NATIONAL

DEFENSE PROGRAM

T O keep in tune with the times, the Zenith Staff has chosen as the theme for the 1941 Zenith the national defense program. Special stress is laid on aeronautical development, not only because it is a great part of that program, but also because its rapid development through the last few years is comparable to the advances made in high school education over the same period of time. This advance may be regarded as a necessity in view of the critical times through which the world is passing.

For us, the graduating class of 1941, not only in Chagrin Falls, but all over the country, special emphasis is placed on this year, for it marks the end of a somewhat sheltered life, and the beginning of a life destined to be full of the trials of a world passing through a period of war and also of the aftermath of that war.

We have been made to feel, and we do feel, that the burden of successfully carrying the nation through these crises rests on the shoulders of the youth of the United States. As you look through this book and view our work and ourselves, we hope that you will share our confidence in believing that youth can shoulder this immense burden.

ZENITH STAFF

PICTURED on this page is the staff that produced the 1941 publication of the Zenith.

Seated at the far left is Tony Rosengreen, a typist. Seated next to Tony and intently studying a calendar is Jeanne Trible, Editor of Calendar. Between Jeanne and Theron Fosdick, Assistant Editor, is Marjorie Burkhardt, a typist. Peering over Margie's shoulder at her typewriter is John Bradley, Editor of Humor. Standing next to John is Bill Sargent, Editor of Photography for the 1941 Zenith. Sitting next to Theron, and apparently in deep thought is Bob Pugsley, Editor-in-Chief. Next to Bob is Robert Lowe, Business Manager, pointing out something to Gladys Stoneman, Assistant Business Manager. Keeping a close watch on the financial affairs of the Zenith over the shoulders of Robert and Gladys is Coach Gurney, Faculty Adviser. Seated by Gladys is Mary Louise Mercer, typist and secretary for the staff. Slyly grinning over the typewriter of Mary Eldridge, the fourth typist, is John Wilmot, Editor of Sports. Absent from the picture is Betty Ann Hissett, Editor of Art.

DEDICATION

THE Class of 1941 of Chagrin Falls High School dedicates this, the thirty-first edition of the Zenith, to Michael J. DePaola, affectionately known as "A. C.", who has been our counsellor, guide, and friend in promoting the athletic program of the school.

THE class of 1942 has progressed very steadily in the past eleven years. It had a marvelous foundation under the able supervision of Miss Pugsley and Mrs. Maiden.

Its members have participated in many activities such as Girl Reserves, Hi-Y, Glee Club, and Orchestra, and have had their share in displaying their talents throughout the past years.

THE class of '43 goes marching on, this year as sophomores instead of freshmen. In the class are active members of the Girl Reserves, Hi-Y, and the boys' and girls' glee clubs, not to mention the sophomore representatives on the athletic teams. Their hope for even greater success through the next two years should be realized judging from the material they have with which to work.

J UST nine years ago a frail little ship with some fifty-odd passengers, some with tickets for a long trip, others with tickets for an extremely short trip, set sail from the little port of the first grade. After seven stops, this ship, sailing through the "Sea of Education", set out for Port Freshman and made it unharmed.

Having left some passengers and picked up others at each port, most of them made the journey intact.

Under the navigation of Mr. Norman Fry and Miss Helen C. Eberst they have come through dangerous water unscathed and are prepared for the rough waters that lie ahead.

I N the year 1933 fifty little boys and girls started school for the first time. Many have left them, but others have come to take their places.

When, in 1939, they were advanced to the role of seventh graders, their life was completely changed. Miss Alice Neff kindly took the seventh graders under her wing and so guided them to the right classes and taught them the ways of junior high pupils.

As eighth graders they have had good luck and are looking forward to the role of freshmen.

SEVENTH GRADE

Back Row: Esry, Brower, Spangler, Stratton, Miss Neff, Ettinger, Drew, Phillips, McFarland. Third Row: Tuttle, Johnson, Enslen, Laughlin, Venchiarutti, Spielhaupter, Lambert, McCabe, Christopher, Rentz, Kelly, Griffith, Lashley, Class, O. Shelton. Second Row: Ditmer, Kampf, Miraglia, Bond, Larkworthy, Moore, Silvernail, Addison, Rood, Smith, MacRitchie. First Row: Jefferson, Duffy, Sindelar, B. Shelton, Stoneman, Sasak, Felger.

LOOKING back upon six short years of work and play, the seventh graders feel they have really accomplished something.

Even though their class is small, they all work together in hardships and in fun.

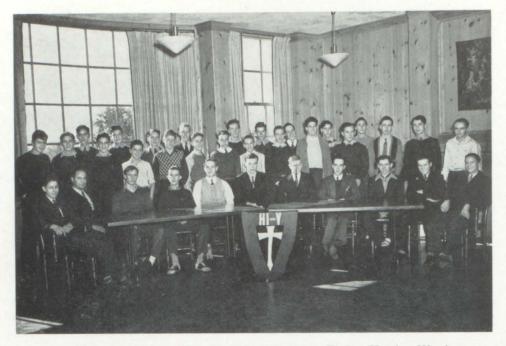

They owe much of this cooperation to their teachers who have been a great inspiration to them.

