

The
Senior Class of
Chagrin Falls High School
Presents the
1945
ZENITH

SUPERINTENDENT'S FOREWORD

WE CAN look to the future with confidence. The nation is sound at heart. Irrespective of where you were born, you and I and all good citizens of these United States are Americans above all else. Race, class or sectional consciousness does not belong in a real American's heart.—Thomas A. Edison.

Public education in the United States has reached a milestone—its 300th birthday! The first free public school in America—and perhaps in the whole world—was established by vote of the town of Dedham, Massachusetts, January 1, 1644.

In the United States, there are nearly 25,000,000 pupils, 1,000,000 teachers, and buildings and equipment of untold value. America's love of democracy, her economic progress, and her literacy stem from her free public schools.

In the immediate post-war era free public education may look forward to such innovations as: an International Office of Education, Federal aid to education in the states, extension of adult education, and a compulsory military training program for all youth. If not this latter, then, a vocational technical training to round out the education of youth and to help them bridge the gap between high school and college, or between the vocational school and work.

May I congratulate the Zenith staff of 1945 on the fine work done in editing this yearbook, and, on behalf of the Board of Education and the school administration, I extend greetings of the Chagrin Falls Schools to all readers of this volume.

SENIORS

Seniors

ELTON ROOT

President

Ruddy-faced Root was well liked by all, particularly the girls, with whom he carried on a lively flirtation. His huge collection of records and Varga girls made Root's the scene for many a party.

DON BRITTON

Vice-President

Don was a charm boy, whether or not he knew it. His friendly smile, smooth dancing, assortment of cars, and bright remarks in English class made him a favorite with all.

JEAN ENSIGN

Secretary

Blond, fun loving Jean was generally to be found in the middle of all class doings. Her sharp clothes and band-box appearance were envied by all who knew her.

Seniors

PATRICIA CRAIN

Editor

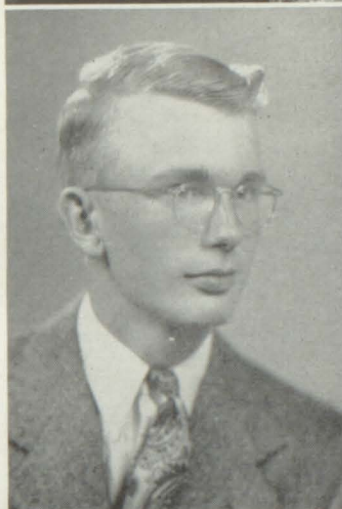

Pat was the most outstanding student in the class. Besides editing the ZENITH, Pat was an all-around scholar and linguist. With her characteristic determination, she is headed for a career in politics.

DONALD PETERSON

Assistant-Editor

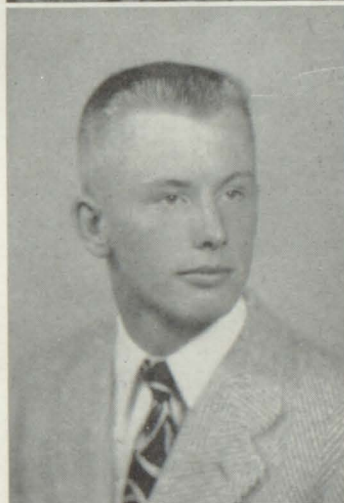

Long ears and glasses characterized "Pete" who was notorious for his "anything-for-a-laugh-or-a-buck" humor. During football season he was star water carrier for the team.

HUGH VAN BEATTIE

Treasurer

This muscle bound, but far from silent cutup of the Senior class was well known for his "sharp" clothes and barbering ability. During his Senior year he captained the football team.

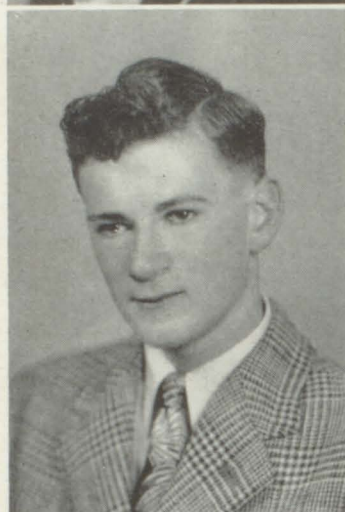

Seniors

GRETCHEN BEATTIE

A wonder at the piano, accordion, and a whiz as a character actress, "Peg" was also known for her artistic and scholastic abilities. She was one of the most friendly girls in the class.

RICHARD CARLETON

Dick's quiet humor and great love of nature drew him to the outdoors. With a cheerful grin and a marked talent for writing and illustrating, Dick has a promising career ahead.

JEAN CROTTY

Auburn-haired Jeanie can usually be found talking about her brother Bob and his exploits. Her car is a sure way to any game. As her friends in both Russell and Chagrin can tell you, she's a peppy gal.

