The

Beat

Goes

ON...

2 Opening

Some of us look at high school only as a rhythmic drone of classes and early mornings. Yet high school is the four years which allow us to establish our own distinct rhythms. As we approach life there is an everchanging beat; a new principal, Mr. Harrison, and vice principal, Mr. Hunt, the dubbing of "American Idol", the final season of "Friends", the elimination of class ranks. It may be too fast...it may be too slow...but when we find the perfect beat we must drum along. Songs of our lives will then flow and lyrics will encompass all that we represent; we become our own conductors.

**Chorus:** The beat goes on with each passing generation  
And as our scores of knowledge are handed down  
Memories surface with vast emotion  
No matter what we may encounter  
With the players in our bands, the beat goes on...

The decisions we make here at Chagrin Falls High School, and in the days ahead, are solely up to us. We choose how our sheet of music will be written and how it will be played; we attempt to make the world seem a little less "Complicated", growing from September 11th, as we still face the impending doom of war with Iraq, from numerous child abductions, and from the West Nile virus. Although the flow of students changes as they graduate, noteworthy memories will live on and the incoming classes will become maestros.

**Chorus:** The beat goes on with each passing generation  
And as our scores of knowledge are handed down  
Memories surface with vast emotion  
No matter what we may encounter  
With the players in our bands, the beat goes on...

words by: Chelsea Horvath and Chris Smith

**Opening 3**

# Bittersweet

Departing from our world of: seven-hour school days, early mornings, brown bag

lunches, busy work, and detentions, we must hesitate to press fast-forward, but rather

press *pause*, and then rewind. Rewind to the days of the safety-patrol, the CAA athletic

events, the "Raccoon Recognition" board, the kickball tournaments, and all of the events,

from elementary school to middle school to high school, that have made us who we are

today. As we remember the days of the past and relate them to today, there has been more change in our lives than we have realized. We have set our own *beats* for ourselves and sing along to our own lyrics, making ourselves our own people. Yet, as different as each song of the class of 2003 may be, there is a

*"You'd better lose yourself in the music, the moment, you want it, you'd better never let it go. You only get one shot, don't miss your chance to blow. This opportunity comes once in a lifetime." Eminem*

bond that can not be broken as we each share a love for *music*. Music describes what can not be put

into words; a time, a person, a place, a joy, a hurt. The end of high school is a *bittersweet symphony*; we are leaving the only melodies that we have known, yet new rhymes and rhythms will be seen each day that we may choose to insert into our lives that will make our *compositions* better than ever. We are not quite

finished establishing who we are yet, so we must not quit because *the beat goes on*...

words by: Chelsea Horvath and  
Kasey Harrigan

*"That it shall never come again is  
what makes life so sweet."  
Emily Dickinson*

*"Time goes by fast, and people go in and  
out of your life so quickly, so you should  
never miss the opportunity to tell these  
people how much they mean to you." CHEERS*

Amazing, No Explanation, no mix of words, music, or memories can capture the feeling of CFHS in the past four years. "We were riding the crests of a high and beautiful wave. Now four years later, you can look back and with the right kind of eyes you can almost see the high water mark, that place where the wave will finally brake and roll back!!!" - Fear and Loathing in Las Vegas.

Malerie Giaimo-

# Closing Time

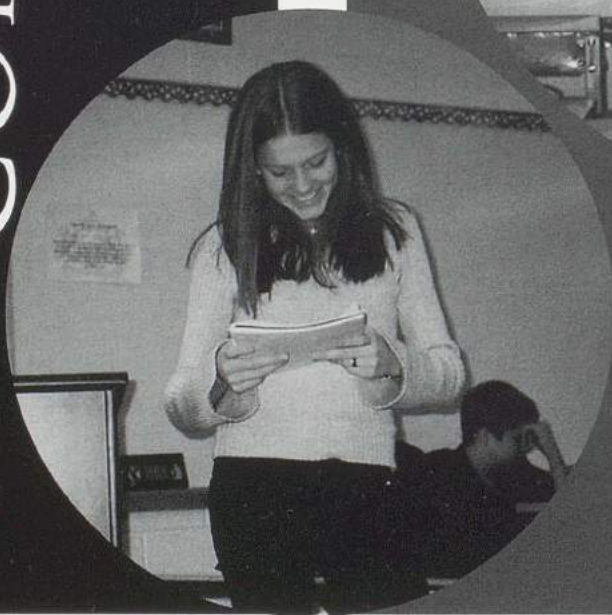

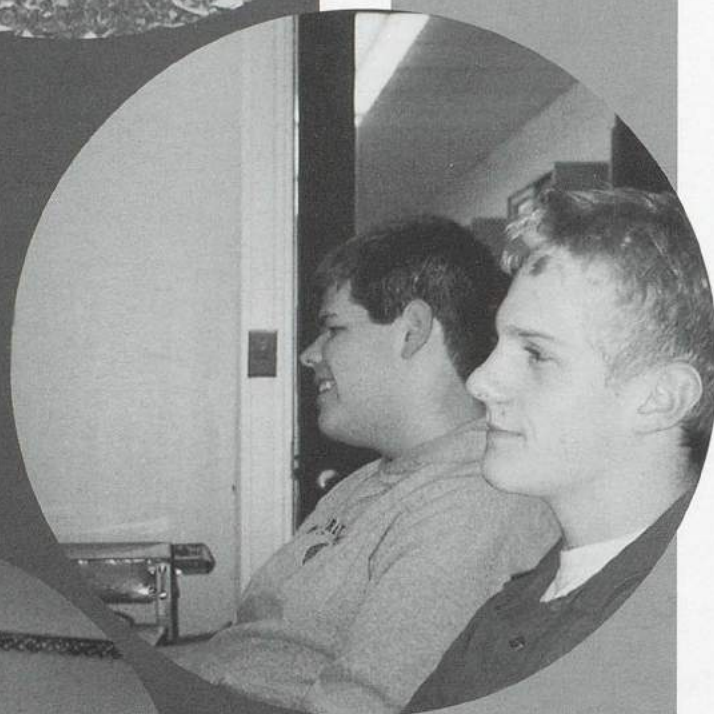

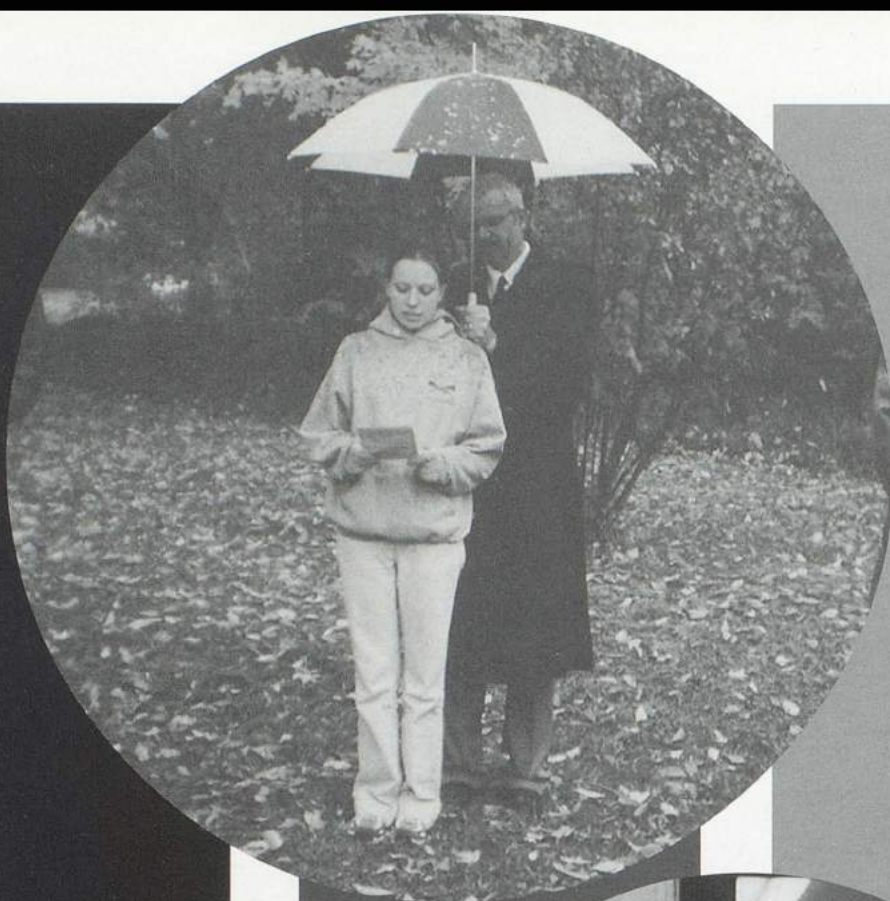

Throughout the past four years at Chagrin Falls High School, the class of 2003 has surpassed all expectations, as we will in years to come. Whether it be in academics, athletics, or extracurricular activities, we have succeeded in numerous areas. Within these confined walls and through the foyer doors, in which we have walked countless times, we have proven ourselves time and time again. We have proved ourselves not only to our teachers, but also to our peers, our families, and our friends. Now it is time to prove ourselves to the world. We have been through three different principals, two presidents, and 5,180 hours of schooling. From sharing lunches, to sharing clothes, to sharing memories, we have been through countless experiences. Regardless of the changes we have endured, our friendships are the one thing that has remained constant. Just as the beat went on from kindergarten through senior year, we will be "Movin' On Up" throughout the rest of our years to come...

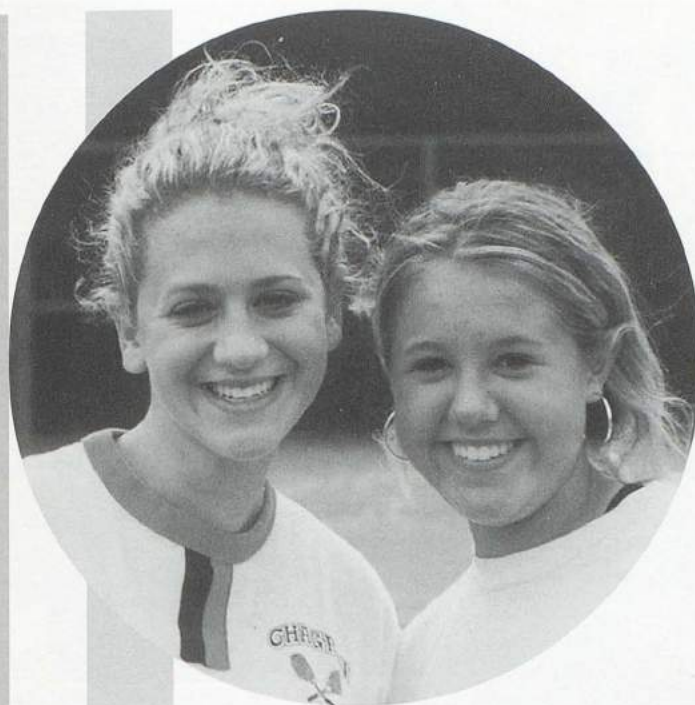

# PEOPLE "COME TOGETHER"

LIKE THE BEGINNING OF EVERY YEAR,  
**THE** FRESHMEN ENTERED A NEW  
BUILDING AND NEW ATMOSPHERE WITH  
NERVOUSNESS, UNCERTAINTY, AND  
EXCITEMENT ALL AT THE SAME TIME.  
HOWEVER, IT DID NOT TAKE THEM LONG  
TO FIT IN AND FOLLOW THE  
**BEAT** OF THE REST OF THE

SCHOOL. THE SOPHOMORES STANDING  
STRONG IN THE MIDDLE WERE NO LONGER  
THE NEWCOMERS, BUT NOT YET ABLE TO  
RECEIVE THE PRIVILEGES OF THE  
UPPERCLASSMEN. DESPITE THE DIFFICULTIES  
OF SCHOOLWORK EVERY PASSING YEAR,  
EACH SOPHOMORE ORDINARILY

