## 1955

## Foreword

THIS has been an important year in the history of our country--in fact, the entire world. great political leaders and statesmen have used their diplomacy and courage to establish peace in Korea and in Indochina. It may not be a secure peace, but it is a much better peace than a year ago. These men have worked to eliminate Communism and to build the ideals of friendship and brotherly love throughout the free world.

Our leading medical scientists have made tremendous strides by experimentation and study toward the cure and prevention of such dreaded diseases as cancer, polio, heart disease, and tuberculosis. Other scientists have discovered ways to use the atomic power for the betterment of mankind rather than for its destruction.

Future progress depends on leadership from the graduates of schools throughout the world and I am sure some of our graduates will help supply that leadership.

The class of ' 55 has worked hard and diligently at the task of preparing a historical account of the acts and happenings of all the classes in the Junior and Senior High School during this school year. They have given a pictorial and written account which indicates the caliber of their talents.

I wish to express congratulations for a fine publication to the Zenith Staff and the faculty advisor and wish every member of the class success in the future.

T. C. Gurney Principal

ACKS and Jills of all trades, these effervescent juniors have as many interests as they possess individual personalities. Every year their boys have faithfully participated in the field of sports, and there have never been more socially minded girls. ## Student Council

THE newly reorganized Student Council, leaning more toward student government than previous Councils, has this year created many new functions for itself.

The Council has started a series of noon movies, taken complete control of all activities, sponsored the buying of a new basketball scoreboard, and many other worthwhile things. This year's Council is, we hope, just a small example of the works to be done by following Councils. We hope after a few years to build the Council into a full fledged student-government.

IFN only its second year at Chagrin, the Future Teachers of America has gained many new members and much prestige during the 1954-55 term. This club has been named for the wellknown local educator, Frank W. Stanton. The purpose of this club is to prepare young people for the teaching profession. It acquaints them with the history of teaching, gives them practical experience, and interests them in teaching as a career.
A few projects of this organization throughout the year were ushering at N.E.O.T.A., selling sweatshirts to the students, and acting as substitute teachers in the elementary school.

THE Camera Club is the newest organization of the school as it only went into operation last spring. Membership is limited to twenty and is based on a strong interest in the camera and its operation. The Camera Club's chief activity consists of taking pictures at all school functions and then selling these pictures either to students who want them or to the newspapers. Already this club has proven to be a great asset to the school, as four of its most outstanding members, Bill Neff, Harold Short, Dick Behnke, and Bill Thoren, have worked diligently to make the pictures for this year book possible.

THE spring of our junior year was highlighted by our dramatic endeavor, "Stranger in the Night." Amid swift action and mounting suspense, the play moved through three acts of chills and laughs to an unexpected and thrilling climax.

The action of the play took place in a book and gift shop owned by Sylvia Lee and Mable Crane. The serenity of their lives was completely shattered when young and handsome Grant Terry, supplying excitement and romantic interest, arrived at the book shop looking for a murderer.

Our capable directors, Mr. Freeland and David Hofmann, not only made the play a success but also made it barrels of fun to produce.

T.HE hours of practice and the tedious chore of memorizing lines became insignificant thoughts of the past as the final curtain fell and the thundering applause rang in our ear. Our senior play was a success! The action centered around an old nursery rhyme and the ten little Indian statuettes that stood on the mantle of an eerie, country home in Devonshire, England. Eight people are invited to spend a weekend at this mansion, and before the three days are over six of the guests and two servants meet horrible and brutal deaths at the hands of an unknown homicidal maniac.

On the night of November 19, 1954, the auditorium was shrouded in a cloak of excitement and romance.

Yes, our senior play was a success! The Ten Little Indians will long be remembered in the annals of Chagrin.

In the annual Round Robin Preview, Chagrin gained a rather ironic victory. The Tigers defeated the Brecksville Bees, who eventually tied for the championship of the newly formed County League. With less than one minute of play remaining in the abbreviated contest, Bill Moyse broke away for a 55 yard touchdown run, and Gary Curtiss added the winning point.

Chagrin 39
Kenston 6
Chagrin romped to an impressive victory in the 1954 grid opener. Lary Wiley, Tom Parker, and Jim Van Gorder each scored two touchdowns, Jim's being the longest, a 50 yard punt return. Every Tiger in uniform got into the game.

Chagrin 52
Painesville Riverside 6
The Tigers were not very hospitable as they welcomed the Painesville Riverside Beavers to their schedule. Chagrin did everything to perfection as they scored at will. Jim Van Gorder countered with four touchdowns to help Chagrin garner its second victory. Six other Tigers contributed points for a total of fifty-two. Bob Butler played a very fine game at offensive guard and defensive linebacker.
Chagrin 13.
Cuyahoga Heights 0
Bill Moyse returned the opening kick-off 87 yards for a touchdown. This was to inspire the Tigers to an important triumph over a fine Redskin eleven. Chagrin added another six-pointer in the final minute of play, while holding Height's potent offense scoreless. Alvin Flynn played an outstanding game at offensive and defensive end.