Seniors

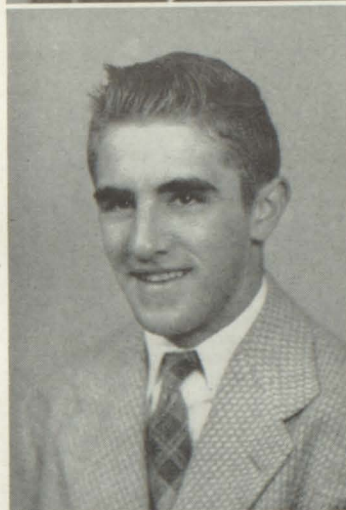

VIRGINIA BRIGGS

"Gini" was our "personality girl" who usually had a grin for everyone. Her amazing tricks with the pencil to create illustrations will send her a long way on the road to a career.

ROBERT CROWEL

Besides excelling in football and basketball, Bob was a hard worker in school and won many friends with his dry humor and outspoken comments in class.

SHIRLEY BOWE

An avid mystery fan, Shirley can usually be found engrossed in her school books. Her ambition is to be a really "super" librarian, and we all know she'll make the grade.

Seniors

CLEO FELLERS

Cleo's choice parts in both the Junior and Senior plays have proved her to be an able actress. Her small proportions and cute features have made her a popular date for many affairs.

FORREST FELGER

"Bud," who left this January for the Merchant Marine, will long be remembered for his hard working presence effective in winning many games for us on the football field.

BETTY FARRAR

"Tiny" is a title that aptly fits this little bundle of charm. Betty's petite stature has made her a favorite with the males, one in particular. She has served faithfully with Girl Reserves and is a friend to be relied on, whatever the job.

Seniors

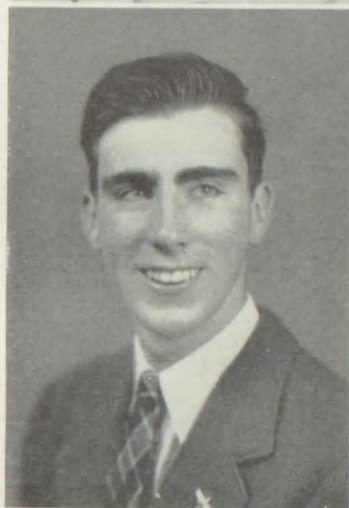

ALICE KACHELE

Well-known for her love of roller skating and ability to date a variety of out-of-town boys, "Gubie" also has a string of sarcastic remarks to fit the occasion. She did outstanding work in the Senior play.

JERALD FINCH

Jerry, our tall Southerner, was never completely won over to the North, thus providing fuel for the class's greatest wit. Jerry ranked foremost among the class brains and his good looks made him popular with students and teachers alike.

HELEN HEIN

Quiet, a good student, willing helper in all affairs, and a loyal friend, Helen can usually be found with her pal "Louie." Helen deserves a special place in our class for her ability to keep her own affairs to herself.

Seniors

ANN KASERMAN

"Proxy," our one and only strawberry blond, is famous for her string of admirers. Her array of clothes and frequent blushes have made her one of the most charming girls in the class.

LYNDALL GRESHAM

Being sole owner of the "Gresham Sound System" made "Porky" a familiar figure at the school dances. This rotund figure with personality to match was the class's super salesman. Lyn would sell you the shirt off your back.

ROBERTA LANDER

"Bobbie" Whiz—who's the last one in homeroom every morning? That's right, it's Bobbie. She's famous for her wallet full of pictures of—well, you guess what. Cute and bright, she brags she hasn't missed a school game all year. Nice going for a swell kid.

Seniors

MARTHA KAGY

"Marty," the horsewoman of '45! Whether it's animals, artistic trends, or a certain soldier, she takes the cake. Her good looks, sparkling humor, and smooth clothes have made her one of the best liked girls in the class.

DON LUMME

Don's main achievements were in the athletic field. He shone in both football and basketball. He could frequently be seen "flying low" around town in his "merry Oldsmobile."

MARY LEWIS

Tiny and cute, Mary took an active part in the Senior play and other school activities. She is also famous for her nifty hand-knit sweaters and thriving correspondence with her South American pen pal, Julio.

Seniors

FRED LOWE

Fred's sharp clothes and all around friendliness won him many a pal, particularly among the underclasswomen. Fred was a mainstay on both the football and basketball teams.

ANN MAIDEN

This neat, well-dressed girl and her group of friends always seemed to have quite a little fun. She's always gay and cheerful, and she went all-out for the student activities, especially dramatics.

ARTHUR MARRIOTT

"Zeke's" curly golden locks were the envy of the females. His sly humor and flashy ties, behind-the-scenes jobs, as well as his sixteen cylinder Buick, identified him as one of the most light-hearted fellows in the Senior class.