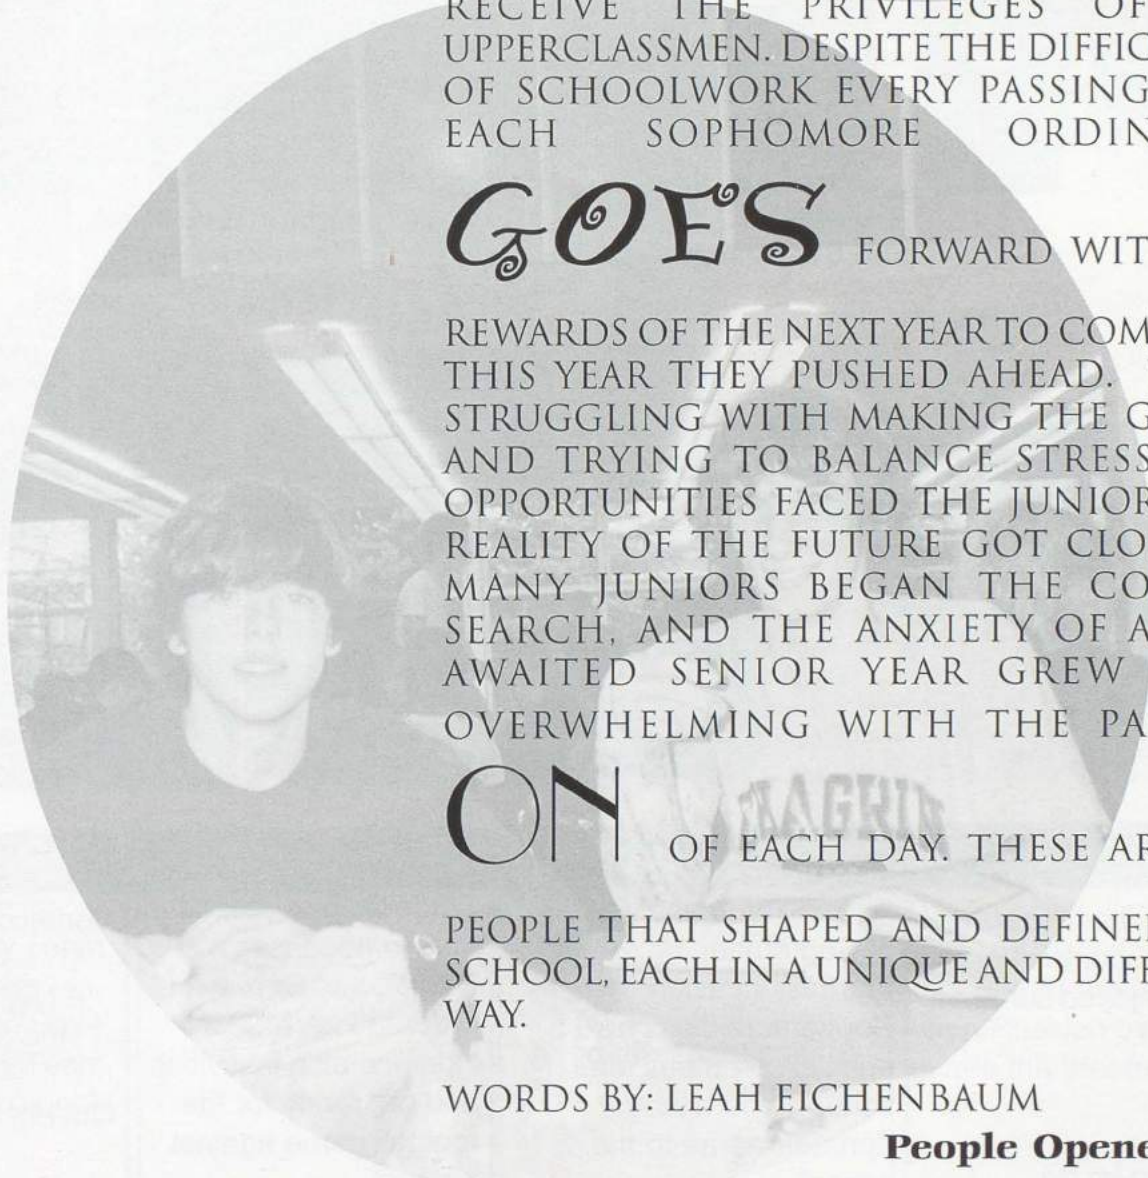

**GOES** FORWARD WITH THE

REWARDS OF THE NEXT YEAR TO COME, AND  
THIS YEAR THEY PUSHED AHEAD. WHILE  
STRUGGLING WITH MAKING THE GRADES  
AND TRYING TO BALANCE STRESS, NEW  
OPPORTUNITIES FACED THE JUNIORS. THE  
REALITY OF THE FUTURE GOT CLOSER AS  
MANY JUNIORS BEGAN THE COLLEGE  
SEARCH, AND THE ANXIETY OF A WELL  
AWAITED SENIOR YEAR GREW MORE  
OVERWHELMING WITH THE PASSING

**ON** OF EACH DAY. THESE ARE THE  
PEOPLE THAT SHAPED AND DEFINED OUR  
SCHOOL, EACH IN A UNIQUE AND DIFFERENT  
WAY.

WORDS BY: LEAH EICHENBAUM

# Foreign language

students had many real world experiences. Twenty one Spanish students ventured to Costa Rica for two weeks over spring break. The students lived for five days with a Costa Rican family. Many German students will travel to Germany and Austria this summer. They will visit a salt mine, a concentration camp, a soccer game and two castles. A french trip was unfortunately cancelled due to 9/11. The students were planning on visiting Monet's home at Giverny, and Van Gogh's and Cezanne's studios in Provence.

Numerous students also experienced the world on their own. Emily Bowerman went to Ecuador and performed evangelistic drama.

And Claire Pavlich has attended a Spanish Immersion for three summers.

In 2002, eight students ranked nationally on the National German Exam. Lindsay Rawot, Colleen Koval, Kelly Blake, Emily Keeseey, Jean Sloan, Brittany Anderson, Konstantin Damm, and Gretchen von Boeselager all scored in the 90th percentile or above. The AP scores from 2002 also displayed excellence, all of the students that took the French and German AP exams scored a three or higher on their test. Eleven Spanish AP students earned a three or higher on their tests. Justin Locsel, Konstantin Damm, and Gretchen von Boeselager earned a five. Overall, language is definitely an area we excel in.

# "Complicated" Computer & Math

For yet another year the Math and Computer departments continue to produce students with outstanding math and computer skills.

Offering two levels of Advanced Placement (AP) Calculus and two levels of AP Computer Science, the math and computer teachers continue to give students numerous opportunities to reach above and beyond, achieving continuous success.

Last spring, twenty nine out of thirty-six students, taught by Mr. Tolleson, scored a three or higher on the AP Calculus AB test and twenty-three out of

twenty-six students scored a 3 or above on the AP Calculus BC exam.

The AP Computer Science students, taught by Mrs. Pettie, are some of the brightest students at CFHS. They received excellent scores on the exam. Ninety-six percent scored a three or higher on the level A exam and one hundred percent of AB students received a three higher on the test.

The math department also sponsors six Ohio Math League contests and two American Math competitions each year, giving students a chance to extend their math abilities outside of the classroom.

Thirty years of devotion came to an end last year as the English Department said farwell to Lenny Balk. Along with inspiring students in the classroom, especially his A.P. seniors, Mr. Balk also headed the speech and debate team. Admired and appreciated by students and faculty alike, Mr. Balk left a significant mark upon the school. "He was ready to help whenever he could. In class we could always depend on Mr. Balk to enlighten us, and the work and knowledge he put into debate was tremendous," said former student Justin Henderson. The departure of Mr. Balk introuduced two new

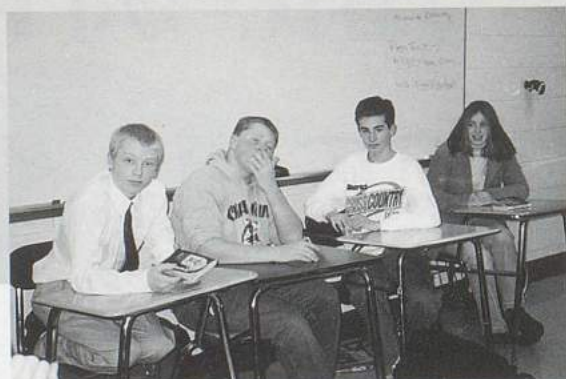

teachers to the English department, Mr. Vikas Turakhia(ninth grade college prep/twelfth grade honors) and Ms. Bobbie Serensky(twelfth grade A.P. and college prep).

Continuing to strive for success, Ninth grade Honors English teachers Mrs. Hoffmann and Mrs. Ashkettle enter students in the annual "Ayn Rand Institute" essay contest. Underclass English classes participate in Sophomore Resarch projects and lengthy oral recitations.

Out of a possible five points 72% of the eleventh grade students who took the AP test and 86% of the twelfth grade students scored a three or higher.

"I love teaching History because I believe we learn a great deal from the past and owe it to ourselves not to repeat the mistakes that have been made. I also think that kids should have a strong sense of pride in their heritage and it is my job to teach their history to them." -Mr. Salyers

## This Year

the Social Studies Department added an additional AP class to its course choices. The AP Government class has 24 students enrolled. Last year, 40 students took an AP Social Studies test and 80% of those who took the test scored a 3 or above.

Seven Chagrin students qualified as top scorers in the state Ohio University History test. Andrew Pearsons, Michael Cunningham, Stuart Lange, Marcel Weith, Benjamin Goodrich, Alan Barnes and Geoff Demoracki. Andrew Pearsons tied for the highest score in the state.

Nick Usaj attended the National Institute on Intelligence and Defense Conference in Washington D.C.

Under the supervision of Mr. McKenna, students received the opportunity to hear notary speakers at the Town Hall Speaking Series in downtown Cleveland. Speakers/presenters included, Former Mayor Gulliani, Colin Powell and Dennis Eckhart.

What: The Science Club, presided by Chris DiMichele  
 Where: Anywhere in nature  
 Why: To explore the many areas of science and to gain an appreciation for nature

Mr. Roberts

Mrs. Salyers

"The Science Department is proud of the high numbers of students who select to take upper level courses and the great success they have on national tests." -Mr. Furst

The science department, headed by Mr. Buckle, continues to offer a wide range of subjects and levels for students to study and excel.

AP classes include: Biology, taught by Mr. Ricci, Chemistry, taught by Mr. Buckle, Physics, taught by Mr. Roberts, Environmental Science, taught by Mr. Weigel. In addition, Life Science Seminar is taught by Mr. Furst. The wide breadth of courses offered allows students to find their niche.

Traditionally, science students score very highly on the AP exams in the spring of each year, helping to distinguish Chagrin Falls High School as "a nationally recognized school of excellence."

Outside of the classroom, Science Club, coordinated by Mr. Buckle and Mr. Roberts and presided by Chris Dimichele, takes advantage of the many activities science has to offer. Yearly activities include laser tag, nature hikes, tobogganing, trips to the Great Lakes Science Center, and the infamous Mole Day, which takes place on October 23 at 6:02am. Here the students enjoy Mr. Buckle's famous Bucklewheat pancakes as a treat before school.

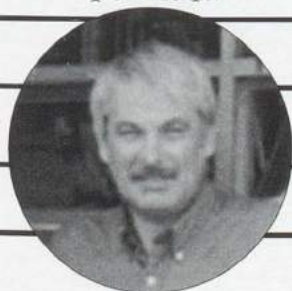

Other highlights include the physics end of the year trip to Cedar Point, where students test the laws of gravity, as well as the annual Chemistry Olympics, where top students travel to CSU to test their chemistry knowledge.

## Mixed Choir

We've got the beat...we've got the beat! Yeah! In the spring of 2002, more than one of the Chagrin Falls High School Music Groups proved to have the talent to succeed. In the District Contest the High School Concert Band received a superior rating, along with both of the choirs. The Mixed choir received the highest rating of one in one of the highest classes, class A. As for that Women's choir they went a lower class, class B and also received the rating of a one.

On the other hand the select group called the Wind Ensemble proved to be anything less than the best. At the District contest the Wind Ensemble received a superior rating. They then pursued their dreams in placing for the State Contest. At the State contest they had the right rhythm. The received a rating of superior in the highest class, Class A.

## Janitorial Staff

Both Mr. Harrison and Mr. Hunt can be found observing the halls between periods, and looking after the students' safety while making conversation with the passing students.

With a new school year comes a new round of faces, this year in the form of administration. Mr. Tom Harrison and Mr. Robert Hunt both came with experience from different schools in the area. Mr. Harrison, coming from Champion High School, had six years of experience as principal, while Mr. Hunt, from Kenston Middle School, had three years of experience as assistant principal and three years of experience teaching English.

Both Mr. Harrison and Mr. Hunt can be found observing the halls between periods, and looking after the students' safety while making conversation with the passing students.

Also new to the school this year is Officer Reed from the Chagrin Falls Police Department. She mainly observes the students and makes sure everything goes smoothly in the building.

