

Chagrin Falls High School

2014-2015

SUPERINTENDENT'S FOREWORD

Congratulations to the Class of 2015. You have not only maintained, but added to the tradition of excellence which has been the bedrock for the Chagrin Falls Exempted Village Schools. Through your hard work, Chagrin Falls High School has been recognized as one of the top 100 high schools in the United States. Your class has exhibited academic excellence, exceptional creative ability, and athletic prowess. School administrators dream about these qualities in their student bodies, but these distinctions do not happen by chance. As Colin Powell said, "A dream doesn't become reality through magic; it takes sweat, determination and hard work." These characteristics help define the Class of 2015 throughout your four years of high school.

Your four years at Chagrin Falls High School have been years of growth. Though you have developed new friendships, you have never let go of the past. Though you have faced adversities, you have never given in to them. Your class has always moved forward. Consistency has been your classes' trademark. Aristotle said it best, "We are what we repeatedly do. Excellence is not an act but a habit." Clearly, the Class of 2015 has accepted this habit in all phases of your high school life. There is no doubt in my mind that you are ready for whatever faces you in the future after graduation. And, you will be part of a great alliance of more than 10,000 students who have preceded you since 1879 to become alumni of Chagrin Falls High School. I am proud of all your class has achieved.

The 2015, Zenith has chronicled all that your class has done. As you look back through the pages of the yearbook, you will see that memories have been safeguarded within its pages. As years go by, the 2015 Zenith will serve as a time machine transporting you back to high school reminding you of friends, classes, events, and activities. These nostalgic journeys will trigger many memories for each of you.

There is no doubt that this year's Zenith has lived up to the standards set by its predecessors. This edition has captured a candid depiction of the 2014 - 2015 school year. I congratulate this hardworking 2015 Zenith staff for their outstanding production.

On behalf of the Chagrin Falls Board of Education and administration, I extend a warm greeting to each of you as you review this year's edition.

- It seems like yesterday that we timidly walked the halls of the high school for the first time. No one expected this day to sneak up on us so quickly. As our time together comes to a close, we reflect on the memories we have created. The Class of 2015 is known for their exceptional leadership, work ethic and camaraderie. As a word of advice to future graduating classes; cherish your time together. Unite as a class sooner rather than later, before you know it, you will be parting separate ways. To the Class of 2015, we wish everyone the best of luck and hope everyone becomes successful in their own ways.

Congratulations Class of 2015!

They capped off their senior year with an amazing run at the State Meet finishing 7th. Anne and Allie's dedication and hard work led the Girls program through Winter and Summer running, creating one of the deepest and fastest teams in the State”.

Drew also endured through one of the toughest Winter's in Cleveland history by running nearly every day, dragging his teammates out into the elements to bond and become one tough team during the season. "A starter for four years, a captain as a junior and senior, Andrew Passalacqua was a team player with exceptional skills and game sense and the player around whom the 2014 Tiger team was organized. Andrew was the team's leading point scorer as a junior and was well on his way for a repeat performance this season when during the Aurora game he tore his ACL. Andrew's season as a player and as the team's playmaker was over but not over was his impact as captain and unofficial assistant coach on the sidelines during practices and games. The players rallied, especially Christian Keiper in Andrew's #10 jersey, and they dedicated the remainder of the season to him."

Abby Staley

“Abby has been swimming on our team for all of her four years in high school and has improved every season! I loved swimming along side her this year, as we both qualified for states. Even though the season didn't end with a win, we still had a great time and have some memories to prove it! Love you Abs, have fun at college next year!” -Allie Fullmer

Sawyer McGuire

"Sawyer has been a tremendous part of our program for four years. He was a three year starter and spent parts of all four years on the Varsity. During that time, he was a key member of three straight CVC championships, was a two year captain and was the league MVP as a junior. Sawyer was our leading scorer & rebounder, as well as being a terrific defender. But it was his drive and work ethic that stood out and enabled him to grow as a basketball player over the past four years. He was unselfish, extremely determined & mentally tough - characteristics that coaches want in their players. Sawyer is a great example of what can result from hard work and dedication. We will always be grateful for his contribution and commitment to our program." -Coach Barger

Hallie Thome

"Hallie has been a tremendous leader for our team all four years. It is clear that she is a great basketball player, but what really stands out to us is her positive attitude and basketball IQ. She battled back from a season-ending injury her junior year with a smile on her face the entire time. Hallie used her experience to gain a new perspective on the game and it helped her and her teammates grow in the process. We are so proud of her and wish her the best of luck playing for the University of Michigan next year!"

"Tristan was one of the biggest contributors to the success of our team in our first season back. He acted as a great leader for our young team and stepped up with 40 goals throughout the season. COLOPHON

Volume 105 of the ZENITH was published by Chagrin Falls High School's Yearbook Class and printed by Herff Jones Yearbooks in Kansas City, Kansas. 300 copies were lithographed on double coated enamel paper. Cases were square backed, nipped, glued and bound with 100 point binders' board. Books were delivered to Chagrin Falls High School in May for delivery to students prior to graduation. The cover is a custom school design silk-screened on linen Class C bookcloth. All spreads were designed using the award-winning e.Design software provided to schools in all 50 states by Herff Jones Yearbooks. A special thank you to Devon Riegel for providing the Senior Favorites drawing.

Melanie Hoffmann served as Media instructor for the 16th year. John Fowley, Certified Journalism Educator, served as Herff Jones in-school representative, Lisa Merino served as in-plant customer service adviser and Debbie King, P.h.D., provided technical support.
