# FOREWORD

## MISS KATHRYN WARNER

High School graduation represents the realizing of a long-looked for goal. To reach that point has been the result of constant effort on your part. Your parents and friends have aided with counsel, and confidence in your eventual success. You have ably practiced Bacon's precept, "Read, not to contradict and confute, nor to believe and take for granted, nor to find talk and discourse, but to weigh and consider." This fine attitude has resulted in your developing a refined sense of values and a tolerance for the ideas and enterprises of others. Your vivacity has been a joy to watch and your cooperation has been most gratifying. You are a class to reflect credit on any school.

Warmest congratulations to a worthy class. May the education which you have received and that which you will continue to receive, give you independence of character and intelligently discriminating minds to direct you toward moral, industrious and intellectual goals.

*Kathryn E. Warner*

# DEDICATION

To show our appreciation for his willingness to help us in any worthwhile thing we strive to do; for all the extra work he has done in helping to make our new school a more pleasant place to learn, and for his sincere efforts to better our school academically, socially and spiritually during his thirty-four years in this system, the Senior Class of 1961 is proud to dedicate this edition of the Zenith to the man who has assisted our class in numerous ways throughout our high school years, Mr. T. C. Gurney.

Mr. Gurney proudly surveys the football field, scene of many Chagrin victories.

Pausing from his paper work, Mr. Gurney takes time for a friendly chat with a student.

Mr. Gurney prepares to give his morning announcements.

# SENIOR GOVERNMENT DAY

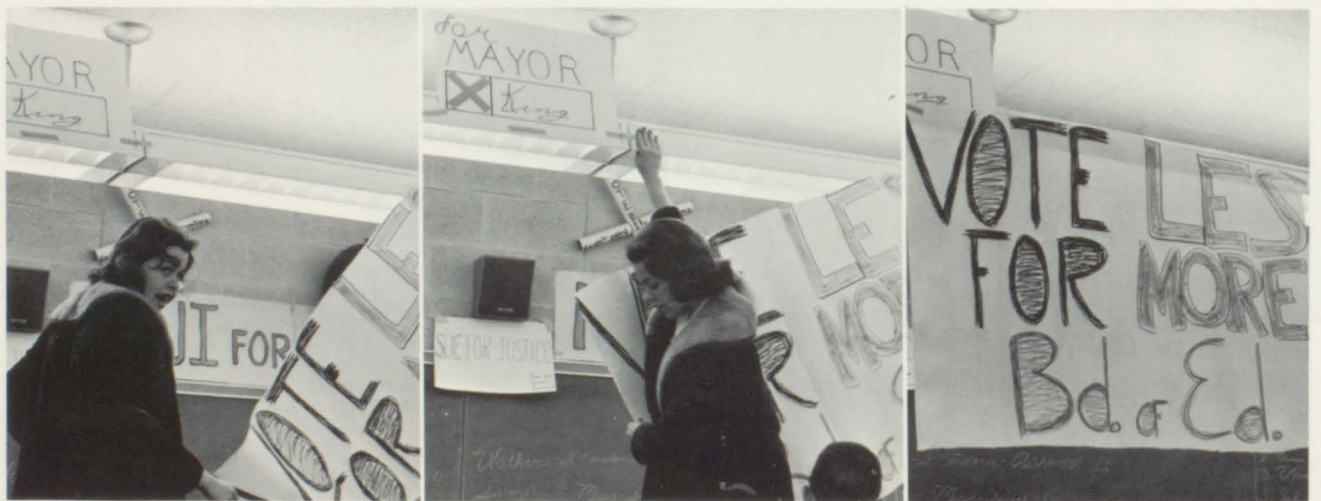

Our annual senior government day was the biggest and best yet. Deity Cordes was a very competent mayor, assisted by the Council which included Kathy Frew, Pres., Jo-Ann Johnson, Felicia Miraglia, Frank Swaye, Mardi Church, and Karin Knutsen. Making decisions on the future educational needs of our village were Kathy Alcorn, Pres., Sam Epperson, Tracy Miller, Laurel Kaji, and Leslie Butler. Fritz Otti guarded the village money for a day, and Brenda Hellekson discovered how difficult it was to be village clerk.

It pays to advertise.