Chagrin 33.
Independence 6
Scoring in every quarter, Chagrin rolled to its fourth consecutive victory of the season. It was also the second triumph in league competition. Independence put up a good fight, but they could not cope with the offensive and defensive prowess of the talented Tigers. Pete Van Nort was the standout of the Tiger offense against the Blue Devils.

## Chagrin 7

Brooklyn 0
In a game which could have been appropriately called the "Mud Bowl," the Tigers were able to score only a single touchdown. Early in the third quarter Larry Wiley pushed across the winning touchdown from the two yard line. The Chagrin defense, led by Dave Hill, Stan Stoney, Phil Cleveland, and Joel Jones, was outstanding in containing the Brooklyn offense.

## Chagrin 7

Mayfield 13
A blocked punt and poor pass defense led to the Tigers' first defeat of the 1954 season and ruined Chagrin's chances for an undefeated season. Mayfield's fine halfback, Dave Lanese, scored both touchdowns on short runs, while Jim Van Gorder tallied Chagrin's lone score. Mayfield's thirteen points were the first points scored against the first line defense.

Chagrin 7.
Remembering the 18 to 0 defeat in 1953, the Tigers played an inspired game from the opening whistle to the final gun. The 7 to 0 victory meant a great deal to the team, and they were overjoyed in defeating one of our closest rivals. Jim Van Gorder scored the winning touchdown in the third quarter on a short run.

## Chagrin 6

Orange 7
For the seventh time in the past seven years, Chagrin was defeated by the Orange Lions. It was the last game, and a truly sad one for twenty Seniors. Don Jones scored the Orange touchdown, while Pete Van Nort sneaked over from the one yard line for Chagrin's score. Orange's "extra point" won the game. Chagrin's touchdown was only the second to be scored against the Lions in the past seven years.

## Varsity

## PHIL BANNING - END

Phil's capabilities made him an excellent end, both defensive and offensive. His hard charging and solid tackling earned for him the starting defensive end position, and he proved to be an outstanding player at that position.

## BOB BUTLER - GUARD

Bob was switched from quarterback to guard this year, and his "scrappiness" and determination enabled him to be such a standout that he was one of those chosen "Tiger of the Week." Bob will also be remembered for the vicious tackles he made as a defensive linebacker.

## PHIL CLEAVELAND - TACKLE

Phil's ruggedness and size gave him the starting position as right tackle where he performed very capably. As a defensive tackle, Phil was feared and respected by the Tigers opponents. Phil also was one' of the "Tigers of the Week."

## JACK DORNBOS - END

Jack was the only new boy in Chagrin to play for the Tigers this year. He was always in there trying to accomplish something at his end position and he will long be remembered by the Tigers of ' 54 .

## ALVIN FLYNN - END

Al was not only capable of playing his offensive position well, but he greatly stabilized the Tigers' defense by his alertness as a defensive end. His great defensive play placed him on the News "Dream Team" and on the All-County team.

## DAVE HILL - TACKLE

Dave lived up to everyone's expectations by becoming one of the best offensive tackles and probably the best defensive man-over-middle in the County League. His hard blocking and savage charging brought him a place on the News "Dream Team" and also a "Tiger of the Week."

Dick was another one of the boys who switched positions this year. In previous years Dick had been a galloping halfback, but this year he became a hard working guard, and as such he proved to be a great asset to the team.

## BOB SNOW - TACKLE

Bob was another of those faithful, hard working seniors who greatly strengthened the team. Bob's fighting, determined spirit and his dependability added a great deal to the Tigers' forward wall. Bob could always be counted on to do his best when he was in there.

## BILL MOYSE - HALFBACK

Being switched from a center to a halfback really pleased Bill and he showed it, for he was the determining factor in a couple close contests. Although he was plagued by a leg injury most of the season, he was still able to "hobble" the team to victory and himself to a "Tiger of the Week."

## JOEL JONES - END

After playing quarterback last year, Joel was converted into an end. Joel always did an excellent job of receiving passes and blocking. Playing defensive safety, he was also an important cog in the Tiger machine, and Chagrin's fine pass defense will not be the same without him.

## CHARLES JENKINS - FULLBACK

Chuck not only proved to be a capable and diligent fullback who came through when called upon, but he also was one of the big morale and spirit builders on the team. Nobody could stay depressed when Chuck was present.

## GORDON HILL - GUARD

Gordie was a hard working "Quesinberry lineman" who could always be counted on to come through with a good block or a good tackle whenever the situation arose. Gordie was one of those boys who would always give everything he had, and he was surely a valuable asset to the team.