Seniors

FRED MARTELL

The only Vermont mountaineer in the class, Fred's perpetual ear-to-ear grin, subtle remarks, and athletic prowess made him a swell pal to the entire class.

EDITH MCBRIDE

The original giggle-girl, that's our pal "Edie." Jolly and good natured, she has a host of friends among the students because of her willingness to lend a helping hand.

RALPH MILLER

Ralph was the incurable "bane to a teacher's sanity." His ever ready, though slightly corny humor, butch trim, and jitterbugging made him a welcome figure at all of our gatherings.

Seniors

NANCY REECE

"Reecy," well-known for her bangs, boogie-woogie, poetry, and snappy wit, can be seen rushing in just in time to beat the tardy bell every morning. Her extra-special's names seem to begin with "A's," which suits Nan because she's A number 1.

MILTON NEWTON

"Mut," with his unquenchable humor and pep, was a friend to all. His dark, wavy hair and good features made him one of the best looking boys in the class. As humor editor of the ZENITH he contributed much to our yearbook.

PHYLLIS RICHARDSON

Our devil-may-care "Phil" full of playful sarcasm, loves skating, dancing and boys. All all-around swell kid is Phil who can most always be found with her pal Alice.

Seniors

WANDA REED

"Pinky" has delighted the student body and faculty with her beautiful voice and her acting ability. Wanda's charming vagueness has gotten her into more mix-ups than would fill the book. She's certain to find a place for herself in the world.

BOB SCHROCK

Fair-haired Bob has a perennial cud of gum and an ever ready grin. With his blue eyes and smooth line he charmed many of the females of the class. An athletic star from Aurora, Bob took his place on all of Chagrin's teams.

MAE LOUISE ROEDER

"Louie's" gorgeous blond hair and corny jokes made her a familiar figure to the school. Brains and boogie-woogie mixed together in the correct amounts gave her a really neat personality.

Seniors

BEATRICE SINDELAR

Small, blond "Bea" was one of our peppiest cheerleaders. Although she spent as much time in Russell as in Chagrin, she was well liked by all of her many acquaintances.

FREDERICK STEM

Fred was the never-absent-a-day boy. He may be picked out easily, being the only other boy in the Spanish class besides Root. His faithful drumming made him a stand-by for the school band.

NANCY TAYLOR

Tall, blond, "Tinky's" heart belongs to a special sailor. Her bright remarks and good grades made her a favorite with students and faculty alike. Another boogie fan, Nan does a swell job of pounding it out for herself.

Seniors

DORIS WHITLAM

Although her name starts with "W," Doris never lets it bother her, for she is always in the middle of things. Under her calm exterior, Doris has a bit of the Devil in her. When you see her impish grin, you'll know some trick is brewing.

BETTY TUTTLE

"B.T." was definitely one of the most attractive girls in our class. She's a whiz at almost everything she tries as her numerous friends can tell you. Her ability to lead cheers will long be remembered at C. F. H. S.

HISTORY

SOMEONE smiles and says, "This is the end." And someone else says, "Yes," very quietly. And that is all. When the Class of '45 paused in retrospect, viewing with just pride the accomplishments prophesied in its motto, "Fatum nostrum complere contendamus," we realized that indeed, we had made good our vow.

In scholarship, music, athletics, dramatics, and school organizations we have been the best of leaders. We take great credit for championship teams in football and basketball. We have helped to produce three operettas, two plays, and several concerts. All clubs this year were headed by seniors who more than did a fine job.

To the many seniors of the class who left for the armed services before graduation, the class gives more than just a simple vote of thanks and a hearty "Good Luck!" Again, our motto has been proved by the worth of the class.

The last word remains yet to be written as we look forward into a dim and exciting future in a world of war and peace. To C. F. H. S. we owe a debt of gratitude for the guidance we received in helping us to prepare for our lives' goals. School has been wit and gaiety in the classroom, heart-stirring battles on the athletic fields, talent on the stage, and good times at the social events. That is the well-rounded career of twelve years profitably spent.

PROPHECY

"THE GANG'S ALL HERE"

ON May 29, 1955, we find the class gathering around the juke-box in Root's General Drug Store and Emporium. Proprietor "Percy" has set aside his prescriptions to enter the meeting. First of those to enter is Dick "Daniel Boone" Carleton, who, because of his outdoor skills, has been chosen to guide Radio Millionaire F. F. Felger's African Expedition.

Bob Crowel next drops in for his usual five decker, onion, garlic, peanut butter, and pig's feet sandwich in preparation for playing second base with the Cleveland Indians. He has a tough time explaining his order to Bobbie Lander, who is working behind the counter. Next comes Lyndall Gresham, the super-traveling salesman, who has finally married the famous actress, Cleo Fellers, currently starring in "Corn silk Alley," the juvenile version of "Tobacco Road."

