WE START EARLIER THIS YEAR AT7:28!
But being set free at 2:25 proved to
be very beneficial for most. The rush
to get out of the parking lot each
night before the yellow busses was
not to be believed.

NEW FACES

were a more common sight this year. Besides the usual crop of new freshman, wehad a new vice principal, Mr. Glasbrenner. Mr. Hunter is our new guidance counselor. And MORTIMER, a furry feline is our new mascot. He is one of the most exciting things to hit our school. Thanx T.J., allas Mortimer! Let's hope that this tradition is is carried on for many years to come. Still, there are more faces that are different. The exchange students add excitement and this year we are lucky enough to have four.

HOW ABOUT THE NEW BLINDS?
Some like them, some don't. Whatever the case may be, they did cause controversy. The blinds are one of the new additions to try to improve the schools' appearance. Other appearance improvers were the railraod tie planters and the black metal picnic tables. And have you noticed what isn't here? The mural in the commons has been replaced with beige blankness. Well, rumor has it that thatwall is just too tempting for some art students. Watch out next year!

LAST BUT NOT LEAST,

are dances in the commons. Seems that the days of dances in the gym are over.

JUNIOR-SENIOR GAME

This year's GAME was a close one. Both the JUNIORS and SENIORS worked hard and were psyched to win. The teams were equally matched, but the juniors got off to a good start and scored the first touchdown. The juniors crossed the goal line twice more, beating the seniors 20–12.

JUNIOR GIRLS-20 SENIOR WOMEN-12

Kim Carpenter's truck led the SENIOR PARADE.

JUNIOR GIRLS celebrated their victory.

Anne O'Donnell and Traci Granger breaking through the offensive line.

The SENIOR WOMEN'S defense watached their offense push towards the end zone.

The SENIOR WOMEN turned to their coaches for mid-game advice.

HOMECOMING

This year HOMECOMING was kicked off on Thursday night with the second annual fall sports parade. After walking up Washington Street, the teams met at the stadium for a pep rally. Also included in the parade were the Homecoming attendents and their dates. After the pep rally the football team led the othersto the lighting of the bon fire. Following the bon fire was a social in the commons.

••••••••••

LIGHTS UP FALL

Eric Arthurs, Stacey Best, Gina D'Ambro sia and Kim Daniele eagerly prepared for an awesome bonfire.

Jenny Karpiel, Kate Weise, Kristin Clark and Bonnie Finley were left holding the bags.

Christin Luff and Lauren Lindheim watched from the stands.

Now everyone knows "we are Chagrin."

The football team added to the fun.

Gina D'Ambrosia, Linda Golden and Wendy Kraus huddle as the fire roared.

The football team was all wrapped up in "FOOTBALL."

Mortimer was named just in time for Homecoming. Our new mascot was King of the Jungle.

Natalie Gross' enthusiasm burns on right along with the fire.

Kristin Lasch was psyched for the parade.

?????? TO REIGN IN HEAVEN

Friday night's GAME began with the crowning of the QUEEN, Mary Zetwick. She was escorted by her brother Jim. Senior attendents were Natalle Gross escorted by Eric Speed and Melissa Simko escorted by Eric Arthurs. The junior attendent was Kristin Lasch, who was escorted by Chris Barosh. Donna Gross was the sophomore attendent and she was escorted by Wally McGregor. The freshman were represented by Rachel Oler who was escorted by Tate Pearce. A TIGER VICTORY against Chamberlain, completed the rainy evening.

The HOMECOMING DANCE was held Saturday evening, October 18, in the commons. The seniors did a fine job decorating to depict the theme "A Night in Heaven."

Jim Zetwick escorted Mary through the rainstorm that interupted the ceremony.

Michelle Catania and Lisa Khilstrom performed a duet.

Leigh Shields, Dave Freer, Melissa Simko, Eric Arthurs and Tim Hummer partied hearty.

Kim Carpenter, Beth Wolken, Jill Pinkett, Amy Shuster, Kristen Schloss, Jill Rife and Ginny Hridel gather before the dance.