## STAN STONEY - GUARD

Stan's keen spirit of competition plus his blocking and tackling ability made him feared by many opponents. He could be relied on to open a hole or plug up a hole in the opponent's line. Because of this he, too, received a "Tiger of the Week."

## JIM VAN GORDER - HALFBACK

Fleet-footed Jim was a real threat to every opposing team. They knew that every time he carried the ball it was a potential touchdown--and often it was. A "Tiger of the Week" award also went to Jim, who led the team in scoring.

## PETE VAN NORT - QUARTERBACK

Pete, one of the best quarterbacks in the County League, was an excellent ball handler, passer, runner, tackler, and a good leader. All of these qualities combined together to make him a great player and to bestow upon him a "Tiger of the Week" award.

## LLOYD WHITE - GUARD

"Whitey" played football for the first time this year, and he did as much good for the team as football did for him. "Whitey" added tremendously to the overall spirit of the team this year, and we couldn't have done without him.

## LARRY WILEY - FULLBACK

Hard working, determined, courageous, but plagued by hard luck was our captain, Larry Wiley. He got off to a blazing start and was "Tiger of the Week," but the price was a broken hand. He stuck right with the team through "thick and thin," however, and he greatly strengthened the Tigers, especially on defense, once he was back in uniform.

## DAVE BANNING - HALFBACK

Dave, one of the fastest boys on the team, has now had the profit of two years experience and will undoubtedly develop into an outstanding back. He proved to be a very valuable asset this year and probably will prove to be an even greater asset in the following years.

## JOHN THOMAS - FULLBACK

Although John missed a few weeks due to an injury, he proved to be such a stalwart on defense that he earned a starting defensive position as linebacker. John has the potentials of a great football player.

## KEN LAUTERER - END

Ken served primarily as a starter on defense, either at end or tackle, where he did a superb job of literally "crushing" down the opposing backs. Ken should be one of the outstanding ends in the league next year.

## GARY CURTISS - CENTER

Gary was switched this year from halfback to center, a position at which he performed so capably that he earned starting position. Our strong center of the line was also greatly appreciated for his excellent kicking.

## BREWSTER SOLETHER - QUARTERBACK

"Corky" came into the light this year as an excellent passer. His passing ability as well as his ball handling greatly added to the Tigers offsensive power, and these abilities should earn him a starting role next year.

## GEORGE CAMP - CENTER

George, who was a fullback last year, was switched to center this year. The staff knew that George would always try to do his best whenever they called on him. His size and weight will surely strengthen the Tiger line next year.

## TOM MATTERN, MARK SMITH, BOB HUNT - MANAGERS

The team couldn't have functioned without these unsung heroes. Mark's skillful rubdowns and Tom's terrific sense of humor and spirit will long be remembered by the ' 54 squad. Managing was new to Bob; however he did an excellent job.

## DENNIS BRADLEY - HALFBACK

Dennis will undoubtedly prove to be a "menace" to opposing teams next year. He showed everybody that he had what it takes by carrying out his duties in a par excellent manner whenever he was called upon, both on offense and defense.

DALE BRUCE - Understanding, well-mannered, suave, and athletic perfectly describes this vibrant young man. His combined experience and knowledge, along with the respect he has gained from the students, should greatly contribute to making his coaching career at Chagrin a bright and successful one.

## Varsity

## DENNIS BRADLEY - GUARD

Being one of three juniors on the team, Dennis gained the experience that will help him in leading the Tigers next year. Whenever he was called upon, Dennis could be counted on to do the job well. Although hampered by an injury near the end of the season, he had a very successful year and should be a prominent player during the 1955-56 season.

## ALVIN FLYNN - GUARD

Al was surely an integral $\operatorname{cog}$ in the Tiger machine this year. Although handicapped by injuries throughout most of the season, he was able to overcome this difficulty through his tremendous spirit and determination. Al's skillful ballhandling and accurate shooting were the two main assets which made him an outstanding competitor.

## JOHN ENGSTROM - CENTER

In his first year of varsity competition John did a creditable job in helping the Tigers compile a fine season record. Being one of the taller men on the team, he could always be counted on to rebound well and to score whenever he had the opportunity.

## CHARLES JENKINS - GUARD

Although Chuck was ineligible for the last three games, he played an important role in helping the Tigers win eleven of their first fourteen contests. Chuck had a very fine set shot, and his adept ball-handling dazzled both the fans and the opponents. His talents will surely be missed in Chagrin next year.

## KEN LAUTERER - CENTER

Throughout the season, Ken showed promising signs of becoming a tremendous basketball player. As a rebounder, ballhandler, and shooter, Ken did a creditable job in making the season a successful one, and will surely do so next year.

## TOM MATTERN - GUARD

This popular Tiger surely disproved the theory that one has to be tall to be a successful basketball player. What he lacked in size, he made up for in drive, and an undying will to win. One of four fine guards on the team, Tom was always in the middle of things, and he usually came out on top.