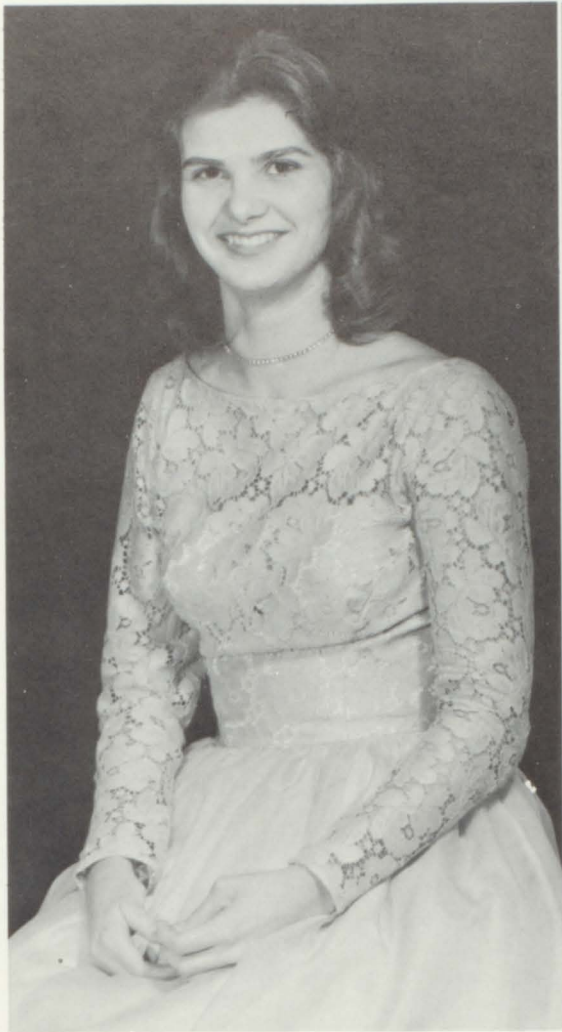

Karin, Kathy, and Mayor Cordes discuss the town problems.

Progress is our most important product.

Tracy practises with her pois, a skill she learned in New Zealand.

## VIA NEW ZEALAND

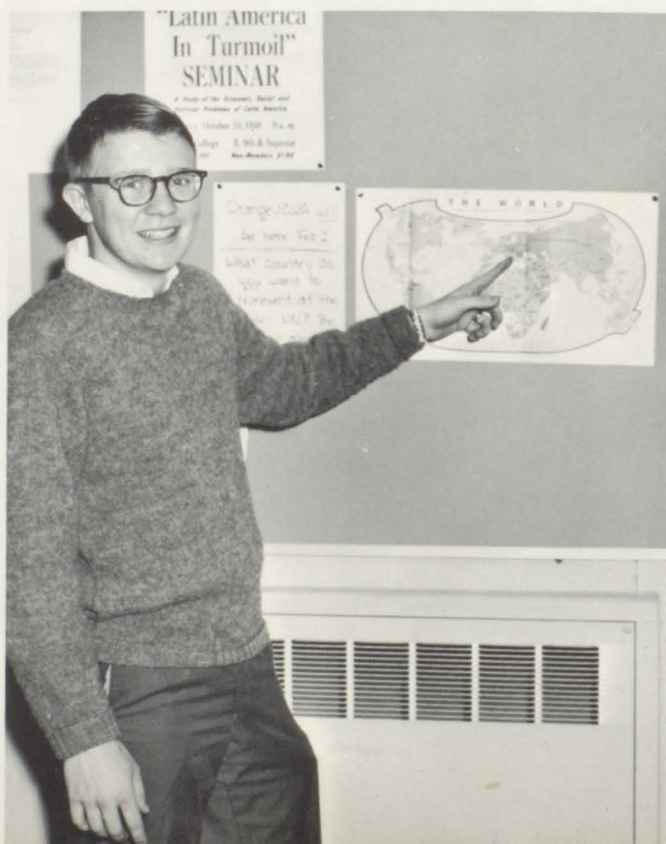

Tracy Miller spent six months in New Zealand on the School Program of the American Field Service. Living in Auckland, she attended Takapuna High School. She had many wonderful experiences and came back to speak to us about New Zealand, its people and customs. Tracy is a member of Junior Council on World Affairs and adds much spice to their discussions with her knowledge of New Zealand.

## VIA GREECE

David Robinson, an outstanding member of the class of '61, was chosen to spend a summer in Petras, Greece. Since Dave had a special interest in ancient history, his trip to Greece was especially rewarding. While in Greece, Dave was able to visit Genalis, Olympia, the ancient site of the Olympic Games, Athens, the seat of democracy, Mycenae, and Delphi. Dave really enjoyed his summer and eagerly shared his experiences with his classmates as well as with the community.

"I was there."