Jeff McKenna presented his lovely date, Queen Mary Zetwick.

Eric Schroeder, unbelievably, at a loss for words with Michelle Polomsky.

Checking out the scene in heaven

Nat Parson, Paul Leusch, Joann Roberts, Rick Hall and Michelle Kwitkowsky enjoyed their "night in Heaven."

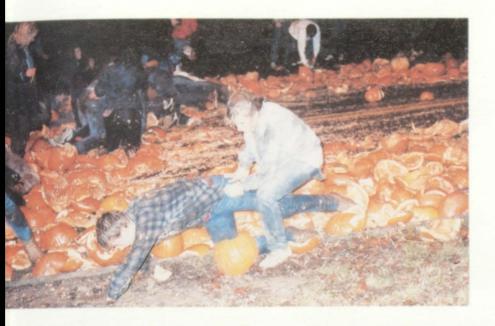

LET THE GOOD TIMES ROLL

down Grove Hill

Grove Hill turned orange this year on November 7th. This was due to the popular PUMPKIN ROLL, which annually takes Chagrin by surprise. After many weeks of pumpkin collecting, the seniors and some juniors were able to let their anxieties out. Although they lost some sleep, they had a lot of fun making each other miserable. Pumpkin covered everyone. Not one participant left clean, but good, clean fun resulted.

CLASS OFFICERS

CLASS OF 1986 OFFICERS: KEVIN WHITELAW, VICE PRESIDENT HEIDI HEIKER, SECRETARY ERIC SPEED, TREASURER BRUCE CAMPBELL, PRESIDENT

The class of 86 successfully started the year by launching a fine Homecoming Dance, "A Night in Heaven." The dance capped off a great week as the Senior men built a fantastic bonfire on Thursday and the Tigers annhilated Twinsburg 20-0 on Friday. Later in the Fall the Seniors orchestrated C.F.H.S.'s best Pumpkin Roll; an event which produced a number of casualties and flea bites. As the winter months passed the traditional college-talk filled the air. In February the Seniors put on C.F.H.S.'s first Valentine's Day Video Dance. The dance marked an end to the successful dances sponsored by the class. Come Spring, colleges had accepted our pleas causing Senioritis to develop into its mature stages. After Spring Break, time accelerated and Blossom Time, Senior Week, and finally graduation were over before we knew it. The Senior Class would just like to thank C.F.H.S. for all the fine memories. As we each wander out on to our paths, we'll always hold fast to the relationships we made and the times we experienced.

CLASS OFFICERS

Juniors CLASS OF 1987

THE JUNIOR CLASS OFFICERS; VICE-PRESIDENT TOM HARVEY, TREASURER MIKE KRAMER, SECRETARY JAMIE SCOLARO, AND PRESIDENT JOHN FOW.

JUNIOR HOMECOMING ATTENDANT KRISTIN LASCH AND HER ESCORT CHRIS BAROSH

The 1985-86 school year has been a busy one for the Class of '87. In preparation for the Prom, more money had to be raised and dates and plans set. The new officers had no time to rest after elections. The concession at the Swim Invitational in July was just a practice for the "nights under the lights" at football games selling food and drinks. We were the first class to sell concessions at Soccer games. In December the Juniors successfully put on the Second Annual Bomber Bash, followed in February by the sale of carnations for Valentines Day. With that final fundraiser, the treasury leveled off at an even \$6000.00, more than enough to finance the Prom. The level of class spirit and enthusiasm the Juniors have shown not only provided for a memorable Prom at Canterbury Country Club in May, but will also carry over into their Senior year, the culmination of their high school years.

