

*Chagrin Falls High School*  
*2013 - 2014*

Aristotle said,

“We are what we repeatedly do. Excellence, therefore, is not an act but a habit.”

As members of the class of 2014, you have taken these words to heart. You have maintained and continued the tradition of excellence passed down to you from previous classes. Besides Chagrin Falls, only one other school district in the State of Ohio has received an Excellent with Distinction award every year it has been presented. With your help, Chagrin Falls High School has received recognition from national publications as one of the top high schools in the country. And, with your help, our school has excelled in the arts, music, and athletics. The class of 2014 has made excellence a habit in all you have done throughout your four years in high school.

During your high school years, you have heard inspirational words from family, friends, and teachers. When we hear these words, we often are motivated to carry on and to try new things. But the class of 2014 has also clearly proven this inspiration can be drawn from within and applied to situations you, as individuals, have faced. Through your four years at the high school, you have grown and matured. You have nurtured old friendships and developed many new ones. You have faced difficulties and overcome obstacles. Through it all you have exemplified what Oscar Wilde meant when he said to “Be yourself; everyone else is already taken.” You have been true to yourselves and developed strong individual personalities and goals. You have prepared for the next challenge in life which awaits you after graduation. As graduates, you now become part of 10,000 students who have preceded you since 1879 to become alumni of Chagrin Falls High School. I am proud of all your class has achieved.

The legacy of the class of 2014 has been forever captured within the pages of this yearbook, the 2014 Zenith. Within its pages, the memories of this year will be preserved. As you look back at it, you will be reminded of events and will view snippets containing the special incidents which are embedded in your memory. You will read the handwritten, sometimes emotional goodbyes from classmates and be reminded of a very special time in your life. In looking at this book, you will also be able to take a journey down memory lane which will sometimes be nostalgic, sometimes be amusing, but will always trigger memories from your years here.

It is evident that this year’s Zenith has fulfilled its goal of creating an accurate and highly vivid account of the 2013 - 2014 school year. I congratulate this hardworking 2014 Zenith staff for their outstanding production.

On behalf of the Chagrin Falls Board of Education and administration, I extend a warm greeting to each of you as you review this year’s edition.

For four years the Class of 2014 has been teased for not doing anything right. We are notoriously known for being the underdogs. This year, we have stepped up. For the smallest class in the school, we have a big presence. The football team has confirmed that we have the loudest zoo to date and I have never seen so many people on the dance floor at Homecoming. Despite a lack of measuring, our bonfire had to be the biggest yet and our senior lounge has three T.V.'s. It may have poured during Philanthropy day but at least we got the day off. The biggest achievement of the year is probably the senior girls finally deciding on a slogan for their t-shirts. One thing is for sure; everything may not go right, but the Class of 2014 knows how to make it fun. To everybody's surprise, we have created a legacy that will stay with us through college and beyond. Congrats '14!

High School encompasses students to explore  
their passions and meet new friends. Each year  
has its own challenges so work hard, yet enjoy  
each year with a fine tooth comb. Also realize  
life is too short to worry about small things. So  
make the most out of every situation with a  
proud smile.

# Fall Musical

This year's fall musical, *Into The Woods* delighted teachers, parents and students alike. The fairytale follows a Baker and his Wife who wish to have a child and Cinderella who wishes to attend the King's Festival. When the Baker and his wife learn they cannot have a child because of a witch's curse, the two set off on a journey to break the curse by collecting certain items throughout the Kingdom. Many other popular fairy tale characters make an appearance in this mystical story. In the end, everyone's wish is granted, but the consequences of their actions return to haunt them later with disastrous results. "Into The Woods was a fantastic show with talent both on and off stage," says sophomore Grace Rouru. The play included memorable performances by Bill Wetherbee and Fiona DeVito. The cast will miss the positive energy and acting talent of all their seniors including Dan Hoy, Sarah DiFiore, and Emily Wirthwein.

# Around The Town

## Local Bands

Pipe Dream is a successful Alternative/Indie band made up of Chagrin High Schoolers Jack Ellis, Spencer Hendricks, Sam Welch and alumni Ross Newbauer. The multi-instrumentalists make a sound most would describe as a blend of Alt-J and Youth Lagoon. Check out their new music video "Boston" on YouTube and download their songs on iTunes.

Another local band called Toxic Lemons has made their way into the Chagrin music scene, featuring Chagrin's Calvin Hubbard and Aurora's Claire Mulvaney, Cory Klinger, Tom Markowitz and Nick Sagal. Influenced by The Doors and Pink Floyd, the Jam Rock band plays a genre of Jazz and Rock N' Roll.

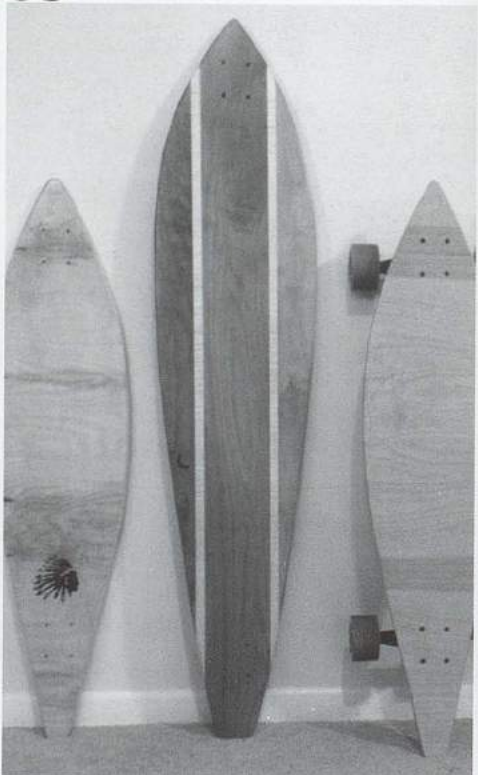

## Local Businesses

Senior, Kevin Dole, came out with his own line of customizable longboards called Black River Longboards. Black River provides handmade longboards that give the buyer the ability to choose their board's size, shape and graphic. You can even sketch a picture of your own deck design to turn your vision into a reality.

Check out his website at

[www.blackriverlongboards.com](http://www.blackriverlongboards.com)

Also new this year, a Mainstreet Cupcakes opened up in town. The chain, also available in Rocky River and Hudson, provide beautifully decorated cupcakes in over 180 flavors. These delicious treats can be bought individually or catered for a large event, a great addition to Chagrin's dining selections.

# Eagle Scouts

One of the most prestigious honors a young man can receive is the rank of Eagle Scout. The scouting program has three objectives: character development, citizenship training and personal fitness. In order to earn this distinction one has to work through all the ranks including Tenderfoot, Second Class, First Class, Star, Life and finally, Eagle. They also must to obtain 21 merit badges including first aid, camping, citizenship, swimming and personal management. Most importantly, the scouts must plan and carry out an individual project to help the community. Congratulations to Shan Kanvinde, Rob Kvacek, Ryan Jaskiel, Connor Fleming and Alex Goebel for achieving this high honor.

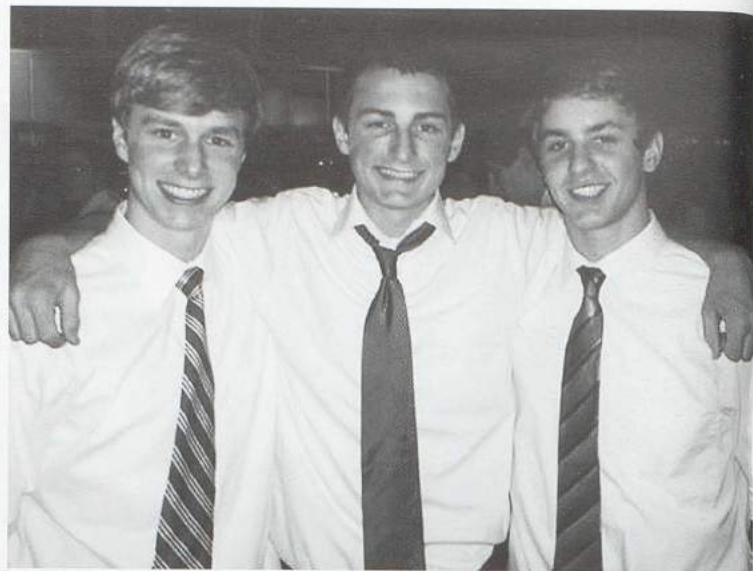

# Marketing Competition

Many students choose to get ahead by joining the Marketing Excel Tecc Program at Mayfield High School. Taught by Jean Getz, students desiring to study business explore topics through class instruction, individual and group research projects, develop interpersonal communication and leadership skills, and create effective persuasive presentations. Students participate in DECA and Junior Achievement competitions that test the development of 21st Century Skills and Common Core State Standards. Congratulations to River Weinfurter for placing an impressive fourth at Regionals in the DECA competition. Also congratulations to Joey Perrucci and Drew Zobrist for making it to States!

# The Pumpkin Roll

What began as two guys overseeing the snatching and stealing of 69 pumpkins in 1969 has become the talk of the town around Halloween. In recent years, the total has grown to almost 1,000 pumpkins. Starting in early October, upperclassmen travel to neighboring districts to grab as many pumpkins as possible after dark. If stealing them wasn't already enough of a rush, transporting the pumpkins to the designated house was always a journey in itself. Seniors Joey Casarona, Lukas Sontich, and Michael Munday had the honor of calling the event, just hours before midnight. By the time 11:00 rolled around, students were gathered at a nearby house on Main Street, preparing for the highly anticipated run up

Grove Hill. Right before midnight, everyone grabbed their sleds and ran through town, to be met by a giant truck ready to start dumping the pumpkins. Alongside the hill were nervous parents, zealous police officers, observant nearby residents, and shocked news reporters, all wanting to watch the spectacle of the junior and senior classes rolling. Despite the criticism the roll may face, and its lack of support from the school, it will always feel like a rite of passage for the students here at Chagrin Falls High School. What started off as a fun idea with less than 100 pumpkins in '69 has become a highly anticipated, full-blown event, totaling about 1,000 pumpkins every year, keeping the tradition alive for years to come.

# Eat My Bubbles

This year, the boys' swimming and diving team worked hard to achieve a successful season. After having a perfect dual meet record against other schools in the conference such as Kenston, Aurora, Gilmore, Twinsburg and Orange, the swimmers progressed to receive an impressive third place at Sectionals.

All their hard work payed off after both CFHS Divers, Peter Natchwey and Austin Penler, as well as many of the swimmers continued on to place at Districts.

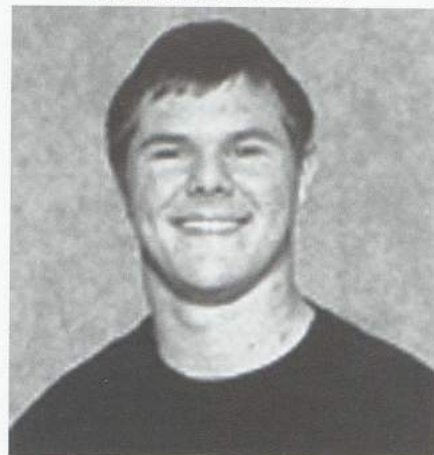

Both of the divers and 5 swimmers; Jason Quinn, Ben Stapulionis, Peter Girourd, Ben Agan and Tyler Thompson were eventually sent to the State Championships after an outstanding regular season!