As they go on in their school years they hope they can maintain, if not better, the standards set by the upper classmen.

ACTIVITIES

Back Row: Mercer, Beattie, Wilson, Peterson, Taylor, Hensley, Woodward, Kraushaar, Rake. Second Row: Martin, White, Smith, Batchelor, Dellner, Kimpel, Nichols, Class, Erneyei, Mitchell, Snider, Kenning, Larkworthy, Ettinger. First Row: Sargent, Mr. DePaola, Edwards, Sheer, Bradley, Pugsley, Rosengreen, Lowe, Schwind, Quinn, Wilmot.

DURING the year 1940-41, the spiritual advisor of the Hi-Y Club was Reverend W. J. Lineback, of the Chagrin Falls Federated Church. The faculty advisor was Mr. Michael De Paola.

This year was more or less a financial success for the club, for it sponsored a "Pie Plant Pete" amateur show October 4.

The annual Hi-Y Banquet and Sweetheart Dance, which was held March 1, proved to be very successful.

The principal aim of the Hi-Y Club is to promote Christian Fellowship in the school and community. With such capable advisors as Mr. De Paola and Reverend Lineback, the Hi-Y Club should be able to accomplish much.

THE Girl Reserve Club this year was composed of fifty-seven active members under the guidance of Miss Wickham and Miss Eberst.

New program ideas were adopted, and many worthwhile meetings were held. Besides the customary banquets, faculty tea, capsule sister week, and end-of-the-year programs, the Girl Reserves heard speakers who talked on subjects in which the girls were interested.

HONOR SOCIETY

Back Row: Selleck, Ettinger, Peterson, McMahon. First Row: Mr. Rice, Eldridge, Lowe, Enslen, Pugsley, Wilson, Carzoo.

T HIS year, while not an overly successful one according to the number of activities undertaken and completed, has been very successful in producing excellent scholars. Proof of this is shown in the fact that two of the members, Eleanor Enslen and Carol Wilson, took second place in a college scholarship test and each received a four-year scholarship offer from that college.

The school year found a record for entrance requirements in the senior class. While nine seniors had grades which entitled them to membership, only four could be admitted according to a rule of the National Honor Society that establishes the membership quota at fifteen per cent of the class's enrollment. The upper four that were chosen all had a straight "A" average. As far as we know from looking through the annals of this high school's Society, this is the first time that an average of 5 has been required for membership.

Second Row: Hissett, Hein, Kulscar, Beattie, Greed, Stoneman, Gepfert, Dawley, Mercer, Eldridge. First Row: Brondfield, Wilson, Russell, Burkhardt, Enslen, Trible.

THE Girls' Glee Club has carried on its splendid work this year under its new instructor, Miss Mary Alice Schaufelberger. So many sophomore girls were taken in that the membership was greatly increased. The operetta, "Once in a Blue Moon", proved to be one of the most successful ever given at Chagrin. Due thanks should be given to all members whose cooperation and everlasting patience made it possible.

THE Boys' Glee Club this year has a new director in Miss M. A. Schaufelberger. After many changes there were twenty-eight boys in the club. This was a large turnout as there were no freshmen admitted this year.

The Glee Club was active this year in singing in the Spring Festival, commencement, and the annual operetta, "Once in a Blue Moon".

S HORTLY after the beginning of school in September, 1940, the Echo Staff went busily to work publishing the weekly school paper which appears in the Chagrin Falls *Exponent*.

Many new writers joined the staff membership this year, and several former members came back.

The Echo Staff, under the capable direction of the faculty adviser, has tried to present to its readers a general idea of school activities. Each writer tried his best to present wholesome and interesting news.

It wishes to thank Mr. W. R. Bailey of the *Exponent* for his fine cooperation and advice during the year.

A. A. BOARD

Mr. Sands, Bradley. Mr. Baker, Sindelar, Mr. Gurney.

I T is the duty of the Athletic Board to take care of the finances of the Athletic teams, to buy and supply our athletes with good equipment, and to award the varsity letter.

The school owes many thanks to the board for its thrifty but generous contributions to the school. One of the outstanding purchases is the electric score board for basketball.

All girls who took an active part in the club received the C.F. emblem, designed especially for the club by a member. The organization has a very successful start which will be carried on by the enthusiasm of the younger girls.

LAST September the band entered its fifth and biggest year of its existence in Chagrin Falls High School. It lent moral support to our football team and created an atmosphere at the local games. Many successful concerts were presented throughout the year and it may be said that the band has truly been an asset to the entire school. May it continue its good work next year and for many years to come.

ORCHESTRA

Back Row: Dellner, Newton, F. Lowe, MacRitchie, R. Enslen, McFarland, G. Lowe, Stem. Front Row: Stoneman, Sasak, Esry, Selleck, Maiden, G. Enslen, Taylor, Erneyei; Pianist: Beattie; Mr. Albert Freeman, Conductor.

THOUGH the orchestra is somewhat smaller than last year, it has carried on its good work under the able leadership of its new director, Mr. Albert Freeman. It backed up the glee clubs for music in the operetta and played in many chapel programs during the year. It has truly played an essential part in our school activities and deserves a great deal of credit.