CLASS OF 1988

The sophomore year is normally thought to be rather dull and boring, but our class has made this year an exception. We got off to a roaring start by selling Homecoming mums during school and at the Homecoming game. Although it rained during the game we managed to rid ourselves of all the mums! We also sold donuts and coffee every saturday morning during the home JV football games. These two money-making activities brought a nice return in the fall. Winter rolled in and that meant ordering Josten class rings. Our big fundraiser this year was the magazine drive which began at the end of January. The sophomore class showed much enthusiasm and as a result we made quite a hefty profit from the sale. Much of the money raised throughout the year will help pay for next year's prom. Through these activities and others such as the booster drive, our class has showed spirit, drive and enthusiasm.

CLASS OFFICERS

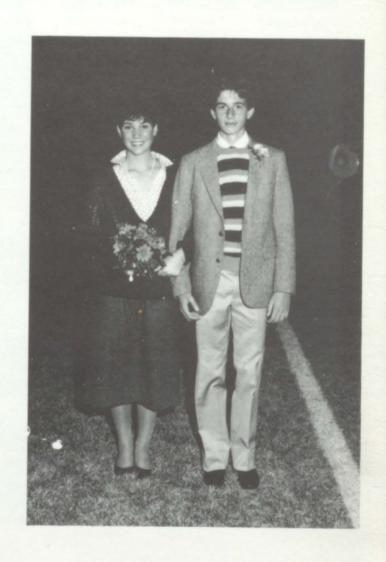

FRESHMEN CLASS OF 1989

Laurel Whorley, Treasurer; Jamle Carlton, Vice President; Jenny Schlemann, Secretary and Vanessa Bello, President

Rachel Oler, the Frosh Homecoming Attendant and her escort, Tate Pierce.

Although our first year at the high school started off slowly, it gained momentum during Homecoming weekend, with Rachel Oler as our attendant. We had two fund raisers with the help of Mr. Wem, the class supervisor. At Christmas time, we won the hall decorating contest and held a few bake sales during the Spring. All in all, our freshman year has been a good one, and we hope that our remaining time at the high school is just as enjoyable.

Tigerettes

The Fourteen Tigerettes were advised by Holly Merholz who does the choreographic work, and Mrs. Beaven. They practiced Saturday mornings and after school for the dance routines they performed with elegance style and finesse during the halftime shows of the Varsity football games.

There were about fifty members of the marching/orchestra bands. The marching band performed at halftime during the football games The orchestra band performed Winter and Spring concerts. The jazz band played at extra concerts. All bands were directed by Dr. William Foley.

Carol Foley is the director of the CFHS choir which consists of about sixty members. The choir sang at the Arcade and the Terminal Tower and gave a Winter concert. The musical that was performed was THE MUSIC MAN. Their last concert was in the Spring. The group meets everyday, ninth period, and has extra rehearsals in preparation for the Musical.

These "spirited" sophmores take time out from decorating to pose for the camera.

Did you ever know of any cuter elves than Becky and Charlotte?

Bethany Nichols and Susan Wright work dilgently putting up streaners in the freshman hall. Chris Trudick is checking the list of seniors to find out who's been "naughty or nice."

T.J., Klm, Natalie, Kristin, and Kristine do a little dance to the tune of "Jingle Bells."

Winter Dances Rock

In mid–December the cheerleaders once again sponsored the Winter Formal. This years theme was "Santa's Castle". Tom Williams was crowned Winter Formal King, and a Disc Jockey kept the tunes going all night.

At the end of February, the Junior class was nice enough to sponsor the Second Annual Bomber Bash in the commons after the boys basketball game against Kenston in the gym. Even though our Tigers suffered from a close defeat by the Bombers, a great time was still to be had at the dance afterwards. The Junior class brought in the ever–popular F.T.S. disc–jockey group to make the commons a crazy dance parlor.

Shortly after the Bomber Bash came the Valentines Dance which was sponsored by the Senior class. The Seniors decided to bring a fresh idea to dancing entertainment, so they employed a "V.J." which accompanied each song with a video on a large screen television. This proved to be very enjoyable to those who went to the dance and who knows, we might see it again in the future. All in all, everyone enjoyed the evening at the Valentines Dance.

Karen Schmitt, Beth Edwards, and Marie Casey, we thought the Bomber Bash was in the commons and not the girls bathroom.