At States, Jason Quinn placed an impressive 6th place in the 500 freestyle and the 200 IM. Also, Austin Penler placed an impressive third place in the diving portion of the meet, and Peter Natchwey followed behind him in seventh place.

The boys continued to participate in the tradition of bleaching their hair bright blonde before Sectionals and shaving it completely bald before Districts. Their dedication to school spirit and tradition creates a fun environment for everyone on the team.

## Just Keep Swimming

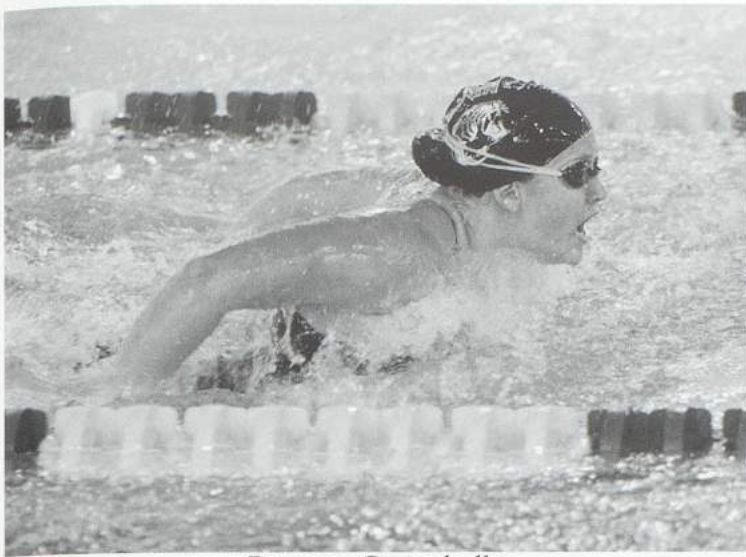

The CFHS girls swim team had an awesome start to their season winning 7 out of 9 dual meets. The girls started and ended their regular season with dual meet wins. They knocked out other schools in the conference such as Kenston, Aurora, Twinsburg and Mentor.

After success at Sectionals, many of the female swimmers were sent to Districts to qualify for State Championships. Eventually, 4 girls; Kathryn Bullen, Jenna Hadbavny, Allie Fullmer and Natalie Klug made their hard work pay off by qualifying to swim in the State meet.

Senior Kathryn Bullen received 15th place in the State in the 200 IM with an impressive time of 2:12:64! She also accomplished a time of 5:17:03 in the 500 freestyle.

The girls continued the tradition of bleaching the boy swimmer's hair and having chow downs before meets. The swim team is known as one of the most close-knit teams in the school. Due to their accepting attitude and fun activities, the swim team has grown tremendously over the last few years. Congratulations for a great season girls!

# One Hill Of A Sport

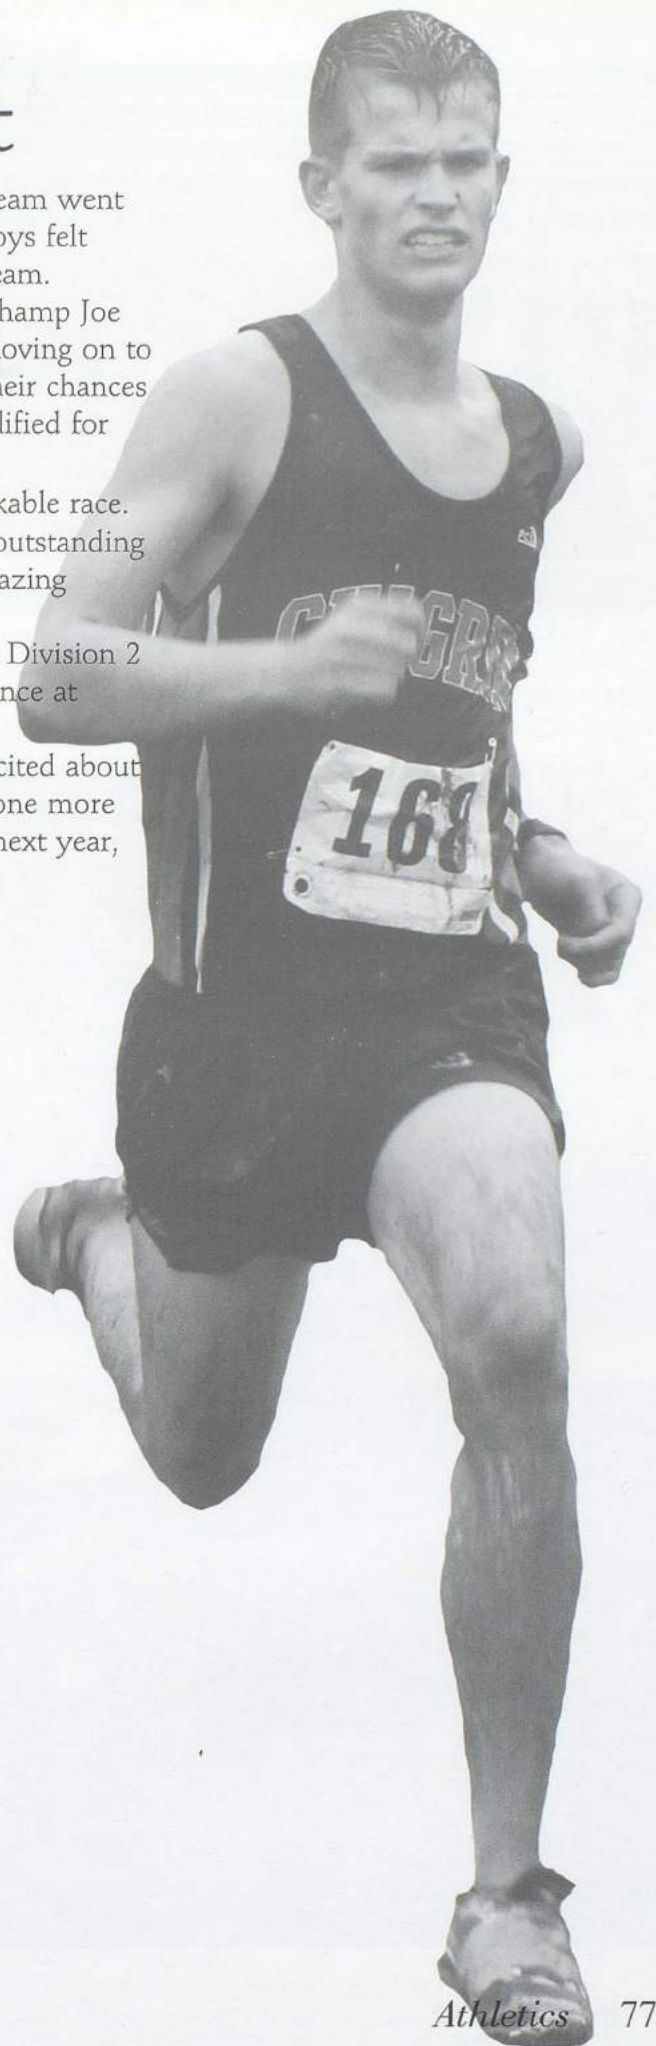

For the first time in 20 years, the boys' cross country team went to states! Rewinding to the beginning of post season, the boys felt discouraged at CVCs after placing second to rival Kenston team.

Back with vengeance, the varsity team, lead by CVC Champ Joe Bistriz, took first earning the title of District Champions. Moving on to a tough looking Regional the boys stayed confident about their chances and placed third, by a narrow margin of one point, and qualified for States.

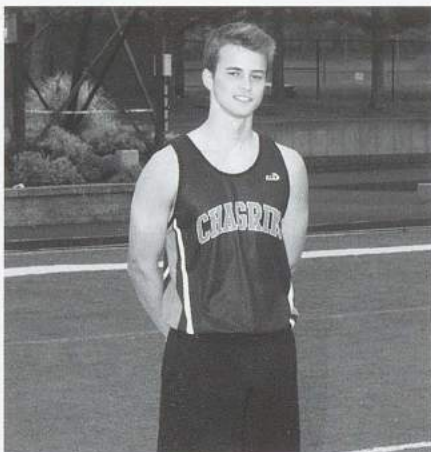

At the State Meet the boys ran an inspired and remarkable race. Ranked twelfth, the boys crushed their polling finishing an outstanding third in the State! Team Leader, Joe Bistriz, finished an amazing second individually as a sophomore.

The team finished their season with a 112-12 record in Division 2 competition. The young team cannot wait for their next chance at States.

Junior, Blake Wynveen said it best, "We are all very excited about our third place finish at the State meet but we still all have one more year left! Every one of our varsity runners are coming back next year, so we have just one goal in mind, and that's the State title."

## Senior Spotlight Kevin Dole

"Kevin leads by example, always striving to achieve goals, help teammates, and encourages others. He possesses a strong work ethic and a fun sense of humor that brings balance to the team. Kevin has effective means of communication with his classmates and underclassmen, he is an approachable, friendly, and confident leader."

The girls' cross country team started the season with new rules and a new attitude. Coach Burnett's three strike system created a stricter environment for the girls and created unity amongst the varsity team. "Cross country was a fun bonding experience, couldn't have asked for better teammates!" said senior Caroline Peterson.

The team explored new courses this year experiencing muddy terrain and intimidating hills. The varsity team completed their regular season with an impressive 47-17 record.

Beginning post-season at CVCs, the girls placed third with Allie Dustin and Natane Deruytter earning the title of First Team CVC. Moving on to Districts, the team's States run ended early when two lead runners were disqualified for cutting a corner. Without their contributions the team was unable to advance to regionals.

On a positive note, freshman runner Emily Owen qualified for regionals individually and finished 56th overall. With a very young team and all varsity players returning next year, the girls' cross country team will have many successful seasons in their future.

## Senior Spotlight Shannon O'Toole

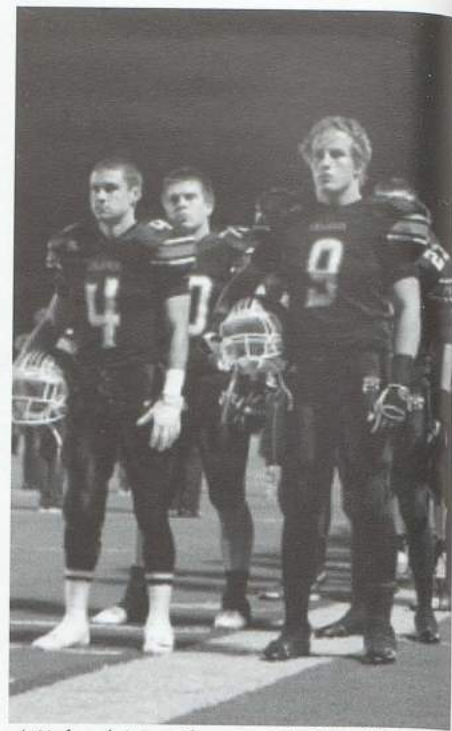

"Shannon's first race time was 33:57 and now she runs a 27:38, a 20% improvement in one year of training. Her positive attitude, compassion for her teammates and respect for her teammates sets a standard for all upcoming team leaders."

