-three is well prepared to take over the leadership of the school in the coming year.

In our three years of high school we have been leaders in all of the activities that we have participated in.

We have lettermen in all four sports: football, basketball, track, and baseball.

The Juniors have taken part in two Operettas and produced a successful play.

In the field of extra-curricular activities we have leaders in Hi-Y, G.R., and G.A.A.; and to top it off we have sponsored two successful dances and the Junior-Senior Prom.

We continue our high school career with the hope that we can carry on the tradition that is ours here at Chagrin Falls.

Greshmen

I N the fall of 1933, thirty-five of us entered the old school building to see what the first day of school had in store for us. Our teachers guided us along the path of knowledge, and soon we were leaving the old school building and entering junior high school. This event was greatly anticipated by all, but the greatest event was when we became a part of senior high school, with a new ladder to climb and greater goals to conquer.

Eighth Grade

W E are in the eighth lap of the race and are now nearing the goal line with but four more to conquer. Everyone has resolved to pass that goal with flying colors. It seems a long time since our mothers led us by the hand, excited and happy, up the schoolhouse steps. Those days will long be remembered as the first unforgettable laps in this mighty race towards graduation.

Mind you, this race has been no easy one, but may those who have kept pace reach their goal with graduation in 1946.

Seventh Grade

O NE beautiful September day in the year 1935 twenty-seven little boys and girls trudged off to school after bidding their mothers good-bye. Since that day we have seen many others come and go.

We witnessed the tearing down of the old building and the going up of the new one. Then we moved into the new building with great rejoicing.

Now we have entered junior high and are looking forward to our coming years in high school.

Activities

In activities we took our part, For them we've gone in strong. For they've helped us to distinguish The right way from the wrong.

There's singing and there's dancing, There's no place for sorrow. For we've molded the future of The citizens of tomorrow.

Girl Reserves

O<sup>UR</sup> present Girl Reserve Club was organized in Chagrin Falls High School in the year 1922 by Miss Hanna.

All the participants in this club are truly benefited by it in educational, moral, and social ways.

Our very able faculty advisers for this past year were Miss Wickham and Miss Eberst. Our worthy patronesses were Mrs. Sands and Mrs. Gurney.

During the school year of 1941-42, the Hi-Y Club has tried to carry on the tradition that was established by the first members of this club. This year, our spiritual adviser was Reverend Charles H. Jack, of the local Methodist Church. Our faculty adviser was Mr. Russell B. Casebolt.

The annual Sweetheart Dance was held on February fourteenth and, as usual, everyone had a wonderful time.

 $E^{\rm ACH}$  week the Echo Staff edits a school page which appears in the Chagrin Falls Exponent.

Those of this staff endeavor to bring the reading public a resume of school activities, social events, and athletic participation.

The year 1941-42 was one of success and achievement. During the latter semester an entirely new form of presentation was adopted. This change renewed and invigorated the interest of both reporters and readers.

The entire staff wishes to express its appreciation of Mr. Bailey's fine cooperation and advice.

Girls' Glee

THE Girls' Glee Club accomplished a great many things this year. Our operetta, "The Marriage of Nannette", was hailed as a masterpiece. To produce this show the Freshman and Sophomore Girls' Glee Club joined us to form a larger chorus than has ever been used. The stars did an excellent piece of work. This would not have been possible without the able direction of Miss Schaufelberger, our director.

Boys' Glee

THIS year the Boys' Glee Club was composed of only juniors and seniors; the freshmen and sophomores having joined in a club of their own. Both clubs were directed by Miss M. A. Shaufelberger.

The operetta, "The Marriage of Nannette", was very successful this year; one of the best ever produced in Chagrin. Both the Girls' and Boys' Glee Clubs should be given praise for their performance in this show.

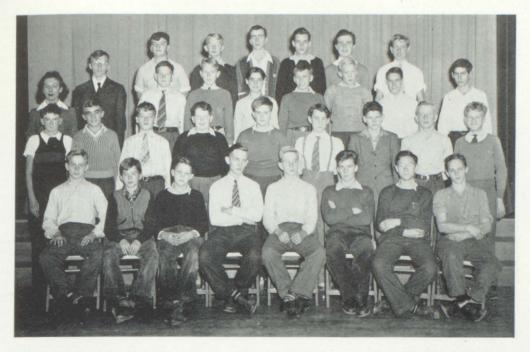

The Boys' Glee also took part in the May Concert and in the graduation ceremonies.

