Time it was,
And what a time it was,
It was . . .
A time of innocence,
A time of confidences,
Long ago . . . it must be . . .
I had a photograph.
Preserve your memories;
They're all that's left you.

Does your gavel squeak when you call the meeting to order? Any additions or corrections to the minutes? Just one - my name is supposed to be spelled... Old Business. What? Shaker cancelled the Exchange again? What were the results of the smoking poll? All the johns need are ashtrays. Commons reports may be a better way of communicating, but YOU try to yell over the radio and racket. Any other new business? I make a motion... You MOVE. All those in favor of adjourning raise your... Wait, don't leave yet! Anyone need a ride home?

ZENITH

Zenith deadlines are for birthday parties. Who took that ruler? Doesn't anybody know who that freshman is? 2 PICAS APART! Who can I call at 11:30 p.m. to see if they can remember who they were standing next to in the FTA picture? Homework that is waiting at home. Why can't Brye take pictures of Soccer, Leaders, GAA, and German club all on Wednesday--after all, he knows the deadline is Thursday! Oh no, I omitted an entire line of "'#\$%*&@id's! Just pretend they're not there, o.k.? You guys, I've had it--let's go to McDonalds! Crazy people, that's all.

LANTERN

Hey, Editor, how about handing out the assignments? Get those articles in! Are the layouts finished? We don't have enough copy! Now look, use slug lines for...J.B., can we make do with 13-1/2 count for 18 pt. headlines? All-right, who threw the outline in the wastebasket? Don't leave till everybody has their newspapers. How much did we make, Dave? Think of ideas for the next issue!

Editor J. B.

You know, it's really cool to sit around and cut down all the poetry. Notice how all the boys grab the chairs and leave the floor to the girls. One thing about Prism - it's different. We read and rate everything "A", "B", or "forget it". Comments like: "I like it because I know what love is like" or "It stinks." But how do we know if the foreign language poems are good or not?

Heidi and Melanie

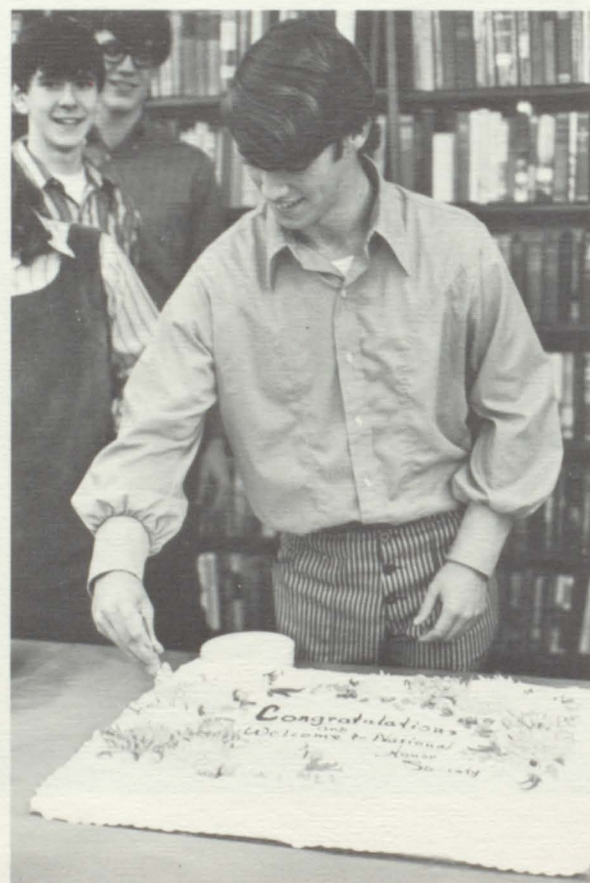

How do you talk about a crazy mixed-up club like the AFS club? We tell all the adults our purpose is to make money, which is a laugh because the real goal is to have parties-the money's a side line. Not that we didn't clean up on the cider. Who would've believed there were that many apples in the world, let alone Chagrin? There's other things we could try to tell about: looking at the naughty pictures from Europe, working at the AFS adult chapter dance (and watching Mr. Ginatos dance like the next Fred Astaire), wondering why our membership triples on Zenith picture day, or what to do about the lack of money in our treasury. Is there any other group that has this kind of fun?