# CF '13believe

We all heard comments like, "The senior class size is too small." Some people said, "Graduating twenty-two seniors will be just too much to overcome." Others remarked, "This will be a rebuilding year for the Tigers."

The football team dealt with all of the negative comments from critics all season long. However, the Tigers never doubted their abilities and used the adversity and criticism they faced to fuel their determination and drive, leading them to another successful year of football.

A memorable part of the season was opening night, as Chagrin beat the Madison Blue Streaks, a Division II powerhouse, on the 100th anniversary since the opening of Harris Stadium. During the regular season, the tigers went 8-2 and won their fifth straight CVC Championship, as well as obtaining the top seed to begin the playoffs.

The excitement and success continued throughout the rest of the season with many victories, with noteworthy wins against Chagrin's long-time rivals, the Kenston Bombers and West Geauga Wolverines.

Unfortunately, Chagrin's memorable season came to an end when the Tigers traveled to Twinsburg to face the Benedictine Bengals and an all-star junior, Jerome Backer. The Tigers fought hard, but the Bengals proved too much to handle and the Tigers lost a tough but well-fought game.

Even though Chagrin fell short of their ultimate goal to win the State Championship, the seniors led the team to an impressive and unforgettable year. The 2013 season will forever be a year where fans and critics remember that each player preformed with a tremendous amount of courage, came to every practice focused and ready to work and went the whole season with a strong belief in each other and the team, remaining true to their team motto of Courage, Focus, '13believe.

## Senior Spotlight Alex Goebel

## Senior Spotlight Peter Berlin

"Peter Berlin is a four-year member of the Chagrin Falls golf team, the last two years as a key player on varsity. During those two years, Chagrin finished #3 at States in 2012, and just missed State qualification in 2013 by a few strokes. Peter attended every golf practice, and competed in 19 competitive golf events. Peter's success is, and will be, strongly influenced by his ability to focus on the task at hand, and by his steady commitment to an accepted responsibility."

-Coach Moriarty

## Who's Your Caddy?

The bar was set high this year due to last year's state bound team. Even after losing two contributing seniors, the team still managed to have an impressive season.

Their goals this season were to win the CVC title, qualify for Sectionals, and to qualify for States. The boys ended the season second in the CVC, losing to Aurora, and the Tigers placed first in Sectionals.

Even though the boys played a winning season, they did not qualify for States by only one place. To finish the season, the tigers obtained the record of 8-1 for head-to-head matches.

Overall, the season was a success. One of the highlights of the season was the invitation to Canterbury-Kiely Cup. The team felt honored to be included in the most prestigious high school golf event in Ohio.

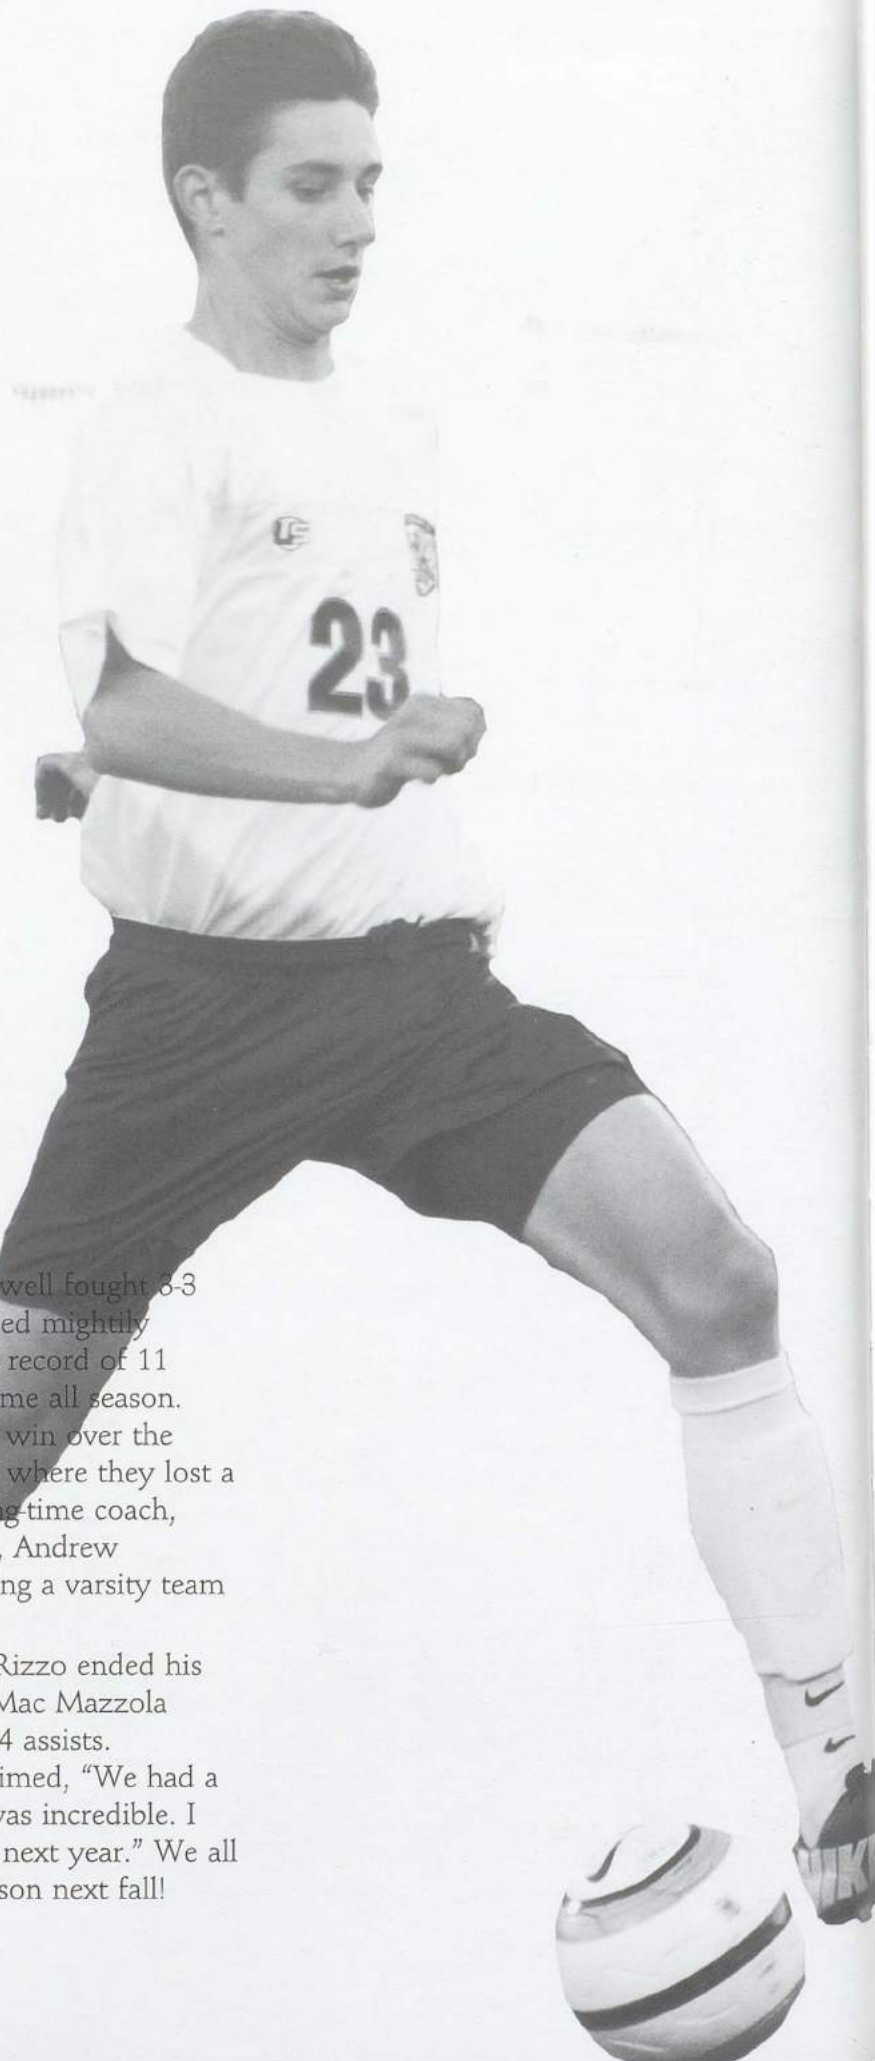

Next season looks promising with the rising talent of the underclassmen, Coach Moriarty comments: "Two individuals set the tone for excellence, junior Will Widman and freshman Dan Berlin. The combination of their work ethic provided the leadership for this season."

## Senior Spotlight Spencer Sukel

"Spencer is a highly skilled, quick and aggressive player who after the Perry game became the sweeper. With Spencer as sweeper the team did not lose a game until the District Final against University School."

-Coach Mario Gerhardt

## '13rotherhood

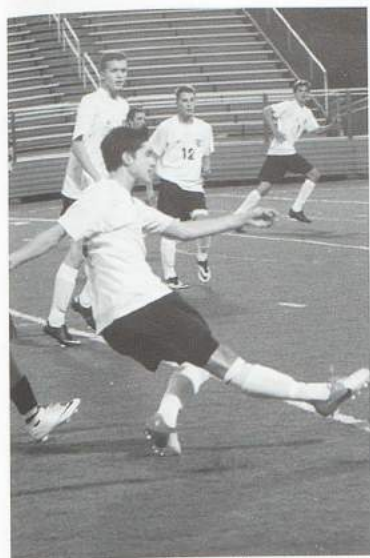

The boys started their soccer season with a well fought 3-3 tie against Bay to set the pace. The team progressed mightily throughout the season and ended with an overall record of 11 wins, 5 losses, and 3 ties, never losing a home game all season.

Their season also included a memorable 2-1 win over the Kenston Bombers and a trip to the District Finals where they lost a hard fought match against University School. Long-time coach, Mario Gerhardt and team captains Spencer Sukel, Andrew Passalacqua and Reed Kreger did a great job leading a varsity team that featured eleven underclassmen.

Other noteworthy players; goalie Anthony Rizzo ended his season with an impressive 74 saves, sophomore Mac Mazzola racked up a total of 30 points with 13 goals and 4 assists.

Senior and team captain Reed Kreger proclaimed, "We had a great season full of highs and lows. Beating US was incredible. I can't wait to see what the underclassmen can do next year." We all look forward to another great Chagrin soccer season next fall!

The girls endured a long and well fought season with an overall score of 6 wins, 9 losses, and 4 ties. The team participated in many fun traditions such as attending a team summer camp at Ohio Wesleyan University. They also went thrift shopping and attended a Columbus Crew game.

The team made it all the way to the District Semi Final where they lost 2-0 against Laurel. Junior Kelsey Owen said, "The team was really close this season and the positive attitude was great!"