T HE Balsa Bugs this year passed through their most successful season. The club is composed of about twenty members under the able direction of Mr. Norman Fry.

One of the activities undertaken by the club was the sponsoring of a chapel program, which was very much enjoyed by the rest of the school. Proof that this club is truly a part of school life may be seen in the interest shown for the club.

Third Row: Ass't Coach DePaola, Manlove, Babcock, Harvey, Dellner, Hahn, Beattie, Ettinger, Brooks, Greed, Taylor, Kimpel, Enslen, Nichols, Stanton, Lewis, Sprague, Batchelor, Coach Gurney. THE substitutes, as you know, are the ones who take the majority of the hard knocks; but without their aid Chagrin could never have a football team. Each one of these "subs" is ready to enter the ball game at any time; therefore, they have to keep in trim by practicing just as hard as the rest of the fellows, and taking the hard knocks administered them by the varsity.

CHAGRIN 25-BRUSH 0

The opening game at Brush High was Chagrin's all the way. Every player was in tip top form as can be seen in the score.

HUDSON 35-CHAGRIN 6

Chagrin was overpowered on this hot day. Bob Kuhlman made the lone tally for Chagrin on a sleeper play. Lazelle starred for Hudson.

MENTOR 28-CHAGRIN 0

This was Mentor's day at Chagrin. The powerful backfield and line of Mentor was shown in this one-sided game.

CHAGRIN 13-MAYFIELD 0

Another home game saw Bill Edwards on the march for our only two touchdowns. Sindelar showed excellent punting throughout the game.

CHAGRIN 13-CHARDON 13

This game played at Chardon was the only tie game of the year. "Spike" Rake made the tying score in the third quarter.

WICKLIFFE 14—CHAGRIN 12

Chagrin opened this game with two touchdowns in the opening minutes and failed to score later. Wickliffe started a passing attack and won by two points.

PERRY 14—CHAGRIN 6

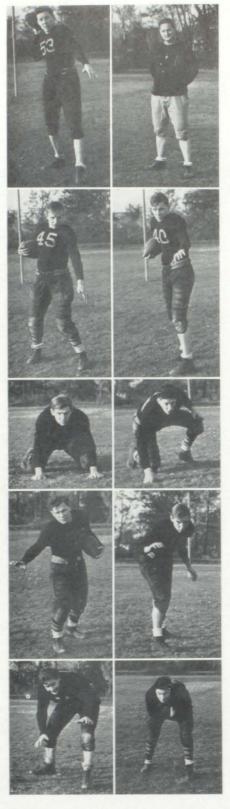

The last away game for Chagrin was taken by Perry, although John Bradley came through and scored his first touchdown on a pass.

CHAGRIN 19—ORANGE 0

Two years in a row Orange has been beaten by Chagrin 19 to 0. Again Edwards and Sindelar showed their abilities, Edwards scored all three touchdowns for the second year in a row.

JOHN WILMOT

George Sindelar-Captain, Quarterback

Passing, kicking, and running are the three factors that made George the triple-threat man. His great kicks will be long remembered not only in Chagrin but at every other school Chagrin played. In future years George will be the example for all.

Coach Gurney

Size twelve was Coach's smallest shoe, therefore, he had the ability to put a kick to his players. When Coach started this year he started his fifteenth year in developing clean characters and true sportsmanship in his players, and he was successful in turning out just that kind of team the past season.

William Edwards-Fullback

Bill—the threat of the backfield. The position of fullback has never been filled in all Chagrin's history as Bill has filled it. This year, like last, Bill made the majority of points. Bill was chosen fullback on the all-Western Reserve League team for the second straight year.

Robert Kuhlman-Halfback

Bob played the position of halfback with the greatest of confidence although he wasn't the heaviest man on the team. This was Bob's second year on the varsity and we will surely miss his spunk next year.

Bob Schwind-Guard

This was Bob's first year on the varsity. He played on the line and was in on every possible play. The team will miss his aggressive spirit next year.

Dick Mitchell-End

Here we have a boy whose positions of end or tackle were well played. Dick was hard to beat. His spirit was unconquerable and will be of great use in '42.

Glen Snider—Halfback

Another junior with a bright future ahead of him. His power may be well seen in his frame. Glen could have been called a small man of the backfield, but his weight disproves this.

Charles Benbow-Guard

Although only a freshman he kept the "Benbow Standard" by earning his freshman letter. With three years to go there is no telling what he'll do.

Bill Martin-Tackle

Bill—the immovable. It was pretty hard to take Bill out and that is why the opposing team found it difficult. His weight will be an asset to next year's team.

Alfred Greene-Guard

Because of his transferring schools this was Al's last chance to participate in football at Chagrin. We are all sorry he will not be here when the class of "42" goes on the field.

Floyd Rake-Quarterback

Spike was the other little man of the backfield. His worth in catching and intercepting passes will surely be remembered when the football season rolls around again.

Roy Warburton-Tackle, Halfback

This was Roy's first year at Chagrin and he proved his worth on the gridiron. He came to us from Shaker High and has another year to go at Chagrin.

