THE 1936 ZENITH

DEDICATION

To one who has given of her friendship and counsel, willingly, to all students, we of the Zenith Staff dedicate this, the twenty-sixth volume of the Zenith—Miss Alice Neff.

IN MEMORIAM

The entire school was deeply grieved at the death of Miss Florence Gifford, on February 27th of this year. Miss Gifford had been a teacher in the school for eleven years, and during that time, as advisor of the Girl Reserves and as a teacher and friend, she was beloved by everyone.

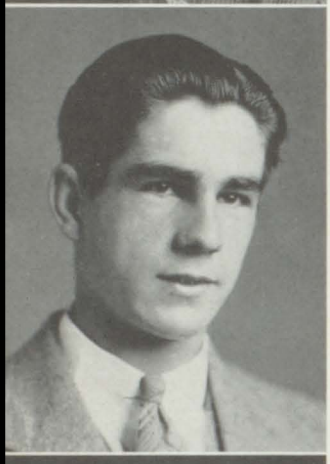
CLASSES

HARRIS SQUIRE—The acme of all actors, he was given the honor of piloting the Ship of State over the troubled waters of the senior year. A scientist by trade and a humorist by inclination, he may be expected to wreak havoc when turned out into the unsuspecting world.

RUTH HUNT—Ruth was chosen vice president of the senior class, which displays her popularity with the seniors. She is a very active member of the Girl Reserve Club, program chairman, member of the Glee Club, and a prominent figure in athletics.



FOWLER NOBLE—*Blizz*—As charmers of the fair sex, the brothers Noble are unsurpassed. Fowler is the idol of many feminine eyes as he performs heroic deeds in football and golf. In the fields or the ball-room he is something to be noticed with awe.

RACHAEL CHURCH—Rachael, or Rach, is our prize pianist. She is a leading member of the Echo Staff and assistant business manager for the Zenith. She is a valuable member of the Girls' Glee, orchestra, Girl Reserves, and Thespian. Her charming manner will always have a place in the hearts of the Class of '36.

MARY KATHERINE FAST—"Kay" is Vice President of Girl Reserves, and also is an excellent song leader for that club. She is a good student, usually making the honor roll. Kay is very good in dramatics, as those who saw her in "Mystery in the Library" will remember. Kay is one of the typists for the Zenith.

ROBERT HODGSON—*Bob*—A perpetual president, he is a leader in most of the student activities. As a trackster he has also made his mark and will long be remembered for his sterling work in managing the basketball team.

NELLIE KULSCAR—Nellie is the champion typist in the school. She is one of the leading girl athletes and is a member of the G.A.A. and Glee Club.

NORVEL HILL—An outstanding athlete. He received the honor of being elected to the All-County football team, and in track he was an excellent pole vaulter. He will be one of the future architects of Chagrin.

DAN MCFARLAND—Handsome Dan, the weaker half of Dan and Ruth. He plays a good game of both football and basketball and is an honor student. His quiet easy-going manner and his good humor have made him a popular figure throughout the school.

RUTH ROOD—As a cheerleader, Ruth encouraged us to root for the orange and black on the field of battle. Ruth was elected service chairman in Girl Reserves because she is dependable and always willing to help. Ruth is a member of Girls' Glee and of G.A.A., too.

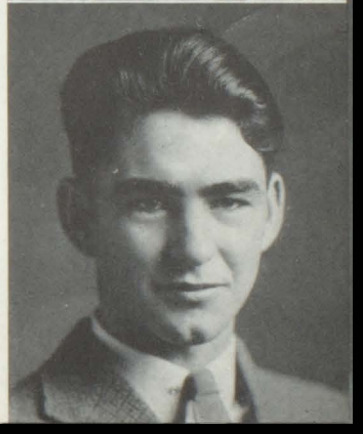
RAYMOND BROWN—*Ray*—Alias more nicknames than anyone else in school. Raymond is our naturalist. A true lover of the great out-doors, his frequent absences from school may be attributed to the call of Mother Nature.

BETTY ETTINGER—Betty is one of the best students in school this year. Besides managing to get excellent grades in all her studies, she is Editor of Echo, and Editor of Calendar for Zenith. Despite these pressing duties, Betty has found time to enter into outside activities such as Girl Reserves, Thespian, G.A.A., Girls' Glee, and dramatics.

LUCRETIA SHIPPEY—Lucretia is our prize cheerleader. As president of the G.A.A., she has been a leader in sports all during her high school career. She has also been active in the Girl Reserves, Glee Club, and class plays. Her grace and dimpled smile have ever been a joy to her fellow students.

CHARLES HUBAY—A musician of professional ability but amateur standing, Charles was elected president of the orchestra. He is however, nothing if not versatile, and plays golf and basketball with equal abandon.