## "TAKIN' CARE OF BUSINESS"

IN **THE** EARLY MORNING HOURS, THE SCIENCE CLUB CAME TO THE SCHOOL AT FIVE O'CLOCK TO MAKE THE FAMOUS BUCKLEWHEAT PANCAKES TO BE SERVED AT 6:02 AM. SOON AFTER, TI/SADD MEMBERS MET IN MR. KLINE'S ROOM TO DISCUSS THEIR TALKS WITH THE ELEMENTARY SCHOOL TO STRESS THAT BEING DRUG AND ALCOHOL FREE IS THE ONLY WAY TO BE. WHEN THE MORNING ANNOUNCEMENTS CAME ON, THE CRAFTY CREW OF NEWS CHANNEL FOUR GAVE THE STUDENTS NEWS ABOUT UPCOMING EVENTS AND MEETINGS. ECHOING IN THE HALLS, THE STUDENTS

HEARD THE **BEAT** OF THE BAND,

THE SONG OF THE CHOIR, AND THE POETRY OF DRAMA. THIS ECHO ROUTINELY

**GOES** UPSTAIRS WHERE THE

NEWSPAPER STAFF AND THE YEARBOOK STAFF WORKED DILIGENTLY TO MEET THEIR NEXT DEADLINES. WHEN THE DAY ENDED, THE WEIGHTLIFTING CLUB SWEAT IT OUT IN THE WEIGHT ROOM, WHILE THE KEY CLUB ORGANIZED THE NEXT BAKE SALE, TUTORING SESSIONS, AND FOOD DRIVES. NHS MEMBERS ALSO MET TO PLAN THE NEXT VOLUNTEER SESSION. ENDING THE DAY, THE MEMBERS OF PEER CARE MET AT THE SCHOOL

AND GOT **ON** THE BUS TO GO TO THE

ANNUAL OVERNIGHT PEER CARE RETREAT, WHERE PEOPLE SINGING ALL DIFFERENT SONGS CAME TOGETHER.

The boys fulfilled the high expectations they faced by winning the CVC with an undefeated record, and advancing to the next round on the road to states. Although they did not get as far as they wanted, the season was very successful, ending up with a 11-3-3 record and an appearance in the Sectional finals. The final game against Gilmour Acadmey was a tough loss of 2-0. The boys could not seem to score as the game slipped away. This season had a number of injuries on top of everything else. Many star players were plagued with

injuries: Ben Gift broke his ankle, Andy Murschel tore his ACL, Ben Timmons had ankle troubles and Eric Hull, the goalie, split his finger open right before the final game against Gilmour. Andy Murschel, Ben Timmons, and Ben Gift led the team with 16 combined goals and 19 combined assists. Eric Hull, Tom Hanculak, Adam Brule, and Chric McCall were all awarded All Ohio Academic awards, and Head Coach Gerhardt received coach of the year, with the help of 2nd year Assistant Coach Mango. New freshmen defender Pat Coleman was a very large contribution to the team this year. As sweeper, he aided in blocking a number of shots and was always reliable in

clearing the ball away from the goal. The team will be losing eight seniors, and although they will be young next year, they still have high hopes of obtaining the CVC title once again.

## TOMMY HANCULAK

**Position:** Midfield

**Destination:** Notre Dame

**Highlight:** Playing in Sectionals.

From Tommy Hanculak: "It was exhilarating, and I loved playing with the team and my friends, DUHANYA CHAD ALLEN SLOTHZUKI, it was great."

From the Coach: "Tommy was a real impact player, and he made a lot of big plays this season. He came through at just the right times, and just when we needed him. We will definitely miss him next year, and the years to come."

-Coach Gerhardt

From a teammate: "The one thing that I am going to miss about the seniors when they are going is how funny they are. I am also going to miss the leadership they showed and all the contributions they made to the team."

-Pat Coleman

## RITUALS

The boys soccer team has a number of different rituals such as the chow ups before the games, and chow downs afterwards. They also have a "SLOTHZUKI CHEER" that they say before the games in order to pump up the team and prepare everyone for the game.

BAY VILLAGE	0	2

## PLAY

"Five games to states, let's do it," said Coach Malone. Although the girls did not quite obtain this goal, they still went four and one in the state tournament. Losing in the Elite Eight against Bay Village was not too upsetting since they had already accomplished so much this season. Womens Soccer has not made it past Districts in five years, so their huge feat this year brought back the tradition of excellence. The season began in June with summer workouts three times a week. Once August rolled around, the girls began on their journey to the Elite Eight with strenuous

practices and a new found focus that the new Assistant Coach, Max Fowler brought to the team. Coach Fowler left his position as head of the Kenston Girls Soccer program to join the committed Chagrin team.

While the press denied attention to the young team, the girls began to prove their worth. First, in the pre-season, they tied state ranked Hathaway Brown in the Geauga Cup Tournament, followed by several close upsets to Division one teams, such as Brecksville and NDCL. Led by Co-captains Jenny Thompson and Britton Lombardi, the Lady Tigers captured their first victory against Holy Name. From there, the ladies improved with every game. The

beginning of the season started roughly, but they finished by winning nine of their last eleven games. They ended the season with a record of 12-6-3, improving from last year. The ladies were one tie away from being single CVC Champs, but with a tie to West Geauga the Tigers finished as Co-CVC Champions.

Their main focus, was the second season, a.k.a. the state tournament. The team made it all the way to the Regional Finals, losing to the eventual State Champions, Bay Village. The team started six sophomores and two freshman, and since they will only lose three seniors, the future looks bright.

## RITUALS

The girls gather for a pre-game chat at center field, with all teammates joined by pinkies. They always put on their jerseys after warm up before announcements and chant "Pump it up" at half time. The girls wore the good luck bracelets that Coach Malone gave them for the duration of the season. For team events such as the Homecoming Parade, they rode on the fire truck and at the end of season sports banquet, the seniors gave out gag gifts to each player.

**Above:** Head Coach Malone and Assistant Coach Max Fowler pay respect to our National Anthem. **Left:** The girls join pinkies at center field before kick-off.

## JENNY THOMPSON

**Position:** Goalie

**Destination:** The New York State University at Buffalo

**Highlights:** 2nd Team all CVC, 2nd team all Greater Cleveland

From the Coach:

"Jenny has been a four year starter for the girls soccer team. She made the commitment to play and train for soccer exclusively after her freshman year, giving up basketball and softball, in that she is one of the top goalies in Northeastern Ohio. She leads by example with a great work ethic and positive leadership qualities. Jenny has kept us in some big games by making outstanding saves." -Coach Malone

From a teammate:

"Jenny's voice is what brought our team together this year. If there was a breakdown somewhere on the field, she was the first one to see it and the first to correct it. Jenny also believed in "how you

practice determines the way you play in a game." You could often find Jenny practicing with a hurt hip or knee, as hard as she plays in games. She inspired the rest of us to practice hard, which was a key factor to why we made it to the Elite 8." -Kasey Stever

## "Thunder Rolls"

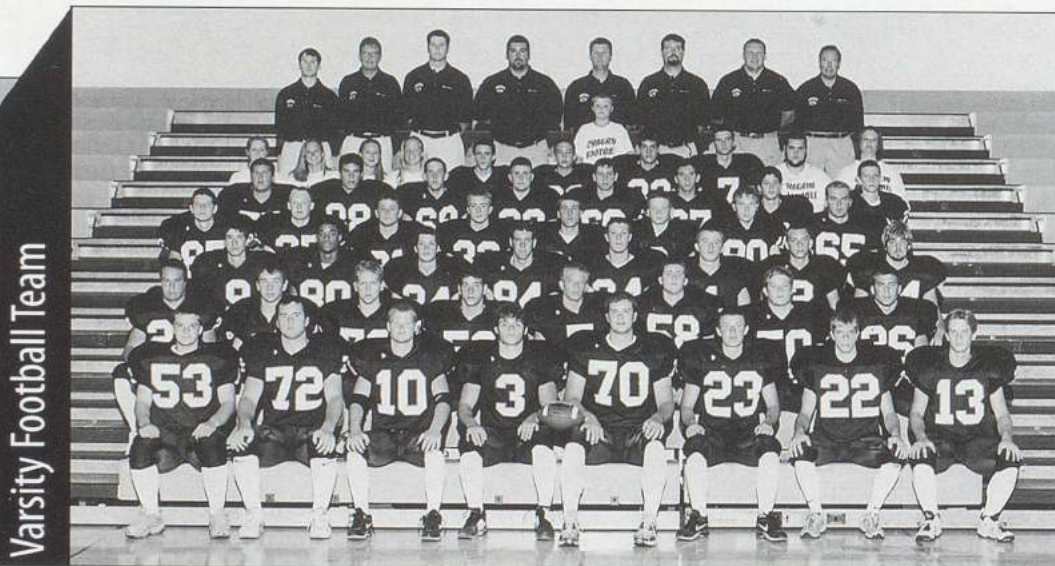

### PLAY

The Chagrin Falls Varsity football team "Felt The Thunder" this year with an impressive record of 7-3. The season started off with a roll of thunder in the first game against our cross-town rival, Kenston. In a first time ever experience, the game started Friday night and had to be completed Saturday due to adverse weather conditions. Thankfully, Chagrin came out on top with a 28-0 victory. Although they may have lost to Benedictine early in the season (45-27), the team felt proud of their great fight and the fan support at C.S. Harris Stadium that night. The mid-season game against Hawken proved to be a challenge

when Brandon Lombardy (RB DE) was injured for the entire season and Brian Robiskie (WR DB) was hurt temporarily, both due to knee injuries. But that just meant that the rest of the team and substitutes had to step up, as they did beating Hawken 27-13. Andrew Rutherford and Chris Hehemann proved to be the team's most productive defensive players, while BJ Koval turned out to be the most impressive, steady player throughout the season. Joe Jacobs, with an average of 61 yards per game, became the running back, which turned him and Kyle Canter into a great offensive threat through the duration of the season. Drew Stelzer had over 1,250 yards this season which proved to the team his new spot as quarterback. One

memorable moment this season was when they came back against Aurora by scoring three touchdowns in the second half alone, and claiming their territory with a 28-27 win. "I am very proud of the team this year. Mostly because we had to overcome so much adversity and a lot of players had to step up and accept the responsibility, but they came through and played very well," said Coach Immarino. Overall this season, they overcame numerous obstacles and proved themselves once again to the Chagrin Falls community.

# RITUALS

The football team has many traditions and rituals each year. Every Thursday night is the team dinner at Timberfire. Wembley was also the site for this year's annual picnic before the first game. One of the most popular traditions is on Saturday mornings. While watching films, the seniors choose the most valuable player from the night before to bring in donuts for everyone; a way to humble that player from the past night's events.

## KYLE CANTER

**Position:** Running Back, Wide Receiver, Defensive Back

**Destination:** Tiffin University

**Highlight:** Four year varsity letterman.

From a teammate: "Off of the field he didn't say much, he just had a presence where if he said something you just knew you had better listen. There was no question that he was the leader of that team. On the field he let it all out, even if he wasn't playing, he was on

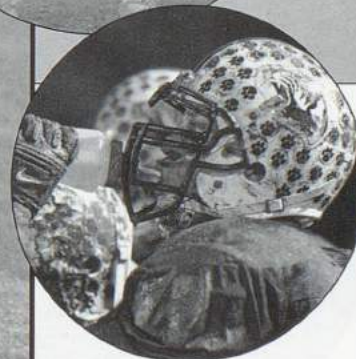

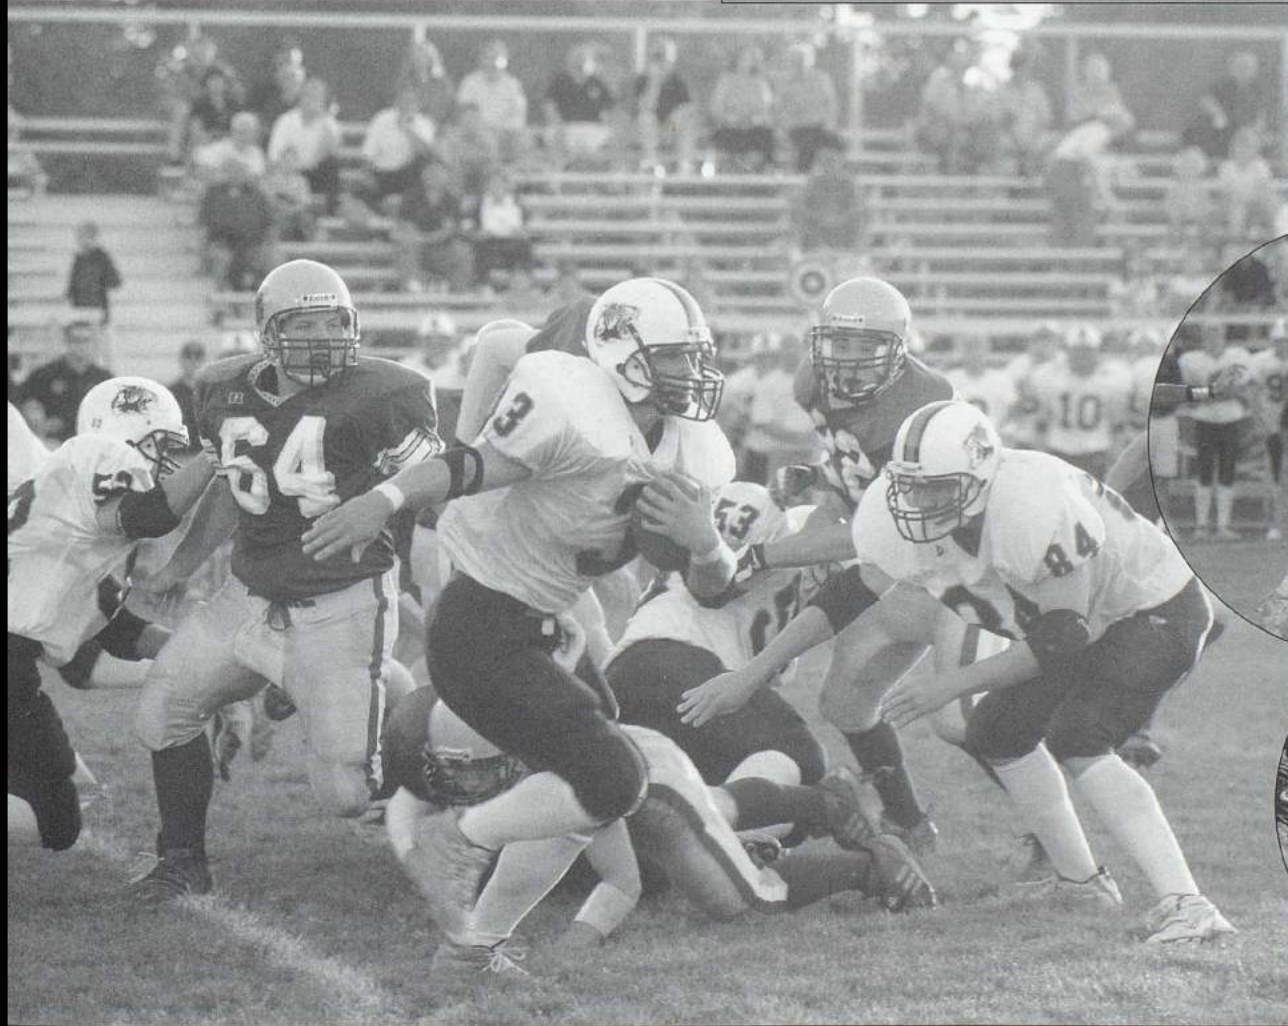

the sidelines shouting his lungs out for his teammates."