## DAVID SEKERES - FORWARD

Dave worked very hard to gain a berth on the varsity squad, and this ambition and initiative stayed with him throughout the entire season. Being an excellent shooter, Dave always gave his best and was ever in there trying. Although he was a first year man, he played well and really was an asset to the Tigers.

## PETE VAN NORT - FORWARD

One of the best basketball players in the history of Chagrin Falls, Pete piled up over 500 points in two years of varsity competition. He led the team in rebounds, a category that is almost as important as scoring. In spirit and sportsmanship Pete was unparalleled, and it will be a very difficult problem replacing him next year.

## LARRY WILEY - FORWARD

Playing for the third consecutive year on the varsity in a starting position, Larry thrilled the fans with his deadly shots, which accounted for over 600 points, his expert ball handling, and outstanding defense. It is very seldom that such an allaround player is found on the basketball court.

## LARRY HARMON, ROGER BABCOCK - MANAGERS

Everyone greatly appreciated the services of our faithful and energetic managers, Larry Harmon and Roger Babcock. These two are the unsung heroes of all the operations of our Tigers.

LEFT TO RIGHT: George Rice, Jim Fletcher, Skip Dodson, Tom Car1son, Tom Parker, Coach Bruce, John Thomas, Corky Solether, Dave Banning, Gary Curtiss, Bob Williams.

The Tigers opened the season with an exciting win over an excellent Burton team. The standout of the night was the junior center, Ken Lauterer, who led the Tigers with twenty-one points.

## Chagrin - 51

The Brucemen jumped off to an early lead and were never in trouble as they easily defeated Strongsville in an independent contest. Jenkins headed the scoring with seventeen.

Turning in their best performance thus far, the Tigers easily handled the Wildcats from Mayfield. The scoring honors were shared by Van Nort and Flynn with thirteen and fourteen respectively.

## Chagrin - 33

W. R. A. -32

Paced by Wiley, who netted sixteen points, the Tigers just squeezed by a competent W. R. A. team in an independent contest.

## Chagrin - 62

Brecksville - 56
Chalking up their fifth straight victory, the Tigers once more provided their fans with a thrilling game-almost too thrilling--as they moved into a tie with Orange for first place in the league.

## Chagrin - 70

Alumni - 42
With all ten players breaking into the scoring column, the Tigers simply outran and outplayed the willing but aging Alumni.

Chagrin - 63
Perry - 60
The Tigers kept the chance to defend their Tournament championship by defeating Perry in another overtime thriller. Van Nort was the standout of the night with a total of twenty-four points.

## Chagrin - 58

Burton - 43
The Tigers repeated last year's performance by defeating Burton and retaining the Christmas Tournament trophy. Larry Wiley sparked the Tigers by scoring twenty-one points.

## Chagrin - 52

Kenston - 49
By capturing this much too close contest from Kenston, the Tigers made their undefeated string the longest in local scholastic circles--nine straight.

## Chagrin - 44

Orange - 60
Chagrin was knocked into second place by a powerful Orange quintet which in reality beat Chagrin from the foul line; Chagrin tied Orange in field goals.

## Chagrin - 57

Solon - 58
The "Blue Comets" from Solon really made things blue around Chagrin by defeating the Tigers in another thrilling contest--but this time the decision went the wrong way.

## Chagrin - 55

Cuyahoga Heights - 60
With Larry Wiley being the only scorer in the double figures, with twenty-six points, the Tigers lost their third consecutive game to a spirited Cuyahoga Heights team.

Chagrin - 67
Strongsville - 36
The Tigers of old were on the move again. Snapping back from three losses the Tigers crushed a hapless Strongsville Five. Wiley and Lauterer led the scoring with eighteen and sixteen respectively.

## Chagrin - 82

Mayfield - 43
Once again the Tigers easily defeated an unimpressive Wildcat team; this victory was led by Wiley and Mattern with eighteen and fifteen respectively.

## Chagrin - 56

Brecksville - 52
In their second overtime thriller with the Bees, the Tigers once more came out on top with a pulsating 56 - 52 victory. Lauterer led the Tigers with a total of nineteen points.

## Chagrin - 57

It looks as if the Lion is still the king of beasts; for the Tigers were defeated once more by the Orange five. Once again the Tigers tied the Lions in field goals but lost in foul shots.

## Chagrin - 64

Solon - 70
The Tigers finished the league season in a three-way tie for second place by losing to Solon in another exciting but disappointing contest. But what is past is past, and the Tigers now looked with hope toward the tournaments.

The Tournament -- For the second consecutive year the Tigers defeated four tough tournament opponents to reach the district games at Kent. The Tigers were in there fighting all the way and we should be proud of them, for they were surely a credit to the school and the community.