Kristen Thomas, Dave Rogers, and Kim Polomsky eat dinner at Pier East before Winter formal.

These two familiar couples, Ken Clark and Bonnie Finley and Mike Boehringer and Heldi Weiker, seem to be enjoying themselves at the Valentine Dance.

As Michelle Kwiakowski and Matt Stanton dance the night away, Heather Kessell goes on a "Man Hunt."

Even though it looks like Stephanie Kroon might have broken her wrist, she still finds time to "Polka" with Mike Orazen. T.J. Hague and Christine Luff take a break from the Valentines Dance to show us their "Ultra Brite" smiles.

Certs Encounter #86: Kim Polomsky meets her Romeo, Miles Clark.

Faster Than Sound members, Chris Bishop, Chris Schwalm, and Dave Kleimman, prepare their system for a wild evening at the "Bomber Bash."

Mrs. Kramer takes a deserved break from her "Bomber Bash" duty.

The weight club, headed by Mr. Chinchar, averages about 30 students who meet three times a week from 2:45 to 4:45 in the recreation center building. They raise money by participating in a lift—a—thon. This club provides an environment including proper instruction where students can train to improve themselves for other sports or develop themselves physically.

For the third year, CFHS participated in the Academic Decathalon. The Decathalon is a contest which tests High-school students with grade point averages that fall in the A, B, and C range. They exhibit talents in the fields of composition, public speaking, rapid recall, and an array of specific subject areas concerning academics. The team consisted of seven seniors, Dave Freer, Kate Lowerre, Mary Zetwick, Jennifer MacDonald, Jeff McKenna, Jason Rosette and Greg Nosan. Juniors Gregg Hill and Keith Bayer also competed on the team. CFHS place sixth overall among 37 schools, most of which have higher enrollments. The team made an impressive showing and deserve their peers' admirations and should feel a great sense of accomplishment.

TIGER TIMES

PRISM

PRISM, the school literary magazine, received over a hundred submissions this year. In the spring, the staff compiled the best offerings into its annual publication. The editors are Stacy Scultz and Kris Korb. Staff members included Carolyn Bare, Dawn McFadden, Alissa Webb, Dee Stevens, Chris Murray, Heather Bryson, Andrea Rostek, Sue Mercer, Kate Lowerre and Dierdre McDonnell.

Over the course of the school year, the 1985–86 ZE-NITH staff was reduced to a considerably smaller, but nonetheless hard—working nucleus of students. This year, the use of the computer was established, and we saved \$1500 in the production costs. Although it was a little difficult to get used to, we found that sometimes cheaper is better!

The fact of the matter is, without our esteemed advisor, Linda Gilmore, we couldn't have done it. She was the rabble–rouser and work–inducer, and we love her for it. The Editors also deserve credit for forcing work on the often unwilling staff. We'd also like to thank PLA-TO'S REPUGNANCE for their valuable and well appreciated input. Theirs is a thankless job. Not only is the staff beholden to the afore mentioned personages, but also to a certain Mr. Ralph Harris, whose computer literacy and genius was irreplacable. Last, but most definitely not least, the Staff deserves a huge Thank-You, for without them, you wouldn't be reading this right now.

MUSIC MAN spring musical

The Spring Musical performed by the C.F.H.S. Choir was once again a hit. For the 1985-86 season, the choir chose to do THE MUSIC MAN, which had never been done at Chagrin before. Because of the complexity of the show, choir members spent many evenings rehearsing way past their bedtimes, and finding themselves thoroughly exhausted the next day. But the droopy eyes turned out to be well worth the lack of sleep and unfinished homework. Wayne Merholz once again claimed the roll of Director, and his wife Holly did the Choreography for the Show. With the added effort of Carol Foley's musical direction. THE MUSIC MAN was a play never to be forgotten.

Scott Smith bursts out his musical voice as he sings "76 Musical instruments" or is it "76 Trombones"??