-Brennan Howell

From Kyle Canter: "The past four years of football have been very exciting. I could not be more proud of my teammates throughout these four years. My memories of them will stick with me forever. I would like to thank the seniors for 10 years of experiences, and all of my coaches."

From the coach: "Kyle has been very resourceful and has responded well to change throughout his four years on varsity. He was a tremendous captain no matter what obstacles he was forced to overcome. It was remarkable to have him letter as a freshman. He ended his high school football career on a great note, by becoming a bright spot on a dismal looking night against West Geauga." -Coach Iammarino

## "What's Love Got To Do With It?"

### PLAY

Not only did the girls come out with a winning season, but they placed Third in the CVC. The girls stepped up in matches against difficult teams such as Hawken, Magnificat, and Orange... and not only played well, but came out with the confidence to do even better in the next match. The most anticipated match of the season had to be against their top rival in the CVC, Orange. The team may have lost the match overall, but

they came out on the court more prepared than any year before this. They were ready to show Orange what they could do. The girls came out this year with only four remaining varsity players, and in turn some new additions to the team had to step up, which they did! At first, second and third singles they had seniors, Kristen Vayda and Kasey Harrigan, and junior, Katie Boldt. At first doubles was the returning team of Kim Wilson and Annie Munson, and at second doubles there were two great additions, Julia Taich and Allison

Hammer. The team also had the support and the subbing of other seniors throughout the season. Teammates such as Melissa LeClerc, Lindsay Fallert, Camille Ziegenhagen, and Michelle Lang added to the great talent of this year's team and the great attitude from the beginning to the end.

## KASEY HARRIGAN

**Position:** 2nd Singles  
**Destination:** Miami University

**Highlight:** Kristin Vayda and her were only one match away from making it to the District's Tournament.

From Kasey Harrigan: "Overall my high school career has been great. Tennis has really added to it a sense of unity with the chance to play a Varsity sport. Every year I have played a different position on the team, which has really been a great opportunity. I would like to thank my coach, Joanne Kirk, for all of her support, and my family."

From the Coach: "She has been a standout on the Varsity Tennis team

for four years now. Kasey

is the last of the illustrious racquet-wielding Harrigans to make a mark on Chagrin Tennis. She played singles because the team needed her; she played doubles because she loved it; she simply did whatever was asked

of her without a single complaint. She was the consummate team player with a sense of humor that will truly be missed."

-Joanne Kirk

From a teammate:

"Kasey was such a great leader for our team this year. She organized our amazing Chowdowns and made every practice and match fun and full of laughs. I have had the opportunity to play with her for three years, and I am going to miss her next year. The tennis team won't be the same without her." -Kim Wilson

## RITUALS

After every single home match throughout the tennis season, the Varsity team gets together at one of the girl's houses for a Chowdown. Also, every year before the season starts the girls must challenge each other to find out their rank on the team, and what position they will play that year.

**Below, Bottom:** Lindsay Fallert prepares to hit the ball.

## KIM HAGEMAN

**Position:** Middle Hitter  
**Highlight:** Going to team camp in Michigan and competing against Division I teams.

From the coach:

"Kim has been a very important aspect to the volleyball team over the past years. She dominated at the net, making everyone else's job on the team easier. She was also an excellent passer and back row player. Kim was a great team player, and we will definitely miss her next year."

- Coach Dennison

From Kim Hageman: "I began playing volleyball my freshman year and was on varsity for two years. Throughout my career I was involved in coaching CAA volleyball, and helping at a few camps as well. This year we had an awesome season. We worked really hard to get where we were and we just wanted to go out there and show everyone that we were a competitive team. We had a fun and successful season. I hope to get a volleyball scholarship and go on to play in college."

From a teammate:

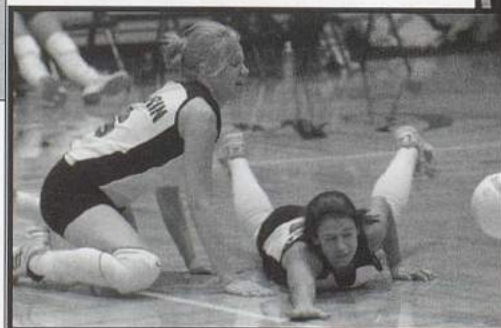

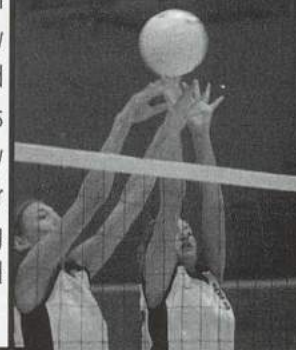

"Kim has always been a go-to player when we are down or behind. We can always count on her to put the ball down. She not only dominates in the front row, but is also one of our best back row passers. Out of all the players, she leads the pack in running and conditioning. Hopefully she will continue on in college. She has the potential."

## RITUALS

Before each home match, the girls gather at the Hufgard's house to have a pre-game meal and talk about their opponents. For any away games, the volleyball mothers provide food and drinks at the school. The team never goes anywhere without their ghetto blaster they purchased with money they raised at the car wash. This little boom box is a big part of getting the team pumped up before games and cooled down after.

## "Hit Me with Your Best Shot"

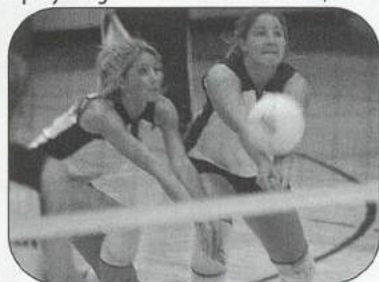

### PLAY

With seven returning varsity players, the volleyball team began the season with one major goal in mind: winning the first ever volleyball CVC Championship for Chagrin. In order to achieve this pursuit, the team would have to post big wins against Orange and Aurora, but more importantly, defeat their main rival Perry. The girls started off the season with two important CVC wins against Orange and Wickliffe in preparation for not only their first home game of the season, but their first big face off with Perry as well. With many fans to cheer them on and having one of the best played games of their season, the Lady

Tigers fell in two games to Perry. The CVC championship, however, was not out of sight. After this loss, the team won the next 13 straight games, beating opponents like West G., Cardinal, and Aurora, and improving their overall record to 15-2. This was much improved from last season. With only two CVC matches to go in the season, the team suffered a heart-breaking loss in three games to Aurora, shattering their hopes of the CVC title. Despite this loss, the team ceased to give up. "The girls had a 'never say die' attitude," said Coach Dennison. They proceeded to take Perry to three games in their final regular season match. Even taking one game from Perry was quite the accomplishment. Although the match against Perry ended in a loss, the girls entered sectionals with a 16-5 record, one of the best

records in Chagrin volleyball history. At sectionals, the team was forced to move up and compete in the Division II bracket where they faced returning State Champs, VASJ. They gave both games their all, but it was not enough to beat the Vikings. Although their hard work was not reflected in their sectional match, the girls still consider this one of their most successful seasons. Coach Dennison added, "This group of girls was determined from the beginning to succeed, and in the end, they accomplished their goal, for they had the best volleyball season in the history of Chagrin."

## "Bye Bye Birdie"

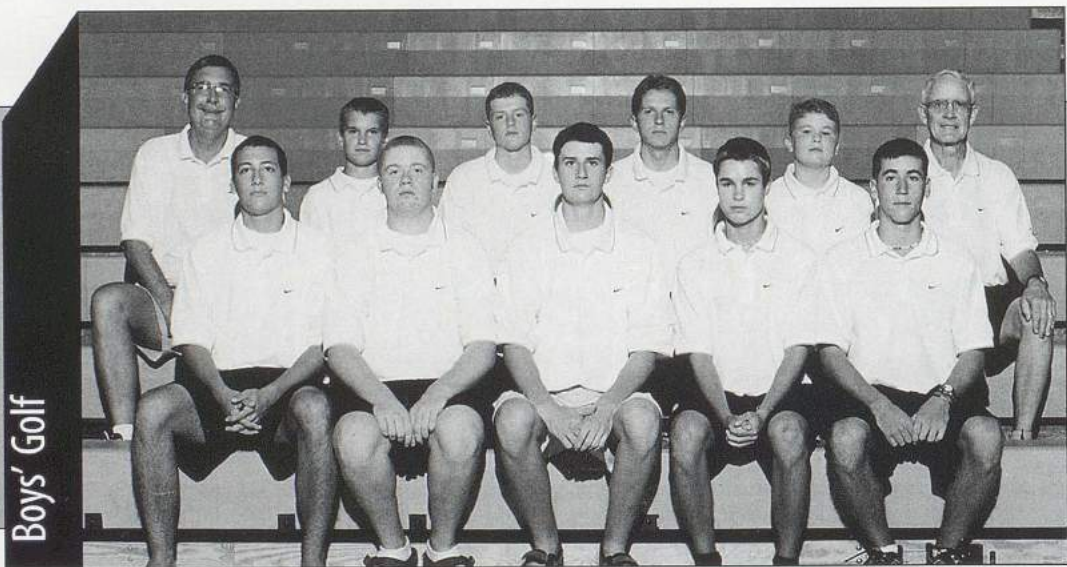

### PLAY

The team aimed high in all their goals and succeeded to fall anything but short. The golf team posed an excellent record this year. They accomplished many goals with the senior leadership of John Hiemstra, Dan Cooperrider, Kris Magnuson, Brad Crawford, and Andrew Pearsons. The team started off on the right

track by scoring 336 and placing tenth in the Kenston Tournament. They faced tough rivals such as NDCL, State Champs, St. Ignatius, University School and Kenston in the tournament. They continued on with an impressive season defeating West Geagua, Orange, Perry, Kirtland and Cardinal. Some games only by a few strokes. Throughout the season, first man, John Hiemstra led the team with scores in the 70's and 30's. He also led

the team to the Chagrin Valley Conference Title. Coach Phillips said, "In winning the CVC Championship all five seniors showed passion and leadership for the game of golf and the concept of team first." The team worked hard and well together surviving the illness of frontman, Dan Cooperrider. All in all the golf team proved to be anything less than a "bogey".

## JOHN HIEMSTRA

**Destination:** University of Utah or Northern Michigan University  
**Highlight:** He was three strokes away from making states.

From the coach:  
 "He proved himself to be more capable on the course and off. Without him leading us, we wouldn't have been where we were. He was the only qualifier on the team to compete in the District competition. His score of 76 fell short of qualifying to the State meet by three strokes."

-Mr. Phillips

From John Hiemstra: "I have been playing golf since I was five years old. It has been a part of my life for a long time. I plan on continuing my gold career after high school by playing for the college I attend."

From a teammate:  
 "John's ability and leadership led us to win the CVC. His continuous 'up to par' skill was present throughout the season and got very strong in the end of the year. He was also able to pull us through the sectionals."

**Destination:** Unknown  
**Highlight:** Best 5K time 16:36

From Chris Smith: "My four years running cross country for Chagrin has been amazing. My most memorable moment would probably have to be the CVC MVP in '01 and the District Champion in '02. I would like to thank Coach Kirk who has taught me so much in four years."

From a teammate: "Spud's probably the best teammate any guy could ask for. He's not the most vocal leader, but he goes out and leads on the course. He's a great competitor and works hard for everything he has accomplished. I wouldn't want anybody other than Spud to spend the last four years running with."