FRONT ROW: P. Poole, B. Roeder (Sec.), D. Thompson (Pres.), K. Bivens, (V.P.), G. Braknis, 2nd ROW: P. Lazio, D. Dixon, A. Platek, A. Skeel, E. Sorensen, S. Stratton, L. Gorretta, 3rd ROW: S. Huff, B. Davis.

The meetings are scarce, the members many... Tutoring in our spare (?) time... Tea for our new members ... The intellectual (?) mob... Just think - a brain trust... We're honorable, all right!

NATIONAL HONOR SOCIETY

Being in FTA teaches you the other side of teaching: grading papers, putting up bulletin boards, taking down bulletin boards, making friends with the kids, being called Miss____. ... The kids? How many kids do you have?... Who's mother are you? "But no one told me we couldn't wear pants over there - Who wants to change outfits with me?" It's work, but it's fun.

FUTURE TEACHERS OF AMERICA

Brantley, Mrs. Nelson (Advisor), J. Barry.

DEBATE CLUB

Resolved: Debate Club is the serious gathering people think it is. Affirmative: We discuss dry topics, research subjects (or at least fake it), and dress up for the matches. Negative: President Kopenhefer, people stomping out in a huff, and a turn to drama with the addition of Tom. Conclusion: Debate is far from being serious.

The loyal band marches forth to do battle with their worthy opponent, each lowly pawn bravely holding ground... Welcome to Chess Club. We love the game, but we have a problem- Won't someone join so we can have an opponent??

INTERCLUB COUNCIL

It's a great feeling to be a first. What if the presidents reject it?... Hey, they even LIKED it. So everybody came, not knowing what to expect. Yes, you need a charter and a constitution... Bluntly, so next year they won't make the same stupid mistakes... But we're not a club - Oh, yes, you are - Oh, no, I'm not - Oh, yes, you are... They're due next week. (Four weeks later...) You haven't even started? Happiness is getting the best constitution from the one guy who wasn't going to do it. Where do we go from here?

FRONT ROW: P. Lazio, N. Varnum, B. Barber, L. Keeter, C. Barber, T. Kagy, J. Abdnor, B. Roeder, M. Johns, D. Thompson, K. Beard, L. Ashby, 2nd ROW: D. Horth, D. Tierney, M. Lodwick, D. Voorhees, D. Woodward, B. Jokela, J. Beard, A. Skeel, D. Brantley, C. McFarland, C. Pugsley.

CLUB CREW

10-0

When you're on Varsity Football, you've arrived. All those years of Kiss the Maiden finally pay off--after all, even if you're a scrub, you can still bask in the reflected glory of your team! It's not all glory, of course--there's a lot of hard work behind it.

BEFORE THE GAME-I hope I live through two-a-days... two more minutes of updowns... new drills from the new coach... piggybacks for the ABC's... 50 snaps before practice.

THE NIGHT OF THE GAME-pep talks by Piai, "this is the one." Maher's "this is FULL GO"...the ceremonial snipping of the mouthguard...NICE PROTECTION, LINE!...we won again!...penalties when it hurts...we're number ONE...rides home with Lockert on the drums.

THE NEXT WEEK-watching films: "Oh my #@*, my#@*!" from Coach Dean... "Take care of your responsibilities!"... "we're not letting up!"

Running Backs that out-weigh the Linemen. Being the Maiden in "Kiss the Maiden". Morning games and denying 15 yard penalties, with Linemen that score touchdowns. Frosh and J. MARIO'S MARAUDERS

Being the new team means getting organized, and building for next year. The terms have to be explained to the spectators, and the soccer cheerleaders have a hard time getting the crowd to respond. The coach works as hard or harder to help make a good team. "We outplayed them the whole time, but they beat us." "Player of the game was..." and after weeks of knocks, hard playing, losing and sometimes winning, the entire first two teams get letters. We deserved it.