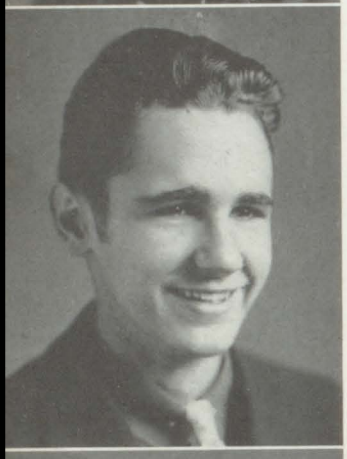
KATHERINE BARR—Kate, our effervescent ingenue, has starred in several plays and operettas. Her popularity with male sex was shown when she was elected the girl most unlikely to become an old maid, by an overwhelming majority.



ELDON NOBLE—*Eldie*—Chagrin Falls' contribution to the girls of America. A sportsman, a scholar, and a gentleman of the old school. Need more be said?

PAUL BOTTOMY—*C.P.*—Often known as Beau Bottomy, he is one person who really gets around. When not engaged in basketball, Hi-Y, or Zenith, he may be found entertaining one of his lady friends, than whom there are none fairer.

ELLENOR RICHARDSON—A loyal classmate with some common sense. For three years she has contributed to the melodies of the Glee Club. Her most active work has been with the Girl Reserve Club, where she served as Ring Chairman, and Council Representative.



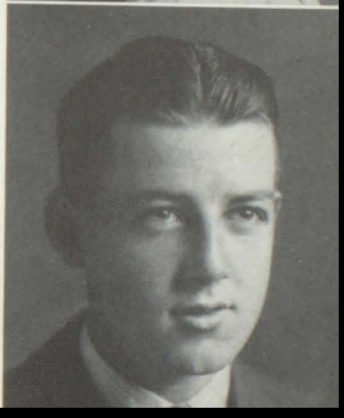
WILLIAM STANTON—"Ace" was the man back of this year's Zenith, and as usual he brought success out of chaos. Of no lesser magnitude were his activities in dramatics and athletics. He is truly a man from whom we can expect much in the future.

NORMA SHEER—Our professional secretary is a member of most committees and is affectionately known as the High Mogul of ways and means. She is a leader of many student activities which gain for her many admirers.

MARGARET BROOKS—Margaret, known to some as "Marge," is the outstanding beauty of this class, her blue eyes and blond hair being the envy of many. Margaret did not participate in many of the extra-curricular activities, but she is a friend to everyone.

DAVID WILMOT—*Caruso*—Often known as the Canary of Cuyahoga County. Our silver plated tenor was chosen president of Boy's Glee. In his roles as leading man in two musical productions, he could always be counted upon to warble a few timely cadenzas.

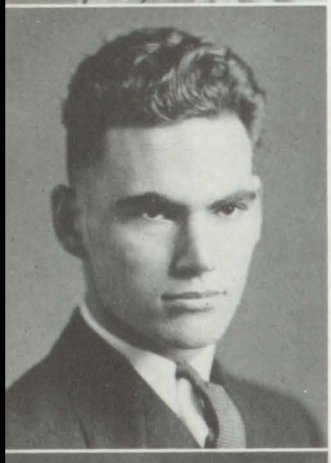
IOLA EDIC—Iola is active in sports, being a member of G.A.A. and a participant in many of the girls' sports at school. She is a member of Girl Reserves and Girls' Glee Club.



NORMAN MCCAA—*Shortie*—Norman's triumphs on the gridiron, golf links, and basketball floor make him the object of much feminine admiration. But Normie, modest chap that he is, refuses to take any credit for himself, "All that I am," he generously states, "I owe to my teachers."

FREDERICK PARMELEE—He loves an argument any time. The rest of his time has been contributed to winning track ribbons, writing for the Echo, singing in the Glee Club, playing in the orchestra, and working with the other members of the Hi-Y Club.

JEAN WALLACE—Jean is a conscientious and a willing worker. She is a valuable member of Girl Reserves, and a star reporter on the Echo Staff.



WILLIAM BENBOW—*Bill*—His strength is as the strength of ten. He stars in track and basketball, and was chosen honorary captain and all-county end on the football team.

MARTHA CUNNINGHAM—Martha is a member of Girls' Glee, Girl Reserves, and Thespian Club. She was most active in dramatics, usually in character roles. As "Annie Malone" in the junior play, and as "Annie Goopy" in the senior play, she will long be remembered.

ELEANOR KYTTA—Always willing to help, she has many friends who will miss her next year. A good and capable worker, still she finds time for many outside activities, particularly in the sporting field, where she is a valuable contestant.

MELVIN HOMEWOOD—A good steady worker if there ever was one. He was responsible for the splendid advertising of the Senior play. An outstanding member of both the Hi-Y Club and the Boys' Glee.

VIVIAN HILL—Full many a flower may blush unseen and waste its sweetness on the desert air, but such is not the case with Viv. Her many friends and admirers will tell you that her smiles and friendly greetings are both appreciated and gratefully accepted.