John Bradley-End

John's end position will be hard to fill next year. The other teams found that John was one of the immovable men of the line. He is one of few four-year lettermen at Chagrin. He was picked on the all-Western Reserve League's second team.

Bob Pugsley-End

Bob was the utility man on the line. He could play any position when called upon. The position in which he spent most of his time was end. Next year when the opposition starts toward the end Chagrin will miss Bob.

Jim Kraushaar-Tackle

Jim played tackle in this, his first year on the varsity. Jim was a cool player; therefore, an excellent player. Next year we hope to see him go a long way.

Anton Rosengreen-Center

Tony was the blond terror of the line. He did a fine job of snapping the ball back to the backfield. Next year Chagrin will be minus Tony's experienced playing. This was his second year on the varsity.

Assistant Coach DePaola

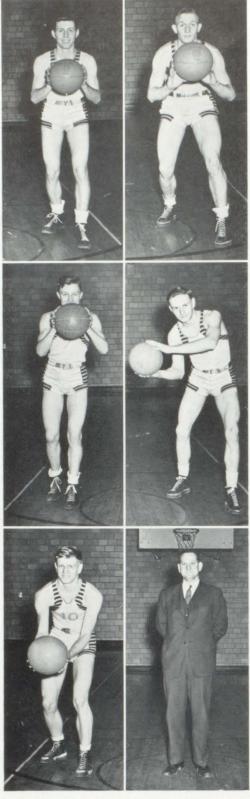

"A. C." with his friendly spirit helped every one in every way. Taping and wrapping ankles, helping with rubdown, working with the boys on the line and the backfield were "A. C.'s" main jobs. Many thanks are due to him for his great work.

Loren White-End

Bud was the fastest man on the team. His position of end was well played. He has the speed and the aggressiveness to help the team a lot next year.

John Wilmot-Manager

Johnny was the first football manager to have two letters to his credit. His willingness to help in every way possible was the greatest thing a manager can have.

LETTERMEN

George Sindelar-Captain-Forward

This was George's second year as captain of the varsity. He led the team through its most successful season in many years. That George was a dead eye was proven when he took top honors for scoring. He was picked at forward on the All-League team and at the sectional finals at Orange.

Bill Edwards-Guard

Bill was the boy with the punch behind the team. He was always there on the floor to stand up for any argument. Bill's jumping ability, as well as his shooting ability, has led to many victories for Chagrin. He also was chosen on the All-League team.

Bob Kuhlman-Forward

This was Bob's second year on the varsity. Although he was not as tall as the rest, his long shots turned many an enemy team toward defeat. It will be hard to find a player like Bob for next year's team.

John Bradley-Center, Guard

Like the rest of the seniors, John has been on the varsity for at least one year. John's height was a great asset to the team this year.

Tony Rosengreen-Forward, Guard

Tony—Coach's standby. The first at practice and the last to leave. Tony could play any position asked and without any trouble. When tournament season came around Tony did not play because of an injury.

Coach T. C. Gurney

This was Coach's most successful basketball season since he came to Chagrin. He truly deserves a great deal of credit for turning out such a fine team and such fine players, not only from the standpoint of playing ability, but also as far as sportsmanship and clean playing are concerned. He is hopefully looking ahead to next year's basketball season and another championship team.

LETTERMEN

Jim Kraushaar-Center

Jim was one of the five regular starters. After we had played a few games, Jim's worth was realized and he was made one of the regulars. We hope to see Jim go places next year.

Dick Mitchell-Guard

Dick played a sparkling game this year. He was always in at the basket blocking the opponents' shots. This happy-go-lucky spirit will be missed at Chagrin when the next team takes the floor.

Roy Warburton-Guard, Forward

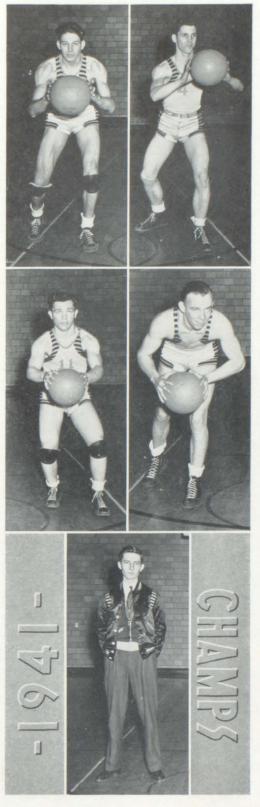

Roy, as you know, is new to us this year, but basketball was the second sport in which he won his letter. Next year when the team trots out, Roy will be one of them.

Glen Snider-Forward

This was Glen's first year on the varsity and it will not be his last. Glen played forward and did a swell job of it. Like the rest, we expect to see him go a long way.

John Kenning-Manager

Although John was only a junior, he received his varsity letter, because he was head manager of the squad. If anything was ever needed John was right there to get it. His work will be continued next year.

BASKETBALL

T HE basketball season of 1940-41 was the most successful ever enjoyed by a team in the school's entire history. In it a record of eighteen wins out of twenty-one starts was compiled. The team marched to the championship of the Western Reserve Athletic League by virtue of eight straight wins over the other four teams in the league. Not only did this team overwhelm all its league opponents, but it defeated a team composed of stars from this league picked by the coaches of the respective teams.