-Kevin Almasy

From the Coach: "If all Chagrin athletes had the work ethic of Chris Smith, All-Ohioians in our halls would be the rule, not the exception."

-Coach Kirk

# BOYS' X-COUNTRY

## "Born to Run"

### PLAY

The end of the school year, for most students, usually entails relaxation and plenty of laid back summer days. However, the Boys X-Country team began their summer with a training schedule that was anything but laid back. Taking only one day off a week the boys ran through the scorching hot days of summer. This training led to a successful season, which originally was thought to be a rebuilding year. Despite the doubted success of the upcoming season, the boys proved critics wrong by finishing

second at the Brecksville Invitational, and fourth in the CVC Meet. Though a fourth place finish does not seem all that spectacular, it was a better finish than in the previous two years. Helping the team accomplish this feat, senior Chris Smith finished strong, grasping second place. Newcomer, sophomore Ben Tanchon, ran hard for his first year by finishing eleventh, qualifying him for Second Team All CVC. Seniors Kevin Almasy and Nick Chaney both earned Honorable Mention All CVC. Rounding out the rest of the team were: juniors Eric Clark, Gerald Abt, Brian Barriball, Tim Broughton and Josh Ewing, sophomore Nick

Barcelo, and freshman Dave Wallace. In the Districts Meet this year, the top runner Chris Smith was the District Champion with a time of 16:40. This qualified him for the Regional Meet at Boardman High School where he ran amongst the top runners in the region. Due to an illness Smith could not continue on to States. In each race during the 2002 Cross Country season, there was a personal record set which exemplified all the hard work they put into the season.

# GIRLS' X-COUNTRY

## "Ready to Run"

### PLAY

"Ladies we're going to regionals!" The sweet sound of victory rang through the ears of the entire Girls' Cross Country team. The best season in six years and the team is still young. Compiled of mostly freshman, this year's team had a running breakthrough with the whole team qualifying to the Regional Meet. This was the first time since 1996 that the entire Girls' Cross Country team lined up together on the starting line at Regionals. The team was led throughout the season by frontrunner Christine Collins.

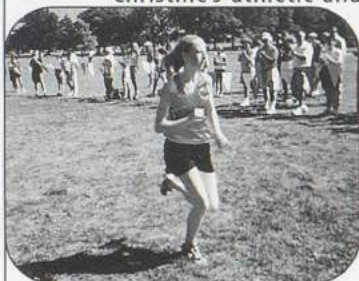

Christine's athletic and academic

ability allowed her to be selected out of 13,000 candidates to be one of 12 finalists for the Wendy's High School Heisman Award.

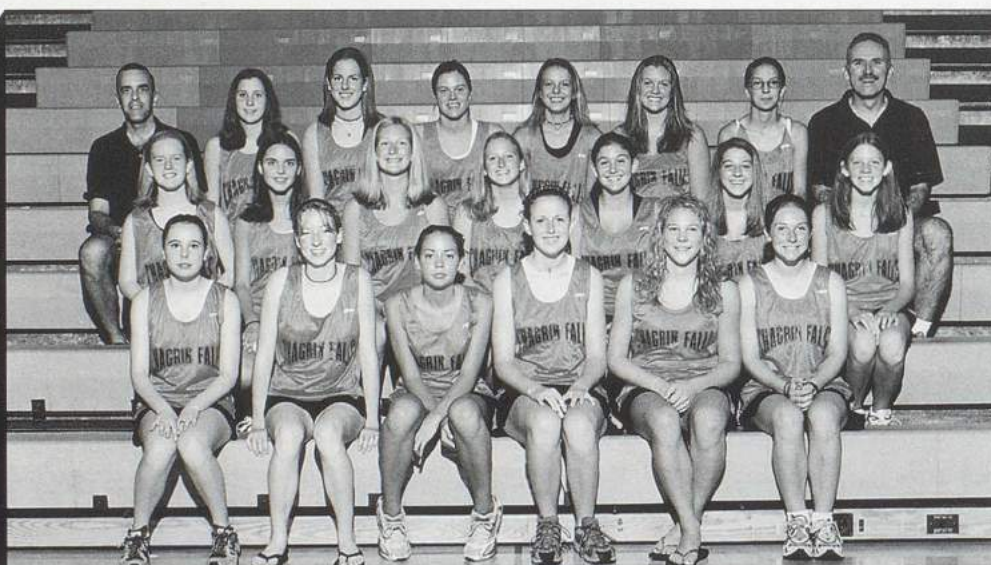

At the CVC meet this year, the team finished second to Perry. Collins was the first place finisher, and the MVP of the CVC meet. Karen Corson earned 1st team CVC while Erin Lang and Caitlin Carleton earned 2nd team CVC. At the Districts meet, the team finished third out of fifteen teams qualifying them for the first time in six years to the Regionals meet. The team did not qualify to States due to tough course conditions and weather. Although this goal took a lot of hardwork and determination from all the girls, it was a worthwhile and enjoyable experience. Other accomplishments include

finishing first in the Brecksville Invitational, and second in the Berkshire Earlybird Invitational. Overall the season was a pleasant surprise. With the intense conditioning and the nerves of the new runners constantly jittering, no one could have ever expected such a successful outcome. From going out to pre-meet breakfasts to early morning runs, the girls cross country team was more than just a competitive squad. Coach Serluco comments: "With a nice group of freshmen and upperclassmen returning, this season will lead to an even more exciting one next year."

The night before a meet the team usually has a chowdown, or eats at Olive Garden. At the starting line before each race there is a run out where the girls huddle together to get pumped up and repeat their favorite quote to mentally prepare them for the run: "Do the thing that is hard to do and the power will come." After the race the team normally ends up going out together to celebrate. During the CVC and Districts week, each team member is assigned a secret "Push" to decorate their lockers with notes of encouragement and small gifts.

From a teammate:

"Christine is an amazing role model not only to me, but to the rest of the team, too. She is always working as hard as she can in practice and encouraging others to do so as well. Her leadership skills brought our team far this year. We are all very lucky to have been able to run with someone like her." -Caitlin Kenny

From Christine Collins: "Cross country is the most unbelievable sport. Throughout the past four years I've met some of the best people I know. Each year seems to get better and better. Mr. Kirk and Mr. Serluco have been so dedicated to making us better as a team and

it has really shown over the years."

From the coach:

"Christine is a wonderful person and athlete. I have never heard her complain, make excuses, or take a

short cut. In our first race of the year, she fell behind after holding a strong lead because she went off the course. At the race's end she only blamed herself. She is a coaches dream!"

He was also asked to play three different positions during the year and excelled at them all. Chris will be missed next year." -Coach Lozon

**From Chris Smith:**

"Hockey was the first sport I ever played. Growing up I played for Mentor. I never used to think that I would play in high school because Chagrin did not have a team until 1997. I am really glad that I continued on to play in high school. Playing for Chagrin has been amazing. I want to thank Coach Lozon for all he has done for me throughout the years."

**From a teammate:**

Chris is the most experienced player on the team. He played for the Mentor program in his youth and has been a vital part of the program since his freshman year. He is a leader and has helped every player on the team improve to their greatest potential, including myself."

- Mike Tomaro

### RITUALS

The hockey team had many rituals during the course of the season. Every morning after the early practices, the team met at Arabica before school to grab a quick bite to eat and some caffeine to last them through the day. The team also attended chowdowns sponsored by the team moms before many games. A special highlight included the team party at the rink to honor all the seniors on Senior Night.

## PLAY

Ten new players, four debilitating injuries, three mid-season moves, only two returning starters and a new head coach provided for an interesting start for the team this season. With the move of former head coach and founder of the Chagrin Hockey Association, Keith McAslan, the team filled the hole with the hopeful former assistant coach, Ron Lozon. After returning starter, Captain John McAslan, moved midseason, Coach Lozon faced the challenge of having one only returning starter, Captain Chris Smith. New freshman

goalie Jeff Vayda brought hope for the team, only to fall in the first scrimmage with a gashed thigh. With no back up, Junior Aaron Jackson volunteered to be the team's net minder. During the seven game stretch while Jackson was goalie, the team went 2 and 5, a remarkable record for an inexperienced goaltender. The team trudged through lots of adversity, including Captain Mike Tomaro's severely sprained ankle, Geoff Mills' broken leg, Tommy Hanculak's sprained back muscle, and the moves of Ryan Peterson, Jess Havill and Rob Havill. Coach Lozon filled many of the empty positions with returning letter winners Graham Wilson, Kyle Canter, Robbie Bourne and Dave Allen, along with

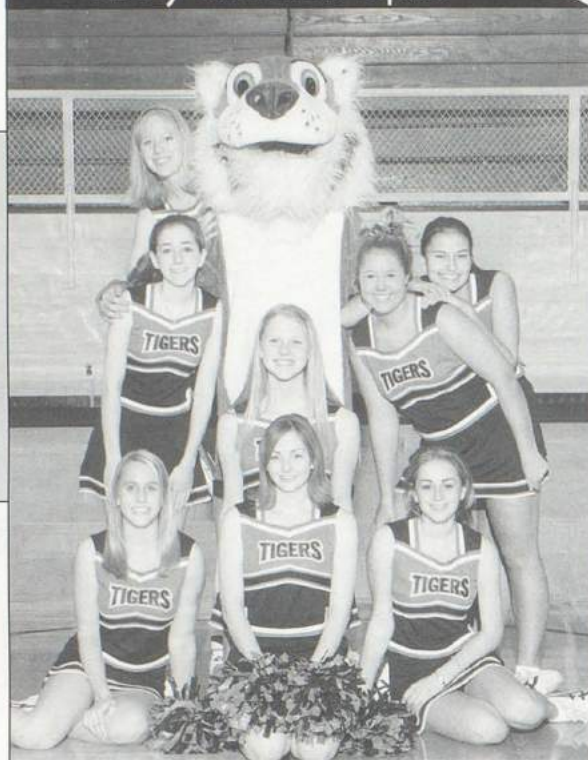

newcomers Nick Koester, Matt Rundo, Ryan Fox, Jeff McClurg, Quinn Canter, Brady Bryan, David Blair and John Catani. Participating in four tournaments sporadically throughout the season, all the players were exposed to hockey talent and gained valuable time on the ice. Season highlights included defeating CVCA for the first win of the season and beating West G. The whole team gained meaningful playing time during this rebuilding year and will definitely benefit in the years to come.

# CHEERLEADING

## "Be True To Your School"

### PLAY

"As our team goes forth to battle we as Chagrin give a cheer..."

Cheerleaders began their season when they attended a three day cheerleading camp August 13-15 last summer at Ohio State University. Camp consisted of early mornings, long days of dancing, jumping, cheering, and late nights. This however, was just the beginning of the hard work that both the football and basketball squads demonstrated throughout their seasons. The football squad created an exciting atmosphere in the crowd

at the Friday night football games with their enthusiastic cheers and chants. The basketball cheerleaders kept the crowd intense as well. On top of giving their all in cheering for the boys and practicing hard for two hours after school, these girls were also responsible for promoting school spirit for many athletic events. They spent countless hours decorating the school with signs and posters in order to prepare for upcoming games. This year the basketball squad was responsible for creating the Winter Formal theme, "Chinese New Year," and decorating the commons for the dance. While fulfilling their many duties, they also made up their own cheer and dance so that they could compete in cheerleading

competitions. Overall, this group of girls exhibited hard work, commitment, and dedication. Mrs. Gebler, head cheerleading coach said, "The Tiger Cheerleaders, on a regular basis, make the school a brighter place. Their enthusiasm and talent speak for themselves."

## CLAIRE PAVLICH

**Position:** Captain

**Highlight:** Six Varsity Letters, All American Cheerleader

From Claire Pavlich: "I have been a Chagrin cheerleader since I moved to Chagrin five years ago. I cheered for the football and basketball teams every year, totalling in ten seasons. At camp this summer I tried out and became an All-American Cheerleader. Cheerleading has been such a wonderful experience for me."

From the Coach:  
"Claire's drive, enthusiasm, and dedication are evident by the fact that she is the only Chagrin Falls High School cheerleader to have lettered six times during her high school career."

-Mrs. Gebler

From a teammate:  
"It has been a wonderful opportunity to cheer with such a talented and dedicated person as Claire. She is a great role model, and has made my cheerleading experience extremely memorable."

-Kim Lonsway

**Above:** While running with the Chagrin flags the Varsity Football Squad gets the crowd on their feet to cheer for the football team.

**Top Left:** The Varsity Basketball Squad poses for a picture before the game begins. **Above Left:** Danika Haffenden hangs balloons in the commons before the Winter Formal Dance.

## RITUALS

Every night before a game, all the cheerleaders spend hours after practice decorating the school to promote spirit for the upcoming games. The Varsity Cheerleaders made scrapbooks highlighting the football and basketball seasons for the senior guys. They also came up with the theme for the Winter Formal Dance and then decorated the commons for the dance. During Blossom time, every high school cheerleader must spend two hours in the dunking booth. Also, the cheerleaders hosted the little cheerleaders clinic in which K-6 grade girls were able to learn cheers and chants.