Ralph Miller, the original inventor of pipeless plumbing, now enters to fix the soda fountain.

Barreling down the street comes "Zeke" Marriott in the latest model of his Buick 16 jet-propelled car, with Betty Farrar along for a joyride. Betty's the inside welder on the car's one gallon gas tank. Shirley Bowe, head librarian at the Cleveland Library, drops in with an armful of overdue books. Newton and Finch, currently starring in their new vaudeville act of "Mutt and Jeff," come tripping into the store to greet the old gang. The Dons, Britton and Lumme, drop in but immediately inform us that their stay can't be long because their public is waiting to see their anniversary game in Madison Square Garden. This makes eight years of pro basketball for both of them. In town on a concert tour is the leading lyric soprano of the Metropolitan Opera, Wanda Reed. With her is Ann Kaserman, the most beautiful publicity agent in captivity. Annie also manages the dancing team, Taylor and Tuttle. They are known as "Two on a Horse."

Fred Martell has made a quick trip from Vermont, where he is supporting his family of seven by giving skiing lessons. Pat Crain, the present Ambassador to France, delights the natives no end by saying something like "Je parle français" in doubletalk. The successful airline stewardess, Mary Lewis, recently nursed Eleanor through her first attack of homesickness.

Fred Stem, now drummer with Tommy Dorsey's orchestra, and Edie McBride both order double-malts. Edie makes one-half a million dollars yearly by selling her famous laugh to the television networks. Nancy Reece has brought her 12 children—Alvin through Lois—and is buying a gallon of ice cream. Ann Maiden, now head buyer of kitchen ware at Higbee's Store, drops in with a load of goods.

On hand with a display of their product are "Louie" Roeder and Helen Hein, co-inventors of the "Little Jiffy" bottle opener. Back on a vacation from managing a 2000 acre farm in Montana, Peg Beattie steps in for a "coke." Having raised the family quota, Fred Lowe is now the proud father of triplets. Alice Kachele and Phyllis Richardson, proprietors of a combination bowling alley and a beauty parlor, drop in for a short talk.

Martha Kagy, who insisted on riding her horse right into the store, is now well established running the Pay-as-You-Learn Riding Academy. She wears out more horses than her customers do. An order for a banana split comes from Virginia Briggs, who is happily running a love-lorn service column. She knows better than to follow her own advice. After graduating from Chagrin Falls, Bob Schrock packed his bag and moved to Aurora as his mother had so often told him.

Having given up trying to keep pace with her pal Pat Crain, Doris Whitlam has returned to establish the first thirteenth grade in history, the school of hard knocks.

Whiz! and here comes Jean Crotty, in her fast maneuvering helicopter. With her is the famous pin-up girl of all time—Bea Sindelar. Hugh Beattie, big business farmer, has taken a vacation from his current job of plowing half of Indiana. Now everyone whistles as Jean Ensign, famous fashion model, makes her entrance.

Last to arrive is Don Peterson, with his great invention, the Pre-prefabricated house, under his arm.

8th GRADE

EIGHT years ago we trudged off to Chagrin's school. As we have gone higher in our education different teachers have helped us through the long hard road of knowledge. Now that we are almost freshmen we feel quite proud to think we have journeyed more than half the road.

We have taken part in many school activities with the higher grades and by ourselves.

We hope our freshman year will be the happiest and most successful year of all.

7th GRADE

AS WE look forward to the five more years ahead, the Class of '50 hope we will have accomplished a lot with the help of our teachers.

The high school life that we entered upon seemed very new and puzzling. The seniors seemed so big and awe-inspiring that they scared us out of our wits. However, we soon gained them back and went merrily on our way. In fact we feel we have "outlearned" the seniors in regard to the well-known ropes.