The only three teams to defeat Chagrin were Hudson, champion of Summit County; Willoughby, a class A school in which the locals were handicapped by a small floor, and Clearview, a Lorain County titlist at the district finals at Kent. In the course of the season, Chagrin defeated three members of the fast Eastern Conference: Brush, Bedford, and Orange.

Seventeen of the eighteen victories of the team were won in a row. These seventeen included the eight league games, Solon, Bedford, Brush, Wickliffe, Orange twice, Spencer and Jefferson in the sectional finals, and the All-Stars.

The team this year was led by George Sindelar, who, for the second straight year, captained the team and was high scorer. It was coached by T. C. Gurney, who has been turning out fine athletic teams for fifteen years at Chagrin Falls.

Not only did the team carry the standard of the school into battle but also that of the newly-formed league referred to above. The league surely gained prestige by virtue of Chagrin's showing against outside teams.

CHAGRIN 30—CHESTER 14

The opening game at Chester was a victory for Chagrin. George Sindelar took the scoring honors for Chagrin with twelve points and Bob Kuhlman followed with ten points.

HUDSON 40-CHAGRIN 19

Again Chagrin met defeat at the hands of Hudson. George Sindelar again took top honors, scoring seven points.

WILLOUGHBY 39-CHAGRIN 36

Chagrin, leading all the way until the final minute, lost their game at Willoughby. Jim Kraushaar scored twelve points with Sindelar second with eleven.

CHAGRIN 46-PERRY 15

Chagrin really showed Perry the back door at this game. In the first quarter Perry was held scoreless and at half time they had only two points. Again Jim Kraushaar led the scoring with seventeen points, while George Sindelar scored twelve.

CHAGRIN 28-BRUSH 25

This is the second encounter Brush has had with Chagrin this year that has proved disastrous for Brush. Coming ahead in the third quarter, Chagrin took the lead and never relinquished it. Sindelar took the scoring honors for Chagrin with thirteen points.

CHAGRIN 33-KIRTLAND 27

Again Chagrin came from behind to win their second league victory. As usual, Sindelar's points were tops, he had eleven.

CHAGRIN 30-CHARDON 14

Chagrin really just took a trip when they went to Chardon. In the first half Chardon had only five points. "Curly" Kuhlman took top honors with ten points.

CHAGRIN 40—BEDFORD 33

Chagrin's jinx was broken when they beat Bedford for the first time in three years. Bob Kuhlman, for the second straight game, took top scoring honors with twelve points.

CHAGRIN 32-MENTOR 15

Chagrin took their arch Western Reserve League rivals for a ride when Mentor came to Chagrin. George Sindelar and Jim Kraushaar took the scoring honors with eleven and ten points, respectively.

CHAGRIN 23-SOLON 22

Chagrin's seventh straight victory meant defeat to Solon on Solon's own floor. George Sindelar took top honors again with eight points.

CHAGRIN 37-ORANGE 25

Orange found their large floor no disadvantage to Chagrin this year. Although the score was tied in the first quarter Chagrin kept the lead all the way. Jim Kraushaar astounded the fans with a total of nineteen points.

CHAGRIN 32—WICKLIFFE 27

An overtime and Bill Edwards tumbled Wickliffe. Leading by three points, Wickliffe found Edwards scoring those three points. In the overtime, Bill again came through with the first basket, followed up by baskets by Kuhlman and Sindelar.

CHAGRIN 40-PERRY 26

Although minus four regulars, Chagrin again beat Perry. Glen Snider and Bill Edwards took the honors for Chagrin with twelve and ten points, respectively.

CHAGRIN 43-KIRTLAND 25

Chagrin won their eleventh straight victory when they met Kirtland at Chagrin. Glen Snider and Jim Kraushaar took charge of the scoring honors for Chagrin with twelve and ten points, respectively.

CHAGRIN 42—CHARDON 24

Again Chagrin showed Chardon their heels by taking their twelfth straight victory. George Sindelar took the honors with eleven points. This game clinched the championship for Chagrin.

CHAGRIN 25-ORANGE 24

Orange gave Chagrin a thrill when the final quarter came but they could not forge ahead. George Sindelar again took the honors with twelve points.

CHAGRIN 37-MENTOR 34

Chagrin ended their scheduled season with their fourteenth straight victory and the Western Reserve championship. George Sindelar and Jim Kraushaar scored ten and nine points, respectively.

CHAGRIN 32-ALL-STARS 30

This game was the fastest game of the year. Each team was really after the victory. It was the first All-Star game won by the champions. George Sindelar took the honors with ten points. Sindelar and Edwards, who were picked for the All-Stars, played with Chagrin.

CHAGRIN 39—Spencer 31

The first tournament game played at Orange found Chagrin victorious. George Sindelar and Bob Kuhlman scored with honors, nine and eight points, respectively.

CHAGRIN 42-JEFFERSON 29

Chagrin defeated Jefferson for their seventeenth straight victory and had the privilege to enter the tournament at Kent. Bob Kuhlman and George Sindelar led the scoring with ten and nine points, respectively.

