Chagrin Falls High School 400 East Washington Street Chagrin Falls, Ohio 44022 (216) 247-5500

> Editors: Nancy Fitz Sandi Smith

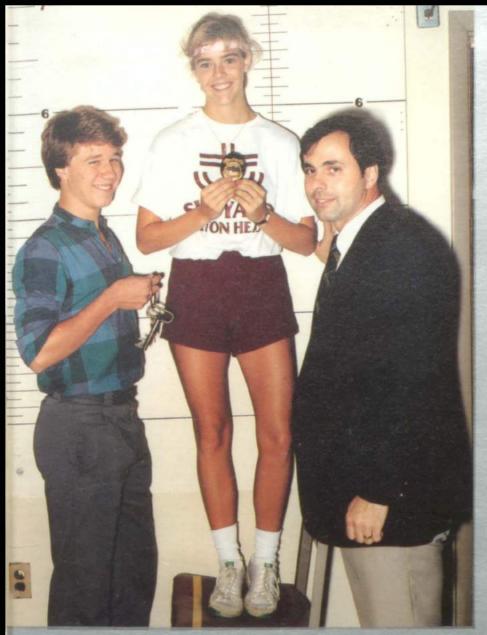

Hi! Inspector D. Tective here. While wandering around the Midwest, I stumbled on a small town called Chagrin Falls (in case you've heard of it.) Maybe it was the famous Falls that intrigued me or perhaps the ever-popular Popcorn Shop. At any rate, I took it upon myself to investigate the situation. I started at the police station to see if anything exciting ever occurred in Chagrin. I just happened to meet a few high school students while I was there (they weren't in trouble or anything) and decided to investigate the High School. After all, even small-town investigations have to be narrowed down to specifics!

Top: The natural falls of Chagrin.

Bottom: The new sports complex at Harris Stadium shows Tiger pride.

Top: The Chief of Police exclaims that Kenny Juergens and Molly Dishong are guilty until proven innocent.

Bottom Left: Ray Markuszka changes the Old Glory.

Bottom Right: Let's hear it for the Office Ladies!

### SPIRIT

Top Right: Seniors Missy Bollen, Rob Busby and Kathy Rogers are anchored by Chris Calder, Mack McFarland, Bill Peramici and Mike Schlaker in a class pyramid.

I am now at the high school. It looks pretty good. The people sure seem nice enough. But look out CFHS! My trusty staff and I plan to uncover every secret that's hidden here. So, when you least expect it, expect it. We've got you covered!

Bottom Left: Juniors Tracy Bryan, Lori Purtell and Micki Katz long for school to end.

Bottom Right: Beamers sweep the high school hall as as Wendy Crouse excitedly exclaims, "I got one!"

Bottom Right: Seniors, Mike Baker, Oscar Sotomayer and Sean Kay amazingly pose with books. Who knows where they got them?

### JR.-SR. GIRLS' FOOTBALL GAME

After many late practices, complaints from the faculty and a controversial pep rally, the players and coaches were excited to actually play the game Sunday afternoon, September 16th. The seniors won 40-8 and became the third class to end their football careers 2-0. Additionally, 40 points is the new record for total points scored by one team. The senior offense was led by tailback Lolita Bello's four touchdowns, split end Tracy Carpenter's touchdown reception and a touchdown run by quarterback Nancy Fitz. The juniors scored on a pass from quarterback Lisa Kihlstrom to receiver Jill Pinkett.

Middle Left: The senior men prepare for a victory.

Middle Right: Heidi Weiker, Jill Pinkett and Kim Daniele stick together on and off the field.

This year the student body, particularly Student Council, set tradition instead of merely following it. Thursday night, Student Council organized a parade and pep rally which was followed by the bonfire and a social in the commons. The band, cheerleaders and fall sports teams walked up the hill to the high school from the old post office, while the queen candidates, the attendants and their escorts

rode in convertibles. The fall sports captains were introduced at the pep rally in addition to inspirational speeches by Larry Arnold and Bill Pieramici. We did have a bonfire, as a result of the students cooperating with the administration to alleviate the problems. The gathering in the commons, sponsored by Math Club, topped off the successful evening.

Middle right: The CFHS band leads the way in the Homecoming Parade.

Bottom: Underclassmen attendants and their escorts get psyched for Homecoming.

Middle Left: Tad Taft, Chip Zodrow and Ken Koprowski collect wood for the bonfire.