The girls scored "First Blood" in nine games: Chardon, Perry, HB, Willoughby South, Kenston, NDCL, Hoban, Field, and Orange. They also had five shutout games: Chardon, Fairview, Perry, NDCL, and Orange.

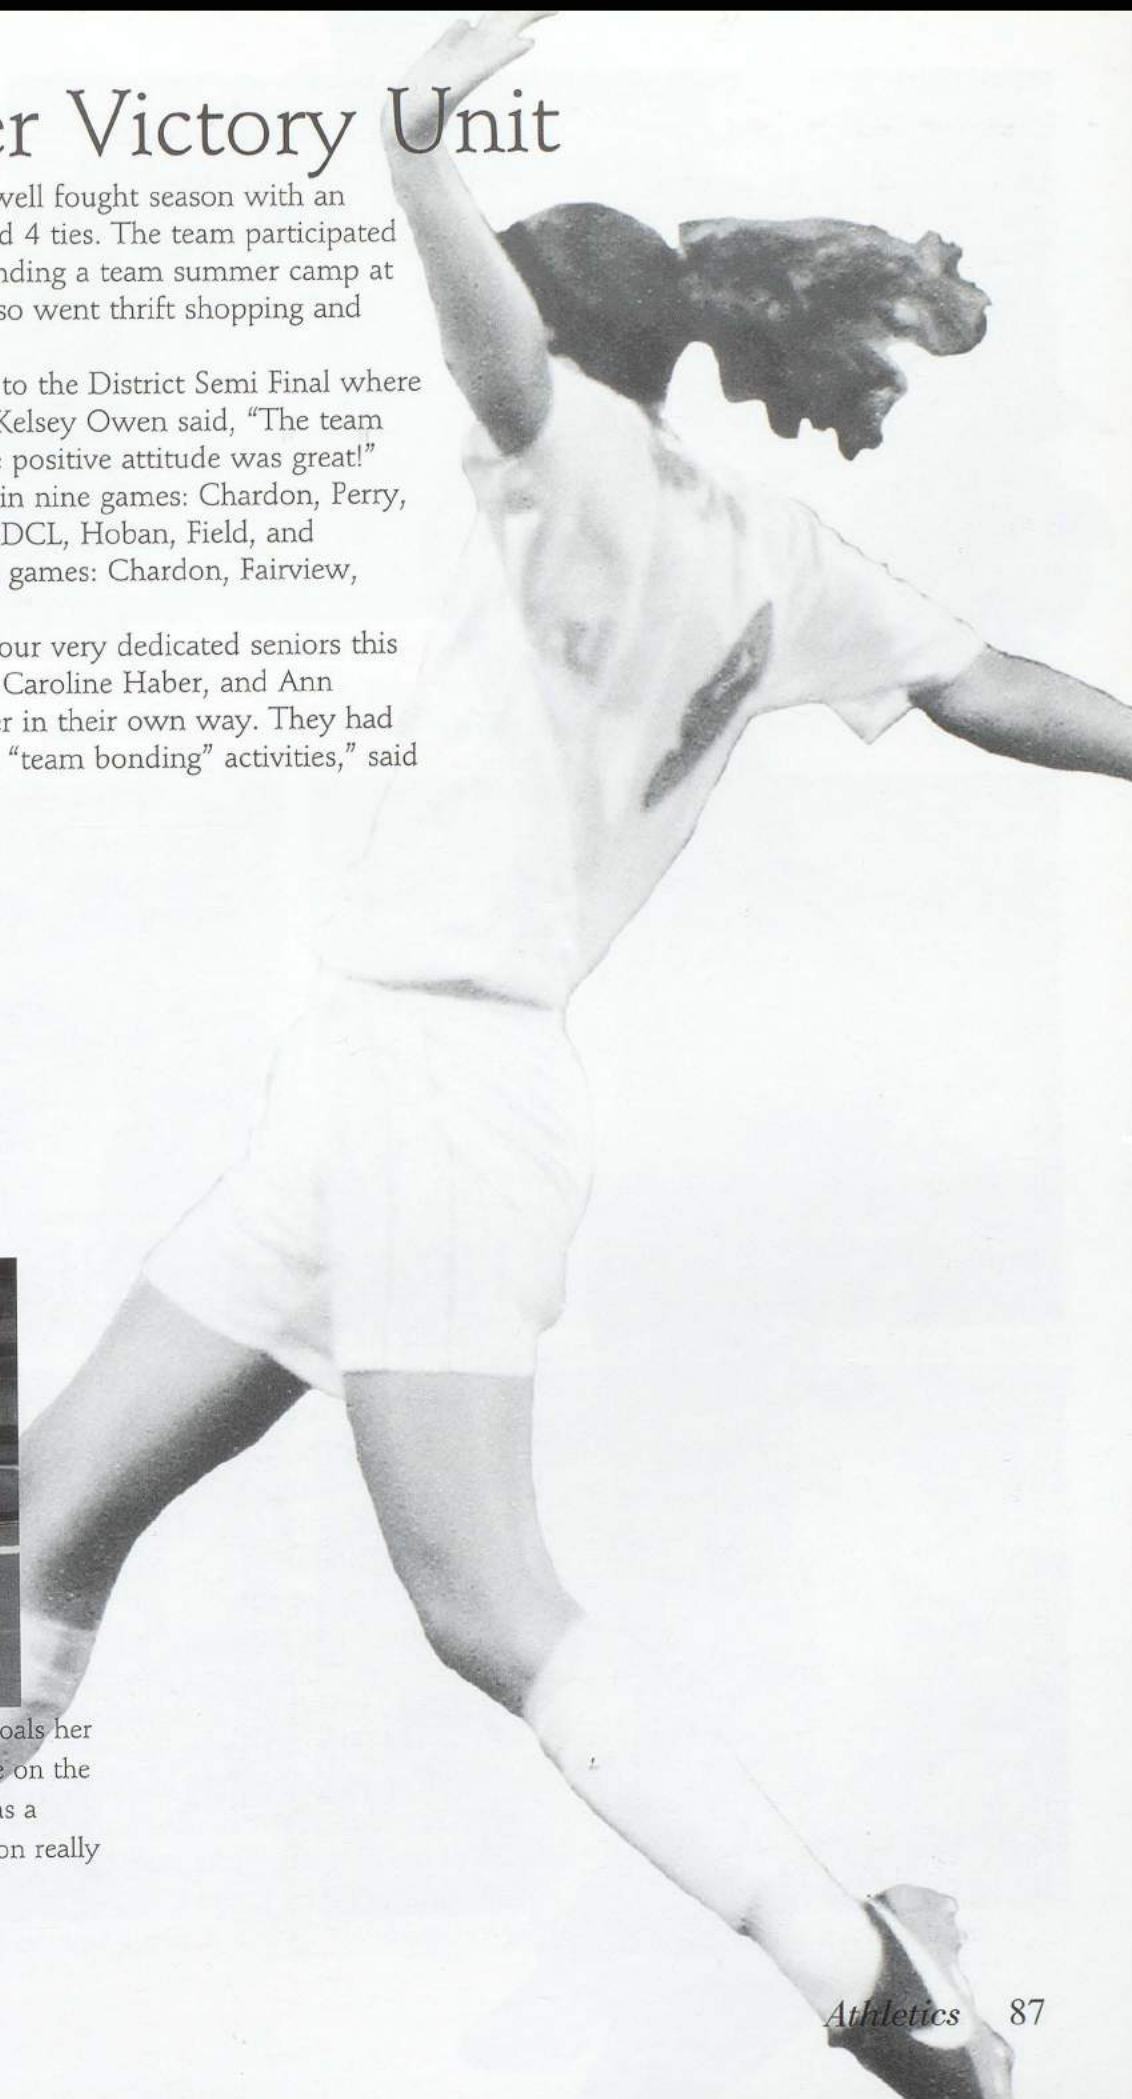

The team was lucky to have four very dedicated seniors this year: Amy Dishong, Dana Savakis, Caroline Haber, and Ann Hopkins. "Each was a unique leader in their own way. They had team dinners, team challenges, and "team bonding" activities," said Coach Malone.

## Senior Spotlight Amy Dishong

Amy had 1 goal assist and scored 5 goals her senior season. "Amy's always positive on the field and really stepped up this year as a senior and filled the leadership position really well."

## '13est in '13lack

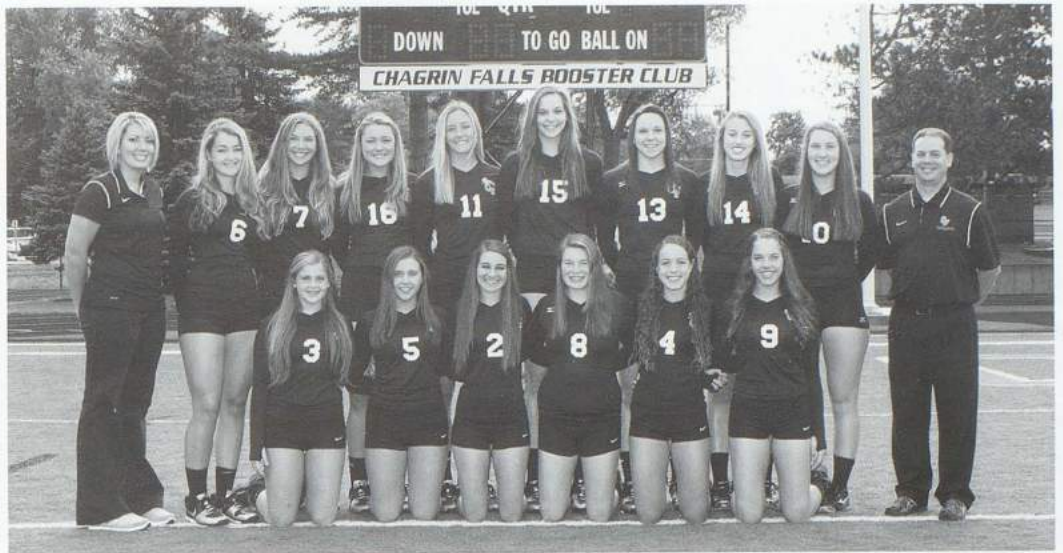

Losing six starting seniors from last season made the 2013 Chagrin Falls volleyball season, a reconstruction period. To get the rebuilding started, the tiger volleyball season started early with open gyms and Sunday summer league games in Mentor.

Height was no issue for the Lady Tiger's season; having six players over six-foot gave the tigers an advantage in the Chagrin Valley Conference. Early on in the conference the tigers obtained a winning streak of 3-0 against school rivals Cardinal, Aurora, and Perry. Senior Captain Katie Ross, exclaimed about the back-to-back wins against Aurora, "It was truly a great season and to top it all off we beat Aurora twice! I will miss all my girls next year, Dip out!"

Finishing the 2013 season with a winning season of 9-5 the girls headed off to playoffs facing the Hathaway Brown Blazers. After a tough game that ended in five matches, the girls ended their season in the first round of the playoffs. Next year, the tigers still have the height advantage leading by Junior Captain, Megan McGinley.

Anna won her first two matches at Districts earning her spot at States. Unfortunately she lost her first match at States but it was an incredible accomplishment getting there."