CLEARVIEW 33-CHAGRIN 30

After leading all the way, Chagrin went down in defeat for first time in eighteen starts. The superior height of the Clearview lads was a severe handicap to Chagrin.

T HE nucleus of any good varsity team is the second team or the "B" team. This year they were tied for second place in the Western Reserve League.

Next year Coach will have many fine prospects to pick from for the varsity. Bill Manlove and Floyd Rake paced the team this year with 98 and 81 points, respectively.

U NDER the able coaching of Mr. Michael De Paola, the junior high turned out two fine basketball teams, the seventh-eighth grade and the ninth grade teams.

Coach De Paola was under a severe handicap this year. It was that he had no regular practice period but was obliged to find a time for practice when best he could. Often the team practiced only once or twice a week, and sometimes not at all.

This year he had several boys who will be assets to the varsity squad in years to come.

TRACK

WHEN Mr. DePaola called for a track squad, he really received it. About twenty-five boys reported to practice. The first meet of year was at the Arena; the second with Brush, at Brush; the third was a triangular meet with Orange and Mayfield. Other than this Chagrin had a meet with Mayfield, the Western Reserve League Meet, and, of course, the district and state finals.

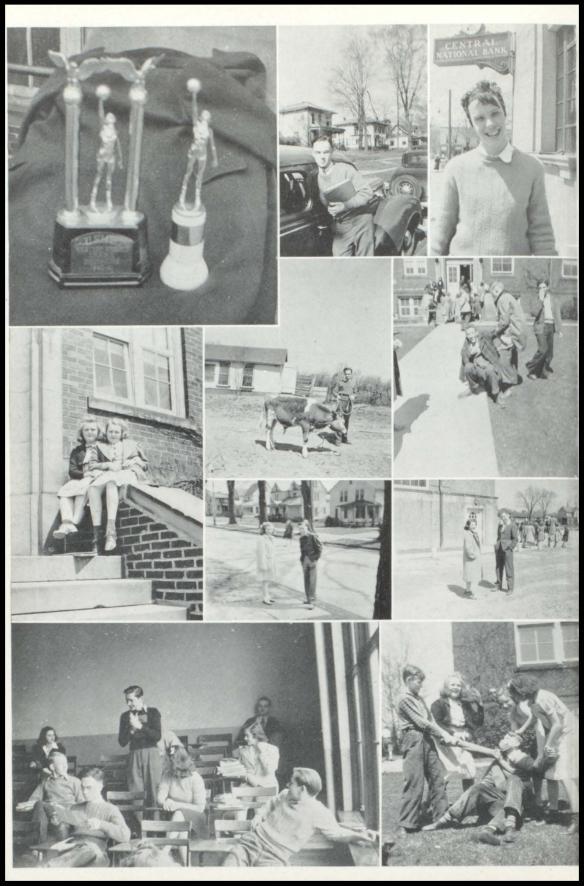

BASEBALL

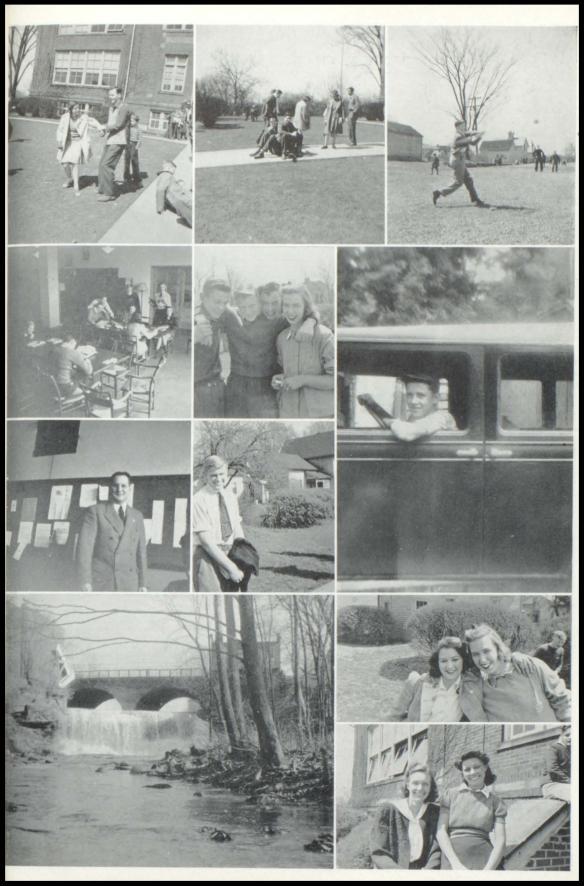

THIS year's baseball team at Chagrin has seemed to be an improvement over the preceding teams. When the first practice was held about thirty boys reported. The schools we played this year are as follows: Mentor, Kirtland, Chardon, Perry, and Mayfield.

Because there are only four seniors on the squad next year's team should be an experienced one.