## 9th and 10th Girls' Glee

THIS is the first year the freshman and sophomore girls have sung together in a glee club. We sing three parts: soprano, second soprano, and alto. The sophomore girls sang at the Girl Reserve Thanksgiving Banquet. Miss Schaufelberger also took two or three of the girls from each part and had them represent us in assemblies. We took part in the high school operetta. The last thing planned for us was to sing in the Spring Music Festival.

# 9th and 10th Boys' Glee

T HIS year for the first time, a Sophomore-Freshman Boys' Glee Club was organized. There were approximately thirty original members of this organization. Under Miss Schaufelberger's direction they became a skillful singing unit. Each original member is proud of being a pioneer in this glee club.

## Biology Club

THE Biology Club is an organization of students interested in nature and is composed primarily of pupils in the biology class. Its purpose is to create an interest in nature throughout the school. From time to time the club had speakers in class and took trips to Cleveland museums. The year's activities were topped by a trip to the state capital where we visited the Ohio State Laboratory and the Columbus Zoo.

Zenith Staff

INTO this annual have gone many hours of labor. Each member of the staff has genuinely endeavored to do his part to the very best of his ability. The success of the '42 Zenith may be accredited to this.

Seated at the far left is Margaret Manley, a typist. Next to her is the Assistant Business Manager, Betty Stoneman. Behind Betty, intently studying a book, are Robert Smith, Editor of Photography, and Mary Bagley, who was responsible for keeping the affairs of the year tabulated. Another one of the typists is Mildred Kivisto. Elsienor Hopkins, our most able Business Manager, is next. Bill Larkworthy, invaluable aid on Photography, and Reva Ann Huggett, Assistant Art Editor, are standing behind Elsienor. The Editorship of Art was held by Anita Beattie. Jean Alice Carzoo, Editor-in-Chief, and Charles Peterson, Assistant Editor, were responsible for this year's annual. Our Sports Editor was Jack Kimpel, while majoring in humor we find Margaretta Bottomy. Leader of our band of typists was Jean Selleck; leader of us all, Coach Gurney, Faculty Adviser. At the far right is Bob Mercer, typist.

BACK ROW: Robert Clemens, McFarland, Carzoo, Fairweather, Richard Clemens, Esry, Enslen, Stem, Hensley. SECOND ROW: Kagy, G. Lowe, Newton, Beattie, Taylor, F. Lowe, Hine, Dunton, E. Lambert, Camelford, Mr. Freeman. FIRST ROW: Stoneman, Felgar, Krebs, Maiden, Danciu, Green, J. Lambert, Hastings, MacRitchie, Spielhaupter, Sasak.

Band

SEVEN years ago Mr. Freeman first organized the band; it has been a progressive organization ever since. The band may be heard not only at the school football games, but always it marches in any of the community parades.

Each year the band has a concert. It is one of the events looked forward to by the townspeople.

FROM LEFT TO RIGHT: F. Bastel, Green, Sasak, Stoneman, Maiden, Esry, Selleck, Taylor, Krebs, Danciu, Mr. Freeman, Sindelar, Lowe, McFarland, MacRitchie, Hine, Cramer, Clemens, Stem, B. Bastel.

Orchestra

O VERTURES and between acts of plays, accompaniment for our operetta, in these the orchestra has proven itself indispensable. Theatrical productions seem incomplete without music; but ours do not go without.

A new project was tried by the orchestra this year. Several of the members organized, practised, and played for a few of the dances. The trial was pronounced successful.

Mr. Freeman, the conductor, and those composing the orchestra deserve a great deal of credit for their fine work.

G. A. A.

THIS is the second successful year for the Girls' Athletic Association under the supervision of Miss Gillespie. The room chairmen, who organized the teams, and the cabinet, deserve much credit.

One of the social events of the year was the second annual banquet and dance. It was a great success.

Balsa Bugs

THE main purpose of this organization is to encourage the designing and building of model airplanes; however, mere interest in participation is an outstanding factor.

During the course of the year one member of the Balsa Bugs set a new endurance record for indoor, rubber-powered models.

Members of this club have now graduated from rubber-powered models to gasoline powered ones. Several boys have also taken to designing their own models.

Mr. Norman Fry is the faculty adviser of this group of air-minded boys.