Eric Whitelaw and Eric Harsh led the pack this year in our productive cross—country season. Seniors Chris Stanek and Ralph Harris, and sophmores Kris Koprowski also contributed to our outstanding record. Bill Cull also provided comic relief, while Lori Purtell and Debbie Stanek were the prima donnas of the girl's team. Heidi Johns, Carlene Cox, Michelle Polomsky, and Jamie Scholoro were also fine runners. I don't think any of us will forget the Malone Invitational, Warren, and LCC race. We often seem to be asking us why we subject us to this torture. The pasta dinner before sectionals at Eric Harsh's house had to be the highlight of our season. Under the mentorship of our coach, John Hurst ,we advanced to districts. Good luck to the team next year!!

The Chagrin Falls Tiger Golfers' tradition of excellence continued in 1985. The golf team was very young, but you wouldn't have known it by the efforts they put forth. Tigers played many outstanding matches including a 160-160 tie, at Auburn Springs, against unbeaten U.S.. They were lead by veteran Senior Jim Zetwick in the first slot, Senior Adam Chafe played second, Sophmore Jeff Materni was third, Freshman Dave Alexander was fourth, and Sophmore Kristin Clark rounded off the Varsity squad. They finished fourth overall in the league, behind Coach Hensel and came in close second in the league meet which was held at Chagrin Valley Country Club. Zetwick was tournament medalist, carding 279. The '85 season ended prematurely for the Tigers as they finished a disapointing 8th in the district tournament, but Zetwick, shooting a 78, went on to regionals In Huron. Chagrin had a league high of 4 players selected to the all league teams and Zetwick was M.V.P., capping off his miraculous season. Alexander, Chafe, and Materni were all selected to the second team. The golfers would like to thank Coach Hensel for a super season and wish the best of luck to the golfers in the coming season.

The 1985–86 Girl's Tennis team had quite a few impressive victories this season. Under the direction of Coach Hanson, returning Seniors Mary Zetwick and Megan Hanley took their Doubles team all the way to State but were defeated in the Semifinals, along with Junior Julie Gottschalk who competed Singles at State. All in all, the Lady Tigers Tennis Team had a very successful season that they can be proud of.

Hawken's Lori Kern and Heather Lake captured the class AA regional tennis doubles title in Candon Sunday with a 6-4, 6-1 victory over Orange's Jennifer and Rebecca Aqua.

In class AA singles play, Chagrin Falls' Julie Gottschalk fell to Michelle McMillen of East Palestine by scores of 6-1, 6-1 in the final match held Monday after delays caused by inclement weather conditions.

Those five ladies, along with Solon's class AAA doubles duo of Meredith Linhart and Marianne Martin, will all be competing in the state tennis tournament in Columbus. The state tourney opens tomorrow morning with the finals to be held Saturday.

Kern and Lake, who won a district championship the previous week, opened the Canton regional with a 6-0, 6-0 whitewash of Elyria Catholic's Chris Koebel and Melanie Jones. They then dumped Laura Kosko and Beth Oliver by scores of 6-1, 6-2 to advance to the semifinals.

The Lady Hawk duo had their toughest match of the tournament in the semis before prevailing against Laurel's Hilary Brown and Danielle O'Laughlin by scores of 6-4, 6-3.

The Aqua sisters opened up by defeating Christine Bednart and Sara Themas of Canfield 6-4, 6-2 and then bounced Olmsted Falls' Debbie Schmening and Kelly Strong 6-2, 6-1 in the quarterfinals. Team Aqua made the finals with a hard-fought 6-4, 7-6 victory over Canton Central Catholic's Daniele Lungociu and Stephanie Michel.

The Lungociu-Michel duo handed Chagrin Falls' Mary Zetwick and Meg Hanley a 6-4, 7-5 defeat in the quarterfinals after Zetwick and Hanley had outlasted Canfield's Julie Pecano and Deaniel Pike 3-6, 6-4, 6-3 in the opening round of play.