# SWIMMING & DIVING

## "Under the Sea"

### PLAY

For the fourth year in a row Lauren won the State Championship in the 100 meter freestyle. Leading the swim team at the state competition was Lauren Preyss, Jennifer Henderson, Christine Collins and Francis Killea, with backups Elin Hudson and Allie Harrold. There they recieved 2nd in both the 400 and 200 freestyle relays, Chrstine Collins recieved 6th place in the medley and the breaststroke, while Lauren Preyss recieved 2nd in the 200 freestyle and 1st in the 100 freestyle. The team had a strong, and successful season. The girls' season began with a win in the meet against

Aurora, while the boys won their first in the meet against Perry. The girls led the way for success for most of the season by winning or tying almost all meets.

Through some changes in the swimming lineup, the Perry meet was almost a loss. But the team pulled through for a win for the boys and a tie for the girls. The girls team success continued for the next five meets leading up to the CVC League Meet.

The League Meet at the Orange natatorium placed the girls third in the CVC, behind long-standing rivals Hawken and Orange. The girls team came in fourth behind Hawken, Notre Dame-Cathedral Latin and Perry in their sectional.

The boys team took sixteenth. The 200 and 400 yard freestyle relays and some individul events advanced to Districts.

Some highlights of the season included the 200m Medley Relay team (2:12:89), the 400m Free Relay team(4:17:78), and Lauren Preyss' 400m freestyle (4:27:99) all breaking pool records at Hiram College and Orange High School.

Diving followed in the strong footsteps of last year's graduate, Kathleen McMeechen, and her impressive success in last year's state tournament. This year divers, Nick Benedetti and Kelly Welch, led the way.

### RITUALS

Chowdowns, a team movie watching and team wear are just some of the long-standing rituals. Almost once a week, after practice or a meet, the team gathers at a house to eat, usually with a lot of monkey bread. The tradition that can never be forgotten is meeting between preliminaries and finals of the Orange Relays to watch the '80's flick, "Girls Just Want to have Fun."

**Lauren's Events:** 100 freestyle, 200 freestyle

**Christine's Events:** 100 Brestroke, 200 Individual Medley

**Highlights:** States

From the Coach:

"Lauren and Christine are both a huge part of the team and will be truly missed. They help to lift team spirit by walking through the door. They are both four year letter winners and co-captains with Allie Harrold. They have both set many team records that will be hard to beat without them."

-Coach Beth

From Lauren Preyss: "These four years have been wet and wild. I'll never forget the great times that I had like the time when..., and when..., etc. Thanks for all the memories. Gook luck underclassmen. Keep having fun."

From Christine Collins: "Swimming these past four years was great. I got to meet some of the coolest people while swimming back and forth at the Wembley Pool day after day. I'm glad I got a chance to experience such an awesome team. Good luck to everyone in the years to come! I'll miss everyone."

**Highlight:** 8.1 out of 10  
on a floor routine.

From Mary Masek: "Overall my experience in the gymnastics program has been a good one. I am planning on continuing participating in gymnastics wherever I end up going to college."

From the Coach:

"This year's only graduating senior, Mary Masek, has made great and important contributions to the Chagrin Falls gymnastics team. Aside from being a great gymnast, Mary is also a very good role model for the students under her. The team and I were extremely grateful to have her as a part of the team. One admirable memory is at one meet when we didn't have enough team members competing in beam to qualify for a team score. Never competing in beam, Mary made up a beam routine the day of the meet and saved the day. Thanks Mary and the best of luck."

## "Roll Out"

### PLAY

Records were close to broken this season in three of the four events. In floor, Lisa Wilson received a score of 8.0 out of 10 and Mary Masek an 8.15. This season's highlights included Holly Jacobs scoring a 7.5 on her beam routine and D Vitale scoring a 7.6 on her vault routine. Each of the gymnasts put in time and effort each day. The small team, made up of only ten members,

traveled a half hour on bus Monday through Thursday to Turle's Gym, where their team practices were held.

"Flexibility, muscular endurance, hard work and a positive attitude," says Heather Friebe referring to the qualities that are necessary to become a successful gymnast.

Despite the relatively small number of gymnasts, they all agreed that having a small team allowed for each member to get to know one another better. "I like having only ten people on the team because there is a lot more one on one contact and self improvement is easier because each person receives more individual

attention," says freshman gymnast Caitlin Carleton.

At the closing of this season filled with hard work and personal achievements, all the gymnasts look forward to next year.

# DANCE SQUAD

## "Dancin in the Moonlight"

### PLAY

What could be more exciting, while at the same time nerve racking, than performing down on the field during the halftime show of a Friday night football game, while a packed stadium full of hundreds of fans watch from the stands? For the Dance Squad this is the moment when all of their hard work finally pays off. After a seemingly short summer, the dance squad members began their season in the first week of July with practices two times a week. During those

long hours of practice, the dancers learned eight full length routines that took four practices to perfect just one. Dance squad members danced to "Aftershock", "Let Freedom Ring", "Go For It", and "God Bless the USA." Two of the eight dances consisted of a flag routine. Instructor Kelly Nicoletti made up every routine except for the crowd favorite dance to "Jungle Boogie," which was made up by Amber Owens, Lindsey Schramm, and Meredith Marsh. The squad also attended band camp where they learned most of the drills and routines for the upcoming football season. Coach Kelly said, "This year the squad was made up of eight positively dedicated girls, who started the

season out on different levels of experience and by the end of the season became tight like one big happy family." For the girls, their first performance was rather shakey and concentrating on the moves was their main focus, but after that they were overwhelmed with feelings of excitement, and the dances just flowed. Coach Nicoletti added, "As a team they were a very strong and spirited unit, making this season one of our best yet!"

### Junior Spotlight

From Lindsey Schramm: "This year was awesome! The dance Meredith, Amber and I made was voted best dance by our fans. The year went so well. We had new uniforms, a talented group of girls, and fun times."

From a teammate: "Lindsey is a great team leader. I have had the pleasure of being on the Dance Squad with her for three years. Lindsey is sweet and helpful, not to mention the up beat attitude she has carries on the team. I look forward to next year with her."

-Meredith Marsh

From a teammate: "I believe Lindsey Schramm should be highlighted as leader of the team. She is always on top of the ball. She is always putting her time and effort into what she does, and I enjoyed being on the team with her."

Last year Kevin lost to the Euclid wrestler by the score of 14-1, and this year Kevin cut the margin down to 9-6, and time ran out while Kevin had him on his back. Kevin beat Adam Hoover from Aurora in the CVC Tournament. Adam had one of the best

From Kevin Kuenzig: "In the first match of the year I beat a kid from Orange that has beaten me in the past. It was a close match and I ended up winning in the last ten seconds of the match. The team ended up beating Orange by only a few points and that was gratifying because they beat us last year. This season was a lot of fun because the upperclassmen were able to teach a lot of new things to the freshmen."

# WRESTLING

## "MACHO, MACHO MAN"

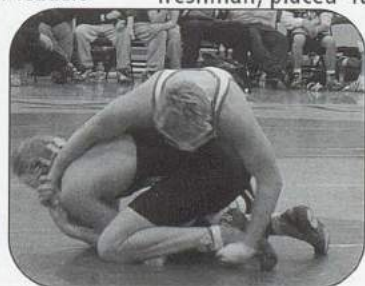

### PLAY

This year the wrestlers started out strong and continued to dominate throughout the season. With seniors Kevin Kuenzig, BJ Koval, David Frey, and Mark Murphy leading the pack, the team had the strength and encouragement they needed to beat their opponents. This year Chagrin also had a large number of returning letterman: Juniors: Gar Heintzelman, Adam Roberts, and Dan Kaste, and Sophomore Ben Tanchon. These men were an integral part to the team's overall success. The lack of senior leaders last year helped to form even stronger leaders

this year since the team had the added time to gain experience over the past two years. Captains and key leaders: Kevin Kuenzig, BJ Koval, and Gar Heintzelman were important as Chagrin faced some big matches this year. They beat NDCL by only one point, and in their match against Rhodes, the last Tiger wrestler was the one who won the match for the team. They unfortunately suffered an upset this season against Crestwood whom they had beaten last year. Chagrin also placed in their tournaments this year. At the Kenston Invitational Tournament Kevin Kuenzig placed 6th at 171 lbs. and David Goodrich, a standout freshman, placed 4th at 103 lbs. The team

finished 13th out of 18 in the KIT Tournament. They also competed in the Hudson Tournament where the team finished 15th out of 17. David Goodrich picked up a fourth place at 103 lbs. with Ben Tanchon and Gar Heintzelman placing as well. The team won both the Chagrin quads 1 and 2, and as they faced the completion of the CVC season, Coach Perrine said, "I feel that we will be very competitive in the CVC this year." Gar Heintzelman and David Goodrich both won the CVC title in their weight class this wrestling season.

## AUSTIN SHAW

**Position:** Guard  
**Destination:** Florida Atlantic University

From Austin Shaw: "It has been a lot of hard work but rewarding. It's definitely great to be with your teammates and overall it has been a very worthwhile experience."

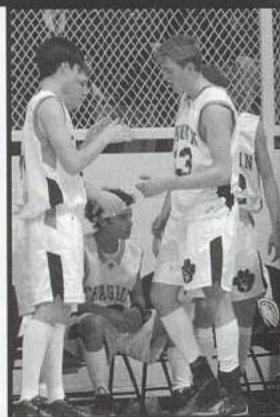

From a teammate: "Austin has really been a pleasure to play with. We have been playing together since we were little and I can remember when we used to play CAA."

- Matt Hentemann

From the Coach: "Austin is the best defensive player I have ever coached. He has worked very hard at it and made himself into one of the best defensive players in the area. What makes him such a fine defensive player is his desire and determination not to allow his man to beat him. Defense is personal to Austin and that is how it should be played. Austin will solely be missed next year." - Coach Salyers

## RITUALS

Although the Tigers lacked any defined rituals, they did have certain warm-up techniques that they did before many of their games. For example, before each game, while waiting in the locker room, the team listened to music to pump themselves up. Also, the team observed Gideon Clark wearing the blessed headband each game.

**Above:** The team huddles during the close game against Orange.

**Left:** Ben Gift rips through the 'No Excuses' run-through before the game.

# BOYS' BASKETBALL

## "This Is The Way We Ball"

### PLAY

The Tigers raised their level of expectation this year with their new policy "No Excuses". In an effort to raise the ante, the team focused on passing and penetrating into the paint instead of taking more risky shots. It has been easier for the group to adapt to this more team-oriented plan because they are relatively young. With only one senior starter out of the three seniors on the team, experience is not as great as previous years, and therefore most of the players began their careers under the new policy. In order to remain

competitive in the league, the team started sophomores recruits, Brian Robiskie and Gideon Clark. These players, while able to hold their own on the court, were also very capable of leading the team with much greater unity. Coach Salyers, in his fourth year as head coach, decided on the "No Excuses" theme because, "It's my philosophy in life, that you should just get the job done and not make excuses." Through their new motto the team set high standards for each player, as well as the team as a whole. These new standards and higher expectations helped the Tigers beat long time rival Orange High School, with a final score of

53 - 47.

Throughout the entire season, the team pushed themselves to create a new precedent for future teams. While starting off the regular season slowly, the team came together toward the end with a strong showing in their final regular season match up. In a game closer than two Starbucks, the Tigers pushed Aurora into an exciting one-point game, albeit a loss. Overall the team pushed through the competition with "No Excuses."

**Position:** Guard

**Destination:** University of San Diego

**Highlight:** Beating Perry to win the CVC conference

From Marissa: "The basketball team had a great season this year. In my four years on varsity I've never enjoyed playing with a group as much as I have these girls. We overcame a few obstacles and it made the sense of team unity stronger. I'm looking forward to watching the girls grab another CVC title next year."

From the Coach:

"When things were not going well, Marissa stepped up and remained a positive motivation within the team. She suffered a serious injury that required her to miss the first half of her senior season. She never allowed the players to not push themselves. And when she returned, Marissa continued to motivate with her attitude and play the team to their success." -Mr. Phillips

From a teammate:

## "Take it to the House"

## PLAY

"What really matters is reaching a high level of internal excellence. It does not matter whether or not one is thought of as being successful-or, as we term it, 'a winner.' It does not matter, simply because we too often make the mistake of equating excellence with success and they are not the same thing. Excellence is always to be our goal; it is never important to be called successful." - Joe Paterno U.S. Olympic Academy 1986. The Varsity Lady Tigers

basketball team proved they were not only excellent this season but also successful. This year the Lady Tigers conquered long time rival Perry for the first time since the 1997-98 season. In this victory at home, they clinched the Chagrin Valley Conference title. The season started off bumpy with a loss to Independence, and a two-point loss to Perry in which they dominated the whole game and fell in the end. The tigers gained ground with important wins against Orange, West Geauga, and Aurora. These wins secured the spot for the CVC title. Mr. Phillips said, "The success of this year's team was due to many factors. An important factor was the

leadership provided by Seniors Marissa Patsey, Kim Hageman, and Britton Lombardi." Also, the team held strong with support from the younger leading scorers Brittany Anderson and Taylor Meyer. The whole team worked hard this year and received the success they deserved. Through injuries and hard times, the ladies worked as a team and took it to the house to reign as champions above the competition.