Senior Play

"O<sup>H</sup>, Promise Me!", a farce in three acts, was chosen as this year's play. The tenth of December proved to be a long remembered date.

The action of the play centers about Barry Hollis, a supposedly well-to-do playboy. Poor Barry discovers himself in the midst of three admirers, plus the mother of one of these three!

In trying to rid himself of one, Patsie Linden, he "borrows" a baby, infuriates Gladys Vance whom he believes himself to love, and accidentally discovers Ann Furber whom he had not thought of before.

Complications set in: the baby's mother accuses Barry of kidnapping; Ralph Saunders, in love with Ann, appears upon the scene; and Barry is informed of the loss of his fortune.

All's well that ends well; each mishap is eventually ironed out and one surmises the union of Ann and Barry.

The part of the baby in this presentation was portrayed by "the real thing", further enhancing "Oh, Promise Me!"

Operetta

THE action of this year's operetta, "The Marriage of Nannette", centered around the fourth marriage of the old Duc d'Antin.

His bride-to-be, Heloise, is waylaid en route to the betrothal; and pretty Nannette is substituted for the kidnapped bride by her mother and brother. Although Nannette is in love with Rene, a village youth, she falls in with the plan. She is jealous of the attention bestowed upon other girls by Rene.

This entanglement is readily straightened when the Lady Heloise arrives and claims her Duc, thus leaving the story with Nannette and Rene happily united.

Many sub-plots tend to add to the confusion. These, too, are solved before the final curtain.

Junior Play

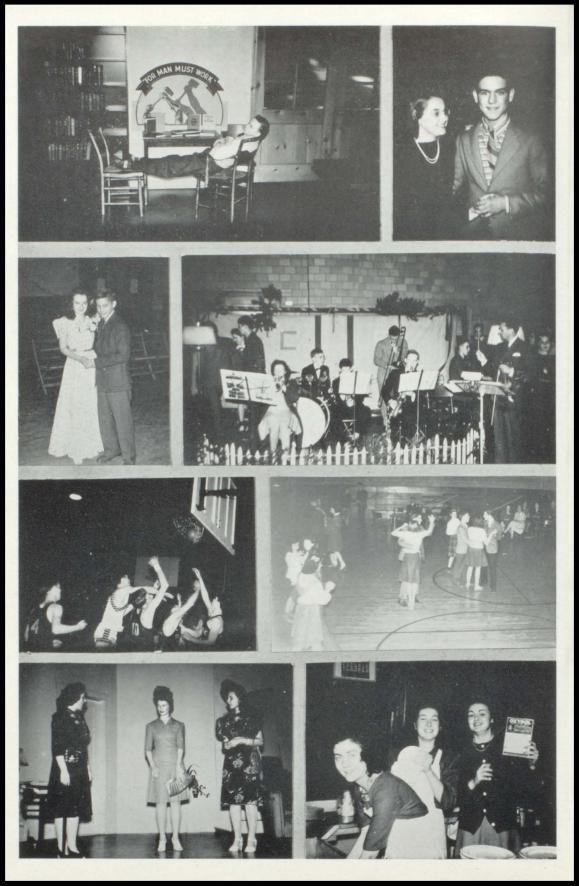

"JUNE MAD"

THE play deals with Penny Wood in the short period from childhood to womanhood.

Her first love comes in the form of Mr. Roger Van Vleck, who accompanies her young uncle, Mervyn, home. Mervyn idolizes him and Penny is swept off her feet.

Julie Harris, Mervyn's only love, returns home also; and Roger makes a play for her, leaving Penny in the lurch. Penny is heart broken; but when Chuck Harris, Julie's brother, is lost in an attempt to cross the lake in his home-made glider Penny realizes that he is the one and only. Chuck returns safely, a hero, Mervyn recaptures Julie, and the story is complete.

Sports

In sports we learn to give and take, That's what makes a man. Just as a coat of sun burn Leads to a coat of tan.

Later we'll be thankful We knew how to lose a game. Also—it isn't the other fellow Who should always get the blame.

FROM LEFT TO RIGHT: Mr. Jones, Warburton, Mr. Sands, Snider, Mr. Gurney.

Athletic Association

T HE Athletic Board, composed of three faculty members and two students, has the task of planning and financing each year's athletic schedule.

Comparatively little is heard about the activities of this board. It takes an important responsibility, however, as sports play a major part in our school program.