RONALD SHUTTS—*Baggy*—President of the Golf Club, Ronnie is equally at home with the pigskin, rod, and gun. As the results of his sterling performance in Lelawala he was given the Baker Award for Distinguished Service.

SANFORD BRONDFIELD—*Si*—Slow and steady wins the race and Sanford is confident he will arrive sometime wherever he is going. Meanwhile he gains his laurels on the gridiron.

LUCILLE KUHLMAN—Secretary of the G. R. Club and always willing to cooperate with her fellow students. Her pleasant smile and cheerful appearance go a long way toward brightening up many a dull classroom.

THOMAS MCDERMOTT—*Tom*—A little nonsense now and then is seldom appreciated by the teachers, as many a sadder and wiser man has discovered. In addition to being our class humorist, Tom is captain of the varsity swimming team.

JANE RIDDLE—Happy-go-lucky Jane. She enjoyed participating in school sports. Very active in Girl Scouts at first she later became a Girl Reserve, where she has worked on the Cabinet as Publicity Chairman, and as Treasurer. The past three years she has sung alto in the Glee Club.

LILAN NORMAN—Her energy and good nature have been displayed many times on the athletic field. An active member of the Girl's Athletic Association who will be missed next year.

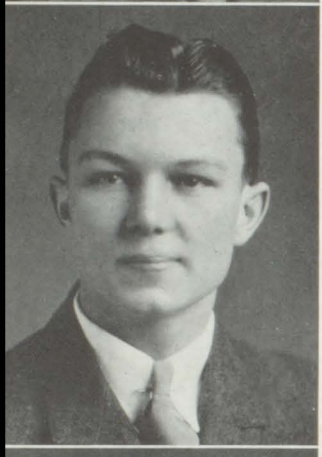
ALFRED JONES—Al is the more serious type represented in the senior class. He is very ingenious in the chemistry laboratory, always willing to experiment with many chemicals. Member of the orchestra for 4 years.

LILLIAN MATTSON—The small blue-eyed blond of "36." Her skill in typing and in athletics will not soon be forgotten. A friendly nature and sunny disposition are her chief assets.

BOB GREEN—*Greeny*—Bob's name is connected chiefly with track, football, and basketball but this is only one of his many sides. Woodworking and stage decorating are his principal means of self-expression.

ROY BLACK—One of our strong, silent men, yet an influential member of the senior class. Both a track star and a scientist, Roy is the official custodian of the school museum.

FRANKLIN STONEMAN—*Frankie*—The possessor of winged heels on the dance-floor, gridiron, or cinder track. As a talented vocalist, he made his first public appearance in the local musical production, which for two straight nights received a tremendous ovation.



CHASE HEENE—*Butch*—As actor, financier, and politician, Chase is constantly doing something or somebody. Dapper and debonnaire, his carefree appearance and jovial manner lend an air of metropolitan glamour to our rural community.

DOUGLAS RUCH—Doug is our professional fixer and handyman. If the stage needs setting or a light needs fixing or the bell won't ring, Doug is the man to do the trick with a little glue and a piece of wire. He could fix unemployment in about 7 weeks, he says, if he had enough rope.

JUNIOR CLASS HISTORY

Class colors—green and white.

Class flower—lily of the valley.

ELEVEN years ago the present junior class started out under the supervision of Miss Pugsley and Mrs. Bailey.

Since then many original members have dropped out, and new pupils have taken their places. When school was resumed this Fall, a few familiar faces were missing, and many new ones greeted us.

The "Class of '37" has done its best to help fill the gap left in the ranks of athletics by the departure of the "Class of '35."

Next year we hope to replace successfully the present seniors. Wish us luck!

SOPHOMORE CLASS HISTORY

Class colors—royal blue and silver.

Class flower—White rose.

Class motto—Aut vincere aut mori.

ON THE tenth rung of our "ladder of education" we pause to view our accomplishments. Last year was our first year of recognition in the high school. At the beginning of that year we elected our class officials who did their best to help and represent us.

At the beginning of this year we elected new class officers, and changed our class colors, motto, and flower.

As a class, perhaps, we are not the best in any line of attainment. We have our share of good athletes and students, and more than our share of real pals. Our class is well represented in the glee clubs, and the many other organizations.

The sophomores are anticipating in the remaining years of high school, the setting of new scholastic levels for future competition.

FRESHMAN CLASS HISTORY

Class colors—blue and silver.

Class flower—white gardenia.

Class motto—Ad astra per aspera.

ON Sept. 9, 1927, the Class of '39 went to the polls. The beginning of the race was easy, but, as it continued, the track became rough. Some were forced to drop back, and others joined on the way. The class had always been large but in 1933 it reached a new high with 85 members.

On the turn from elementary to junior high school the class was initiated to the rules and regulations of the high school building. After successfully passing the turn, the class became Freshman.

The 60 members, under Miss Haynam and Mr. Poole, organized and elected John Benbow, president; Stanley Law, vice president; and Margie Stoneman, secretary and treasurer.