It's so very easy to think of the yearbook as the "student book". Everyone tries to find their picture, look at the clubs they're in, and re-view the triumphs (and tragedies) in the sport section. But a yearbook is a picture of the entire high school, and what is the high school without the adults who staff it?

Remember how we used to think of the principal as a god, held in awe, and maybe a little feared? And how teachers always knew the answers? We didn't think about the School Board - we didn't know about it. We're older now, and our point of view has changed (for one thing, many of us are taller than the teachers). How do we see them now?

ADMINISTRATION

SCHOOL BOARD: Mrs. Waggoner, Mr. Burns, Mr. Cox, Mr. Martt.

SUPERINTENDENT: Dr. Thomas. ASS'T.

PRINCIPAL: Mr. Gaydosh,
ASS'T. PRINCIPAL: Mr. Roby

SUPERINTENDENT: Mr. Cornelius.

SECRETARIES: Mrs. Crawford, Mrs. Johnson, Mrs. Kagy.

First of all, the administration has become real to us. We go to School Board meetings and talk to Mr. Gaydosh in the halls. The secretaries listen while we explain why we have to leave school for a little (?) while - sometimes they even let us go! And after four years we suddenly realize how important they are to us!

ENGLISH

Teacher, n. 1)
one who imparts
knowledge or
skill. That's what
it says in the
dictionary. But
any teacher is far
more than that.
We've studied
under, worked
with, and learned
from teachers
since kindergar-
ten. We no longer
see them as all-
knowing, but as
real humans-like
us. Teachers can
crack jokes, get
behind in their
work, feel frustra-
ted--they even
have days when
they can't wait
for school to end!

ENGLISH: Miss Nemeth, Mr. Balk, Mr. May, Mrs. Nelson, Mr. Loesch, Mrs. Davis, Miss Suite, Mrs. Jenkins, Mr. Martin.