### HOMECOMING

The opening ceremonies began an exciting evening in Chagrin Friday. Monica Monastra, escorted by Joe O'Connell was crowned queen. The attendants and their escorts were: seniors Amy Brooks and Chris Zetwick, Cindy Keim and Bill Bierman, Sarah Owen and Mike Schlaker, juniors Leigh Shields and Dale Tomalin, sophomores Anne O'Donnell and Matt Gary and freshmen Carlene Cox and Brian Desberg. The football team got off to a slow start but rallied after halftime to narrowly fall to Kenston 21-18. Saturday night, the senior class held the Homecoming Dance. The students danced to the sounds of Easy Street in a New York City atmosphere.

### The Emblem of C.F.H.S.

The emblem of Chagrin Falls High School was designed in 1914 by Reveley Beattie, Senior Class President. It was intended to serve various purposes: IN gold with numerals, it became the regular Senior class pin. As written in the 1914 Annual, a cheaper version would be made which might "be worn by any member of the high school who has passed, satisfactorily, the mid-year examinations of the Freshman year."

#### CHAGRIN FALLS AS AN INDUSTRIAL TOWN

"Excerpts from the 1914 Annual"

"Although our little village among the hills is usually thought of as merely a residential town, upon closer observation, it will be discovered that it is also somewhat of an industrial center. Taken as a whole, the population is of the great middle or working class. The town boasts of four very flourishing manufactories, giving employment to quite a large number of our residents. These four are: The Adams Bag Company, The Ober Manufacturing Company, The Falls Foundry, and The Deerlick Oilstone Company."

The largest of these is The Adams Bag Company, which manufactured paper and burlap and cotton sacks and later paper sacks during the 1860's. In 1914 it employed over 100 residents of Chagrin Falls.

The Ober Manufacturing Company began in 1873 as a retail lumber yard, but shifted to iron work and machinery. In 1914 their shipping list included every state in the Union and they employed 60-75 men.

The Falls Foundry manufactured grey iron castings, the greater part of which were shipped to the Ford Motor Car Company of Detroit, Mich.

"Besides these principal industries . . . there are many smaller ones doing business. These include the industries common to the average small town. It will be seen from this that Chagrin Falls has a firm position in the industrial world, and that there is a bright future for her."

Senior Class Officers: Left to right: Teresa Blackman, Vice-President; Cindy Keim, President, Cathleen Clegg, Treasurer; Back row: Heidi Exline, Secretary.

This senior year has been quite a busy one! First, the senior women beat the junior girls in a record setting victory. Then, before we knew it, football season arrived and with that, so did Homecoming Weekend. Everyone enjoyed "A Night in New York," especially this year's senior attendants, Cindy Keim, Sarah Owen, Amy Brooks, and our reigning queen, Monica Monastra. The senior class helpped put on all this year's homecoming activities, including the parade, pep rally, and bonfire. Upon completion of another successful soccer season, winter sports began. Congratulations to all those competing seniors who helped lead their teams to victory. The senior class again held a Valentine Dance, in fact the second annual one. Now, as this is being written, we are entering Spring. The class officers trust everyone will have had an incredibly great spring break!!! Also, we hope the conclusion of everyone's senior year was fun.

Best Wishes To Everyone!!!

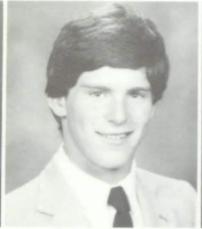

A special good luck to the class of '85!

### 36 JUNIORS

JUNIOR CLASS OFFICERS: Bruce Campbell, President; Erik Speed, Vice President; Eric Whitelaw, Treasurer; Heidi Weiker, Secretary

This year, as in past years, we had our fingers in many pies. The Junior Class was faced with the tremendous task of earning enough money for the Prom. Demonstrating excellent class spirit, however, the class took on the challenge. Work started in July as the class greatly profitted on the concessions at the Swim Invitational. The Juniors became further acquainted with concessions during the football season. Good effort paid off as large sums of money was earned during those Friday nights. In December, the class launched a successful Bomber Bash dance. More money was added to the treasury when the class sold carnations on Valentine's Day. These activities should provide for a luxurious and memorable Prom at Canterbury Country Club in May.

## 3 SOPHMORES

SOPHOMORE CLASS OFFICERS: Jon Fow, Treasurer; Julie Gotchalk, Vice-President; Ann O'Donnell, President; Lori Euritt, Secretary.