ACTIVITIES

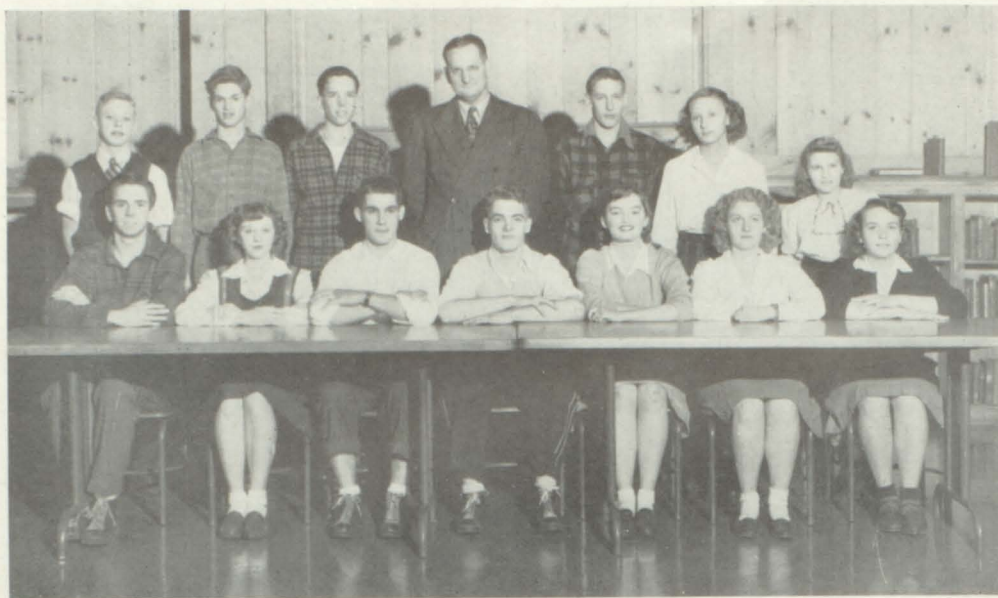

Winship, B. Beattie, Hubbard, Laughlin, M. Kagy, Esry, Finch, Taylor, Maiden, Mr. Gurney, Duffey, R. Peterson, Janet Green.

STUDENT COUNCIL

First Semester

THIS second year of the Student Council government in Chagrin Falls School saw new improvements and new powers given to the Council. Now a leading voice in student government and student affairs, the Council has made and carried out helpful suggestions for the school in general, as well as punishing offenders of school laws.

JERRY FINCH	<i>President</i>
GEORGE ESRY	<i>Vice-President</i>
NANCY TAYLOR	<i>Secretary-Treasurer</i>
MR. GURNEY	<i>Advisor</i>

BACK ROW: Winship, Black, Wood, Mr. Gurney, Hileman, McLean, White. FRONT ROW: Brower, Jefferson, Martell, Lowe, Maiden, Kaserman, N. Felger.

STUDENT COUNCIL

Second Semester

THE second semester Student Council saw it really earn its name. Student government was made the aim of the Council. Meetings were held in the separate homerooms by Council representatives. The suggestions made at these meetings were invaluable because they showed not only what the student body wanted, but also because they enabled the Council itself to know what to discuss and what to act upon.

FRED LOWE	<i>President</i>
FRED MARTELL	<i>Vice-President</i>
ANN MAIDEN	<i>Secretary-Treasurer</i>
MR. GURNEY	<i>Advisor</i>

LAST ROW: Henry, Sasak, Beattie, Bachelor, G. McBride, Bailey. SECOND ROW: Kramer, Wood, Myers, Stratton, Heaps, Gresham, H. Spielhaupter, McIntyre, Kagy, Althouse, Dye. FIRST ROW: Miss Ausnehmer, Arthur, Maiden, Briggs, Finch, Crain, Reece, Silver-nail, Marriott, Miss Whipple.

ECHO

THE Echo has really stepped ahead this school year, and everyone put time, energy, and thought into each article which was printed. Our new advisor was Miss Betty Ausnehmer, and she carefully guided our faltering steps along the path of higher and mightier writing.

When the first semester came to a close, Editor Finch found himself in the Army Air Corps, and his assistant, Pat Crain, resigned from her office. Their ready advice, and their ability to turn out an interesting paper each week, made them indispensable to the Echo work. When Nancy Reece and her assistant, Bob Dye, took over, they proved themselves ready and capable, and never failed to make each issue well worth their time.

HONOR SOCIETY

THE Honor Society is an organization for juniors and seniors whose grades are all "A's" and "B's". It was first started in Chagrin Falls by Mr. D. M. Rice and is now under the leadership of Miss E. J. Carroll. The members do all they can to raise scholastic standards and help new students.

After the first meeting all the new members buy pins. At the end of the year these industrious students relax and treat themselves to some sort of entertainment, usually the Play House.

GIRLS' GLEE

OUR girls' glee, composed of freshmen, sophomores, juniors, and seniors, participated in the two concerts and the operetta of this past year. We played a most important part in the musical entertainment of the school year.

A great amount of the credit for our success goes to our advisor, Mrs. Lucille Stansberry, whose responsibility was well carried.

Next year, our glee club will be even bigger and better, after having such a successful first year behind it.

BAND

UNDER the leadership of Mr. Freeman, our High School Band has played at the home football games. Friday, November 3, we had a competition with Hudson High School Band. We played in the Charity Football Game with the bands of Cleveland and the surrounding suburbs. Together we made a giant star for those in the service. Mr. Freeman was selected to lead the "Star Spangled Banner."

We have done a lot of work especially in learning new marches. The new members of this year, mainly seventh graders, were a helpful addition to the talent of the band.

TERRY RANDALL, a struggling young actress, lives at the Footlights Club, managed by Mrs. Orcutt. Talented, but unsuccessful in choosing the right plays, Terry meets Keith Burgess, a radical playwright.