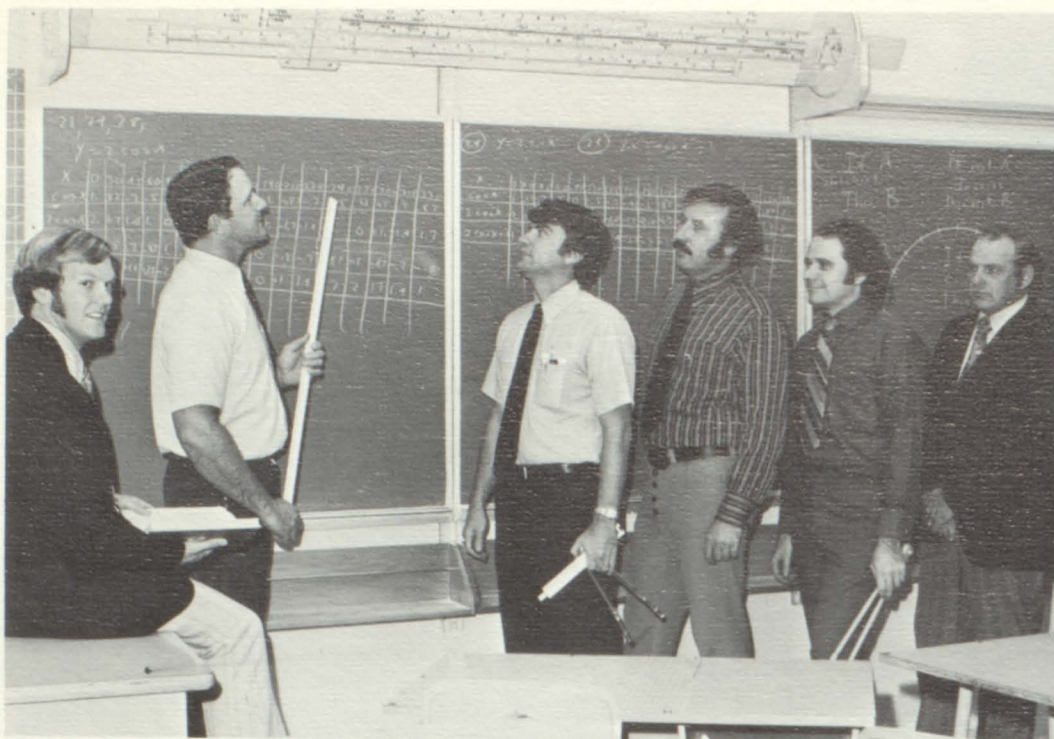

LANGUAGE: Mrs. Klingensmith, Mrs. Colignon, Mr. Gerhardt, Mrs. Degner, Mrs. Daubert, Mrs. Hanson.

LANGUAGE

Teachers are part of our life now. They stop us in the halls to ask us why we're late, they assign homework, they give tests. But those are only the side effects of their job. They're around to help us learn, and not only about their particular subject. That's what makes teaching such a hard job. It's a delicate combination of the tedious and the gratifying, the trivial and the important.

MATH: Mr. Howell, Mr. Stanton, Mr. Ohlrich, Mr. Kaschak, Mr. Tolleson, Mr. Pollari.

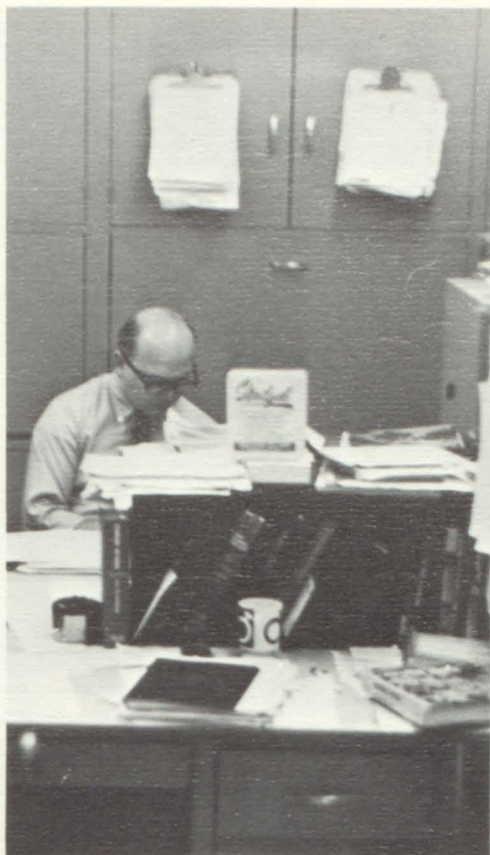

Any teacher could talk for hours about the bothersome details of being a teacher. There's the meetings you have to attend which really don't accomplish much, the hundreds of forms to fill out, deciding which student will get what grade, or making a fair test.

MATH

SCIENCE

Or they could tell about the frustrations of trying to plan a creative lesson, when 1) the students just don't feel like participating, or 2) there's no money to buy the necessary materials. There is always the

headache of planning a quiz, only to find out that the period will be shortened. And how can you describe the feeling of exhaustion after a demanding day. Being a teacher is hard work.