Gottschalk breezed into the finals with a default victory over Aurora's Ann Marie Parton in the first round, a 6-2, 6-2 victory over Kenston's Sue Runkel in the second session and a 6-1, 6-0 decision over Beachwood's Laurel Caplin in the semifinals.

Solon's doubles duo of Linhart and Martin (a sophomore and a freshman) were third at the class AAA regionals at Strongsville. The Lady Comets started off with a 6-3, 6-0 win against Kelli Macken and Lisa Russo of Boardman and followed that up with a 6-3, 2-6, 6-1 win against Cindy Bernosky and Terrie Dragon of Brecksville.

The state tournament begins tomorrow at the Ohio State University courts. Saturday's finals will be contested at the nearby Wirthwein Tennis Facility.

The 1985–86 boys varsity basketball team finished with a 14–6 regular season record and first place co–championship in an exceptionally difficult Chagrin Valley Conference. The team was anchored by four returning lettermen, Mike Boehringer, Dale Tomalin, Ken Clark, and second year starter Scott Banda. Completing the starting lineup was sophomore Ryan Kaye who ended the regular season as the third leading scorer in the Chagrin Valley Conference. Rounding out the regulars were reserve point guard Brian Bargar and backup "Big Man" Eric Arthurs.

The varsity Tigers had to struggle for everything they got for most of the season. Games against Orange, Solon, and Kenston were all within five points at the final buzzer. The boys team also fared well outside the conference, winning four out of the six games.

The boys also play a post season state tournament at Lakeland Community College. Many experts feel that the winner of this district will probably advance all the way to Columbus. In all though, this winter can be considered a success for the boys basketball team as they garner the CVC bragging rights at McDonald's for yet another year.

It isn't easy to be a prelude to the Varsity basketball team but this J.V. team played their hearts out every night. Coach Quisenberry's team was led by Junior Dave Martin and Sophomores Steve Calder, Bob Fitz, Brian Desberg and Chad Vranich. They finished with a solid record of 12-9. Every member of the team contributed. Many people simply came to watch the very exciting finishes led by Chris Young and Dan Cull. This team will definitely be following Chagrin's winning traditions in the vears to come.

Team members selected Bill lenderson as MVP and Pat Kraren as most improved. Rob (aye was the Ball Hog of the eam and Tate Pierce will be renembered for his half court shot.

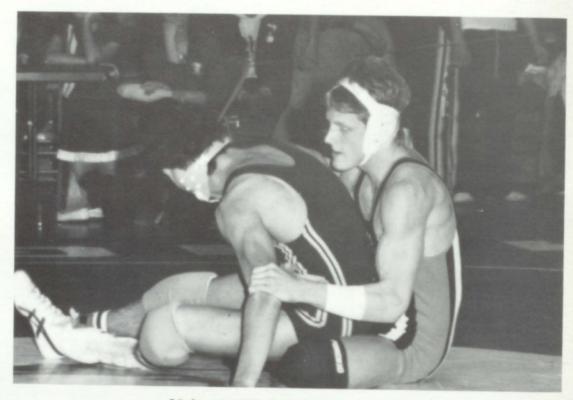

Wrestlers

The Chagrin Falls High School Wrestling team finished a fine season with a 10–3 record. The CVC co-runner-ups were led by seven seniors: Erik Speed–132, Rick Lasch–138, Eric Zilafro–145, Bob Winovich–155, Tom Williams–167, Bruce Campbell–175, and Heavyweight Eric Fitzpatrick. The Seniors helped to bring together a dedicated team including hard working freshman Tim Clark–112, and Todd Feucht–119, sophomre Brian McKenna–98, and Juniors Brian Barosh–126, and Mike Orazen–185. The team set high goals for the season and worked hard to attain them. The team finished third at Richmond Hts. and fourth at the K.I.T.