SENIOR CLASS HISTORY

W HEN the Class of 1941 chose as its motto, "Carpe diem", it meant to do just that, and has done it, in athletics, scholarship, music, dramatics, and in school organizations. In athletics, the class has helped win two championships in the last two years; in scholastic achievement, two seniors have won college scholarships and a new school record has been set in the Honor Society; in music, the Seniors have helped present four successful operettas and have participated in the band and orchestra. The Junior play, "Guess Again", and the Senior play, "The Eyes of Tlaloc", have given ample proof of the class's dramatic ability. In the various school clubs and organizations, the members of the Class of '41 have been leaders.

The success enjoyed by the class is due in a large part to the wise counsel and instruction of the faculty, to whom a grateful vote of thanks is tendered.

"THE EYES OF TLALOC"

THIS year's play was a mystery thriller set in the weird surroundings of John Wayne's ranch house in southern Arizona. Amanda and Ezra Simpkins, furtive old caretakers of the place, admit one after another of a strange group of people who are to partake of the thrilling drama in this mysterious house.

The plot centers about the ancient Aztec idol, Tlaloc, and the treasure supposedly guarded by him.

The atmosphere of mystery is furthered by the presence of Nawa, a superstitious Indian who still clings to the beliefs of his ancient ancestors. Comic relief is furnished by Virginia Lee Byrd and Pat Gillis, friends of Nancy Howe, the young niece of Mr. Wayne. Pudge Rogers, a sagebrush taxi driver, also furnishes a great many laughs for the audience.

The professor, an impostor, proves to be the villain of the play. His identity is finally disclosed through the aid of Pepita, his unsuspecting wife, and her brother, Salvador del Santos. The hero is Tommy Tinker, the real professor, who poses as a prize fighter. The play ends happily with the return of John Wayne, the discovery of the treasure, and the engagement of Tommy and Nancy.

OPERETTA

"ONCE IN A BLUE MOON"

A FTER an absence of four years at college, Bob Harrington is expected to return to the home of his foster aunt, Mrs. Mary Montgomery, whose daughter Sylvia was his boyhood sweetheart. Having fallen in love with another girl at college, he sends his chum, George Taylor, who closely resembles him, to substitute for him at the week-end party. George has always been anxious to meet Sylvia, whose picture greatly attracts him. He arrives amid preparations for a Spanish fiesta and finds Sylvia more charming than her photograph.

Unexpected guests in the persons of Sir Percival Chetwood and M. Rene Le Mon arrive and are welcomed as distinguished noblemen by Mrs. Montgomery, and invited to remain for the festivities. That night, while the guests are dancing, a robbery takes place and suspicion is turned on George, who is forced to disclose his identity. Things look dark for him until the real Bob, announcing his marriage, leaves George free to finish the story in the approved fashion.

"Y OUNG APRIL" deals with the amusing experiences of the McIntyre family, which includes two typical victims of later adolescence.

Terry, the daughter, has a great deal of trouble selecting the right man from her many beaux and does so only after she almost marries the "wrong man".

The older brother, George, is in love with a dream when he suddenly discovers his dream is human. His disillusionment is great, but he finally discovers that he loves her as she is. In the end we see George growing up and adjusting himself to some of the realities of life.

Throughout the play, the parents' reactions are those to be expected.

A DAY AT THE RACES

W HEN the class of 1941 graduated, they decided to reserve a block of grandstand seats and hold a get-together for the first National Rocket Races to be held at Chagrin Falls Airport. So in the year 1965 we find them occupying their seats and wildly cheering the American entries striving to defeat the so far unbeaten forces of Adenoid Hinkle and Benzino Napaloni.

The center of attraction for the Chagrin fans as far as the races are concerned is Marge Burkhardt, who is the promoter of this stupendous international attraction. She is always closely followed by her ace business manager, Robert E. Lowe, who is never too busy with figures to notice a new one, even if it does belong to Gahl Gepfert, who is now co-starring with Mickey Rooney in Hollywood's newest and biggest sensation, "Here Comes the Wind".

Next alumnus to be recognized is A. Oscar Rosengreen, who fills an indispensable position as chief program salesman for the races. He is accompanied by his business associate, Janet Greed, cigarette girl.

Another early arrival is Bill Sargent, head photographer for the 1965 Zenith, which is edited this year by John Gilbert Bradley, Jr. Bill's first interest, of course, is the rocket races. He has been successful enough in his chosen occupation to engage a private secretary, which position is capably filled by Dorothy Russell.

Next to appear are those inseparable pals, Bill Edwards and Roger Sheer, who are now inseparable by necessity as Roger is the victim of kleptomania, which, incidentally, has always been suspected by those who knew him well. Bill has recently been elected chief of police of Chagrin Falls and decided he had better handle this job himself rather than let one of his assistants tackle it. Besides, he wanted to see the races.

John Wilmot, who is still chasing fire trucks and ambulances, just reported another accident, with an earnest supplication for a doctor, which position is ably taken care of by Dr. E. J. Enslen. The accident occurred when "Barney Oldfield" Hissett ran down Irene Ball Dawley, whose flat feet still handicap her running. Barney pleads her innocence with the support of her shrewd lawyer, John Bradley, who always accompanies her in case of such mishap.

Betty Yunkes and Carol Wilson, of high intellectual capacity, are now teaching physical education and French, respectively, at Central High School in Chagrin Falls.