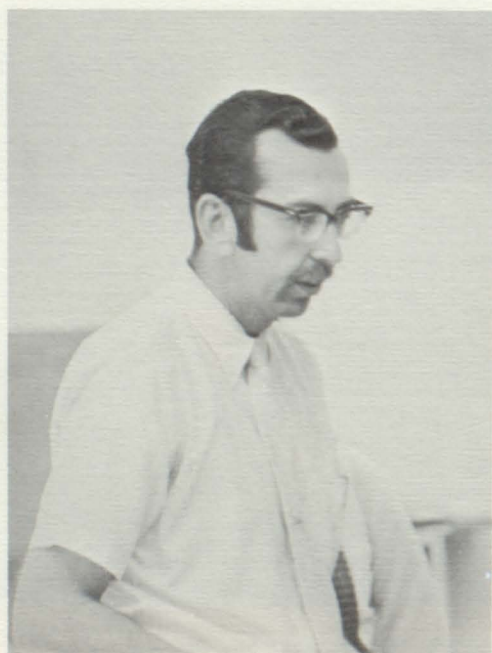

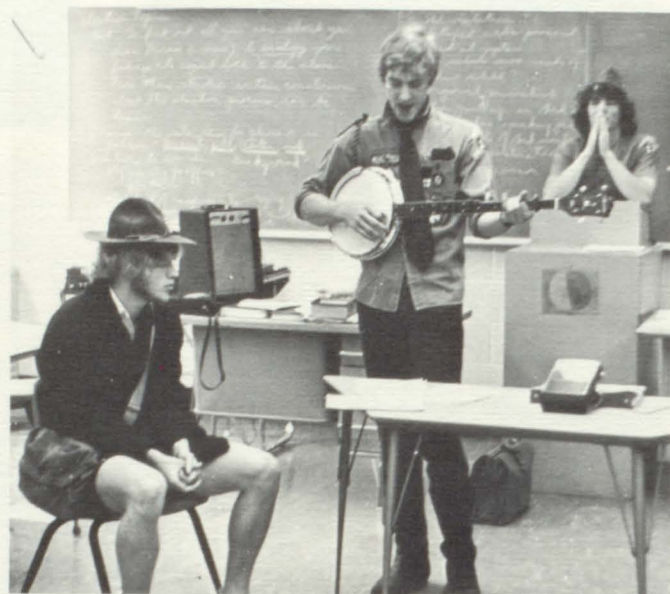

SCIENCE: Mr. Hurst, Mr. Mallick, Mr. Wheatcraft, Mr. Hensel, Mr. Battles.

SOCIAL STUDIES:
Mr. Ginatos, Mr.
Lerch, Mr. Dean,
Mr. Richmond, Mr.
Piai, Mr. Moxley.

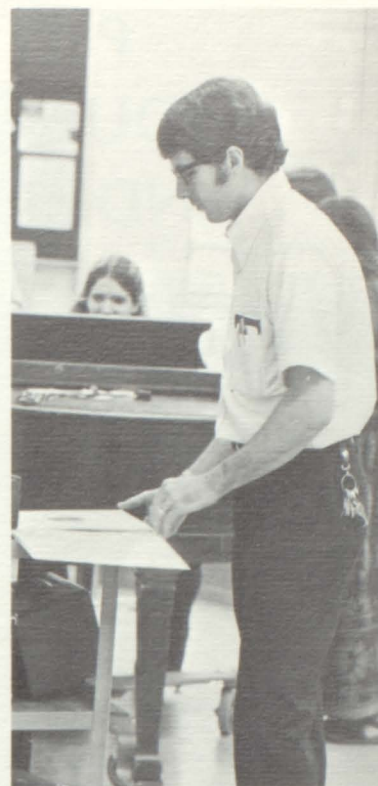

SOCIAL STUDIES

Whoever says that an unscheduled period is a free period doesn't know what he's talking about. There are always papers to grade, lessons to plan, conferences...this is no 9-to-5 job. How can it be, with meetings before school, meetings after school, independent study meetings--the list seems endless. Eternal though it may seem, however, there is a purpose for these gatherings. The goal is to become a better teacher. We think.

ART: Mrs. Tucek, Mrs. Weber

BAND: Mr. Zimmer

THE ARTS

Certainly, any teacher will agree that their job is a challenge. Just how do you convince a bored student that learning can be creative and exciting? Where do you find the magic key to turn kids on to learning? It has to come from within the teacher, and that can be real work.