BACK ROW: Coach DePaola, A. Smith, Batchelor, Danciu, Kimpel, Ettinger, Taylor, Beattie, Draz, Sprague, J. Smith, Babcock, Mgr. Peterson. Jootball Squad

 $T^{\rm HIS}$  year's varsity was composed of many new additions and some holdovers from last year. The scrubs gave the varsity their opposition and practice and will form the nucleus of future Chagrin teams. Upon them rest the fortunes of any team.

Under a new head coach, Michael DePaola, Chagrin placed a light but scrappy team on the field. Chagrin's lone victory over the league champions was a satisfying one.

### Jootball Lettermen

### GLENN SNIDER, Quarterback

Glenn, our captain, was a leader and an inspiration to the team. He was able to play only three games due to a broken leg suffered in midseason. Glenn made honorable mention on the all-star team of the Western Reserve League.

### COACH DePAOLA

"A.C." took over the job of head coach this year from Mr. Gurney. Coach's size-12 shoes were hard ones to fill, but "A.C." won the respect of the team and the school. We are looking forward to excellent teams under his guidance.

### CHARLES PETERSON, Manager

Chuck had the toughest job, for he had to take orders from everyone, including the other managers. He did his job well, winning his letter.

#### BILL MARTIN, Tackle

Bill is a three-letter man. He was one of the outstanding boys on the team and was elected co-captain by his teammates. Coach will find his spot a hard one to fill next year.

#### CHESTER HAHN, Center

Chet is a junior. He played center and won his letter. His fine play was recognized, giving him honorable mention on the all-star team.

#### LOREN WHITE, End

Bud won his second letter this year. He is a fast man and broke up many end runs. His play will be missed next year.

#### JIM KRAUSHAAR, Tackle

Jim played his second year on the varsity, playing tackle until the end of the season when he was shifted to fullback. At either position he was poison to the opposition. Jim is a senior.

#### DICK MITCHELL, Halfback

Dick won his third letter this year. His position of halfback was new to him, but he played it well. Dick ran into tough luck this year and was able to play in only four games. Next year's team will miss his play.

#### FLOYD RAKE, Halfback

"Spike" won his second letter in as many years. He was an excellent player and was made acting captain for the last five games. His versatility will be missed next season.

#### BOB CROTTY, Guard

Although Bob is a senior, this was the first time he went out for football. He was small but proved his value by his fine play. Bob climaxed the season by scoring a touchdown against Orange.

#### ROY WARBURTON, Fullback

A senior, Roy wound up his second year on the varsity by being placed on the first team of the all-star team. This triple threat man was a menace to opponents all season.

#### EVAN HENSLEY, Halfback

This was Evan's first year on the varsity. He was invaluable as a punter and as a runner, being one of the fastest boys on the team.

#### HARRY BROOKS, End

Harry played in every quarter this season. He was a fine defensive end and was an offensive threat both as a punter and pass receiver. This lanky junior will be back again in '42.

#### CHARLES BENBOW, End

Chuck is only a sophomore, but he played his second year on the varsity. He was the best defensive end in the league and made the all-star team. He has two more years to play.

#### DICK GREED, Guard

Dick is another junior who played on the varsity for the first time. His ability will be of great value to next year's team.

#### NORMAN DELLNER, Guard

Norm played his first year on the varsity this season. He had a lot of fight and kept opponents busy trying to stop him. He is a junior, thus Coach will have him for another year.

#### CLINTON TAYLOR, Center

"Clunk" was one of the biggest boys on the squad. He shifted to tackle the last game. His weight was a help at either position. He will be a mainstay on next year's team.

#### HAROLD STONEMAN, Halfback

Harold was a hard runner, as well as a good passer and punter. This junior half-back is a real triple threat and great things are expected of him next year.

Football Games

#### MAYFIELD 7-CHAGRIN 0

Our first game was played on Chagrin's field, Mayfield being our opponent. The only score of the game came on a second period touchdown pass by Mayfield.

A scrappy Orange and Black line made the game interesting throughout.

#### CHAGRIN 7-MENTOR 0

The first league game of the season was played on a rainy day at Mentor. Neither team could do much on the sloppy gridiron until the last period when Roy Warburton's pass to Harry Brooks was good in the end zone. Glen Snider kicked the point.

#### WICKLIFFE 13—CHAGRIN 0

The second home game was played under poor weather conditions with Wickliffe as our guests.