The 1984-1985 school year was "marked" by many great achievements by the Sophomore Class. In the fall, the Class sold the annual Homecoming mums to raise some money. Not too long afterwards, Jostens came to school and sold class rings. In February, the Class showed their spirit by selling magazines, to help pay for the Prom next year. Overall, the year had many interesting and exciting experiences helping us to get ready for the heavier responsibilities as juniors.

Freshman Class Officers: John Bartter, President; Bob Fitz, Treasurer; Jill Kramer, Vice-President; Bonnie Finley, Secretary.

Covering the initial year of campus life for the Class of 1988 has brought countless new experiences and endeavors. We have begun to shed our radical, immature, party-hearty image. The first step was winning the Booster Drive last spring. Our fund-raiser, candy sales, generated a solid base to build our class treasury upon. In the all-famous Hall Decorating, we came up empty. We won the respect of others, with an oh-so valiant effort to cover the halls with spray-on snow. Who could forget John Tutolo frantically trying to string Christmas lights across the hallway with just masking tape? Our freshman year has proved to all, that rather than a bunch of bubble-gum faced shorebirds and rascals, we are a fine mix of personalities, making up the unique Class of '88.

The Varsity Football Team was a highly spirited group of young men. They definately were a better team than the 2-7-1 record indicated. With a super attitude they took on many skilled teams with the Tiger determination so often seen on their faces. Chagrin gave up early points in many games and it became a hard struggle to catch up. The mistakes made early in the season were eliminated, giving way to the strongest of attempts to win the game. "The dedicated Tiger team played tough football against other talented ball clubs", remarked Head Coach John Piai. The mental toughness shown in the last four games was exactly what Chagrin needed to be a winner.

### JV and Freshman Football

This year both the JV and Freshman Football Squads had successful seasons, the JV finishing 5-5 and the freshmen were 4-3. The JV started out slowly, but according to Coach Matt Chinchar, the team settled down and began to play, good, tough football after the first two games. They finished strongly, as they won their last three games. The freshmen were anxious to get started in their first high school sport and began with two big wins, they however, ran into tough opponents, Solon and Kenston. The team rebounded with decisive victories over Twinsburg and Wickliffe, even more impressive considering the dwindling number of healthy players. In their final games, there were less than eight players on the bench.

The girl's basketball team's success this year was due to a mixture of team work and individual talent. The starting lineup was made up of five seniors, Nancy Fitz, Tracy Carpenter, Heather Bannerman, Heidi Exline and Cathy Clegg. These girls were helped by senior Julie Kinloch and juniors Kim Carpenter, Lisa Kihlstrom, Mary Zetwick, and Amy Shuster as well as sophomore Anne O'Donnell.

This was a special year for senior Nancy Fitz. She made her one thousandth point of her career in the last regular season game. Jane Phend and Sue Wise are the only other girls in Chagrin history to achieve this plateau. She was also voted Most Valuable Player in the CVC. Tracy Carpenter also made first team CVC all League and Heidi Exline and Cathy Clegg made second team CVC.

Records seem to indicate that the 1984-85 Boy's Varsity Basketball Team was the highest scoring team in the school's history. The regular season ended with Chagrin averaging 70.5 points per game while posting an impressive record of 15-5. The trademarks of the team were super passing and an incredible fast break. Ten players performed in at least half of the total quarters. There was a tremendous balance with all eleven players averaging at least one point per game. Chris Calder was the leading scorer in the league, and was also named the Most Valuable Player in the CVC. Geauga Jock of the Week, the Greater Cleveland Coaches Association All star Team, and the Western Reserve Coaches All Star Team. Darren Wyville was the fifth leading scorer in the league, and took First Team all CVC. He was named part of the Greater Cleveland Coaches Association All Star Team and the Western Reserve Coaches Association All Star Team. Dave Bargar was appointed to the Western Reserve Coaches Association All Star Team. The third leading scorer was not a starter and eight players had at least twenty assists for the year. They were handicapped by a lack of size, but made up for it in quickness and enthusiasm.

## JV Combines Youth and Experience

The JV Team had a very good season under Coach Dave Quesinberry, as evidenced by their 18-2 record. The Team was led by the experience of sophomores Brian Bargar, Josh Gibbs and Dave Martin, while freshmen Steve Calder, T.J. Florkiewicz and Ryan Kaye all saw a lot of action.