The class was well represented in football, basketball, and track. The standing in scholarship was high and made the race more difficult.

The class delved into Latin, algebra, general science, English, business arithmetic, industrial arts, and home economics. The girls organized a music class under Mrs. Fouts, and six boys joined the Glee Club.

The class owes a debt of gratitude to the teachers whose untiring devotion has put the class where it is.

EIGHTH GRADE HISTORY

THE first six years of the present eighth grade were rather uneventful, being spent in trying to obtain enough knowledge to enter junior high school.

The guiding hand of Miss Gifford, the seventh grade home room teacher, gave us an excellent start towards our high school life. Our first marked advancement was the privilege of attending chapel on Friday mornings.

Upon reaching the eighth grade we felt much more dignified and reserved. Under the guidance of Miss Neff and Mr. Kendall, we progressed very nicely.

On February 27, we were all very much grieved by the news of Miss Gifford's death. The entire school will miss her very much.

We wish to thank the junior high teachers for their patience and kindness in the task of improving our minds. We hope they have not toiled in vain.

SEVENTH GRADE HISTORY

WE started out with the 3 "r's" under Miss Pugsley and Mrs. Maiden.

The seventh grade consists of fifty-one members.

We have always been interested in athletics such as volley ball and basketball, but not until this year did we participate in them. Also several pupils participated in the high school orchestra.

We regret the loss of Miss Gifford, who started us out in the seventh grade. She left pleasant memories with us.

We look forward with eagerness to the years to come at dear old Chagrin High.

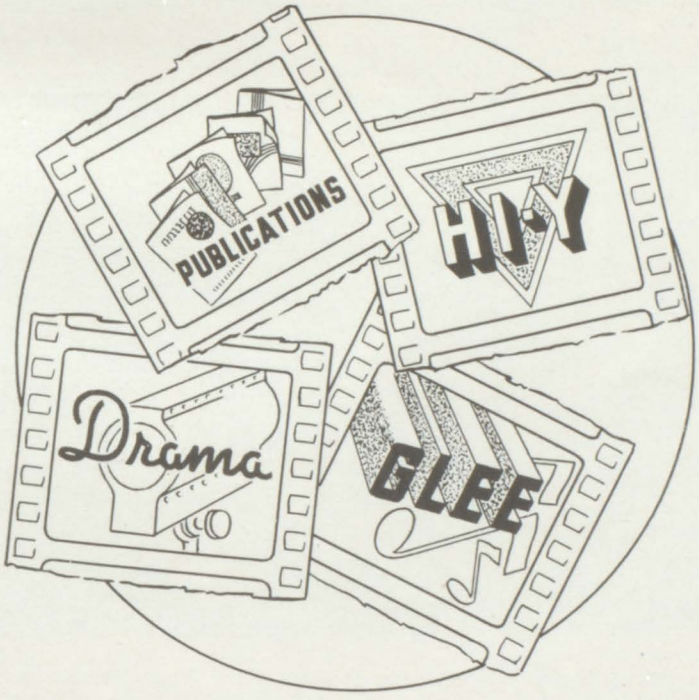
ACTIVITIES



ZENITH STAFF

AT LAST we have arrived at the producers of the book, the inimitable Zenith Staff. At the left we find Rachael and Charles who secure the financial backing. The four girls behind the typewriters are respectively: Kate, Kay, Ruth, and Nellie, who handle the technical end of the book. At the left of the table are Paul, Harris, and Betty who by preparing the photography, humor, and calendar, take care of the lighter side of this production. On the right of the table are Bob, Coach, and Bill—the three powers behind the throne. They comprise the athletic staff, the advisory board, and see that the wheels of progress are kept moving. At the end of the table, lost in pensive thought, is your humble editor. To each and every member of the staff for your tireless efforts, your ready assistance, your helpful advice, and your willing cooperation in making this book what it is and in keeping it from being what it might have been—from your grateful editor—an orchid to you.

Back Row: Barr, Hunt, Fast, Kulscar, Typists. *Third Row:* Church, Assistant Business Manager; Hubay, Business Manager. *Second Row:* Squire, Editor of Humor; Stanton, Editor; Hodgson, Associate Editor. *First Row:* Bottomy, Editor of Photography; Ettinger, Editor of Calendar; Mr. Gurney, Faculty Advisor; Benbow, Editor of Athletics. Fowler Noble, Editor of Art *(absent).*

ECHO STAFF

Back Row: Hubay, Carey, Hileman, Miss Neff. *Third Row:* Trible, Langstaff, Hahn, Short, Fosdik, Duffey. *Second Row:* McRitchie, Flor, Behlen, Wallace, Cathan. *First Row:* Ettinger, Church, Cunningham, Riddle.

MISS NEFF and the Echo staff were very much pleased when at the beginning of the year they met and planned the first edition of the weekly school paper; a regular period had been allotted to them for general discussion, write-ups, and set-ups.