# STUDENT LIFE

"LIVIN' IT UP"

A STUDENT'S LIFE DOES NOT ONLY CONSIST OF STRENUOUS SCHOOLWORK AND STRESS, BUT OF HAVING FUN AND LETTING LOOSE AS WELL. THIS YEAR

**THE** FUN AND FESTIVITIES BEGAN WITH

HOMECOMING WEEK. THE TRADITIONAL PARADE AND BONFIRE PEPPED UP THE SCHOOL FOR THE FRIDAY NIGHT FOOTBALL GAME VERSUS KIRTLAND. THE

**BEAT** OF THE MUSIC WAS HEARD AT THE

HOMECOMING DANCE, "A NIGHT UNDER THE STARS", IN WHICH COLLEEN DEVINE WAS ANNOUNCED HOMECOMING QUEEN. THE POWDER PUFF RIVALRY STAYED ALIVE AS THE SENIOR GIRLS PLOTTED TO DEFEAT THE JUNIORS AND ARRIVED AT SUCCESS WITH AN 8-0 VICTORY. THE ASPIRING STUDENT ACTORS DEMONSTRATED THEIR TALENT IN THIS YEAR'S FALL PLAY, "MURDER'S IN THE HEIR", A UNIQUE PRODUCTION, THAT REQUIRED THE PARTICIPATION OF THE AUDIENCE.

AS FALL **GOES** AND WINTER APPROACHES THE STUDENTS CELEBRATED THE END OF THE FIRST

SEMESTER AT THE WINTER FORMAL DANCE, PUT **ON** BY THE CHEERLEADERS. IT PROVED TO BE A HAPPENING "CHINESE NEW YEAR" AS CHRIS SMITH WAS CROWNED WINTER FORMAL KING. BESIDES THE EXCITEMENT OF THE STUDENT ACTIVITIES, EVERYDAY STUDENTS DRESSED IN HIP FASHIONS, INCLUDING PEASANT TOPS, WIDE BELTS, AND THRIFT STORE CLOTHES. ALSO, WHEN NOT HITTING THE BOOKS STUDENTS WORKED AROUND TOWN AND ARE ENROLLED IN OTHER OUT OF SCHOOL ACTIVITIES, SUCH AS BALLET AND HORSEBACK RIDING. A STUDENT'S LIFE MUST BE DIVERSE IN ORDER TO MAKE A MELODY. EACH ACTIVITY AND ASPECT OF THEIR LIFE PROVIDES A NOTE TO CREATE THIS HARMONIOUS SONG.

"Here Comes The Sun"

126 Summer

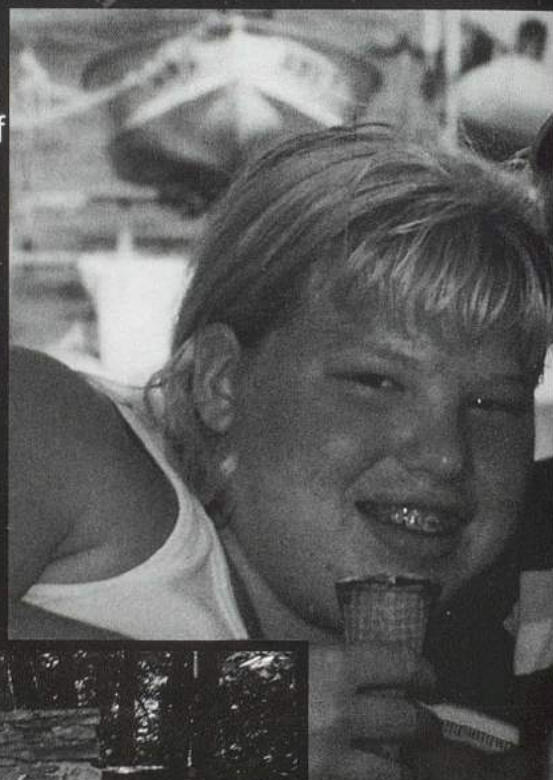

**"E**very summer The

Federated Church takes a ten day trip out to Noah's Ark, Colorado. It allows the seventh through twelfth graders to grow stronger physically, mentally, and spiritually. Individuals are set out to conquer fears and set goals for themselves. White water rafting, mountain climbing, and repelling are a few things the trip allows us to do. It is an outstanding learning experience we have all been lucky to enjoy."

-Kim Leary

"During those hot days of summer, the Chagrin Valley Athletic Club was a frequently visited spot by teens looking to find a place to cool down. The lake was a great place to just lay around and soak up the summer rays. It brought back many memories of when getting your sand castle stepped on was the biggest of your worries. The CVAC was a great place to catch up with many friends. Unfortunately, the lake is now drained so I guess that means the carefree days of summer are over until next year when the sun shines brightly again."

**“T**he styles this year are definitely a twist on

the late 70's and early 80's. Peasant style shirts and big cowl turtlenecks are seen in stores everywhere. Shoes this year come in a variety of colors and styles. The most popular seem to be black bowling shoes and camel leather boots. Accessories like huge hoop earrings and big medallion necklaces have been seen quite often this year also. Another popular accessory is the turquoise jewelry. To keep up with this year's styles and trends, I watch the fashion channel, read fashion magazines, and look up styles on the internet.”  
-Rachel Kostura

“This year the main fashion for guys is comfort. Whether it is jeans, sandals, and a t-shirt, or sweat pants, a hooded sweat shirt, and tennis shoes, comfort is all that matters. Also, sports jerseys are making a big appearance in the fashion scene. I dress comfortably, because I see no reason in not being at ease, when I have the option to be.” -John Stecker

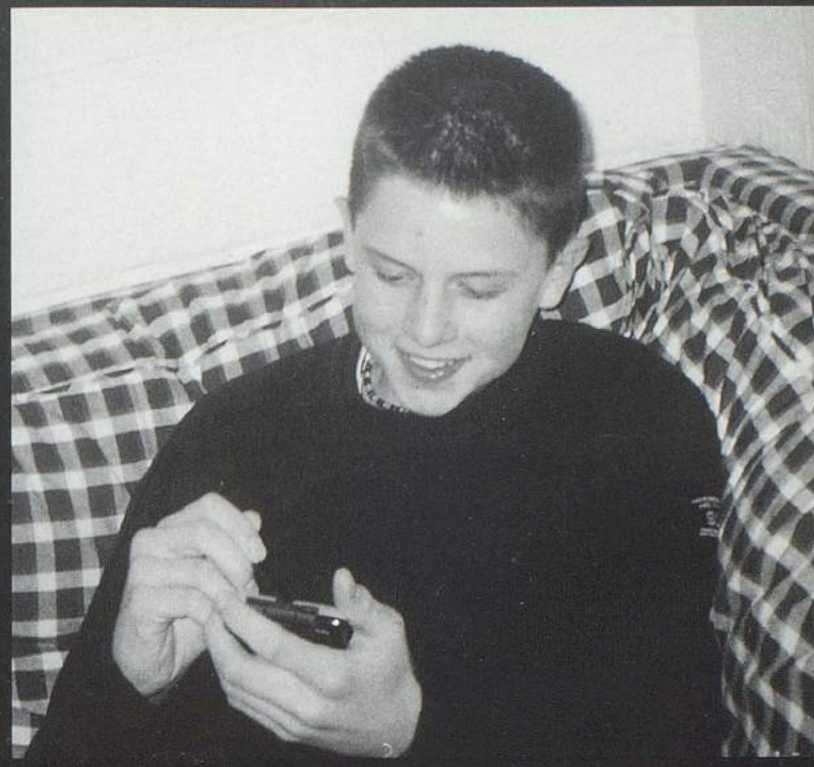

“This year thrift store clothing, faded jeans, sweaters and sweat bands are very popular. I keep up with these trends, because it is fun to wear new and changing trends.” -Graham Wilson

eing chosen as one of the

Homecoming attendants was one of the greatest honors of my life. I felt so privileged to ride in the parade, and walk down the field, escorted by one of my best friends. I thought that life couldn't get much better than that. It didn't matter to me that I hadn't won Homecoming Queen, just to be voted into the court by my peers had already made me feel like a winner."

-Kara Conti, Senior Attendant

"It was such an honor being Homecoming Queen and representing Chagrin Falls. I was very surprised. The parade, bonfire, game, dance and entire experience was all so wonderful. It was a very memorable experience to add to my senior year."

-Colleen Devine, Homecoming Queen

"Homecoming this year was a blast! Even though it came and went quickly, I enjoyed the dance a lot. The music was good, the guys looked great and the party afterwards was the best! I also thought that they did an awesome job decorating the commons for the dance; the lights everywhere went with the theme perfectly. Plus I got to dress up!" -Allison Plante

n Monday September 16,

2002 of Homecoming Week, Coach Iammarino gave the seniors on our team some advice: this was to be the last homecoming, so we better live it up. We took his advice to heart and we knew the whole week would be as remarkable as we wanted to make it. During the bonfire, it was really astonishing how many people came up to me and other seniors, all saying that it was the best bonfire they'd seen yet. It really helped Homecoming Week get off to a great start, and it felt great to know that everyone enjoyed the bonfire and appreciated all the work we put into it. It took us about three days to build, and we spent Tuesday night camping out, grilling hamburgers, and essentially guarding the bonfire from any rivaling schools. It felt like pretty much everyone in the community had come out to see us play Friday night, and it was the greatest feeling to walk off the field after handling Kirtland on our Homecoming Game. Between the parade, the bonfire, the game, and the dance, the whole weekend was absolutely spectacular, and the only regret I have about Homecoming is that I won't be there next year to do it again."

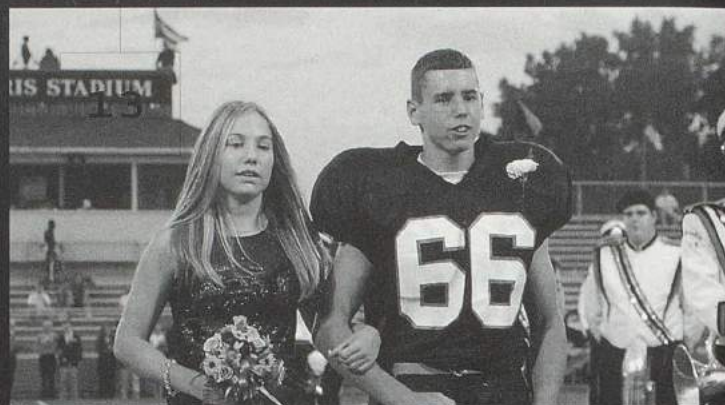

-Jimmy Wiencek

"I

had been looking forward to Powder

Puff since my freshman year. The week before was very hectic, with making signs, dressing up as seniors, decorating our cars, and having the practices to learn how football is really played. As we walked on the field, our shoes sunk in the mud and we all felt so gross. But I had to forget about getting muddy and focus on the game. Our defense held up pretty well until Hilary Moy scored the only touchdown of the game. In the last few minutes of the game, our offense was unable to get any yards. Overall, Powder Puff was a great experience." - Allison Hammer

"The minute I first heard about the game I knew I wanted to play. My old school did not have a game like this, and I was pumped to get on the field and kick some butt. The locker room talks were interesting... we blared music the entire time. The game ended with the better women "mowing" the juniors. I wish the game would've been longer... it went by so fast. I absolutely loved it when parents recognized me days later and complimented me on a couple of runs I had. Being the new girl, it was nice to be approached like this, because these friendly people really made me feel like a part of the community." - Kim Hayes

he show this year, 'Murder's In the Heir', was a major

success! The cast and crew's many long hours definitely paid off in the end. On opening night, I was a little nervous because my character wore a fat suit, but it turned out to be hilarious. This show was the best fall play in years and I had so much fun being a part of it." -Liz Korkosz

"Watching 'Murder's in the Heir' develop from beginning to end was truly a worthwhile experience for me. I was terribly excited to watch the play that Claire and I had invested so much time and effort into backstage instead of onstage. Therefore, stepping in for Jen Caster with only a few days notice was a challenge to say the least. The cast and crew however, proved they were up to the challenge as they rallied together in the final practices to help me become comfortable in the role. "The character that takes command in moments of crucial choices has already been determined by a thousand other choices made earlier in seemingly unimportant moments.

It has been determined by all the 'little' choices of years past – by all those times when the voice of conscience was at war with the voice of temptation, [which was] whispering the lie that 'it really doesn't matter.'