Throughout the play Terry's problem seems secondary to the troubles and every-day life of the other girls who, gaily, bitterly, cynically, try to pursue their chosen careers as actresses.

Ambitious Terry gets her "break" through Mr. David Kingsley, and is on the road to stardom and fame as the play ends on a happy note.

THIS is a genuine hair-raising, he-man "meller-drayma" calculated to break a heart of stone. Lovely Melody Lane, forsaken and alone in the world, falls into the hands of the arch-villain, Windemere Hightower, who marries her. Directly after the marriage, Melody finds out her husband's true character, and runs away to the "None Such" ranch. Lucius Goodenough, our hero, falls in love with Melody, but the plot thickens dramatically with the arrival of Windemere. From here until the smashing climax, the play is packed with attempts to "frame" and to kill Lucius. Good finally triumphs in the laugh-packed finale.

All the royal family besiege McPipp with requests to go into the movies. McPipp decides to pay King Montmorency a million dollars for the use of all Eurolania as a movie setting.

Conspirator von Popova decides to turn the movie revolution into a real one and to seize the government. However, Darrell and Prince Karl save the day, and the operetta ends happily with marriage for Darrell and Rose and Karl and Pamela. Eurolania is now rolling in riches and romance.

FOOTBALL SQUAD

THE Chagrin varsity for 1944 was formed with lettermen from last year as well as many new names that were added to the roster of C. F. H. S. stars. The first four games proved that Chagrin was unbeatable for the first half of the season. The game with seasoned and heavier players of Western Reserve Academy showed the real strength of the Skippies. Our defeat by Hudson came only after a tough battle, and the Orange defeat was truly the scrap of the season. Chagrin hates to lose to Orange, and the battle was hard fought to the last second. This year we played in no league, but our season of independent football was tops.

FOOTBALL LETTERMEN

HUGH BEATTIE—Captain, Tackle

A three-year letterman, Hugh was an inspiration to the team. His fighting spirit and steady playing made him one of the bulwarks of the line.

DON LUMME—Quarterback

A triple threat man, Don was back for his third year of long running and spectacular playing. This high stepping boy was the fastest man on the field and high point man of the Skippies. His ability as a passer was noted.

DON BRITTON—Fullback

Don was a hard runner to stop and gained more yardage than any other player. He is to be praised for his spectacular punting and ability to stay on his feet.

C. Danciu

Reed

Ernyei

Esry

Imars

Hubbard

FRED MARTELL—Halfback

"Lefty" was known for his ability to plunge lines and snag passes. Fred gained many yards for Chagrin by his fast footwork.

BOB CROWEL—End and Fullback

Bob proved his value as an end, after an injury prevented his playing fullback. He had plenty of fight and really played exceptional ball considering the hard knocks he got.

FRED LOWE—End

Although Fred was small, he stopped many a threatening end run and played well, not only on the defensive but on the offensive. He was a marvelous pass receiver.

BOB SCHROCK—Halfback

A newcomer from Aurora, Bob soon displayed his ability for carrying the ball. He was fast on his feet and often was able to buck the opponent's tough defensive.

CORNELL DANCIU—Center, Guard

Cornell's weight was a help as the center man of the line. Corny was a good blocker and he will continue his playing on next year's line.

TOM REED—Fullback, Halfback

Tom played hard ball throughout the season and will be the bulwark of next year's backfield.

GEORGE ERNYEI—Halfback

Hard fighting little George played hard ball throughout the year, and will undoubtedly be a part of next year's backfield.

GEORGE ESRY—Quarterback, Halfback

George soon proved his worth in his first year and will be an integral part of next year's backfield.

EDWARD IMARS—Tackle

The heaviest man on the squad, and destined to be a three-letter man, Ed had a hard fight but he really helped up his side of the line.

JOE HUBBARD—End

Destined to be a four-letter man and elected next year's Captain, Joe was a steady player and great things are expected of him.

FORREST FELGER—Guard

A fighting lineman, Bud did a lot of hard playing, usually against heavier opponents.

ELTON ROOT—Guard

One of the mainstays of the line, Percy took lots of hard knocks, but always came out from under a pile-up fighting.

RALPH MILLER—Guard

Always to be depended upon to hold up his share of the line, Ralph kept his opponents busy trying to stop him.

T. C. GURNEY—Coach

Coach's ability to turn out a winning team proved no exception this year and the Skippies fought through a successful independent season.

DON PETERSON—Manager

Following in his brother's footsteps, Don did all the odd jobs that no one else would do. He was always ready and willing to do anything asked.

FOOTBALL SCORES

Chagrin 20—Mayfield 12

Chagrin started the season off with a bang by toppling a heavier Mayfield eleven, 20 to 12. Lumme and Martell took the scoring honors in the season's opener.