Fullback Jack Martens of Wickliffe ruined the day for Chagrin as he scored all 13 points.

#### CHARDON 7—CHAGRIN 0

Chagrin, handicapped by the loss of Captain Glen Snider, who broke his leg, dropped a league game to Chardon at Chagrin. Chagrin's line again gave a fine account of itself.

#### WESTERN RESERVE ACADEMY 24-CHAGRIN 0

Playing a much larger school, a stubborn Chagrin team held their opponent to one touchdown in the first half before succumbing to the heavier team from Hudson.

#### PERRY 27-CHAGRIN 0

Chagrin lost its last chance to tie for the championship when they fell before "Pete Thompson and the Perry Pirates" in a pouring rain at Chagrin.

#### HUDSON 13-CHAGRIN 0

Hudson rolled up their eighteenth consecutive win at the expense of Chagrin.

Hudson scored in the first and last periods while the "Skippies" never threatened. It was Chagrin's last home game.

#### ORANGE 12-CHAGRIN 7

The last game of the season was played with our rivals from across the river, on their gridiron.

Orange scored in the first period when a blocked punt was recovered in the Chagrin end-zone.

The high spot of the game came in the third quarter when Bob Crotty, 135 pound Chagrin guard, grabbed a blocked kick and raced 30 yards for a touchdown. A pass, Warburton to Rake, scored the extra point to give Chagrin the lead. Orange came back in the same quarter, however, with a touchdown to give Orange the victory.

BACK ROW: Mgr. Hoopes, Enslen, White, Benbow, Coach Gurney. FIRST ROW: Warburton, Hahn, Kraushaar, Brooks, Hensley, Rake.

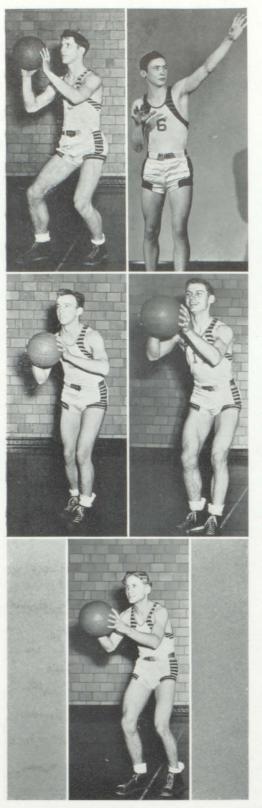

Varsity Team

THE Skippies' record showed eleven wins and eight losses. One of these wins was over Mentor, who suffered only one loss in the regular season.

Chagrin broke even in league play, winning four and losing four to wind up in third place.

Members of the team receiving honors on the All League Team: first team, Harry Brooks; second team, Jim Kraushaar; Captain Floyd Rake, honorable mention.

Jim Kraushaar was also selected as a member on the All Tournament Team of the Northeastern Sectional held at Orange.

Basketleall

#### JIM KRAUSHAAR, Center

This was Jim's second year on the varsity. As a scoring threat he won a place on the second team of the League All Stars. Jim was also placed on the All Tournament Team at Orange.

#### FLOYD RAKE, Forward

"Spike" was the play-maker of the team; his ability will long be remembered. He rated honorable mention on the All League Team. His teammates elected him this year's captain.

#### ROY WARBURTON, Guard

Although unable to play the last five games, Roy proved his worth in the first twelve. He was a fine offensive and defensive guard. This was his second year on the varsity.

#### EVAN HENSLEY, Guard

"Sonny" moved up from the "B" team this year, and it wasn't long before he won a spot in the starting lineup. His fine defensive play helped Chagrin in many games.

#### LOREN WHITE, Guard

"Bud" was the team's utility man. Always ready when Coach needed him, he saw a lot of service. This was his last year.

# Lettermen

## HARRY BROOKS, Forward

"Baldy" was the team's high scorer, and though only a junior he was placed on the All League Team. Watch this sixfooter next year.

## CHESTER HAHN, Guard

Chet is another junior who played on the varsity. He was the "never say die" type, known to play his best 'til the last whistle. His spirit will aid next year's team.

#### COACH GURNEY

"Coach" wound up another year of successful coaching. As can be expected, Coach turned out a good team. He was elected president of the Western Reserve Athletic League this year.

#### BERT HOOPES, Mgr.

"Hooper's" height should have made him a player instead of a manager. His job was a hard one for he was Chagrin's only manager, and he put in long hours of work.