-Coach Leslie Lozon

## Kiss My Ace

This year, the tennis team welcomed on two new seniors, Lily Manchester and Anna Pietsch. The team also introduced Coach Overholt and Coach Meyer to help whip the girls into shape.

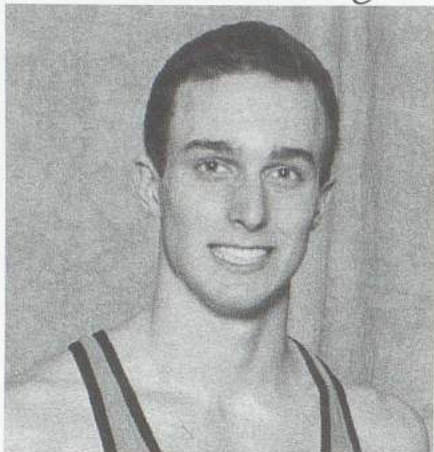

Throughout the season, the girls bonded over chow downs and the long bus rides. "Having fun and creating memories to look back on are the most important things to remember during the season!" said Coach Lozon.

The team competed well and beat challenging schools such as Solon 3-2 and Hathaway Brown 4-1. "Although we came in fourth for the Chagrin Valley Conference, we ended the season with a winning record!" remarks junior, Lauren Mahoney.

After qualifying for States, Anna Pietsch traveled to Columbus to continue their season. Despite a hard fought match, Anna lost within the first round in States to a tough competitor.

Overall, the girls' tennis team ended with a great season and the team will miss the three varsity seniors and wish them good luck in their future endeavors.

## Senior Spotlight Connor Fleming

"Connor is one of our captains and led the team with 24 victories, 14 pins and 45 takedowns. Connor practiced "full go" in the wrestling room, which not only helped push our teammates, but also led by example. He supported the underclassmen, cheering them on during meets and provided good senior leadership to a young team with great potential!"

-Coach Rick Renton

# Tap Out or Pass Out!

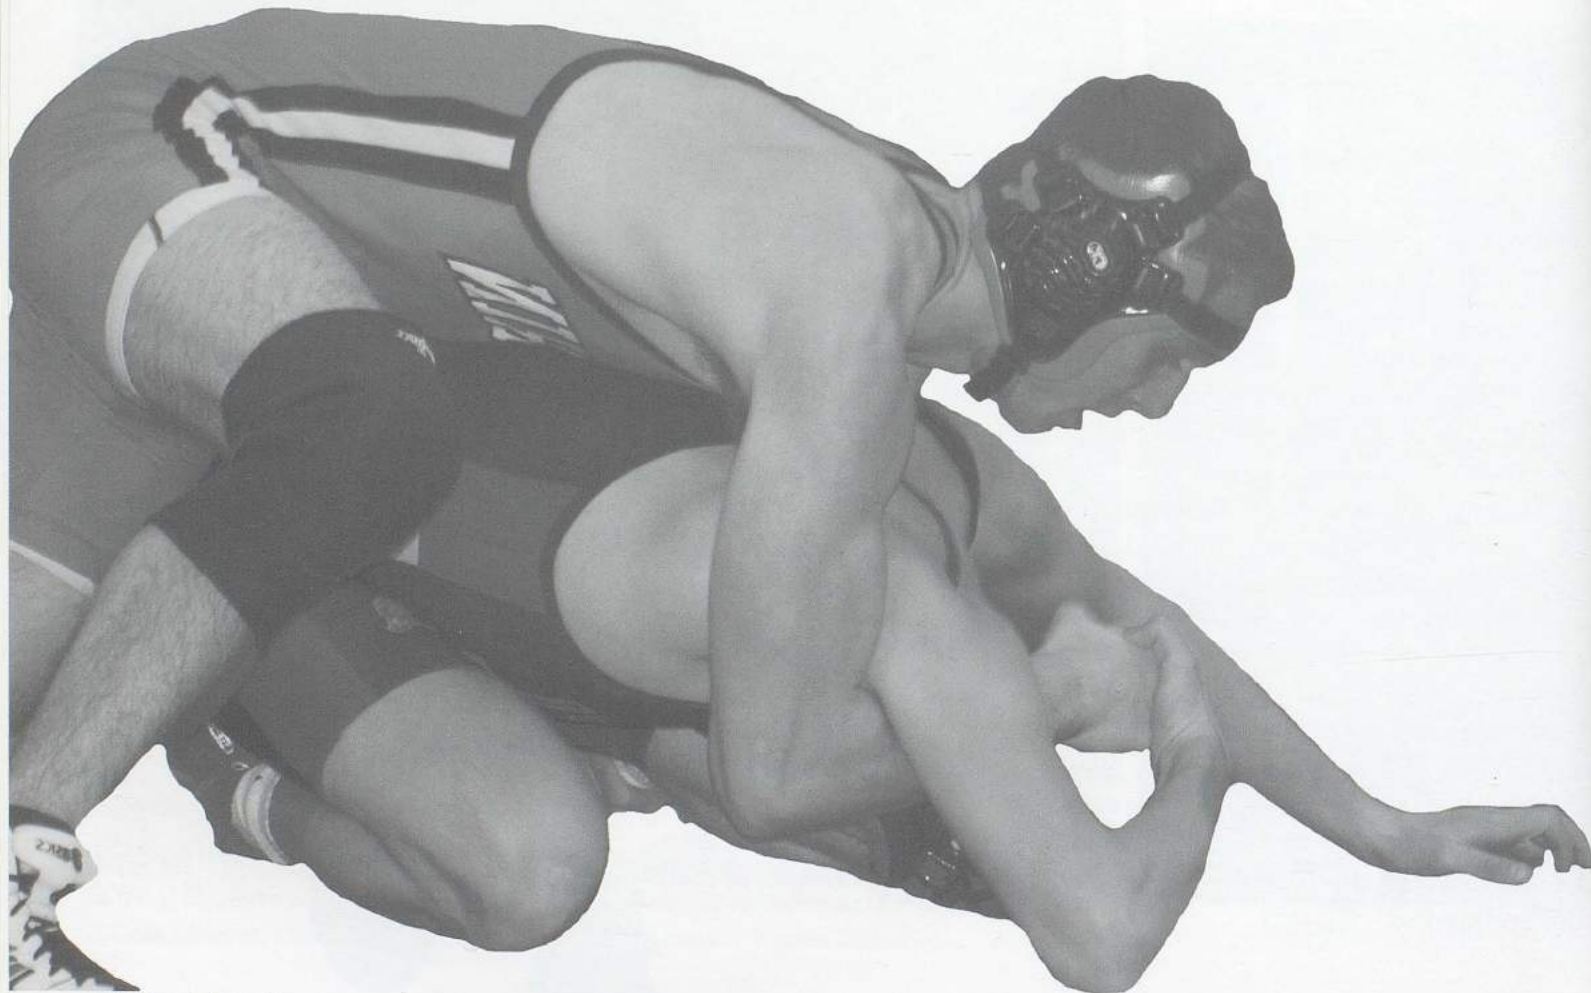

With only one senior, the young wrestling team set goals of improvement and development. These goals were met by scoring higher point totals in the CVC and Sectional tournaments. The team also improved their dual meet record with double the amount of wins.

The day-long tournaments are followed by the highly anticipated tradition of eating delicious food provided by the parent committee, eaten only after the weigh-ins of course.

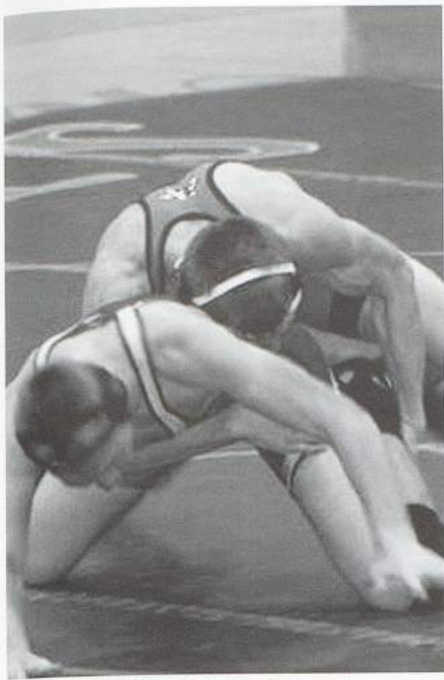

Out performing the 2013 season, the team sent four qualifiers to Districts and two District alternates, compared to only one in 2013. Ricky Renton placed an impressive second at Sectionals, while Desmond Maddox and David Escott placed third.

Many wrestlers completed the season with impressive records. Connor Fleming finished with a record of 24-8, Ricky Renton with 21-8 and Desmond Maddox with 20-10. Those in the Top 5 Takedown Club are Connor Fleming, Ricky Renton, Garrett Malone, Robert Szymkowicz and David Escott.

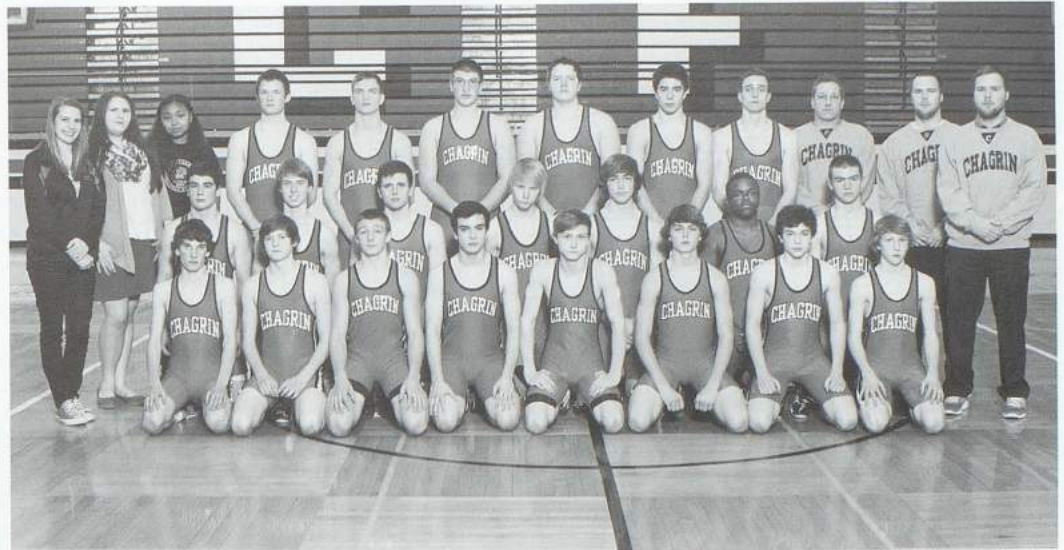

Overall, the team held their ground against hard competitors, placing 3rd at the Grand Valley Duals and 5th at the Panther Invite at Manchester.

## Senior Spotlight River Weinfutner

"River has been a valuable member of our program for four years, contributing in back to back CVC Championships. River was elected as one of the captains showing the respect he had among his teammates. River always gave great effort whether it was during games or practices, he constantly worked hard while pushing others to get better. River was a solid defender and was always unselfish when he played-two characteristics coaches look for in their players."