CHOIR: Mrs. Macknin

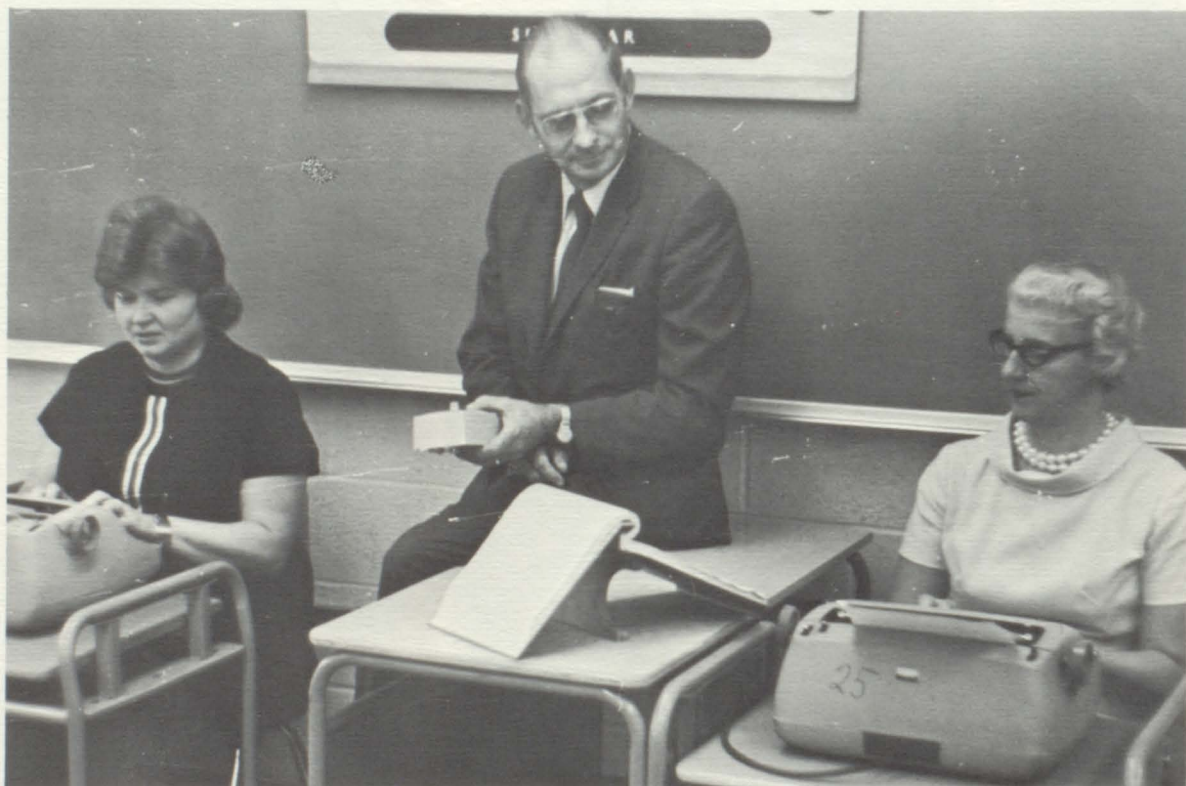

PHYSICAL EDUCATION AND HEALTH

PHYS. ED.: FRONT ROW: Mrs. Shirley, Mrs. Wilcox, Coach Quesinberry.
2nd ROW: Mr. Wem, Mr. Maher.

BUSINESS WORLD

Different types of teachers face different problems. The teachers who give us our working skills are important, too. After all, we're not all college bound. It's their challenge to prepare us for the rough road ahead.

BUSINESS WORLD: Mrs. Powell, Mr. Glock, Mrs. Miles.