Because we must publish the Echo in the town paper, and because of the poor sportsmanship of some of the students, wise-cracking columns have been cut from the publication.

This year everyone on the staff has cooperated and no one person deserves more credit than the rest unless it be Miss Neff, our faculty advisor.

Two of our number were not in the picture: Frederick Parmelee who was absent, and Perry Davis who joined us later in the year.

GIRLS' GLEE CLUB

Back Row: J. Heene, Niece, Hileman, avis, Mrs. Fouts, Kulscar, Frayn, Noble, Osberg. *Fifth Row:* Robinson, Davidson, Shippey, Brooks, Edic, Barr, Wantz, M. Jones. *Fourth Row:* I. Richardson, A. ON THE first day of school the Girls' Glee Club met in order to elect officers. Those chosen were Rachael Church, president, Kay Fast, secretary and treasurer (first semester) (second semester Martha Cunningham), Jane Behlen and Marjorie Black, librarians.

The Club, according to an annual custom, sang Christmas carols at the Warrensville Sanitarium. The Girls' Glee combined with the Boys' Glee to put on a musical chapel program for the high school. The two Clubs also presented again the operetta, "Lelawala," which was given in Chagrin Falls several years ago.

The Glee Club ended the season by singing at the Commencement exercises.

M. M. C., '36

BOYS' GLEE

THE Boys' Glee Club comprises thirty-one chosen voices. In the past few years it has obtained an enviable reputation in radio and concert work. Although this year it started from scratch, it has now reached the level of the former glee clubs. The club chose as its officers: David Wilmot, president; Paul Bottomy, sec.-treas.; and Fred Parmelee, librarian. They collaborated with the Girls' Glee in producing the operetta "Lelawala."

Nine seniors are graduating: F. Stoneman, B. Stanton, R. Shutts, D. Wilmot, F. Parmelee, C. Hubay, N. Hill, M. Homewood, and P. Bottomy. We wish the Glee Club next year great success.

HI-Y CLUB

THE Hi-Y Club of Chagrin Falls was started in 1922 under the supervision of Reverend Wood.

Mr. Kearney was invited to be the faculty advisor for the school year 1935-36, and he has filled this position very capably.

The new members this year were initiated in the gym and also on an overnight hike.

Shortly after the second semester began, the new members received their pins, which consisted of a triangular pin with the Hi-Y emblem on it, and a chain and guard connected to it.

At the beginning of the second semester, new officers were elected to carry on the duties of the club. The retiring officers were: R. Hodgson, P. Bottomy, D. Wilmot, and C. Hubay. The new officers are: D. Wrentmore, president; E. Hammon, vice president; R. Clark, secretary; H. Marti, treasurer.

The annual Hi-Y Sweetheart Banquet and Dance were very successful.

The Hi-Y Club is looking forward to having another happy and successful year.

THIS is the thirteenth year of existence for the Girl Reserve Club of Chagrin Falls. It was organized in 1922 by Miss Hanna.

The Capsule Sister banquet was the outstanding social event of the year. This and many other interesting meetings constituted the program for the year 1935-36.

This year also brought a great sorrow to us. Miss Florence Gifford, who had been the Club's advisor and friend for eight years, passed away. Her loss has been keenly felt. The memory of her beautiful character and of friendship she has always shown us will guide us in the years to come.

A GROUP of present and former members of the public speaking classes assembled one evening in early October. Their purpose was to organize a Thespian Club. That evening officers were chosen. William Stanton received the honor of being president; Harris Squire, vice president; Rachael Church, treasurer; and Norma Sheer, secretary.

At a later date the members chose three different phases of stage production to study. Make-up, costuming, and stage lighting and designing, the three topics selected, were studied for the remaining part of the year. N. L. S., "36"

ORCHESTRA

UNDER the direction of Mrs. Fouts, the Chagrin Falls High School Orchestra has completed another successful year. Although somewhat smaller than it was last year, it has given performances equal to those presented when its membership was larger.

Rachael Church, Frederick Parmelee, Norvel Hill, Alfred Jones, and Charles Hubay will leave us after several years of faithful participation.