This trophy is the second one in as many years for Chagrin. It was won in tournament play at Orange and signifies Chagrin as a sectional co-champion.

# Varsity Games

FOR the **second consecutive** year Chagrin qualified for the district tournament at Kent. Chagrin won this qualification by defeating Ashtabula Harbor in the sectional finals at Orange, but lost to Waynesburg at Kent. Waynesburg later went to the semi-finals of the State Tournament at Springfield. They were defeated by Somerset High who won the state title in their next game.

#### CHAGRIN 35-ORANGE 18

With Harry Brooks' 14 points leading the attack, Chagrin rolled up an easy victory over Orange on Chagrin's floor. Chagrin led 13-11 at the half.

#### MENTOR 35—CHAGRIN 22

Chagrin dropped their second league game of the season at Mentor. Harry Brooks' and Floyd Rake's 11 and 8 points respectively led Chagrin. Charlie Stang led Mentor with 11.

#### CHAGRIN 36-WILLOUGHBY 26

Trailing all the way until the last five minutes of play, Chagrin put on a scoring spree to defeat Willoughby. Roy Warburton, Floyd Rake, and Harry Brooks scored 29 points among them. It was Warburton's last game.

#### CHAGRIN 40-PERRY 13

After scoring only 2 points in the first quarter, Chagrin went on to roll up a victory as they downed Perry in a league game at Chagrin. Jim Kraushaar and Harry Brooks scored 14 and 13 points respectively.

#### KIRTLAND 50—CHAGRIN 45

Unaccustomed to the small floor at Kirtland, Chagrin dropped their third league game of the season to Kirtland in a high scoring thriller. Jim Kraushaar's 19 points paced Chagrin.

#### CHARDON 28-CHAGRIN 27

Although Harry Brooks scored 15 points, Chagrin dropped their first home game of the season to Chardon. It was a league game.

#### CHAGRIN 51—BAINBRIDGE 23

Harry Brooks set a new high for the season when he scored 20 points, all from the field, to help trample our rivals. The game was played on the home floor.

#### ORANGE 46-CHAGRIN 37

Orange avenged a loss to Chagrin earlier in the season as they scored a decisive victory over the Skippies at Orange. Harry Brooks again led Chagrin with 16 points.

#### CHAGRIN 34-MENTOR 32

Chagrin handed Mentor their first loss of the year in the last game of the regular season. Jim Kraushaar led Chagrin with 18 points. The game was played at Chagrin.

#### WAYNESBURG 60-CHAGRIN 42

Chagrin lost in the first round of the district play at Kent to Waynesburg High. Jim Kraushaar scored 16 points to top Chagrin.

BACK ROW: Mgr. Hoopes, Sprague, Stoneman, Stratton, Fast, Coach Gurney. SEC-OND ROW: Dellner, Anderson, Kenning, Beattie, Taylor, Robert Clemens, FIRST ROW: Selleck, Smith, Richard Clemens, Babcock.

"B" Team

C HAGRIN'S "B" team is mainly composed of sophomores and juniors who will form the nucleus of next year's varsity. The "B" team had a record of ten wins in seventeen games. Besides playing preliminaries to varsity, it is their job to scrimmage the varsity in practice. These boys deserve a lot of credit for their fine showing.

Junior High Team

U NDER the careful guidance of Coach DePaola, the junior high team ran up an impressive record of twelve wins in thirteen starts. Some of the boys who played this year will be back again next year, while others will be eligible for high school play. With a record like this, Chagrin should produce some fine teams in the future.

Track

THE 1941 track team was ably coached by Michael DePaola, and captained by Tony Rosengreen, who was unable to run due to an injury received in basketball. The team placed fourth in the annual Arena Meet, was second to Mentor in the League Meet, and trailed Orange and Mayfield in the annual Tri-Meet. In dual meets, Chagrin defeated Mayfield and Chardon, losing only to Brush. Nailing four firsts in the District Meet at Mentor, Chagrin qualified five boys for the meet at Columbus. Although they failed to gain any places they made a fine showing. Lettermen were: John Bradley, Bill Edwards, George Sindelar, Frank Ettinger, Evan Hensley, Dick Mitchell, Loren White, Jack Batchelor, Ralph Beattie, Harold Allshouse, Charles Benbow, and Jim Stratton. Frank Ettinger was chosen to captain the 1942 team.