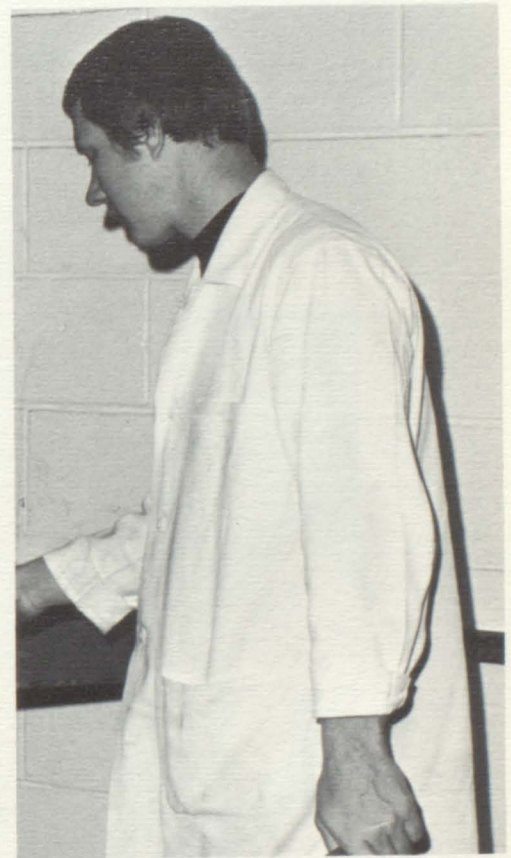

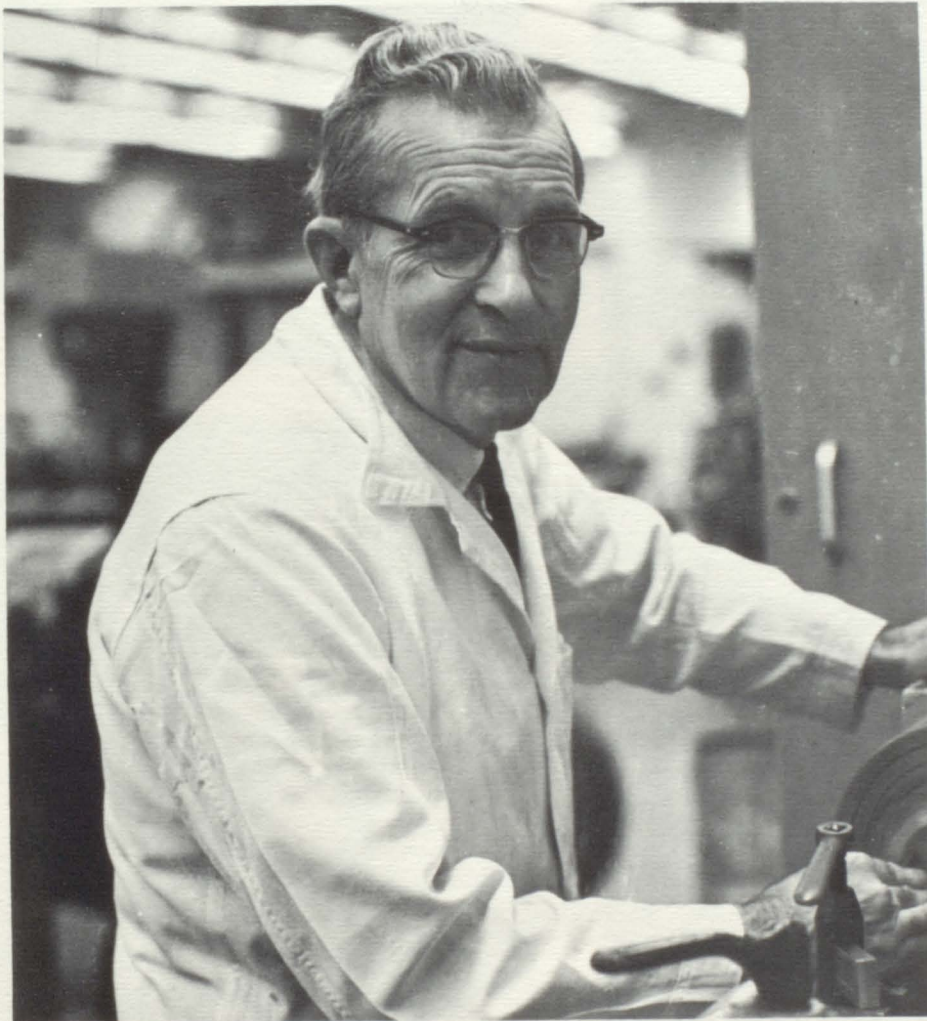

HOME EC.

It's not easy to teach someone enough to help them when they'll be on their own. Working together, teaching the necessary skills, is not easy.

HOME EC. : Miss Morris.