Chagrin 39—Solon 7

Chagrin walloped Solon 39 to 7 in the second game of the year with Danciu, Schrock and Lumme scoring the points.

Chagrin 13—Chardon 0

Keeping up a steady pace, Chagrin High's speed wagon pushed the Chardon team through the hoops for its third straight win of the season. Fullback Britton shared the scoring honors with Schrock and the game ended Chagrin 13, Chardon 0.

Chagrin 20—Madison 0

Playing their first home game of the season Chagrin marched steadily down the field from the moment the opening whistle blew. Lumme starred again by carrying the ball for a 65-yard run for a touchdown.

Chagrin 14—Western Reserve Academy 14

With perfect football weather, Chagrin fought hard and succeeded in holding a much heavier Western Reserve team to a tie. With the ball on their one-foot line Chagrin could not score and the final whistle blew with the score a 14 to 14 deadlock.

Chagrin 13—Perry 0

Starting their last away game with plenty of zip, the Chagrin eleven downed Perry 13-0. Crowel shared the scoring honors with Britton.

Chagrin 0—Hudson 7

Starting the third home game of the season, Chagrin marched on to the field full of hope and confidence, but were overcome by a much heavier Hudson squad and lost their first ball game of the '44 season.

Chagrin 0—Orange 33

Tearing forth into the annual grudge game of the year the Skippies lost the hardest fought game of the season to the Orange varsity 33 to 0.

BACK ROW: Mr. Gurney, C. Miraglia, Lowe, Reed, Ernyei, Marriott. FRONT ROW: Martell, Britton, Lumme, Crowel, Schrock.

VARSITY

THE first Chagrin team in years to play in the Cuyahoga County League, the varsity team came in the league standing with wins and losses.

Of all games played the "Skippies" won 9 and lost 8, for a percentage of 529.

BASKETBALL LETTERMEN

DON LUMME

Forward—Center—Captain

One of the best basketball players in Chagrin's history, Don amazed our opponents with his uncanny knack of hitting the mesh with his one-handed shots. Don also broke all previous records in total points scored in one season with 271 points, and the number of points scored in one game on our home court, with twenty-three in the Mayfield game.

BOB CROWEL

Center—Forward

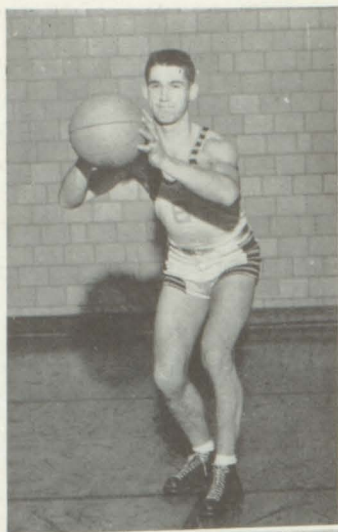

A very constant player, Bob could always be counted upon to fight for the ball until the game's end. His long shots, which he could easily sink from any position on the floor, made him an outstanding player. He played exceptional ball considering his back injury which disabled him throughout the season.

DON BRITTON

Center—Forward

Although Don played only ten games, he easily made 138 points to be runner-up in points scored this season. His clever ball handling and pass work, plus his height, were greatly missed the latter part of the season. Don's ability to keep cool during a thrilling game was one of his greatest assets.

LETTERMEN

FRED MARTELL

Guard

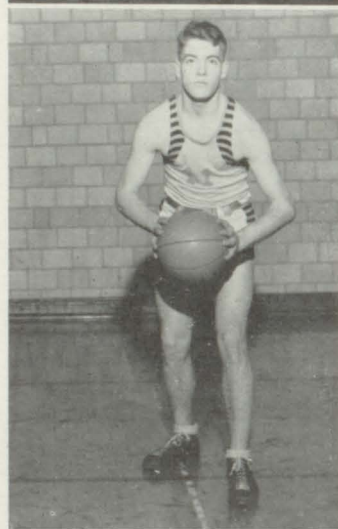

Moved up from last year's "B" Team, Fred came through this season with flying colors. He turned in a good defensive game, and his specialty was getting rebounds from the backboard. Fred was also a scoring threat and in several games his long shots really kept Chagrin in the race.

BOB SCHROCK

Guard—Forward

Playing his first year of basketball this year at Chagrin, Bob did surprisingly well for a newcomer. Besides being a good guard, he proved his ability to play forward in several games when someone was needed to fill the position. It will be hard to find such an all-around player for next year's squad.

FRED LOWE

Guard—Forward

Playing guard up to the last few games when he changed to forward, Fred could always be depended upon, playing a good, constant, and clean game. As a forward he proved to be another scoring threat, with his exceptional passwork. Because most of his opponents were taller than he, Fred worked all the harder.