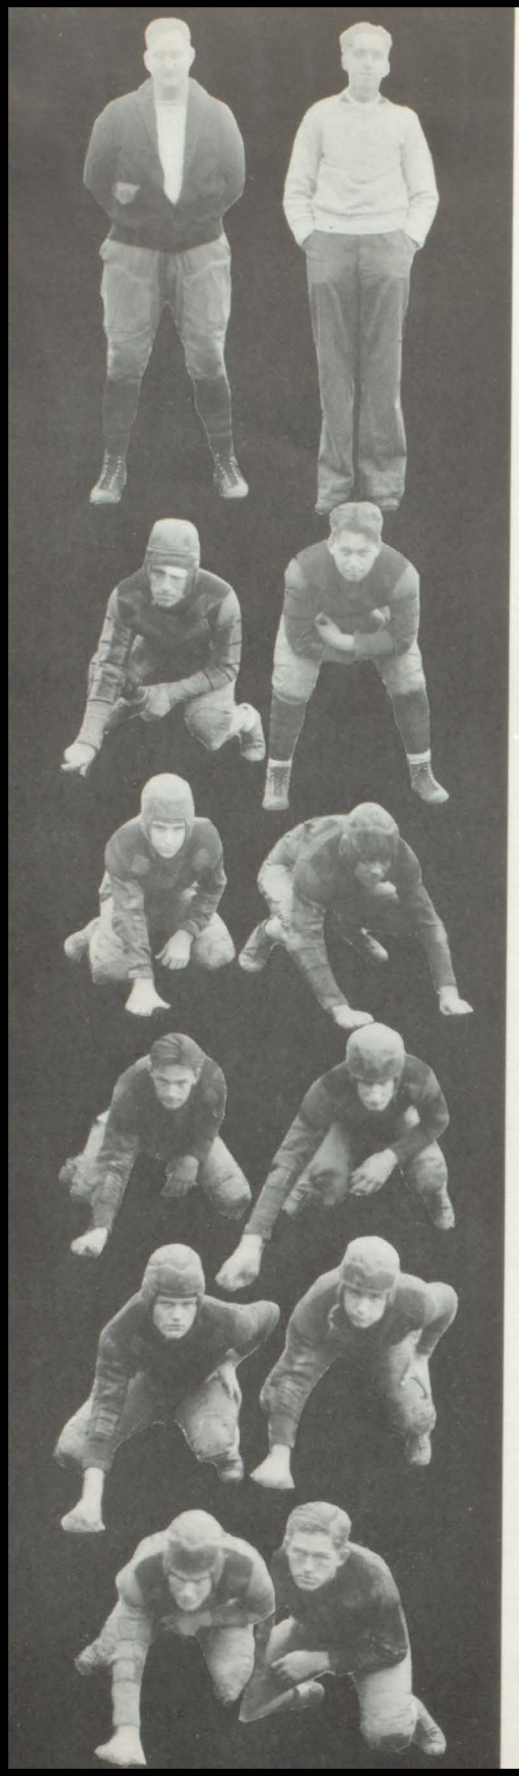
SUBSTITUTES—The underdog—had to take the hard knocks whether on the practice field or in a game—had to be in shape to be called on if one of the varsity players had to be taken out of the game. More power to them next year.



COACH GURNEY—Coach had to deal with an exceptionally light squad but with a lot of hard work he produced a fighting scrappy squad that played hard and fast ball. Much credit goes to coach for his untiring work to develop the team.

CHARLES HUBAY—Efficient Manager. Caring for uniforms, equipment, injured players. Blamed for everything and praised for nothing. Still he fulfilled his duties faithfully.

ANGY PARRACO—Roamer of the opposition's backfield. Looking for a man to tackle and usually finds him. No fooling on his part. Received painful eye injury at close of the season.

SANFORD BRONDFIELD — Lumbering, locomotive of the backfield. Woe to the tackler who hit him. Handicapped by injuries at the end of the season.

RONALD SHUTTS—Fighting, cool-headed catapult of the line. Ball carriers ran into a tough man when they came his way.

JOHNNY BENBOW—Only freshman on the varsity. Bam!—Knifing through the opposition's forward wall like a bullet and smacking that ball carrier for a nice loss.

DAN McFARLAND—Slowed up by an ankle injury at beginning of season. Came back fighting. Sparkling pass receiver. Stopped many an end run by the opposition.

ANDY ELOFF—One of the hardest tacklers of the squad. Biff!—another enemy ball-carrier is downed and wishing he had never carried the ball.

FRANKLIN STONEMAN—One of the smallest members of the varsity. Giant when playing football. Lightning under punts. Look-out for safety man!

DONALD LAMBERT—Swell tackler in smacking through the line and pulling down the ball carrier. Stopped plenty of off tackle plays.

DONALD WRENTMORE — Southpaw slinger of passes. Did a fine job at carrying the ball.

WILLIAM BENBOW—Hard tackler. Good pass receiver. Fight spirit. Reward—elected honorary captain of 1935.

BOB ALLSHOUSE—High slipping. Hard driving. Carrot-topped backfield man. Combined with a fiery spirit. Results—swell ground giver.

FOWLER NOBLE—Dynamic destructive ram of the backfield. Swell blocker. Excellent pass receiver.

WILLIAM STANTON—Lanky flankman of the team. Almost a sure pass receiver. Excellent tackler.

NORMAN McCAA—Wise, shifty little ball-carrier. Smart at calling signals—cool headed—scrappy.