SHOP

SHOP: ABOVE: Mr. Olah. LEFT, Mr. Fry.

LIBRARIANS: Miss Meyer, Miss Lackey.

So why be a teacher? With pay like this, you know it isn't for the money. There has to be something else, something more, and there is. It's a quality of caring, of wanting to help, no matter how hard that may be. It's something you have to have a lot of to last in this profession. After four years here, you know--our teachers care.

COUNSELORS: Mr. Chiavetta, Miss Knight.

GUIDANCE

CUSTODIANS

CUSTODIANS: Mr. Watkins, Mr. Shelton, Mr. Cunningham, Mr. Lockemer, Mr. Svette, Mr. Rentz.

Teachers and administrators aren't the only adults at our school, though it's often forgotten. Custodians, the unsung heroes of the building, and the cafeteria ladies who struggle to feed 888 people every day, provide indispensable services. Next time you drop some trash on the floor, or cut down the lunch-line food, just think what it would be like if we were the ones in charge of these fields!

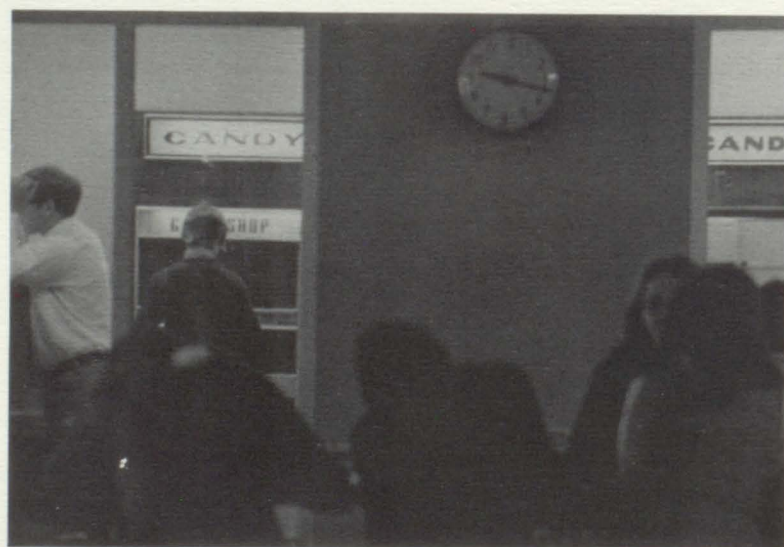

CAFETERIA

CAFETERIA LADIES: Mrs. Medved, Mrs. Kujat, Mrs. Schwind, Mrs. Calloway, Mrs. Mallick, Mrs. Czerr, Mrs. Yeaser.

Making thank-you's sound as sincere as they are is not easily done. The Zenith Staff began this year as a rather disorganized and confused group. (Who can say we're confused and disorganized now?) With a lot of time, a few arguments, and hard work, fun, broken rulers, stupid questions, and lots of caramel corn and coke, we've assembled a yearbook.

Needless to say, Zenith would have been nothing without the effort of the entire staff. Special thanks to Mr. Norman D. Fry, Mr. George R. Kaschak, and Mrs. Vivian Crawford. They were always there when we needed them.

We're indebted to Anne Platek, who designed the cover and division pages, and to Lisa King, who did several to the advertisements. As for our photographers, Brye Davis and Jim Squire ... we could never thank you enough. We would also like to thank Rick McPeak for his many services as a photographer.

We'd like to express our appreciation to our American Yearbook Company representative, Mr. Len Wolowiec, who has been an indispensable help to us constantly.

A few other people tolerated our many frustrations, tantrums, the secrecy, not to mention the clutter left in the wake of the meetings... Mr. and Mrs. Lazio and the Dr. Tom D. Rose family deserve more than thanks.

What more can we say? Ad Editors, we could never have been more fortunate to work with such a fantastic group of people!

Time it was,
And what a time it was,
It was...
A time of innocence,
A time of confidences,
Long ago...it must be...
I had a photograph.
Preserve your memories;
They're all that's left you.