LETTERMEN

TOM REED

Guard—Forward

One of Chagrin's few Sophomores to get a letter in basketball, Tom showed himself to be a very good guard or forward wherever he was needed. Next year's only returning veteran and letterman should very easily work in with our new team.

ARTHUR MARRIOTT

Manager

Art Marriott, manager, brother, and head rooter for the team, "Zeke" was chief worrier over problems in the team's transportation and training. "Zeke" always came through when needed most, and his presence was felt by everyone on the team.

MR. GURNEY

Coach

Entering upon his eighteenth year as mentor for the cage team, Coach brought forth a squad that was worthy of Chagrin's name. Taking a raw team, Coach polished them to a clocklike perfection that won us many games.

BASKETBALL GAMES

Brush 40—Chagrin 38

Don Lumme paced the Skippies in the opening game with nineteen points. Chagrin played a very good game, considering the height and speed of their opponents.

Chagrin 59—Brecksville 27

Chagrin chalked up their first victory under the Brecksville lights with Britton taking scoring honors with twenty points. Crowel and Lumme were close runners-up with thirty points between them.

Chagrin 30—Independence 29

Chagrin's first home game proved to be a thriller with both teams playing superb ball. Due to a mistake by the timekeeper, the game went into twenty seconds overtime.

Chagrin 54—Mayfield 35

The Skippies shellacked Mayfield in their second home game. With the aid of excellent passwork, Don Lumme scored twenty-three points.

Chagrin 43—Cuyahoga Heights 40

Chagrin 50—Bainbridge 24

We walloped Bainbridge on their own floor in a non-scheduled game. Lumme scored eighteen points, Britton seventeen.

North Royalton 36—Chagrin 34

Greatly handicapped by Royalton's small floor, the Skippies lost a hard-fought battle. Schrock and Britton each scored eight points.

Chagrin 45—Solon 28

The Skippies trounced Solon in their fourth league game of the season. Scoring honors were shared by Lumme and Britton.

Orange 42—Chagrin 40

The Lions topped the Skippies in a thrilling non-league game at Orange. Lumme's twenty points led the Chagrin five.

Chagrin 36—Brecksville 35

Starting the second round, Chagrin beat Brecksville with Lumme leading the Skippies to victory with twenty-one points.

Independence 56—Chagrin 28

Chagrin dropped its second league game to Independence. Minor's twenty-nine points led the power-packed Independence five to victory.

Orange 49—Chagrin 46

Again Orange stopped the Skippies in a close and thrill-packed game. Lumme led with eighteen points and Crowel was runner-up with fourteen.

Cuyahoga Heights 47—Chagrin 30

Chagrin lost all chances for the championship when they were repulsed by a superior Heights team.

Chagrin 42—North Royalton 16

The Skippies trotted onto the floor with thoughts of revenge, and went with fast playing to easily maneuver Royalton out of victory. Lumme led Chagrin's attack with nineteen, Crowel scoring fifteen.

Chagrin 37—Solon 26

Bob Crowel and Don Lumme rang up thirty-two points between them to lead the Skippies to their second triumph over Solon.

Independence 48—Chagrin 41

Chagrin forfeited its chance to play in the tournaments as they bowed to Independence for the second time. Don Lumme topped the scoring column again with eighteen tallies.

Mayfield 37—Chagrin 34

An eleven-point spree in the fourth quarter by the Mayfield cagers rewarded them with a three-point victory over the Skips. Don Lumme and Fred Lowe tallied eleven and nine points respectively for Chagrin.

CUSTODIANS

PERHAPS these five men, more than anyone else, did the essential things that kept C. F. H. S. running throughout the year. Their jobs did not end in May as did ours, for caring for a school takes a full year. Both night and day they kept things going, and they piled through snow and rain to get us safely through. Too little recognition has so far been awarded them, and now, speaking for the whole school, the Zenith Staff wishes to give them a hearty vote of thanks.

1. I bet we won that game. 2. C. F. H. S. 3. Jean and Babs. 4. Close-up. 5. Betty Lou. 6. Struttin' her stuff. 7. Hugh. 8. Belle of Chagrin! 9. Hot Mama! 10. Don. 11. Cuties. 12. Not bad. 13. Line up.

1. Wolfesses. 2. Man! What a beautiful sky! 3. Lois Black. 4. Wedding party of Hooligan Reece and Benjy Briggs. 5. Sweet dreams and Elton. 6. Dr. Jekyll and Mr. Hyde. 7. "Atta boy." 8. Heep big man. 9. Who'd he hook that from? 10. Praying? 11. Briggs and Peterson.

In these days of wartime restrictions you may be asked to accept something "JUST AS GOOD." We here at Brewster and Stroud will not jeopardize our reputation of years of standing by offering these substitutes. There may be times when you'll not find just what you want. Rest assured, the furniture you see on our floors is of the same high quality as in the days before furniture craftsmen went to building planes, boats, and other war materiel.