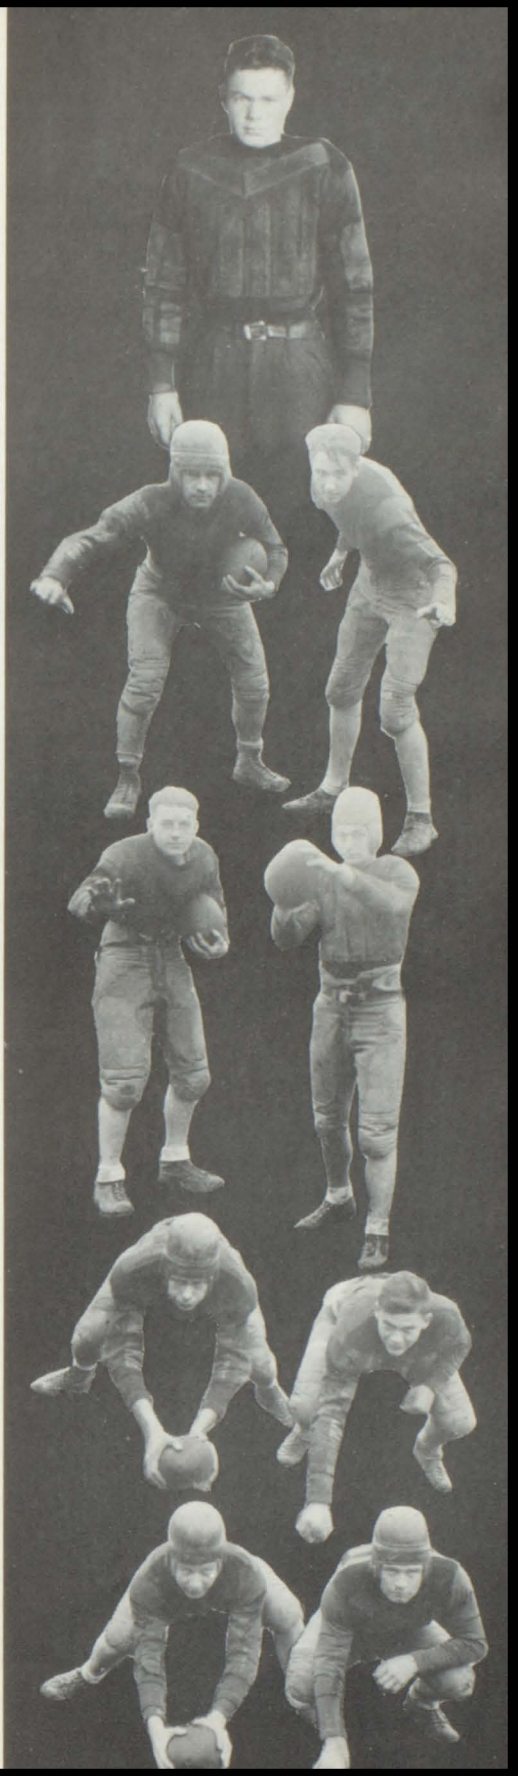
NORVEL HILL—Punter par excellence. Powerful runner through the line and around the ends.

GEORGE ROWE—Fighting. Low-charging. Practically immovable on defense.

EDWARD HAMMON — Low running. Hard hitting back. Gainer of many yards when lugging the old pigskin.

MONTY FISHER — Solid lineman. Swell player at snapping back the ball to the backfield. Handicapped because of nose injury.

MELVIN GIFFORD—Beefiest member on the forward line. Took advantage of it by plugging up the gaps in the line on defense.



Coach Gurney called practice on Tuesday the third of September 1935. A fair sized squad of boys reported for duty, about thirty-five members showing up. Among them were the varsity men of last year: Norvel Hill, Bob Allshouse, George Rowe, Dan McFarland, Fowler Noble, Sanford Brondfield, and Bill Benbow.

COACH GURNEY: — Coach was handicapped when most of his championship players of last season graduated, so he had to build up the squad all over again. The result of his labor was producing a team that tied for second place in the Eastern Cuyahoga County League, which result is something to be proud of.

Manager . . . thankless position capably filled by Bob Hodgson . . . carrying wet towels . . . pumping up balls . . . checking on uniforms . . . keeping time . . . scoring . . . locking up . . . at least one person was glad when the season ended.

NORMAN McCAA: — Sharp-shooter par excellence . . . Sunk them from any angle on the floor . . . Cracked the opposition's defense wide open.

DAN McFARLAND: — Dependable player either on offense or defense . . . Sunk them from many difficult angles.

EDWARD HAMMON:—Had almost uncanny accuracy in snapping the ball in the basket . . . Had a fine fighting spirit.

PAUL BOTTOMY:—Deadly shot . . . Swift as chained lightning on the court . . . A real leader with plenty of snap and courage . . . The results—elected captain of the varsity.

WILLIAM BENBOW:—Fine defensive player . . . Broke up many detrimental offensive drives of the opposition.

Although Coach Gurney had to build up a team in which most of the members of the championship team last year graduated, he produced a squad that finished well above the 500 percentage mark in games won in the county league. Coach and his team well deserve to be proud of this achievement.