It has been determined by all the day-to-day decisions made when life seemed easy and crises seemed far away – the decision that, piece by piece, bit by bit, developed habits of discipline or of laziness; habits of self-sacrifice or self-indulgence; habits of duty and honor and integrity – or dishonor and shame."

"I'll be there for you,  
When the rain starts to pour.  
I'll be there for you,  
Like I've been there before.  
I'll be there for you,  
Cause you've been there for  
me too."

"Do not go where the path may lead,  
go instead where there is no path  
and leave a trail."

Who is Maggie?

With Love From Mom, Dad, Dan, Erin, and Shannon!

Dustin,

Through Christ may your life continue to bear much fruit. We  
thank you for the love and joy you have given us. Keep  
smiling!! Carpe Diem!!

We love you,  
Dad, Mom and Megan

"Rejoice in the Lord always again I well say, rejoice."

Know yourself -  
what you can do  
and want to do in life  
Set goals  
and work hard to achieve them  
Have fun every day in every way  
Be creative -  
it is an expression of your feelings  
Be sensitive in viewing the world  
Believe in the family  
as a stable and rewarding way  
of life  
Believe in yourself  
as you make choices  
about your life  
while following your dreams  
Believe that you are  
an important part of  
everyone's life that you touch  
Believe in love  
as the most complete  
and important emotion possible  
and always know that  
you are loved  
and admired  
by your family

- Susan Polis Schultz

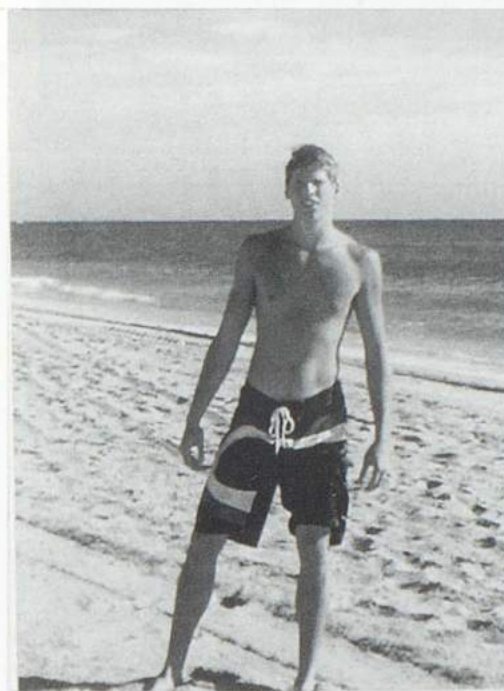

Love,  
Mom, Dad, Malerie  
& Mackenzie

My Son,  
have two goals;  
Wisdom and Discernment,  
that is knowing  
and doing right.  
Do not let them  
out of your sight;  
for they will be  
LIFE  
to your soul.

Proverbs 3:21-22

Austin, thank you for the abundant joy that you have brought  
into our hearts and home.

♡ - Mom, Dad and Evan

### *Christopher*

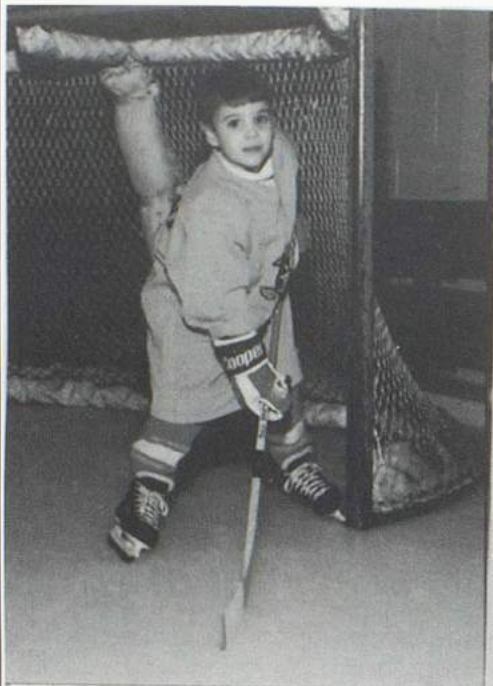

What a treat it's been to see you grow  
from our Oceanboy  
collecting seashells, feathers & chasing gulls  
to varsity letters, AP Honors & saxophone  
from T-Ball and dragon hop-scotching  
to baseball, basketball, soccer & lacrosse  
not to mention home champion  
seed-spitter, tennis-lobber  
and poolhouse ping-ponger  
from back-packing mountains & doming  
to white-water rafting with Dad and Andy  
(fish stories and rap took on a new meaning)  
from sailboating and tree-forting with Jules  
to caring for Ash and tickling her too  
There's strength in your kindness,  
Brilliance in your mind  
Stand tall and be proud of the  
Wonderful young man you've become.  
For one who shines like the sun on the sea,

Know you can do anything  
And how very much  
You are loved

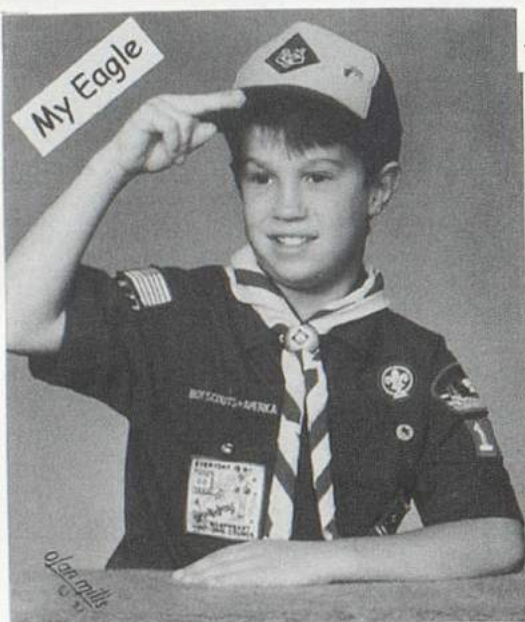

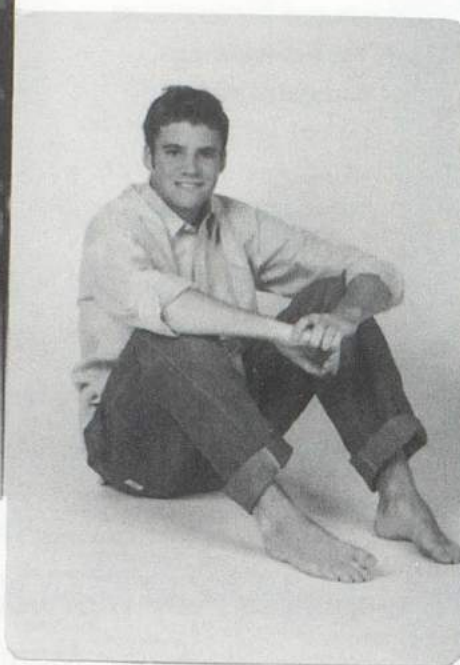

Always, Mom, Dad, Andy,  
Jules & Ashley Grace

May you always lead the pack!

Love, Mom, Jim, And Emily '00

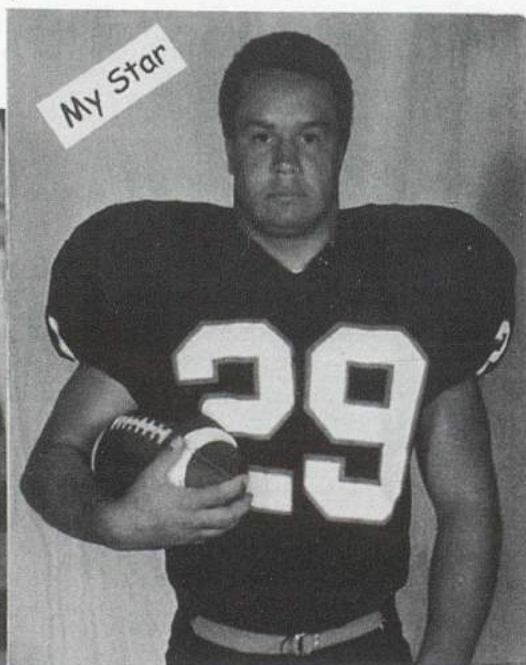

Joey,

*You have become such an amazing young man. I am so proud of you. I have no doubt you will be successful in whatever you do.*

*I love you,

Dear Shaina,

I consulted our favorite "Doctor" and here was his best graduation advice...

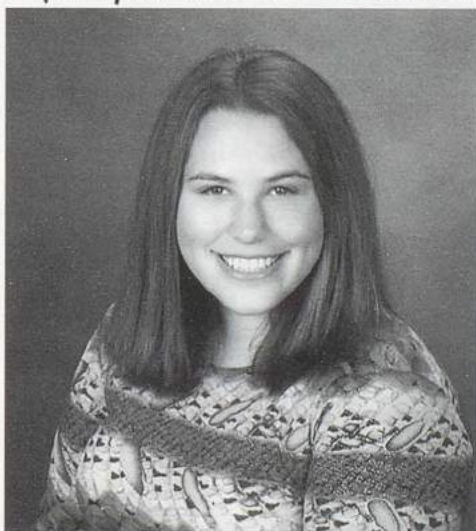

"You have brains in your head.  
You have feet in your shoes.  
You can steer yourself  
Any direction you choose.  
You're on your own.  
And you know what you know  
And **YOU** are the girl  
Who'll decide where to go

So be sure when you step  
Step with care and great tact  
And remember that Life's  
A great Balancing Act  
And will you succeed?  
Yes! You will, indeed!  
(98 and 3/4 percent guaranteed.)  
**KID, YOU'LL MOVE MOUNTAINS!"**

### **The Little Girl on the Rocker**

It was so very cold when you joined us on that January day in '85, but as soon as you arrived your Mom and Dad's hearts and spirits were warmed forever.

You've grown so fast, and into such a wonderful woman...there is not a day goes that we do not marvel at your spirit, your wit, your talents and your love. We are so very, very proud.

You're about to embark on a new and exciting chapter in your life, and we want you to know that no matter where life's highways take you, we will *always* be here for you.

The rest of the world is about to find out what we've always known. That Whitney Elizabeth Ward is an amazing human being.

Never believe those who say that dreams don't come true, because they do...you are living proof of that. It is time for you to dream your dreams, to follow those dreams, to make those dreams come true.

Oh, one last thing...you will *always* be that beautiful little girl on the rocker to your Mom and Dad. We love you.

**Kevin,

May you have Enough happiness to keep you sweet,  
 Enough hope to keep you happy, Enough success to keep  
 you eager, Enough friends to give you comfort, Enough  
 wealth to meet your needs, Enough enthusiasm to look  
 forward, Enough faith to banish depression, Enough  
 determination to make each day better than yesterday.

Life is a series of decisions and the total outcome of life really depends upon our success in making right decisions. What may seem to be an unimportant or even insignificant decision may, ultimately, prove to be one of the most important turning points in life. As you take this step into graduation, step out in faith and "Trust in the Lord with all your heart; lean not unto your own understanding, but in all ways acknowledge Him and He shall direct your paths." Proverbs 3:5,6. "Delight yourself also in the Lord: He shall give you the desires your heart." Psalm 37:4. "Commit to the Lord whatever you do, and your plans will succeed" Proverbs 16:3. "They are the plans in a man's heart, but it is the Lord's purpose that prevails" Proverbs 19:21. "He who pursues righteousness and love finds life, prosperity and honor" Proverbs 21:24. "To the man who pleases Him, God gives wisdom, knowledge, and happiness" Ecclesiastes 2:26 "Rest in the Lord, and wait patiently for Him" Psalm 37:7 May your faith strengthen as you continue to seek His will in the choices you make. Love, Mom

To many times we stand aside  
And let the waters slip away  
'Til what we put off 'til tomorrow  
Has now become today  
So don't you sit upon the shoreline  
And say you're satisfied  
Choose to chance the rapids  
And dare to dance the tide.

# "Never Say Goodbye"

What was the most influential event of this school year to you?

"The numerous drunk driving accidents this school year have really opened our eyes to be more cautious." Juniors, Marty Wallenhorst, James Evanko, and Brian Richards

"The move from the Middle School to the High School proved to be a challenge. But after a while you realize that it's not as hard as you think." Freshman, Katie Patno

"The economy this year has gone down dramatically, which has influenced everyone in different ways." Sophomore, Andrew Cowles

"The potential war with Iraq has really brought alive the reality of sending friends and loved ones over seas." Juniors, Jean Sloan and Lisa Wilson

# Colophon

The 2003 Zenith was printed by Herff Jones Yearbooks of Shawnee Mission, Kansas. Press run was 525 copies. John Fowley served as the company representative. Melanie Hoffmann advised the publication. Theme concept was created by Melissa LeClerc. The cover's black and silver color with disc design was approved and chosen by Kasey Harrigan, Chelsea Horvath and Chris Smith. Text paper used was Bordeaux. The color photographs are color prints submitted to size. The headlines used in the division papers and closing were created using Pagemaker 6.5 on a Dell GX110. Zenith sold for \$50.00. The book is 184 pages. Special thanks to Brian Hollingsworth.