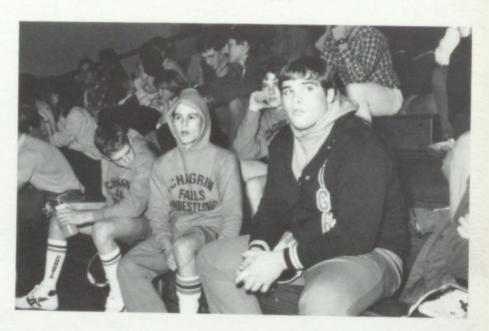

The team sent six wrestlers to regionals after placing third at a tough Medina Highland district. McKenna, Speed, Lasch, Williams, Campbell, and Fitzpatrick all qualified and paced Chagrin to a second place Regional finish at Akron Firestone.

Seniors Fitzpatrick, Campbell, and Speed qualified for the state tournament. Erik Speed was the state runner-up at 132 lbs., placing the highest in Chagrin history. Bruce Campbell finished third in the state at 175 lbs., tying the previous highest place and capping off an outstanding senior year. This was the first time Chagrin placed two wrestlers at the state level in one season.

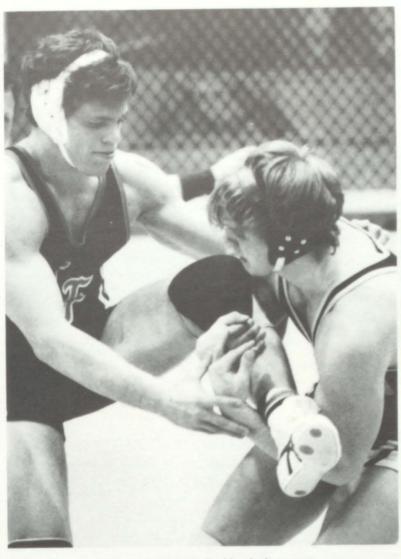

The records and performances exemplify the attitude of this wrestling team. The team worked together, supported each other, and pushed one another to do better. It is hoped that the success of the 1986 Chagrin Falls High School Wrestling team is carried over to the following years and will eventually become tradition.

TRACK GETS OFF ON

The 1986 Chagrin Falls Track team brought out some new talent this year, with a good combination of new and old faces. On the distance portion Eric Whitelaw and Judd Vilardo teamed up with sophomores Kyle Conrad, Eric Harsh and Greg Lineweaver to create a winning balance. On the sprinting side of the scale, outstanding runners such as Jeff Koeser, Jeff Mettee, Mike Durkee and Johanes Beil took honors.

The hurdles were dominated by Matt and Joe Stanton, John Fow and Bob Fitz. Field events were led by Scott Materni and Chris Bishop who competed on shot put and discus, while Scott Aleman and Roger Bly lead the team in the pole vault and long jump. The high jump was lorded over by Kip Dotson.

All in all, the CFHS Track team for the 1985–86 season had good reason to be very proud of not only their display of teamwork, but also the impressive display of victories.

Freshman Megan Thomas and the moro-twins (Sue and Stephanie Wright) were a welcome addition this year. Seniors Andrea Hummer and Tracy Bryan are dominating 110 low hurdles while Jodi Bernard set a school record in the 300 lows to add to her other numerous accomplishments.

Varsity Baseball 86

Once again, Chagrin Falls fielded a group of talented ballplayers in 1986. Led by record-setting hitter and Captain Ken Clark, the Tigers had a successful season marked by early victories over archrivals Kenston and Solon. The team was built around experienced Seniors such as Mike Boehringer, Jeff McKenna, Mark McElhinney, Chris LaFond and Scott Banda. When combined with Juniors Dave Martin, Jim Kwasny, and Ross Daniele, and Sophomore T.J. Florkiewicz, a strong unit was formed under the leadership of Coaches Lenny May and Jim Bucar. The team had high hopes for success in the CVC and State tournaments.

Americans are notorious for not knowing how to speak any language other than English—and often not that very well. Through the efforts of the esteemed foreign language department, Latin, French, Spanish and German scholars are produced, ready to travel the globe and see such heavenly sights as the Versailles Palace, Glockenspiel in Müchen, and the Alhambra Palace. Mrs. Gloria Powell, a respected faculty member of the business department, will be packing away her typing and correction paper after 24 years of teaching, so that she can begin enjoying her retirement. Her plans for retirement include becoming a Chagrin mother, playing golf and tennis, enjoying morning symphonies, and traveling around in their motorhome.