-Coach Barger

## Your Loss is Our Game

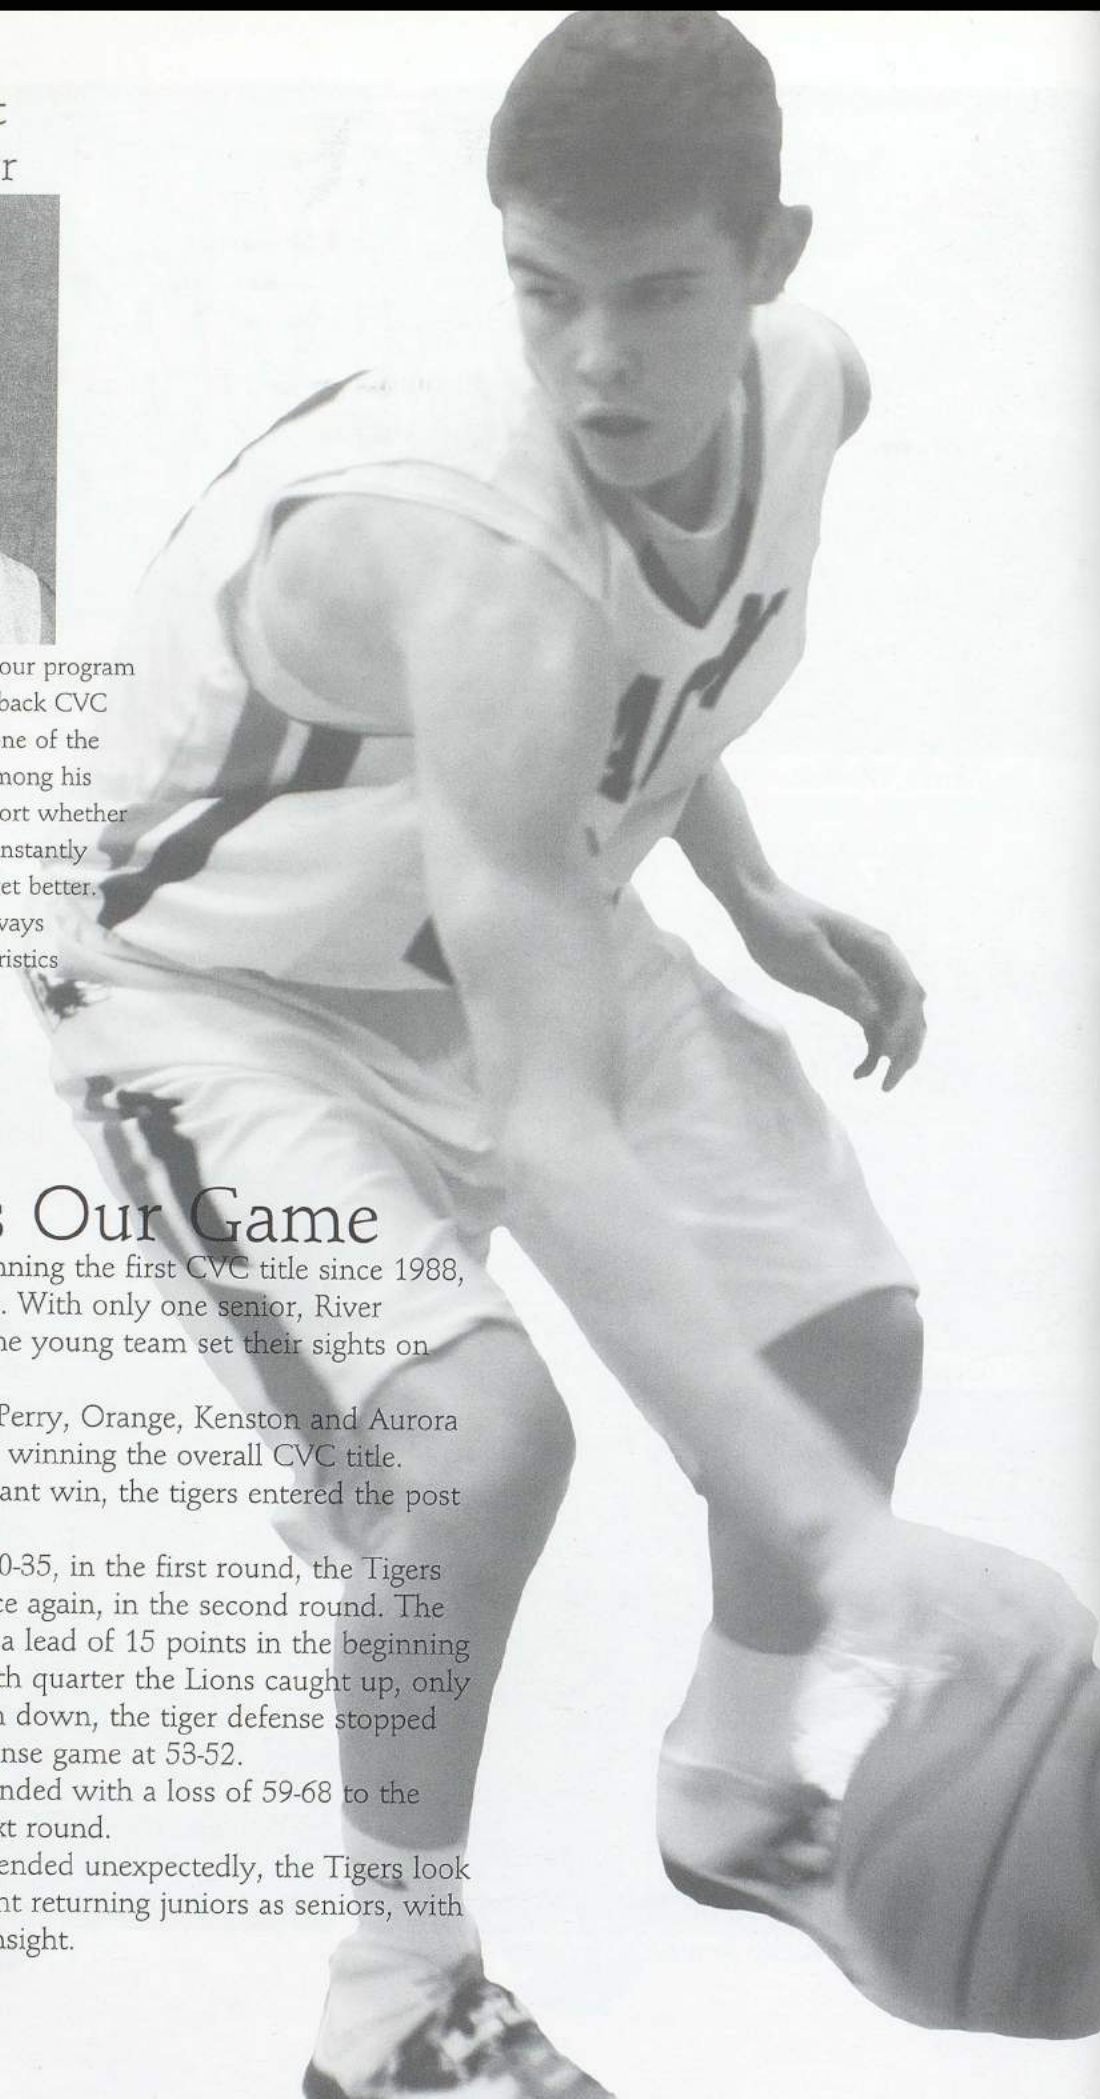

With last years' team winning the first CVC title since 1988, the Tigers had big shoes to fill. With only one senior, River Weinfutner, in their lineup, the young team set their sights on another CVC Championship.

Obtaining victories over Perry, Orange, Kenston and Aurora helped the tigers to succeed in winning the overall CVC title. Immediately after the triumphant win, the tigers entered the post season tournament.

After beating Jefferson, 50-35, in the first round, the Tigers moved on to play Orange, once again, in the second round. The Tigers began very strong with a lead of 15 points in the beginning of the second half. In the fourth quarter the Lions caught up, only down by one. As the clock ran down, the tiger defense stopped the Lions and finished the intense game at 53-52.

Sadly, the boys season ended with a loss of 59-68 to the Lake Catholic Lions, in the next round.

Even though, the season ended unexpectedly, the Tigers look forward to next year, with eight returning juniors as seniors, with the goal of State Champions insight.

Their enthusiasm for the team and their dedication was admirable. We will miss them so much next year, but we are excited to see what's in their future!"

-Coach Anderson

## Family

The saying for this year's lady tiger basketball season was "Family" the perfect word to describe the close-knit team. From early morning breakfasts, chow ups and multiple chow downs, the family loves to bond with each other on and off the court.

At the beginning of the season, the team started off very strong and concentrated on beating Kenston twice, winning the outright CVC title, and, of course, States. After the victory against Kenston 23-21, and West Geagua 76-23, their CVC goal was in sight.

Shortly after the West Geagua victory, the team lost two of their crucial starters, Hallie Thome and Jessie Tull, to ACL tears. Luckily, the rest of the team worked even harder to fill the positions with Madi Deignan and Brianna Baker ready to step in.

From all the hardships throughout the season, the team never quit. They finished out the season with a record of 14-8 and 10-0 in the CVC. The season ended harshly during sectionals in a hard fought game against Laurel.

The family will be saying goodbye to seniors: Amy Dishong and Jessie Tull next season and wish them success in their future careers.

# No Doubt, Shout it Out!

This year, the football and basketball Cheerleaders were able to help lead teams to victory and the crowd to their feet. The ladies started off with a rigorous summer camp to learn all the new cheers and chants.

They also put on a successful fundraiser called "Little Tiger Cheer Camp" for K-3rd graders. The camp has helped create a strong future for Chagrin Cheerleading.

In February, the hardworking Cheerleaders put on an extremely memorable Winter Formal. After picking out songs, decorations, and the perfect theme, Mystery Masquerade, the entire school benefited from their hard work.

Students will never forget their favorite cheers. From "We Got Spirit" to "Tiger Rumble", the cheers will forever ring in the ears of a true Chagrin sports fan.

With the help of the students, the Cheerleaders were able to energize The Zoo to legendary status. Win or lose, you can always count on the Cheerleaders to pump up the stands and get rowdy.

# Art

Chagrin Falls art teachers, Mr. King, Mr. Hetzel, and Ms. Serazin, taught a variety of art classes that provided students with a fun opportunity for a creative outlet.