# Old Coaches Never Die

#### 1919-1985

"If there's anything I can do for you . . . " A familiar phrase heard by many of Ralph Quisenberry's friends and students won't be heard anymore. These words were silenced by his death on January 20, 1985.

Ralph L. Quisenberry was a teacher, coach, and an athletic director, but most of all he was a loyal friend and staunch supporter of all Chagrin Valley athletics.

"Coach," as he was best known, served Chagrin Falls High School and the community for 38 years. In 1947, his first year at Chagrin, he led the Tigers Football Team to an 8-0 record, and in 1966, his final year as head coach, his team won 7 and tied 2. At the end of the season he was named Coach of the Year.

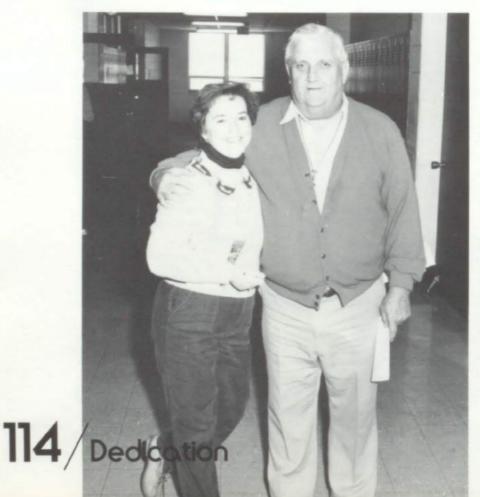

He assumed the duties of athletic director in 1962, and served in this position until he retired in 1980. In 1972 he was named National Athletic Director of the Year by the American Association of Health and Physical Education and Recreation Teachers. The community and the school honored him by naming the high school gymnasium after him.

Mr. Quisenberry helped form the Chagrin Valley Conference, which began play in the 1963-64 school year. In his retirement he served as secretary of the conference as well as president of the Ohio Athletic Directors Association, was a former president of the Northeastern Ohio Athletic Directors Association, and active with the Fellowship of Christian Athletes.

In 1976 he was inducted into the Ohio High School Athletic Directors Association Hall of Fame and became a member of the Athletic Hall of Fame of Bowling Green University, his alma

His memory will linger on for all those who knew him.

We dedicate the 1985 Zenith in his memory.

Mrs. Linda Gilmore Commons Supervisor

This year, the Library Media Center has a new librarian, Mrs. Faye Lander. Mrs. Lander has made a great effort to get more students interested in the library, and present them with up-to-date, popular reading materials. Except for the "smoking johns" being converted into "real" restrooms, and the new Activity Board, the commons have remained relatively unchanged. The C.A.B. room no longer has couches, but is now used more as a conference room. Mrs. Gilmore is still single handedly keeping students under control.

Erik Speed and Chris Borsh attentively look on as Mike Boehringer prepares for his turn at the pool table.

# Journey to Crystal City

#### Winter Formal

On December 8, 1984, the Winter Formal, "A Journey to Crystal City", made history. This was the first dance to ever take place in the commons. Normally sponsored by AFS, this year the cheerleaders took over the responsibility of this special winter activity. The cheerleaders worked very hard Saturday afternoon decorating the commons, and their time and effort certainly showed. The commons was transformed into a "Crystal City". Students danced the night away with music provided by a disc jockey. This occasion definitely started off the holiday season in the right spirit.

Winter Formal King, Mike Schlaker, and date, Jane Mendelsohn give us a royal smile.

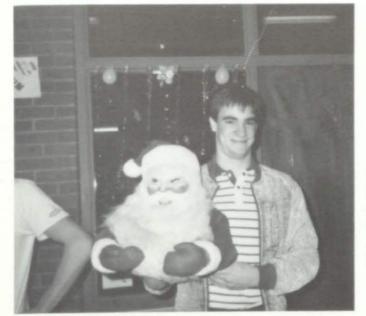

Kelly Smith and Cindy Fisher seem to be slow dancing, but we know they are striking up an original pose for the camera.

Joe O'Connell, Jean Anderson, Rebecca Baldwin, and T.J. McCarthy can't wait to play "outside" with the real snow.

## Deck the Halls

#### Hall Decorating

Student enjoyed participating in the Second Annual Hall Decorating Contest, the week before winter vacation. Each grade was assigned a different area of the school to "tastefully" decorate. While everyone gave it their all, the seniors pulled out the first place title for their remarkable decorating skills.