Katie Batchelor, famous literary critic, is just back from Broadway after reviewing playwright Sylvia Brondfield's newest play, "The Man Who Went Out For Lunch". Tom Stanton gave up an agricultural career to play the part of "Jeeter Lester" in "Tobacco Road", which is now enjoying its thirty-second successful year.

George and Nadine Sindelar were barely able to to take a few hours off from George's duties as chairman of "Blossom Time in the Valley" to attend the rocket races with the purpose in mind of obtaining publicity for the festival.

Jeanne Trible and Gladys Stoneman, home economists, have invented a new candy called "The Famous Fudge of Babe and Pudge". They are building up good will by passing out free samples of their famous product.

Mary Lou Mercer, looking like a page from "Vogue", has taken a day off from her activities as a model for Drene Shampoo. She is attended by her two professional hair stylists, Lila Helberg and Margaret Kulscar.

Robert Schwind, who is now a successful architect, combines business and pleasure in viewing his handiwork of completely designing this new airport even to the grandstand in which most of the class of '41 is now seated.

Another member who is still affiliated with the school system is Dorothy Heberlein, who is president of the P.T.A.

One of our successful business men is Robert Kuhlman, who is now retired and devoting his time to building up a medical fund for the athletes of the Western Reserve Athletic League.

Still another member of the higher intellectual circle is Ethel Wilson, who is now operating a secretarial school.

Mary Eldridge has made her fortune by following her hobby of dancing. She recently announced her retirement and revealed plans of settling down in her forty-room bungalow on Washington Avenue, near what used to be Auburn Corners.

Possibly the most successful or at least the best known of anyone present is Miriam Benbow, who has finally ousted Frances Perkins from her position as Secretary of Labor and who is now promoting peace between employers and employees.

Gerry Hein and Beth Ditto are running the "Lonely Hearts' Escort Bureau". Their two best escorts, affectionately called "Fatty" Fosdick and "Pugnose" Pugsley, are last to arrive because they missed the last fast freight from California.

One we almost forgot is Art Quinn, our singing grease monkey. He is a mechanic on one of the best rocket ships entered in the race.

Now that all the Seniors are here and accounted for, we will not distract your attention from the races any further. We rest assured that the class has enjoyed itself today and is looking forward to next year's rocket race at Solon Airport, for which they also purchased a block of tickets.

SENIOR CLASS WILL

O N this day, the twenty-eighth of May, in the year of our Lord nineteen hundred forty-one, we, the Senior Class, having arrived at the peak of perfection, do proclaim this to be our last will and testament.

ARTICLE I. To the juniors we do will and bequeath our long-tobe-remembered artistic ability in hopes that they will use it to best advantage in designing more effective posters in 1942.

ARTICLE II. To the sophomores we do will and bequeath our air of sophistication, for we no longer feel the need of it.

ARTICLE III. To the flighty freshmen we do will and bequeath the stability of mind necessary to carry them successfully through three more hard years at C. F. H. S.

A GIFT SUPREME

Had I a golden coin to spend, I'd purchase something from a

friend,

An article of joy and mirth,

Sent down from heaven to this earth.

I'd cherish it as days go by, And shout its glory to the sky, Of all the things sent from above, The only thing I'd want is love.

M.E.

If I were janitor in our school,

I'd never keep it quite so cool.

You can't study if you freeze,

And if someone moves, Gee, what a breeze.

C. B.

I often wished that I could lie,

Along that line where earth meets sky,

And watch the clouds as they roll by,

And ask them where they go and why.

C.*B*.

* * *

A bomb was what she had found, It's identity did her astound.

But she found out too late.

Ah-sad was her fate!

Now she lies under six feet of ground.

S. B.

* * *

I have pinched both cheeks and pennies,

I have lived and laughed and learned.

Do not weep or grieve too sadly For the soul where genius burned.

R. *P*., *et al*.

Once I was a drummer gay,

There wasn't a tune I couldn't play.

But now I lie in this ghostlike lull, Beatin' it out on my neighbor's skull.

M.E.

I used to cut a lot of rugs,

I was one of those jitterbugs.

But now I'm cutting smaller rugs, With all the little worms and bugs.

D.H.

* * *

Here lies the body of Janet, the driver,

She couldn't sing and she wasn't a jiver.

From her death we heed this motto:

"Think before you back into an auto."

G. S.

* * *

Some people thought me just a bore

Because o'er this world I loved to soar.

But now I'm flying in close quarters

For I'm within my'casket's borders.

M.B.

* * *

Once I was an artist supreme,

To draw beautiful sketches was my dream.

With no paper at my beck and call, I'm drawing pictures on the casket wall.

B. A. H.

My life was nothing but a riddle, My great ambition was to fiddle. So now I spend my time below Fiddling away—without a beau.

Congratulations to the Class of 1941

May your efforts in your work and future study yield you every success. Apply yourselves well, because, as never before the world demands your best.

Systems and methods and superficial things of life are always changing and in a state of flux, but basic principles are more solid than mountains.

In merchandising it has become more and more necessary to be both up to date and efficient, but there has never been a lasting substitute for principle.