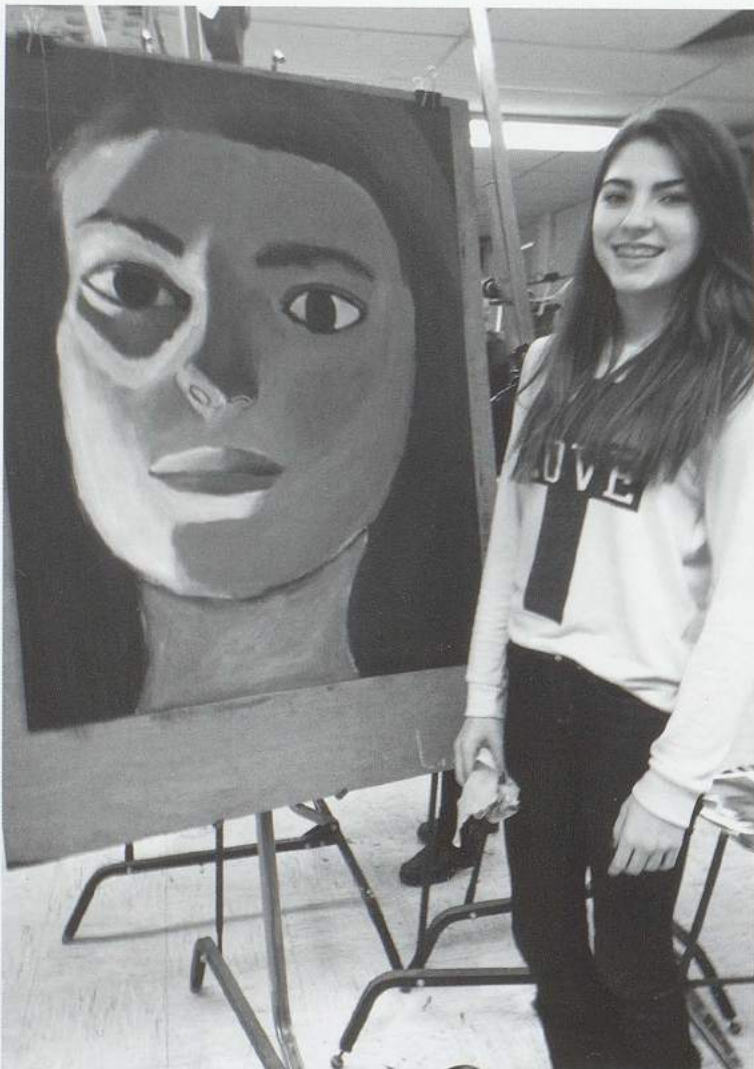

Classes such as two dimensional drawing, painting, design and illustration, digital photography, printmaking, computer graphics, fiber art, jewelry and metalsmithing and sculpture offer many opportunities for students to express themselves. Every student, artistic or not, can find a class that fits their individual skills and interests.

In order to pass these courses, students must display hard work and dedication. Many students submitted art work to Scholastic Art Awards, a nonprofit organization that recognizes teenagers for their exceptional artistic and literary talent. This years Gold Key winners included Caroline Galicki, Kiersten Pappas, Natalie Krill and Lucy Ranieri.

After sharing his talents and knowledge with the department for many years, veteran teacher, Mr. King, announces his retirement from teaching. Mr. King contributed a lot to the program and will be missed in years to come.

# Language

Chagrin offers many languages for students to study, including Spanish, French, Arabic, and Chinese. All of these languages serve as an advantage in the real world, helping students further their knowledge and gain a better understanding of different cultures.

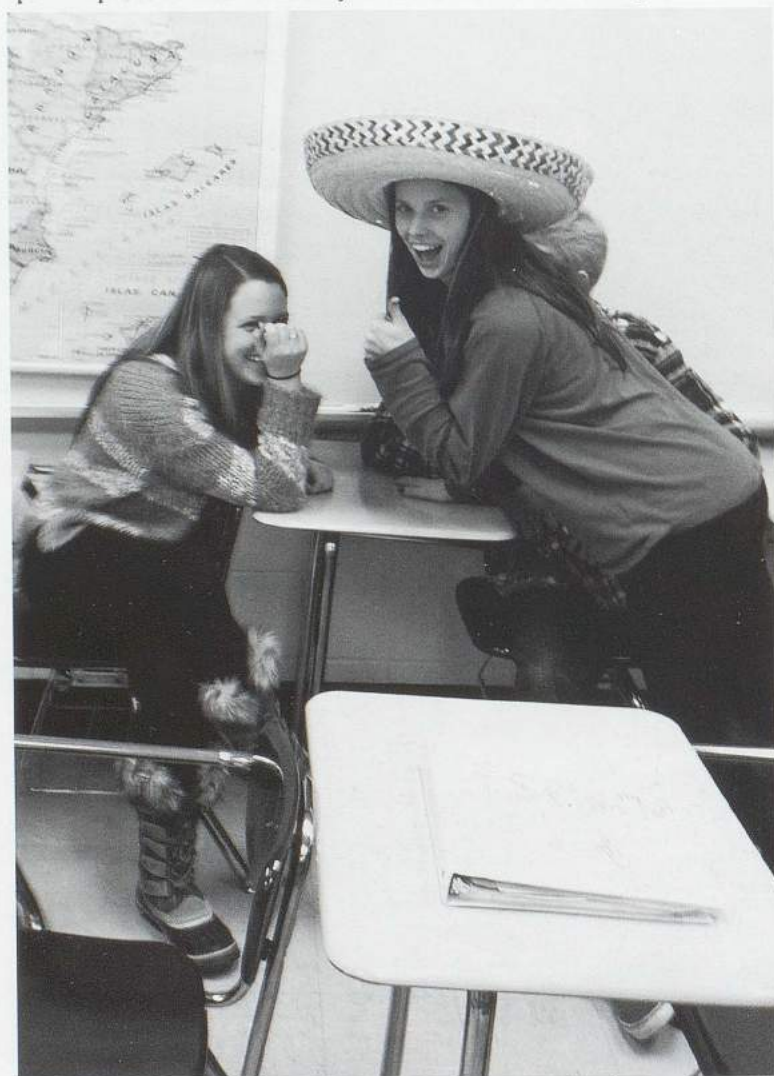

This year, students in French class will take a trip to Southern France for a home stay, which proves to be a valuable learning experience. They will be shown the lifestyle of a common French teenager and learn the culture; including a dinner at the Eiffel Tower and tours of many famous monuments.

In Spanish, a group of students will be taking a trip to Costa Rica. Students on the trip will experience new environments, lifestyles, and customs on their visit.

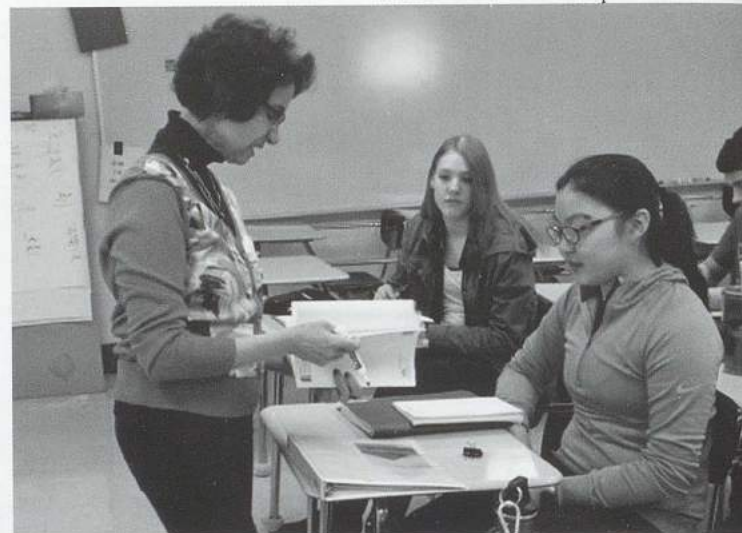

In Chinese this year, students took a field trip to Cleveland State University, and along with other schools, saw traditional Chinese dancing and singing. This summer, students plan to take a trip to China and participate in a home stay with a Chinese family.

# English

Chagrin Falls High School English department greeted the new school year with many changes.

Recently, the English Department created an area where students can get help from other students for all of their English needs. *The Write Place* caters to everyone's needs from SOAPSTones, to College admission essays. The "interns" are made up of successful students who are willing to help those who are struggling. "Every time I write an essay or anything, I get a pass from Dr. Beach to go to the Write Place, and get help from the very intelligent AP English interns" explains sophomore, Ryan Lurch.

The Senior Capstone project is another new addition to the English department this year. Before going on the much anticipated senior project, students must write a research essay on their career of choice. With help from their teachers and research, students are more informed and prepared not only for Senior Project but their futures as well.

Students will never forget their favorite literary characters from George and Lenny to Jay Gatsby, students learned about people from every culture.

# Social Studies

For many years the Social Studies Department succeeds to teach a mass of information from the past to present. Students also discuss controversial current events happening everyday.

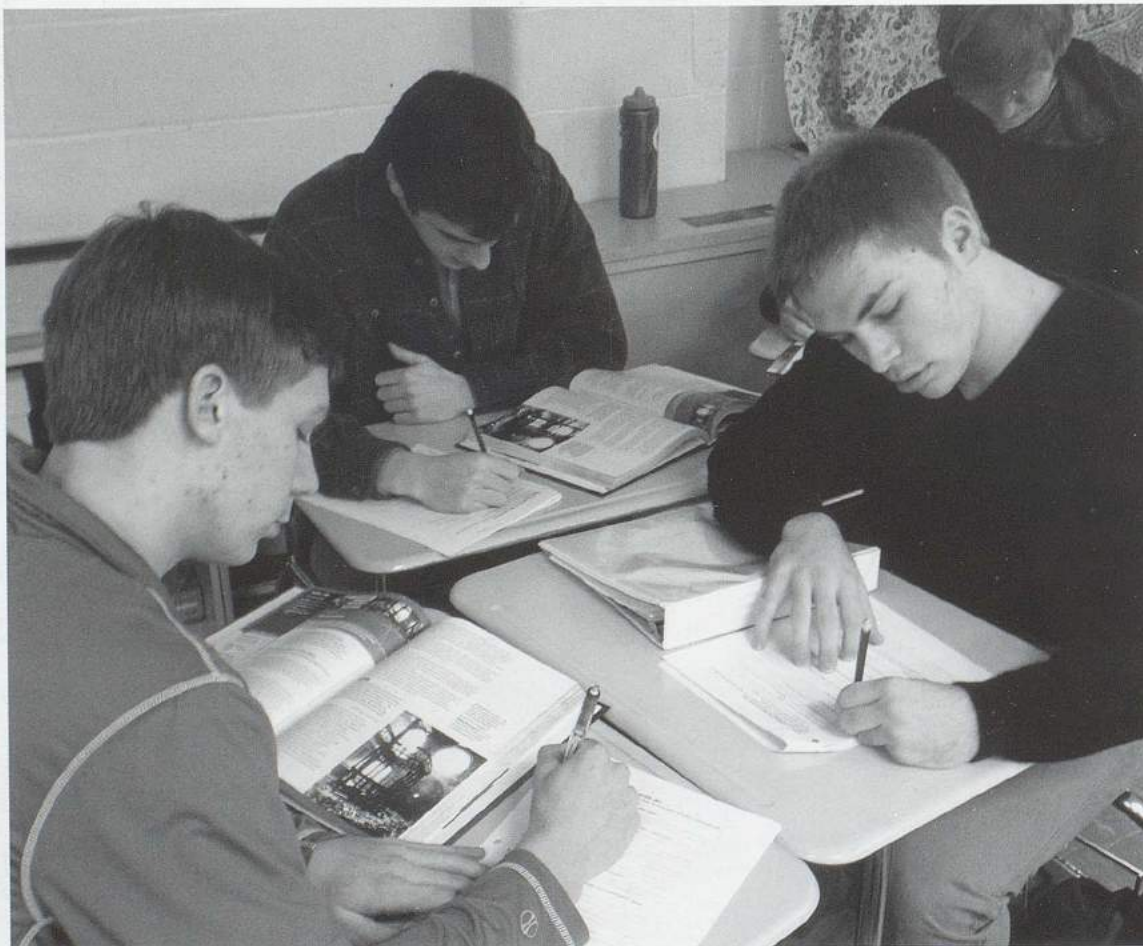

Speaking on his own experiences, Mr. Salyers teaches about his vast knowledge of Africa. Through the use of *The Story of Us* videos and the brand new textbooks, Mr. McKenna and Mr. Serluco bring light to the classrooms of US History and World History.