THE Girls Athletic Association was founded by a group of girls actively interested in sports. A merit system was set up with points as a medium of measurement; all girls having 300 points or over were eligible for membership. As the size of the club increased, interest increased, so that at the present time there are approximately 22 girls in the club.

Besides these customary sports new ideas in girls' sports are being tried in the club under the direction of Miss Reed. One of the projects is individual sports. These are tumbling, ring tennis, paddle tennis, skating, and bicycling.

This year in the fall, the major sport was hiking; soccer was the minor. Volley ball then was played as a minor until basketball season. Basketball was a major sport and had a large following this year. In the spring baseball and track afforded much pleasure for the girls. Minor sports in the spring were tennis, swimming, horseback riding, and others.

This year we are losing some of our best athletes. Nellie Kulcsar has long been a star in basketball and tumbling. Lucretia Shippey likewise has been a star in basketball and track. Another who has supported championship teams is Norma Sheer. There are many others also who have contributed to the success of the club.

The girls feel that they have derived much benefit from their participation in sports and hope that they may have established a club from whom others may profit.

SENIOR PLAY

"THE MYSTERY IN THE LIBRARY," the play presented by the senior class for its annual dramatic production, took place in the library in the basement of Clarke College, an old ramshackle building, located on a lonely hill, nearly a mile from town. A student was kidnapped and while looking for her the others ran into many baffling obstacles.

The cast interpreted their parts exceptionally well. Not only the cast did well but the several managers, business manager, Norma Sheer, property managers, Ruth Hunt and Lucille Kulhman; electrician, Alfred Jones; and the stage manager, Melvin Homewood; also worked very hard to help this play.

THE CAST

Ellsworth Larson.....Charles Hubay
Claribeth Harris.....Rachael Church
Dick Martin.....Chase Heene
Jay Mason.....David Wilmot
Shorty George.....Frederick Parmelee
Dora Dean.....Katherine Barr
Margaret Allison.....Kay Fast

JUNIOR PLAY

"HUCKLEBERRY FINN," the annual play presented by the Junior Class, was a huge success. The parts were well portrayed and quite lived up to one's imagination of the characters. The cast was as follows:

Huckleberry Finn.....Edw. Hammon
Tom Sawyer.....Dick Clark
Fred Raymond.....Don Wrentmore
John Finn.....George Rowe
Aunt Polly.....Eleanor Mackey
Ruth Watson.....Jane Behlen
Melba.....Mary Cathan
Mary Jane.....Marjorie Black
Clara Woppinger.....Elizabeth Carson
Amy Woppinger.....Jennie Noble

The play really gave a brief summary of the book. It showed some of Huck's pranks, his father's terrible disposition, and some characteristic people of that time. The play ended happily, and the evening of May 8 was fully enjoyed by the many people who saw the play.

Miss Nunvar deserves much appreciation for the time she spent with the cast and for her comments which really made the play a success.

"LELAWALA"

"LELAWALA," a dramatic operetta in three acts, presented by the glee clubs and orchestra under the direction of Mrs. Fouts, proved itself an ideal vehicle for this year's musical talent.

This operetta, given on Thursday and Friday, March 26 and 27, 1936, was written by Charles Wakefield Cadman and produced here nine years ago.

The plot evolved from an Indian legend of Niagara Falls; a maiden was to die in the Thunder Waters to save her tribe from war. The music ranged from deeply moving, highly colorful Indian melodies to the high and lilting English tunes.

"Lelawala" was a well-balanced production and much credit is due to Mr. Baker and Miss Reed as well as Mrs. Fouts for a successful performance.

The cast was as follows:

Wokomis (Great Heart) Widower; Chief of the Oniahgahrahs ..... Ronald Shutts

Klolowar (The Singer) His Son ..... David Wilmot

Lelawala (Falling Waters) His daughter—Maid of Niagara ..... Janet Heene

Marpeetopah (Four Skies) Medicine Man..... Angy Paracco

Chorus: Indian Hunters, Soldiers, Maidens

SENIOR CLASS HISTORY

THE class of 1936, while being talented in all fields, is noted for its cooperative spirit and its ability to make a success of what it starts out to do.

Some of our classmates have won recognition in the field of scholastics; many have been stars in athletics; in the business department we have several distinguished ones to represent us; many of our class are outstanding in drama, while many more ar musically inclined.

As you see, we have many widely diversified interests, but our main interest is to pull together. In football concessions, school dances, junior and senior plays, junior-senior banquet and prom, and finally the class's greatest project, the publication of this Zenith, we have found that we can always depend upon one thing to accomplish some task: that thing is cooperation. It is due to the cooperation of the merchants who advertise in these pages that the publication of this book is made possible. B. E.

Class flowers—Yellow rose.

Class colors—crimson and gold.

Class motto—Faber est quisque suae fortunae.