## STRAIGHT FROM AUSTRIA

This year we were very lucky to have in our school, Fritz Otti. He was the type of person who makes the A.F.S. Program the fine thing it is. During the time he was with us, Fritz won many friends with his ready smile and good humor. We only hope he learned as much from us as we did from him.

## STUDENT COUNCIL

This year, more than any other, the Student Council has tried its hardest to represent the students. The Student Council, through a great deal of work on the part of each member, has changed from a "rubber stamping" agency to a powerful and influential student voice. Without the capable leadership of our new advisor, Mr. Dale Richmond, and the full cooperation of the student body, the goals of the Council could not have been realized.

# HONOR SOCIETY

Membership in the Honor Society is the greatest honor given to a student. Each member must be outstanding in scholarship, leadership, character, and service to achieve this distinction. This year we again sent money to Ned Nayigawa to enable him to continue his education. Following the official recognition ceremony of new members in the spring, a welcome tea is given to honor these students. Our major project is the annual Honors Banquet held in the spring to honor all students who merit recognition for scholastic achievements.

Welcome additions to our club.

## JUNIOR COUNCIL ON WORLD AFFAIRS

Each Thursday night a group of interested students meet to discuss some aspects of world affairs. A speaker, dinner with another club, or planning for the Model U.N. Assembly, the high point of the year, constitute an interesting and highly informative format.

The Y-Teen's annual project was the Y-Teen Formal, "Holiday Heaven," held in December. The rest of the year was devoted to service projects. At Christmas the Y-Teens joined with the members of Key Club in collecting canned food for the children's home. Representatives from the Cleveland chapter spoke on good grooming. In the spring we had a fashion show.

## DRAMA CLUB

Drama Club, formed in 1955, has always been one of the most popular organizations in school. It has grown to even greater heights this year because of our new and capable director, Miss Nora Sue Allen. Under her fine leadership, the club presented "Annie Get Your Gun," which was a tremendous hit, along with the club's annual spring play.

The great enthusiasm and cooperation the students put into their plays and social activities have made them outstanding successes. The entire student body and faculty can be rightfully proud of our Falls Footlighters.

## LEADER'S CLUB

The Leaders' Club is an organization designed to develop poise, leadership, and self-confidence, stressing good sportsmanship and cooperation in athletic activities. The members assist the physical education teacher in her classes and other sports functions. During the school the Leaders' teams participate in games with girls from nearby schools, highlighted by the club sponsored Army-Navy basketball game in the spring.

# PRISM

The PRISM, our fine literary magazine, published its third edition this year. The staff, under the able direction of student editor Sue Cook and with the guidance of the English department, chose the best and most representative writing and art produced by the student body to present in the Prism. We can certainly be proud of the efforts of the PRISM staff and of the excellent work contributed to the magazine by our students.

## FOOTBALL

The 1960 Tiger varsity had a fine season. Combining a wide-open offense with a tough defensive unit, they provided Chagrin fans with more fast action and really exciting football than we have seen for a long time. Our team fought hard, win or lose. Several times they ran up larger scores against bigger County League opponents. There are many Juniors and Sophomores back to bolster next year's team. All Tiger fans will be looking forward to a forthcoming championship.

# ARCHIVES

In the fall of 1957, we entered Chagrin Falls High School, the largest freshman class ever. After getting used to the changes, we found new interests. In science class, we learned how to show movies using only one reel (and a shopping basket), experimented with "Fiz-zies" in the fishbowl, and met Tom Terrific. We also were introduced to East County sports competition; our football team had a perfect record.

As the sophomore year began, we discovered still more aspects to our school life. We were the first class to be "accelerated" in science and math. We met and became friends with Ned Nakagawa and Annie Rigautat, Chagrin's first AFS exchange students. Remember memorizing Marc Anthony's speech in JULIUS CAESAR for English?

Our junior year was one of re-adjustment. A new school, new faces -- including Horacio Borsani -- and varsity sports in which the juniors played a big role. A largely junior cast staged "The Diary of Anne Frank," one of Chagrin's best productions. We sent two AFS representatives abroad, Tracy Miller to New Zealand and Dave Robinson to Greece. Finally we capped the year off with the terrific "Hawaiian Holiday" prom.

Seniors at last, we quickly became immersed in work up to our ears: term papers, service projects, model Congress, and the town still hasn't recovered from Senior Government Day. We went out in a blaze of glory, leaving our boots to be filled by the juniors, who appeared very capable of doing just that.

Football, basketball, dances, plays -- Miss Carroll, Miss Warner, Mr. Richmond, Mr. Frebault, Mr. Wright, and our other teachers; all of these left us with memories that we shall always keep of our days at Chagrin Falls High School.