Going beyond the classroom as part of a program called "Bridge to the World", students from The Jeppe School for Boys came to Chagrin Falls during their tour through the United States and stayed with multiple students and their families. The travelers went to an Indians Game, hiked through the Metro Parks and cheered at Chagrin football and soccer events. "This was a really unique opportunity and I wanted our students to be exposed to different cultures" trip organizer Brittney Anderson says. Bridge to the World hopes to develop greater cultural intelligence and acceptance in our students.

On the State of Ohio Achievement Tests, Chagrin surpasses the state average for Sophomores and Juniors. Specifically, the sophomore class, achieved scores in the 98th percentile.

# Mathematics

This year at Chagrin Falls High School, the math program completely changed its methods in an attempt for improvement. The math teachers introduced College Preparatory Mathematics to all the math classes.

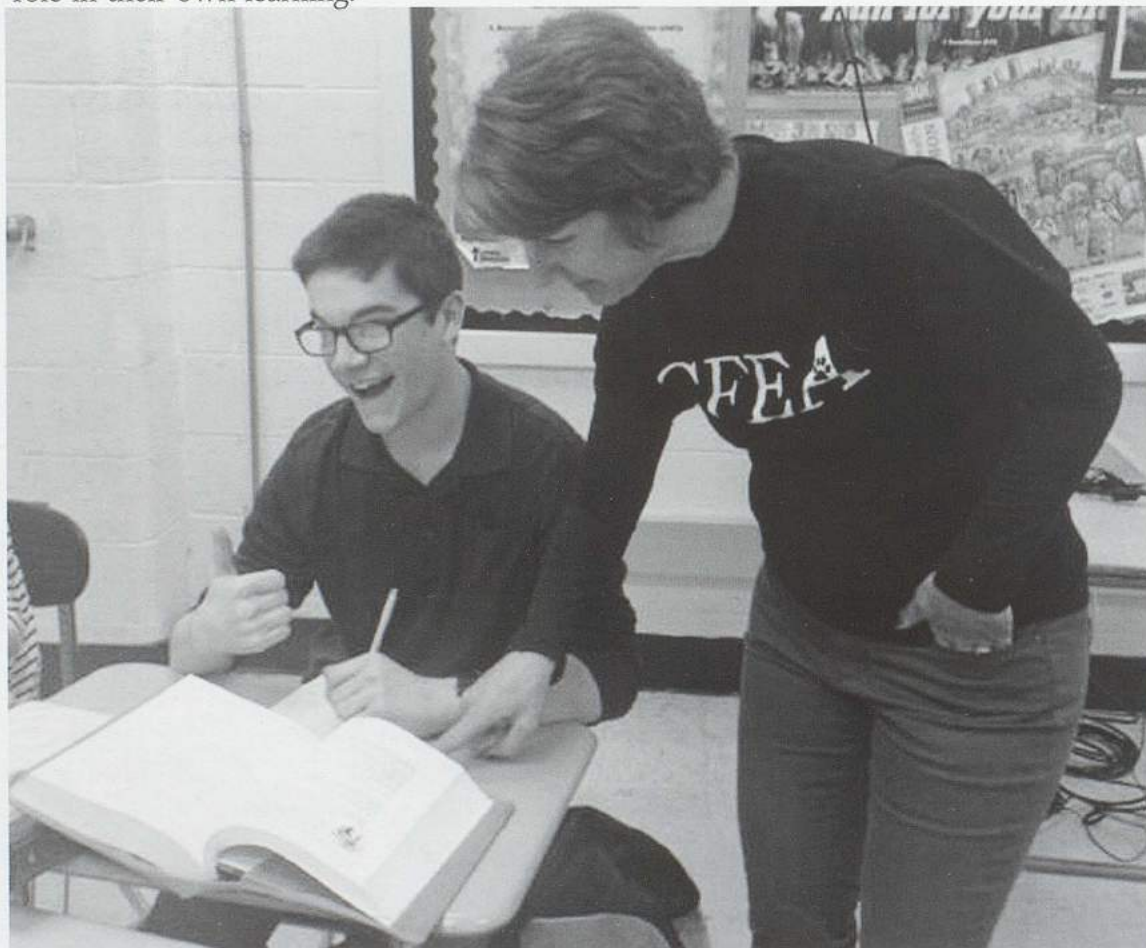

CPM textbooks allow students to teach themselves the curriculum to help them better remember the material. The new program also reviews formulas and methods taught in previous chapters to help students improve their retention skills. CPM will eventually benefit the students with their finals and their futures, despite a general dislike from the students.

According to Mrs. Cymanski, "The OGT scores are very high in math and the students are receiving great AP scores in calculus and computer science every year". She continues to say that she is proud that most students are achieving high grades in their math classes.

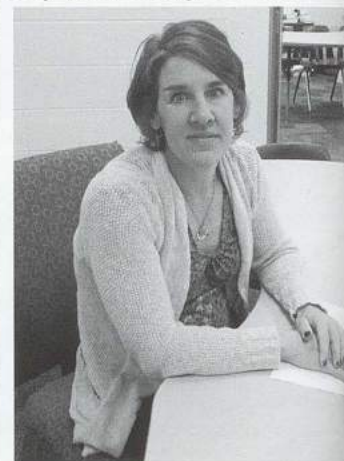

Cymanski also explains that the students are doing more presentations and the math teachers are working on helping every student individually. The overall goal this year is to make sure the students are receiving the best math education possible. The teachers hope the new curriculum will help every student take a more active role in their own learning.

# Science

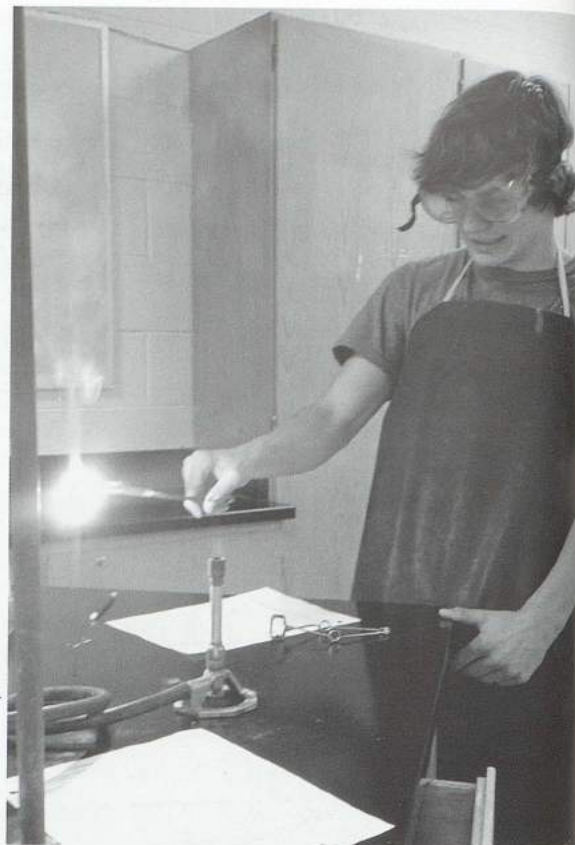

In 2014, Chagrin Falls High School science students, had the opportunity to engage in lab simulations in Physics class, dissect fetal pigs in Anatomy and Physiology, and discover unknown substances in Chemistry.

When asked what her favorite lab in Anatomy and Physiology was, Julia Hallack, responded; "I really liked dissecting the rat because there were so many similarities to humans, but smaller... it gives you an idea of what our insides look like!"

Unfortunately, CFHS students had to say goodbye to two beloved Science Department teachers; Mr. Buckle and Mr. Roberts, as they retire from teaching. Mac DeGreen describes his favorite teacher Mr. Roberts as "The greatest and the funniest teacher of all time. Standout guy."

CFHS students continue to strive and portray their excellence in Science classes. Last year's State of Ohio Achievement Test scores were 15 points over the state average for Chagrin Falls juniors and 20 points over the state average for sophomores.

Due to countless hands on labs and experiments, students gained a hands-on education that remains relevant in everyday life, as well as prepare them for futures in medical careers.

325 copies of Chagrin Falls High School's yearbook, ZENITH, were printed by Herff Jones Yearbooks in Gettysburg, Pennsylvania. Cover was silk-screened in two colors on Champagne Linen. Text paper was #80 double coated enamel; endsheet paper was #65 cover stock. Senior portraits were lithographed in four colors, underclass portraits and the candid sections of the book were printed in classic black & white. Books were sold for \$75, discounted to \$60 for on time ordering.

"I have three senior captains who are all leaders on and off the baseball field. All three have worked extremely hard to try and make this baseball season a memorable one. Joey Casarona will be starting for the third straight year at second base. He will provide solid defense and toughness for the tigers. Johnny Thombs will start for his second straight season at catcher. Johnny will provide leadership behind the plate and returns as our leading hitter. Brennan Morell will start for his second year at shortstop. Morell is one of the area's best defensive shortstops and returns as our second leading hitter."

Lily Manchester  
Haylee O'Hearn

"This season we had three amazing senior captains leading the team to many victories! Haylee O'Hearn is a returning four year letter athlete that not only leads the team, but leads the defense by making sure no easy shots are taken. Even if four players are guarding Lily Manchester, she stills scores without any trouble; Lily is a returning three year letter athlete that leads the team by being a leading scorer and great teammate. Caroline Haber is an intense starting attacker, scoring many goals to help the team with an overall win! We wish them luck on their future college careers!"

She now has her eyes set on the Outdoor State Championships and we have every belief in her, her leadership, her work ethic and her ability to make it happen. Mike is the "Comeback Kid." His work ethic, dedication and positive attitude have not only returned him to an elite level of competition but has placed him on the podium where he has been recognized as All-Ohio. # Seussical

Seussical combines multiple Dr. Seuss stories and weaves them into one mystical show. The show follows Horton, played by Bill Wetherbee, an elephant who hears voices on a small speck of dust. He discovers that there is a small population called "Whos" living on the dust speck. Although ridiculed by other animals in the Jungle of Nool for believing something that can not be seen, Horton continues to believe that the Whos exist. In the end, Horton proves that there are people on the dust speck. Through the Jungle of Nool and McElligot's Pool, characters save the world, go on desperate adventures and fall in love. The entire show is narrated through Dan Hoy as the Cat in the Hat and Sarah DiFoire as JoJo.