After many years of terrific service to the Chagrin community, Mrs. Powell has been known as a caring and very understanding lady. She is always very concerned about her students and is always there if you need a helping hand. To many students, she becomes a very close friend instead of just a teacher. I know myself and many other students will miss her presence very much. But we, the students of Chagrin Falls High School, wish you the best of luck in the future!! You deserve the best, Mrs. Powell!!

CLASS OF 1962

After many years as an English teacher, spiritual mentor, and fashion plate at Chagrin Falls, Mrs. Frances Jenkins has decided to call it quits. She hastaken up a worthy cause:saving the world from nuclear annhilation, and this down easter's talents will be well used. Of her plans for retirement, Mrs. Jenkins is characteristically outspoken: "I am going to read more, and maybe write a book about something like Dave Freer, and learn to quilt and spin. I am not going to watch birds, go to Florida, or lend active support to museums." Whatever she does, wherever she goes, she'll unleash on the real world the specialness we'vecome to know and appreciate as hers.

CLASS OF 1975

DALE RICHMOND Dean of Students

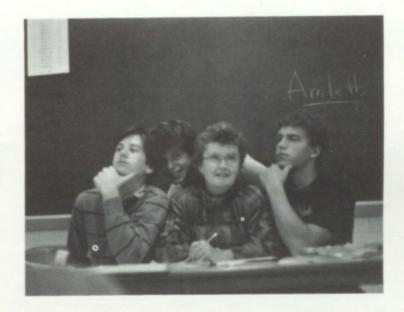

FRANCES JENKINS English At the end of the 1985–86 school year, Mr. Neal Wheatcraft will conclude his 35 year teaching career at Chagrin Falls High School. Within that span of time, he has taught not only Chemistry, but also Physics, Biology, General Science and the Physical Science Seminar. Mr. Wheatcraft has also been supervisor of the National Honor Society and Chairman of the Honors Banquet for about 30 years. And in his rookie year, he even had Mr. Hurst and Mr. Hensel as science students, both of whom were seniors at the time.

After his retirement, Mr. Wheatcraft and his wife, "The Boss", would like to do some extensive traveling. They also intend to spend some leisure time on their hobbies which include furniture refinishing, gardening, and reading. They have no intensions of moving away from the Chagrin area, partly because their three children, all of whom went through the Chagrin school systems, still live in the area.

Over the years, Mr. Wheatcraft has grown to truly value the freedom he's had to teach as he chooses. After his retirement, he will not only miss the daily routine, but also the valuable contact he's had and the special relationships he's developed with the students over the past 35 years.

Although we will no longer be able to see Wheatle walking to school and home every morning and night, rain or shine, he will undoubtedly be popping up around town, and at public school functions. And even though he won't be a part of the daily routine here at C.F.H.S., the memory of not only his teaching, but also his smile and friendly personality will never be forgotten.

MR. RICHMOND RETIRES AFTER 33 YEARS

Dale Richmond retired in January after 33 years of valuable service for the high school. He was widely respected as a government teacher, who involved his students in mock congresses and other projects which taught through experience. For the last 10 years his home was the front office where he was our Dean of Students and Student Council Advisor. His door was always open and the smell of pastries was often present.

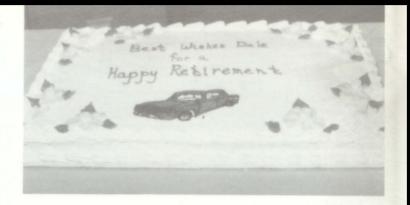

He has plans to restore more old cars and has been working for Glenbeigh Drug Rehabilitation Center in the community outreach department. We know that teen addiction had occupied much of his time over the last few years and it is satisfying to know that he can devote himself fully to this pursuit now.
